Geared to assist any individual anytime, anywhere, Average Joe's RV Refrigerator: Troubleshooting & Repair Guide is a handy book that will be of use for both personal and business needs. Book Review: "Average Joe's RV Refrigerator Troubleshooting and Repair Guide made me feel confident that I (an average Joanne) could pull out my own RV refrigerator and know what I was looking at, what to check first depending on the problem, and where to proceed from there. Without the guide, I'd never know where to start. There are a lot of photos and the troubleshooting charts are easy to read, with a column for symptoms, possible problem areas, and causes and remedies. They identify specific problems for which I need to call on a repair specialist but I was surprised to see that many of the remedies are simple enough that I would not be afraid to tackle them myself. This guide will help anyone assess problems with thier RV refrigerator and try, first, to fix it yourself, thereby saving on costly repair bills." frugal-rv-travel This program opens with a series of 5 dramatisations, each illustrating a particular attribute of good customer service : Show respect, Pay attention, Show you care, Advocate. It is meant to be an aid to anyone who is going to buy a new refrigerator or who has questions about one just purchased. It contains suggestions about what to look for as well as what to avoid when buying a refrigerator. People who would find this book helpful include people buying a new refrigerator, people remodeling a kitchen, landlords, home economics teachers and perhaps realtors. Chapter topics include buying a refrigerator, making sure house is suitable and handling "no-cool" situations. The book can help you avoid mistakes I see every day as a refrigerator repair technician. It is the result of years of experience repairing and seeing the same mistakes in installation, purchasing and care day-after-day. Many of these mistakes result in service calls, which cost you, the consumer, directly or indirectly. My belief is that over the life of the refrigerator you will save a lot more than the cost of this book if you use the information it contains.
