The Divine Proportion Dec 22 2020 Explores the aesthetic, emotional, artistic and philosophical significance of geometric figures, scientific patterns and mathematical formulas

***Our Divine Double* Jul 17 2020 What if you were to**

discover that you were only one half of a whole—that you had a divine double? In the second and third centuries CE, Charles Stang shows, this idea gripped the religious imagination of the Eastern Mediterranean, offering a distinctive understanding of the self that has survived in various forms down to the present.

***The Divine Romance* Nov 13 2022 A breathtakingly beautiful saga spanning from eternity to eternity, presented from the view of angels. Experience creation, the crucifixion, and the resurrection from this unique viewpoint, and gain a better understanding of the majestic love of God. Gene Edwards's classic tale is the greatest love story ever told.**

The Divine Song May 15 2020 "Everything starts with a song and everything ends with another song," says the narrator of *The Divine Song*. Paris is an old Sufi cat who keeps watch over his brilliant yet pathetic master, Sammy Kamau-Williams, the Enchanter. In *Sammy*, we recognize the African American singer-composer, poet, and novelist Gil Scott-Heron who is best known for his song "The Revolution Will Not Be Televised." *The Divine Song* takes us from the shores of Africa to Sammy's ancestors' arrival in the Americas in the hold of the slave ships. From there, Abdourahman A. Waberi takes the characters from Tennessee--under the tutelage of Lili Williams, Sammy's beloved African-born grandmother--to New York and the concert halls of Paris and Berlin, wherever blues and jazz find an enchanted audience.

African tales, religious practices, segregation, the civil rights movement, addiction, and jail--Sammy's life comes to encompass the whole of the African American experience. At a time when social and racial divisions have yet again come into sharp relief, this lyrical novel by one of African literature's rising stars is necessary reading for anyone who celebrates the resilience of art.

The Divine Within Jul 09 2022 Brave New World author Aldous Huxley on enlightenment and the "ultimate reality". In this anthology of twenty-six essays and other writings, Huxley discusses the nature of God, enlightenment, being, good and evil, religion, eternity, and the divine. Huxley consistently examined the spiritual basis of both the individual and human society, always seeking to reach an authentic and clearly defined experience of the divine. Featuring an introduction by renowned religious scholar Huston Smith, this celebration of "ultimate reality" proves relevant and prophetic in addressing the spiritual hunger so many feel today.

The Divine Institutes, Books I-VII Mar 25 2021 No description available

The Divine Life of Animals Mar 05 2022 A journey through 20,000 years of history and myth in search of the answer to a single question: Do animals have souls? Anyone who has ever mourned the loss of a cherished pet has wondered about the animal soul. Do animals survive the death of the body, or are they doomed to disappear completely when they leave this world behind? Both scientists and religious authorities

have long scoffed at the idea of animals in heaven. Yet the question endures. In this wise, immensely readable book, Ptolemy Tompkins embarks on a quest for the answer—taking us on a top-speed tour of the history of the animal soul. Equally at home with mainstream and alternative spiritual philosophies, Tompkins takes us from the savannas of Africa to the earth's first cities to the early days of the great faith traditions of both East and West. Along the way, he shows that, despite what many of us have been taught, the world's various spiritual traditions all have profoundly meaningful things to say about the animal soul, if we simply know where to look. Rescuing these ancient insights and blending them with vivid stories about animals today—from a dwarf rabbit named Angus to a manatee named Moose to a black bear named Little Bit—*The Divine Life of Animals* paints a gloriously inclusive picture of the cosmos as a place made up of both matter and spirit, in which animals are every bit as important, spiritually speaking, as the humans with whom they share the world. Though it is startlingly original, *The Divine Life of Animals* also feels strangely and instantly familiar, for it reveals truths that many of us have held in our hearts already, waiting only for someone to give fresh voice to one of the oldest and most trustworthy intuitions we possess. *The Divine Life of Animals* offers a compelling and timeless vision of the relationship between humans and animals that will have you looking at the animals in your life with new eyes.

The Divine in the Commonplace Dec 14 2022 Explores how natural theology features in both early Victorian natural histories and English provincial realist novels of the same period.

The Wicked + the Divine, Volume 2 Sep 30 2021 The second volume of the award-winning urban fantasy series where gods are the ultimate pop stars and pop stars are the ultimate gods. Following the tragic and unjust death of Lucifer, it takes a revelation from Inanna to draw Laura back into the worlds of Gods and Superstardom to try and discover the truth behind a conspiracy to subvert divinity. Includes issues #6-11 of the series, plus supplementary material.

***The Wicked + The Divine Vol. 1* Apr 18 2023 Every ninety years, twelve gods incarnate as humans. They are loved. They are hated. In two years, they are dead. The team behind critical tongue-attractors like Young Avengers and PHONOGRAM reunite to create a world where gods are the ultimate pop stars and pop stars are the ultimate gods. But remember: just because you're immortal, doesn't mean you're going to live forever. Collects THE WICKED + THE DIVINE #1-5.**

***Partakers of the Divine Nature* Feb 04 2022 Scholars from around the world offer a comprehensive, ecumenical survey of the history and development of deification.**

Practically Divine Apr 13 2020 When we allow ourselves to embrace both ordinary and extraordinary experiences, we can feel the divine anywhere. No matter where we are—on a walk in the woods, in a

sacred building, or in a dusty refugee camp—signs of love abound. There is no secret formula to experiencing the sacred in our lives, it just takes practice and practicality. You're invited to search this path with entrepreneur Becca Stevens as she explores what it means to be practically divine. Woven throughout the narrative are poetry and rants, as well as ruminations on her mother's wit, wisdom, and passion. In Practically Divine, Becca shares how to live a life that's practically divine by: Redefining old lies and stories, to learn from the past Appreciating the gifts that come from imperfections or trauma Using creativity to spark new revolutions Accepting the chaos of the unknown before us with courage Sharing in a feast of love, knowing there's enough mercy and forgiveness Embracing the practically divine compels us to do something, anything, to share in the feast of love together. When we start from wherever we are, we can recognize the potential for humor, wonder, and freedom. Practically Divine teaches you to use your senses to transform information into holy compassion. When we open our hearts to it, we can experience the divine anywhere - like sacred breadcrumbs marking our path.

The Divine Seed Oct 20 2020 The Divine Seed interprets the lessons of the Schoolmaster Jesus Christ through the way of the truth-seeker, illuminating his parables, teachings to his disciples, and practical advice on how we should honestly live. In this way, Pekka Ervast helps readers examine Jesus' life as it

contains the deepest, most secret meaning in the Gospels. In decoding the Gospels, he shows us how to free ourselves from intellectual bondage and allow the divine seed contained within the soul to germinate freely and grow.

The Divine Dance Jun 15 2020 A Favorite Author Among Teen Girls Most young women yearn to be chosen, to be called out from the crowd and loved for who they are. In The Divine Dance, Shannon Kubiak Primicerio acknowledges this desire and likens teen girls to dancers, constantly performing to please the "audiences" in their lives. But in family, peers, teachers, and others, young women forget that they were created to perform for God alone. Primicerio provides readers with guidance and encouragement to stop dancing for the world and to start dancing for an audience of One.

Jacob and the Divine Trickster Feb 21 2021 Revised version of the author's thesis (Ph.D.)--Baylor University, 2010.

The Divine Pity; a Study in the Social Implications of the Beatitudes Mar 17 2023 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to

be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Gaming and the Divine Aug 18 2020 This book formulates a new theological approach to the study of religion in gaming. Video games have become one of the most important cultural artefacts of modern society, both as mediators of cultural, social, and religious values and in terms of commercial success. This has led to a significant increase in the critical analysis of this relatively new medium, but theology as an academic discipline is noticeably behind the other humanities on this subject. The book first covers the fundamentals of cultural theology and video games. It then moves on to set out a Christian systematic theology of gaming, focussing on creational theology, Christology, anthropology, evil, moral theology, and thanatology. Each chapter introduces case studies from video games connected to the specific theme. In contrast to many studies which focus on online multiplayer games, the examples considered are largely single player games with distinct narratives and 'end of game' moments. The book concludes by synthesising these themes into a new theology of video

games. This study addresses a significant aspect of contemporary society that has yet to be discussed in any depth by theologians. It is, therefore, a fantastic resource for any scholar engaging with the religious aspects of digital and popular culture.

The Divine Nature Jun 08 2022 This book is the first systematic treatment of the strengths and limitations of personal and a-personal conceptions of the divine. It features contributions from Jewish, Islamic, Chinese, Indian and naturalistic backgrounds in addition to those working within a decidedly Christian framework. This book discusses whether the concept of God in classical theism is coherent at all and whether the traditional understanding of some of the divine attributes need to be modified. The contributors explore what the proposed spiritual and practical merits and demerits of personal and a-personal conceptions of God might be. Additionally, their diverse perspectives reflect a broader trend within the analytic philosophy of religion to incorporate various non-Western religious traditions. Tackling these issues carefully is needed to do justice to the strengths and limitations of personal and a-personal accounts to the divine. The Divine Nature: Personal and A-Personal Perspectives will be of interest to scholars and advanced students working in philosophy of religion and philosophical theology.

**The Method of the Divine Government Nov 20 2020
Desire and the Divine Nov 01 2021 In this groundbreaking study, Kathaleen E. Amende considers**

the works and lives of late-twentieth-century southern women writers to explore how conservative Christian ideals of femininity shaped notions of religion, sexuality, and power in the South. Drawing from the work of authors like Rosemary Daniell and Connie May Fowler, whose characters—like the authors themselves—grow up believing that Jesus should be a girl's first "boyfriend," Amende demonstrates many ways in which these writers commingled the sexual and the sacred. Amende also looks at the writings of Lee Smith, Sheri Reynolds, Dorothy Allison, and Valerie Martin and discusses how southern women authors and their characters grappled with opposing cultural expectations. Often in their work, characters mingle spiritual devotion and carnal love, allowing for salvation despite rejecting traditional roles or behaviors. In Martin's *A Recent Martyr*, novitiate Claire disavows southern norms of femininity—courtship, marriage, and motherhood—but submits to Jesus as she would to a husband. In Reynolds's *Rapture of Canaan*, teenage protagonist Ninah Huff imagines that her out-of-wedlock child is the offspring of Christ because of her conviction that Jesus was present during the sexual act that produced him. This tie between sexuality and religion afforded women movement between the two, but any attempt to separate them into compartmentalized spaces, as Amende shows, produces negative consequences—from pain and mental illness to an inability to connect with others. Ultimately, women have to find a way to unite

the realms of the body and of faith in order to achieve spiritual and romantic fulfillment. As in Dorothy Allison's *Bastard Out of Carolina*, where, for the protagonist, gospel music includes both the intensity of violent fantasies along with a spiritual yearning, it is only when the erotic and the spiritual coexist that women achieve full self-realization. Grounded in southern cultural and gender studies and informed by historical, religious, and devotional literature, Amende's timely and accessible book offers one the first studies to view the intersection of sexuality and Christianity in southern contexts.

The Sinister Way Jan 15 2023 Annotation A survey of Chinese religion from 1000 BC to the beginning of the 20th century, as well as a study of the ambiguities of divine power in Chinese religion.

Numerology and the Divine Triangle May 19 2023 Comprehensive and authoritative text on numerology.

Darśan Aug 30 2021 The experience of the divine in India merges the three components of sight, performance, and sound. This book is about the power and importance of seeing in the Hindu religious tradition. In the Hindu view, not only must the gods keep their eyes open, but so must we, in order to make contact with them, to reap their blessings, and to know their secrets. When Hindus go to temple, their eyes meet the powerful, eternal gaze of the eyes of God. It is called Darsan, Seeing the divine image, and it is the single most common and significant element of Hindu worship. This book explores what darsan means. This

is also a book about the divine image in the Hindu tradition. What do Hindus see in the images of the gods? What is meant by these multi-armed gods, with their various weapons, emblems, and animals? How are these images made and consecrated? How are they treated in a ritual context? In exploring the nature of the divine image, this book not only considers the images of the gods, but also the Hindu temple and the Hindu place of pilgrimage.

The Divine and the Human Apr 25 2021 This book is about Divine Humanity, man's creative collaboration with God in the world. Nikolai Berdyaev's reflections on Divine Humanity lead him to outline a dramatic philosophy of destiny, a philosophy of existence which unfolds in time and passes over into eternity, into a state which is not death but transfiguration. He describes his method as existentially anthropocentric and spiritually religious; the dialectic of this book is a dialectic not of logic but of life, a living existential dialectic. He emphasizes that man must not only await a divine-human revelation, but work creatively to achieve one.

***The Divine Devils* Jul 29 2021 Two teenage siblings in peril. A mysterious group with an agenda to abduct them. The mother Paige Hawkins reaching into her past seeking divine intervention. The call going out to former US Marshal, Hunter Divine. An erstwhile lover who broke Paige's heart. A man whose current existence is leaping from job to job and bed to bed. Hunter taking the case hoping for salvation in his**

futile life. Can Hunter and his team prevent the kidnapping by an enemy with vast resources? The foe's endgame to leverage these kids for their own vengeful desires. Hunter and his team toeing the line between virtue and vile. Drawing on wit, brawn, halos and pitchforks the 'Divine Devils' will scorch the earth to protect these kids. Even if it costs them...their eternal souls!

Divine Light Jan 23 2021 In his missionary journeys, St. Paul spoke in a number of cities in the Greek peninsula including Athens, renowned for its philosophical heritage. He addressed to them the message of the One, Unknown God (Acts 17:22ff). Among those present in the Areopagus (the open city center of Athens) on that day was a certain Denys (Dionysios) who eventually became a disciple of Paul. Centuries later, a corpus of writings appeared bearing the name of the Denys the Areopagite. These texts were considered to be the writings of the first century disciple of the Apostle Paul and thus achieved almost immediate prominence, strongly influencing the lives of St. Maximus the Confessor (d. 662) and St. John Damascene (d.749) in the East and Eriugena (d. 877), St. Bede (d. 735), St. Bernard (d.1153) St. Thomas Aquinas (d. 1272) Nicholas of Cusa (d. 1464), St. John of the Cross (d. 1591), and many other great minds in the West. Later historical studies of Denys' texts, especially during the 19th century, showed conclusively that the writings are of a later date (5th century) than had generally been thought. Hence, the

appending of "Pseudo-" before the name of Denys (Pseudo-Denys, Pseudo-Dionysius) became common place. The extraordinary brilliance of the texts themselves, however, has been in no way dimmed. The late Holy Father John Paul II in his monumental encyclical *Fides et Ratio* warns insistently against an approach to Revelation that shuns metaphysics. The texts of Denys provide a majestic and profound metaphysical perspective. Deeply formed by the Divine Liturgy and the Sacred Scriptures, this mysterious author uses the great insights of Plato and his later disciples, expressing the deepest profundities of the faith in stunningly beautiful writings. In Denys, readers past, present, and future find a penetrating contemplative vision into the Mystery of the Trinity and its creation. This book is a focused exposition of Denys' theological understanding with particular attention to the illuminating metaphysical depth of his insight. Care has been taken to prepare a text that is readable for the serious laymen accompanied with footnotes to provide a more detailed background for the scholar.

The Divine and the Defeated Jun 27 2021 Using the same D20 game system as the 3rd Edition fantasy roleplaying rules, sword & sorcery books provide fantasy gamers with a host of new core rulebooks, campaign sourcebooks, challenging adventures and game accessories. Sword & sorcery is the largest independent publisher of D20 material, with authors such as the father of fantasy himself Gary Gygax, and

Monte cook, the co-creator of 3rd Edition and author of the 3rd Edition DMG. Hardcover sourcebook of gods, their minions and their religions.

The Infinite and The Divine Jul 21 2023 Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts - and people - of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

***The Memoirs of God* Sep 11 2022 This insightful work examines the variety of ways that collective memory, oral tradition, history, and history writing intersect. Integral to all this are the ways in which ancient Israel was shaped by the monarchy, the Babylonian exile, and the dispersions of Judeans and the ways in which Israel**

conceptualized and interacted with the divine-Yahweh as well as other deities.

The Divine Aug 22 2023 Mark's out of the military, these days, with his boring, safe civilian job doing explosives consulting. But you never really get away from war. So it feels inevitable when his old army buddy Jason comes calling, with a lucrative military contract for a mining job in an obscure South-East Asian country called Quanlom. They'll have to operate under the radar-Quanlom is being torn apart by civil war, and the US military isn't strictly supposed to be there. With no career prospects and a baby on the way, Mark finds himself making the worst mistake of his life and signing on with Jason. What awaits him in Quanlom is going to change everything. What awaits him in Quanlom is weirdness of the highest order: a civil war led by ten-year-old twins wielding something that looks a lot like magic, leading an army of warriors who look a lot like gods. What awaits him in Quanlom is an actual goddamn dragon. From world-renowned artists Asaf and Tomer Hanuka (twins, whose magic powers are strictly confined to pen and paper) and Boaz Lavie, The Divine is a fast-paced, brutal, and breathlessly beautiful portrait of a world where ancient powers vie with modern warfare and nobody escapes unscathed.

Ink in the Blood Sep 18 2020 Celia and Anya, friends who use tattoo magic to send divine messages, must rely on one another to survive when they discover the fake deity they serve is very real--and very angry.

Making Sense of the Divine Name in the Book of Exodus May 07 2022 The obvious riddles and difficulties in Exod 3:13-15 and Exod 6:2-8 have attracted an overwhelming amount of attention and comment. These texts make important theological statements about the divine name YHWH and the contours of the divine character. From the enigmatic statements in Exod 3:13-15, most scholars reconstruct the original form of the name as “Yahweh,” which is thought to describe YHWH’s creative power or self-existence. Similarly, Exod 6:3 has become a classic proof-text for the Documentary Hypothesis and an indication of different aspects of God’s character as shown in history. Despite their seeming importance for “defining” the divine name, these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus. This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus. Surls centers his argument around in-depth analyses of Exod 3:13-15, 6:2-8 and Exod 33:12-23 and 34:5-8. Consequently, the definitive proclamation of YHWH’s character is not given at the burning bush but in response to Moses’ later intercession (Exod 33:12-23). YHWH proclaimed his name in a formulaic manner that Israel could appropriate (Exod 34:6-7), and the Hebrew Bible quotes or alludes to this text in many genres. This demonstrates the centrality of Exod 34:6-7 to Old Testament Theology. The character of

God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH's deliberate ascriptions made progressively in the book of Exodus.

**Truth of the Divine Jan 03 2022 USA TODAY
BESTSELLER Truth of the Divine is the latest alternate-history first-contact novel in the Noumena series from the instant New York Times, Wall Street Journal and Los Angeles Times bestselling author Lindsay Ellis. The human race is at a crossroads; we know that we are not alone, but details about the alien presence on Earth are still being withheld from the public. As the political climate grows more unstable, the world is forced to consider the ramifications of granting human rights to nonhuman persons. How do you define "person" in the first place? Cora Sabino not only serves as the full-time communication intermediary between the alien entity Ampersand and his government chaperones but also shares a mysterious bond with him that is both painful and intimate in ways neither of them could have anticipated. Despite this, Ampersand is still keen on keeping secrets, even from Cora, which backfires on them both when investigative journalist Kaveh Mazandarani, a close colleague of Cora's unscrupulous estranged father, witnesses far more of Ampersand's machinations than anyone was meant to see. Since Cora has no choice but to trust Kaveh, the two must work together to prove to a fearful world that intelligent, conscious beings should be considered persons, no matter how horrifying,**

powerful, or malicious they may seem. Making this case is hard enough when the public doesn't know what it's dealing with—and it will only become harder when a mysterious flash illuminates the sky, marking the arrival of an agent of chaos that will light an already-unstable world on fire. With a voice completely her own, Lindsay Ellis deepens her realistic exploration of the reality of a planet faced with the presence of extraterrestrial intelligence, probing the essential questions of humanity and decency, and the boundaries of the human mind. While asking the question of what constitutes a "person," Ellis also examines what makes a monster.

The Wicked + The Divine: Book 3 Oct 12 2022 Ananke is dead. What do the gods do? Whatever they want. What can go wrong? Everything. Literally, everything. The bestselling, critically acclaimed comic by KIERON GILLEN, JAMIE McKELVIE, and MATTHEW WILSON reaches its Imperial Phase, with copious "making of" material and extensive director's commentary. Collects THE WICKED + THE DIVINE #23-33

Divine Dec 02 2021 Over 200,000 copies sold! With hallmark tenderness and power, #1 New York Times bestselling author Karen Kingsbury weaves a tapestry of life, loss, love, faith—and the miracle of resurrection. Mary Madison is educated and redeemed, a powerful voice in Washington, D.C. But she also has a past that shamed polite society. A survivor of unspeakable horror, Mary has battled paralyzing fear, faithlessness, addiction, and promiscuity. Yet even in

her darkest valley, Mary was sustained from afar, prayed over by a grandmother who clung to the belief that God had special plans for Mary. Now a divine power has set Mary free to bring life-changing hope and love to battered women living in the shadow of the nation's capital—women like Emma Johnson. A single mother fleeing an abusive relationship, Emma wonders whether there is hope for her and her young daughters. She is desperate, broken, and unloved . . . and tempted to commit the unthinkable. Then Mary introduces Emma to the greatest love of all, greater than any either of them has ever imagined.

The Divine Coloring Book Feb 16 2023 The Divine is a multicultural 100-page coloring book for people of all ages (especially the child in all of us) inspired by folklore and spirituality from the Philippines (Diwatas), Haiti (Lwas of Vodou) and Brazil (Orixás of Candomble and deities of the Indigenous Brazilian Tupi Tribe). Thirteen divinities from each culture are represented, along with the folklore and symbolism associated with each of the divinities. Included throughout the book are inspirational quotes, mindfulness activities for children, and poetry featuring Eniafe Isis of All Her Words, Aimee Amparo, and Haitian songs by Daniel "Brav" Brevil. 40 full-page, 8.5x11 illustrations. Artists include: Andre Hora, Gabrielle Tesfaye, Fermina Caragay Armstrong, Salima Silagon Saway, Grace Bio, Rahana Dariah, Zachary "Bodinho" Present, Stephen Hamilton, Cece Carpio, Nikila Badua/MamaWisdom1, Wisthon Thime, Dee Jae

Pa'este, Ubi Maya, Mitzi Ulloa, Rodney Sanon and Laylie Frazier. While many of us grew up with mythologies about Greek and Roman gods, as well as stories like Cinderella, Little Mermaid and Robin Hood, few of us have been exposed to the stories included in The Divine--stories that have been passed down from generation to generation through traditional dance, music, and oral storytelling. The Divine draws a connection between the cultures and beliefs of these diasporas, in hopes of giving them the attention they deserve. From the Americas to Africa to the islands, let's continue to carry and pass down the wisdom that lies in these stories. This book is something meant to grow with and meet the reader where they are. Read and color for yourself, or do it with a little one. Mindfulness activities are meant for children and adults to do together. The poetry, quotes and songs are meant for older youth and adults. And the folklore/symbolism is meant for older youth and grown-ups to read with little ones. Every people, every culture has its own way of honoring the sacred and the spiritual. When we apply the wisdom of these stories to our everyday lives, we discover a deeper relationship to the world around us. Before our lives began, before we believed, the Divine has been both within us and outside of us.

Mathematics and the Divine Aug 10 2022

Mathematics and the Divine seem to correspond to diametrically opposed tendencies of the human mind. Does the mathematician not seek what is precisely

defined, and do the objects intended by the mystic and the theologian not lie beyond definition? Is mathematics not Man's search for a measure, and isn't the Divine that which is immeasurable ? The present book shows that the domains of mathematics and the Divine, which may seem so radically separated, have throughout history and across cultures, proved to be intimately related. Religious activities such as the building of temples, the telling of ritual stories or the drawing of enigmatic figures all display distinct mathematical features. Major philosophical systems dealing with the Absolute and theological speculations focussing on our knowledge of the Ultimate have been based on or inspired by mathematics. A series of chapters by an international team of experts highlighting key figures, schools and trains of thought is presented here. Chinese number mysticism, the views of Pythagoras and Plato and their followers, Nicholas of Cusa's theological geometry, Spinozism and intuitionism as a philosophy of mathematics are treated side by side among many other themes in an attempt at creating a global view on the relation of mathematics and Man's quest for the Absolute in the course of history. · Mathematics and man's quest for the Absolute · A selective history highlighting key figures, schools and trains of thought · An international team of historians presenting specific new findings as well as general overviews · Confronting and uniting otherwise compartmentalized information

Curse of the Divine Apr 06 2022 Return to the world

of inklings, tattoo magic, and evil deities as Celia uncovers the secrets of the ink in order to stop Diavala once and for all. This eagerly anticipated sequel to Ink in the Blood is perfect for fans of Leigh Bardugo and Wicked Saints. Celia Sand faced Diavala and won, using ink magic to destroy the corrupt religion of Profeta that tormented her for a decade. But winning came with a cost. Now Celia is plagued with guilt over her role in the death of her best friend. When she discovers that Diavala is still very much alive and threatening Griffin, the now-infamous plague doctor, Celia is desperate not to lose another person she loves to the deity's wrath. The key to destroying Diavala may lie with Halcyon Ronnea, the only other person to have faced Diavala and survived. But Halcyon is dangerous and has secrets of his own, ones that involve the ink that Celia has come to hate. Forced to choose between the ink and Diavala, Celia will do whatever it takes to save Griffin--even if it means making a deal with the devil himself.

Divine Names and the Holy Trinity Jun 20 2023

Includes bibliographical references (p. 257-284) index.

Spark of the Divine May 27 2021 Hidden within each is a spark of the Divine. We search for it in the far reaches of the most distant quasars and within the smallest quarks in the atom. Yet, its mysteries lay waiting to be uncovered within us. Spark of the Divine, by world-renowned spiritual Master of meditation on the inner light and sound, Sant Rajinder Singh Ji Maharaj, describes the journey taken by those who

have discovered these secrets. It is not a knowledge reserved for the few; it is available to all. The way is simple. We can bask in the eternal sunshine. Through meditation, we can experience spiritual realms of consciousness. He has taken this journey and provides us with an easy blueprint. A must-read book for anyone who wants a simple meditation practice to experience for one's self the wonders within us.
