There are more ways to enjoy your java than there are coffee beans on the tree, so whether you like your coffee topped with foam or black as the night sky there's something for everyone! Bringing together the finest blend of recipes, clever statements and quips from connoisseurs the world over, this book celebrates the majestic coffee bean. Warren W. Wiersbe says of No Little Places, "You'll learn a lot about small-town America and the changes occurring in American society today. Written by two seasoned veterans of ministry in small-town America, No Little Places is a heart-to-heart account of cross-cultural evangelism right here in the United States. It's a primer on how to discover a church's potential and build on it. It's a transparent, how-to-do-it book that pulls no punches. It reads like another chapter in the Book of Acts or extra verses in Hebrews 11". Why are so many well-intentioned women falling for poor--even false--theology? The Devil has been effectively targeting women from the beginning, so why are they often left to fend for themselves in so-called women's ministries? Strengthening women in the church strengthens the whole church. Cultivating resolved, competent women equips them to fulfill their calling as Christ's disciples and men's essential allies. Writing to concerned women and church officers, Aimee Byrd pinpoints the problem, especially the commodification of women's ministry. Aimee answers the hot-button issues--How can women grow in discernment? How should pastors preach to women? What are our roles within the church?--and points us in the direction of a multifaceted solution. There was once a farm where all the animals were friends. Together they looked after the farm and each other. It wasn't perfect and they didn't always agree (animals almost never do). But the Geese have hatched a plan to leave the farm . . . will life be perfect for them now? A powerful modern-day fable for our times told with humor, warmth, and most importantly, hope. A story of building bridges, not barriers, respect, not resentment, and of finding friendship, not fear. Just because you're really small doesn't mean you can't have a big heart. When the diminutive Dot stands up to a bully on behalf of an even smaller friend, she proves how big she can truly be. Dot is the smallest person in her family and at school; even her name is small! People often mistake her for being younger than she is, but not when she tells them the square root of sixty-four is eight, nor when she orders from the grown-up menu at restaurants or checks out the hard books at the library. She may be small, but she's not little. When a new boy named Sam joins Dot's class, she wonders if he's even smaller than she is. When she sees him getting bullied by a mean kid twice his size, she knows she has to do the big thing and stand up for him. Maya Myers's debut picture book has a pitch-perfect voice that captures the inimitable Dot in all her fierceness, and Hyewon Yum's delightful pastel-hued artwork is its perfect complement. A Junior Library Guild Gold Standard Selection An ALSC Notable Children's Book A USA Today bestseller! Give hedgehugs and kisses to your little squeakheart with this pun-tastic, funny baby book, the perfect gift for baby showers, new parents, or any occasion! Valentine's Day, Mother's, or Father's Day gifts Baby shower gifts for new parents Holiday stocking or Easter

basket stuffers Birthdays and other special moments all year long and more! More charming stories from Punderland, the perfect gift for any occasion: I Love You Slow Much You Make My Heart Go Vroom! Somebunny Loves You I Love You More, Babysaur Donut Give Up Written from a child's point of view, advises young readers on ways to handle a variety of problematic situations, provides an easy-to-use system to help children rehearse and remember appropriate responses to keep them safe, and includes coverage of where to go for help and how to deal with shame and guilt. The Caldecott Honor-winning classic by bestselling picture-book creator David Shannon! When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children—even when they misbehave. Leaders and Managers want quick answers, quick ways to reach solutions, ways and means to access knowledge that won't eat into their precious time and quick ideas that deliver a big result. The Little Book of Big Decision Models cuts through all the noise and gives managers access to the very best decision-making models that they need to keep things moving forward. Every model is quick and easy to read and delivers the essential information and know-how quickly, efficiently and memorably. In paperback at last: Rivka Galchen's beloved baby bible—slyly hilarious, surprising, and absolutely essential reading for anyone who has ever had, held, or been a baby In this enchanting miscellany, Galchen notes that literature has more dogs than babies (and also more abortions), that the tally of children for many great women writers—Jane Bowles, Elizabeth Bishop, Virginia Woolf, Janet Frame, Willa Cather, Patricia Highsmith, Iris Murdoch, Djuna Barnes, Mavis Gallant—is zero, that orange is the new baby pink, that The Tale of Genji has no plot but plenty of drama about paternity, that babies exude an intoxicating black magic, and that a baby is a goldmine. "Practical help. Real encouragement. Just what you need to cope with emotional meltdowns, motivate them to get school done, answer their spiritual questions, and most of all, protect your relationship with your eight to fourteen year olds"--Amazon.com. The star of the bestselling Big Nate book series is back in another board book adventure for preschool-aged children. Big Nate doesn't want to take a nap. But once he does drift off to sleep, he's delighted to find his imagination can take him to some fascinating places. The second book in the Little Big Nate series by bestselling author Lincoln Peirce is an interactive joy for young children and their parents. 16 Encouraging Sermons on Human Weakness and God's Sufficiency by Francis Schaeffer Most Christians take an honest look at themselves and conclude that their limited talents, energy, and knowledge mean that they don't amount to much. Some even ask, Can I really make a difference? Francis A. Schaeffer counters this claim with truth from the Bible, arguing that with God there is no such thing as little people. No Little People contains sixteen sermons from Schaeffer that explore the weakness and significance of humanity in relationship to the infinite and personal God. The focus of this collection is the lasting truth of the Bible, the faithfulness of God, the sufficiency of the work of Christ, and the power of the Spirit. Readers will be encouraged by the value that God places on each person made in his image to accomplish his redemptive plan. Little changes can make a big, big difference! In The Little Book of Big Change, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your

habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all. Is planning for America anathema to the pursuit of life, liberty and happiness? Is it true, as ideologues like Friedrich Von Hayek, Milton Friedman, and Ayn Rand have claimed, that planning leads to dictatorship, that the state is wholly destructive, and that prosperity is owed entirely to the workings of a free market? To answer these questions Ian Wray's book goes in search of an America shaped by government, plans and bureaucrats, not by businesses, bankers and shareholders. He demonstrates that government plans did not damage American wealth. On the contrary, they built it, and in the most profound ways. In three parts, the book is an intellectual roller coaster. Part I takes the reader downhill, examining the rise and fall of rational planning, and looks at the converging bands of planning critics, led on the right by the Chicago School of Economics, on the left by the rise of conservation and the 'counterculture', and two brilliantly iconoclastic writers - Jane Jacobs and Rachel Carson. In Part II, eight case studies take us from the trans-continental railroads through the national parks, the Federal dams and hydropower schemes, the wartime arsenal of democracy, to the postwar interstate highways, planning for New York, the moon shot and the creation of the internet. These are stories of immense government achievement. Part III looks at what might lie ahead, reflecting on a huge irony: the ideology which underpins the economic and political rise of Asia (by which America now feels so threatened) echoes the pragmatic plans and actions which once secured America's rise to globalism. YES! This must-have toddler title sheds light on some concepts with a comical flair. Yanking cat by tail: no NO. Gentle pat on back: yes YES. And it's funny how dumping a bowl of food gets a very different reaction from mastering the use of a spoon. An expressive baby demonstrates familiar behaviors — and their predictable responses — in an amusing book that merits a giant YES! An examination of the uses of data within a changing knowledge infrastructure, offering analysis and case studies from the sciences, social sciences, and humanities. "Big Data" is on the covers of Science, Nature, the Economist, and Wired magazines, on the front pages of the Wall Street Journal and the New York Times. But despite the media hyperbole, as Christine Borgman points out in this examination of data and scholarly research, having the right data is usually better than having more data; little data can be just as valuable as big data. In many cases, there are no data—because relevant data don't exist, cannot be found, or are not available. Moreover, data sharing is difficult, incentives to do so are minimal, and data practices vary widely across disciplines. Borgman, an often-cited authority on scholarly communication, argues that data have no value or meaning in isolation; they exist within a knowledge infrastructure—an ecology of people, practices, technologies, institutions, material objects, and relationships. After laying out the premises of her investigation—six "provocations" meant to inspire discussion about the uses of data in scholarship—Borgman offers case studies of data practices in the sciences, the social sciences, and the humanities, and then considers the implications of her findings for scholarly practice and research policy. To manage and exploit data over the long term, Borgman argues, requires massive investment in knowledge infrastructures; at stake is the future of scholarship. This book is a powerful and reliable tool for developing the skills needed to make big decisions where the stakes are high, create big wins where the goals are specific, heartfelt and really matter, and turn your fears into some of your most trustworthy friends. Beloved picture book creator and four-time Caldecott Honor-winner Leo Lionni's very first story for children, and a New York Times Best Illustrated Book of the Year. Little Blue and Little Yellow are best friends, but one day they can't find each other. When they finally do, they give each other such a big hug that they turn green! How they find their true colors again concludes a wonderfully satisfying story told with colorful pieces of torn paper and very few words. Leo Lionni launched his children's book career in 1959 with Little Blue and Little Yellow, and this 50th-anniversary edition, complete with Lionni's own explanation of how the book came to be, is sure to resonate with children today. "I think I can, I think I can, I think I can..." Discover the inspiring story of the Little Blue Engine as she makes her way over the mountain in this beloved classic—the perfect gift to celebrate the special milestones in your life, from graduations to birthdays and more! The kindness and determination of the Little Blue Engine have inspired millions of children around

the world since the story was first published in 1930. Cherished by readers for over ninety years, *The Little Engine That Could* is a classic tale of the little engine that, despite her size, triumphantly pulls a train full of wonderful things to the children waiting on the other side of a mountain. New York Times bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-foot-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him, considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again. Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo! Three decades and more than one million copies later children still love hearing about the boy with the long name who fell down the well. Arlene Mosel and Blair Lent's classic re-creation of an ancient Chinese folktale has hooked legions of children, teachers, and parents, who return, generation after generation, to learn about the danger of having such an honorable name as Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo. *Tikki Tikki Tembo* is the winner of the 1968 Boston Globe - Horn Book Award for Picture Books. A story for every kid who wants a pet dragon! When Billy Bixbee finds a tiny dragon in his bedroom, his mom tells him, “There's no such thing as a dragon!” This only makes the dragon get bigger. He grows, and grows, and grows, until he's bigger than Billy's house—and that's just the beginning! A funny, madcap story and playful illustrations by beloved author-illustrator Jack Kent pair in a book that will have children wondering if maybe friendly pet dragons do exist after all! Little Brown Bear's response to everything is negative. Poetry. "How strange it is to live in these bodies /and pretend we are not judged;" writes Becka McKay in her newest collection; *THE LITTLE BOOK OF NO CONSOLATION*. McKay's imagination takes us far away from our earthly bodies through dreamscapes of terror and possibility. With a fanciful Dictionary of Misremembered English and mistranslated phrases as her guide; she reimagines Biblical figures; governments; and language's very syntax. McKay spins her poems as though spinning plates; on a pole of syntax all her own; the gyroscopic effect dazzling."--Denise Duhamel When Little Big Nate gets a new pack of crayons, his illustrations really come to life! In this delightful board book, Little Big Nate's imagination and love of drawing will inspire even the youngest readers to express themselves through artwork. A New York Times Notable Book “Stunning. . . a moving meditation. . . infused with mystery and wonder.” —Atlanta Journal-Constitution In a masterwork that both deepens and enlarges the world of her previous novels, acclaimed author Louise Erdrich captures the essence of a time and the spirit of a woman who felt compelled by her beliefs to serve her people as a priest. *The Last Report on the Miracles at Little No Horse* deals with miracles, crises of faith, struggles with good and evil, temptation, and the corrosive and redemptive power of secrecy. For more than a half century, Father Damien Modeste has served his beloved Native American tribe, the Ojibwe, on the remote

reservation of Little No Horse. Now, nearing the end of his life, Father Damien dreads the discovery of his physical identity, for he is a woman who has lived as a man. To further complicate his quiet existence, a troubled colleague comes to the reservation to investigate the life of the perplexing, possibly false saint Sister Leopolda. Father Damien alone knows the strange truth of Leopolda's piety, but these facts are bound up in his own secret. He is faced with the most difficult decision: Should he tell all and risk everything . . . or manufacture a protective history for Leopolda, though he believes her wonder-working is motivated solely by evil? The Last Report on the Miracles at Little No Horse is a work of an avid heart, a writer's writer, and a storytelling genius. Archie was adorable. Everybody said so. Until one day he learned a new word... "No!" Archie says "No!" at mealtimes, bath times, and every single bedtime... A hilarious tale that's perfect for parents who are finding themselves suddenly tackling tantrums. The cheeky, charming Archie will win the hearts of children and parents alike. From the award-winning author Tracey Corderoy (The Grunt and The Grouch, Monty and Milli) and illustrated by the best-selling Tim Warnes (I Love You as Big as the World, I Don't Want to Go to Bed!), No! is set to become a laugh-out-loud picture book classic. Now available as a sturdy board book! ONE OF THE most-requested Little Golden Books is back in print! Millions of baby boomers remember little Dan, who stops crying over a scratch as soon as Mother puts a bandage on it. Soon the dolls and teddy bears in Dan's house are wearing bandages, too. This charming story from the 1950s was so popular that it's now featured in the Smithsonian's permanent collection. A heartwarming book that takes a look at all things little . . . and reveals some big surprises with each turn of the page. These things may seem little: A fish. An idea. A snowflake. But what if that little fish was also brave? And that little idea was fantastic? And that little snowflake turned out to be unique in all the world? Featuring die-cut holes in the spirit of Laura Vaccaro Seeger's Lemons Are Not Red, There's No Such Thing as Little is bright, warm, and endlessly inviting, and will encourage readers of all ages to think BIG about what "little" really means. No-No Bird's favourite word is NO! In fact, he likes saying it to everyone. NO he won't play with Little Mouse; NO he won't climb trees with Squirrel. Then he meets Snake and learns that Snake's favourite food is No-No Bird. Can No-No Bird escape from a sticky end by changing his favourite word to YES? Meg Cabot, #1 New York Times bestselling author of The Princess Diaries, returns to Little Bridge Island with a new story about a children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don't Judge a Book by Its Author... Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone? The classic story by E. B. White, author of the Newbery Honor Book Charlotte's Web and The Trumpet of the Swan, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites Charlotte's Web and The Trumpet

of the Swan as classic illustrated novels that continue to speak to today's readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories. A boy has a hard time playing with his friend because his baby sister is hanging around yelling, "No, " about everything they try to do. After experiencing several falls and bumps, Little Hippo discovers how to play safely and have fun without the danger of accidents. Aimed at helping children understand which secrets should be shared with an adult and which can be kept, this book teaches that while it can be fun to keep exciting surprises, any secrets that cause children anxiety or worry should be shared right away--even if they've been told to keep silent. This is a useful tool for sexual abuse prevention. NEW YORK TIMES BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, To Paradise. Little Dragon wreaks adorable havoc in this energetic picture book from the creator of Except If. With a PHOOSH and a Grrrrrr and a CANNONBAAAALLLLLLL! Little Dragon tears through his day (and the house). But even when he gets a little too rambunctious, there's no OH NO! that Mama's kiss can't fix. Jim Averbeck celebrates both the tremendous energy of a little boy and the tenderness shared between mother and child in this vibrant picture book that begs to be read aloud. Quinn O'Connell led a remarkable life, yet she lacked celebrity or notoriety. Born in 1939, she was part of a generation that exemplified a tenacity of spirit and grit that contrasts sharply with today's culture. By the time she was thirteen years old, she experienced on-going sexual abuse, a drastic consequence of that abuse, and a sacrifice nearly too great to endure. Quinn was an imperfect person who struggled every day to find her place in the world as life knocked, nicked, and bruised her, but through it all she persevered and prevailed. Her story is not a real-life fairy tale, and while it is brutal and sad, it is also beautiful. It's a story that exemplifies the value of perseverance and the power of choice.
