A debut that took Great Britain by storm, *My Legendary Girlfriend* introduced the world to the loveable, lovestruck Will Kelly. It's been three years since his heartthrob, Agnes, wrecked his life with a chat that started, "It's like that song. 'If you love somebody, set him free.'" But no matter how much time goes by, Will doesn't feel very free. He still makes lists of each birthday present Aggie ever gave him, has gymnastic fantasies about a perfect reunion night with her, dwells on the first words she uttered to him. How long can a person stay down in the dumps after being dumped? And how much longer before Will dumps Martina, the sweet but clingy girl he's seeing? Will anyone ever measure up to his *Legendary Girlfriend*? Fresh, endearing, and full of humor, *My Legendary Girlfriend* tells a story that will ring true for everyone who's ever tried to mend a broken heart. This book analyses the mythical and legendary narratives in the *Fasti* as narrative. It covers aspects such as aperture, closure, characterization, internal narrators, description, space, time and also the narratives' complex relationship with Virgil, Livy and Ovid's own earlier works. **Take Care of Your Customers--or Someone Else Will!** **Legendary Service** Great customer service is a concept organizations love to be known for. Yet most people consider the service they receive to be average, at best. Successful companies make the connection between legendary customer service and a thriving business--they recognize that the way employees treat customers is directly related to the way managers treat employees. Kelsey Young is an optimistic but disillusioned sales associate working her way through college. Her world opens up when one of her professors challenges her to create a culture of service at her workplace by putting the five components of **Legendary Service** into practice. Although Ferguson's, the store where Kelsey works, certainly isn't known for service excellence, Kelsey believes she can make a positive difference. She quickly learns that culture change isn't easy--and that her role as a frontline employee is more significant than she ever could have imagined. In characteristic Blanchard style, **Legendary Service: The Key Is to Care** is a quick and entertaining read for people at all organizational levels in every industry. When applied, its lessons will have a profound impact on the service experience your customers will receive. Whether a CEO or a part-time employee, every person can make a difference--and customer service is everyone's job. **PRAISE FOR LEGENDARY SERVICE:** "Read this book and establish a service culture in your organization." -- Horst Schulze, Chairman/CEO, Capella Hotel Group "Legendary Service has great learnings for people at all organizational levels: for executives and managers, the value of a service culture; and for frontline staff, the reality that they are the face of the company and can make a difference. **Legendary service--it's everyone, always.**" -- Mark King, CEO and President, TaylorMade Golf "Everything I know about service I learned from my career at Hilton Hotels, Marriott International, The Walt Disney Company, and Ken Blanchard. The One Minute Manager dramatically changed my thinking 32 years ago. **Legendary Service** will teach the next generation how to deliver sensational service. Buy it, study it, implement it." -- Lee Cockerell, Executive Vice President, Walt Disney World (Retired & Inspired), and author of *Creating Magic* and *The Customer Rules* "Kathy Cuff and Vicki Halsey have created a fantastic customer service model called ICARE. When you add their voices to that of the master storyteller Ken Blanchard, you have a masterpiece entitled **Legendary Service**. It is a must-read for everyone who, like me, has a passion for service." -- Colleen Barrett, President Emeritus, Southwest Airlines, and coauthor of *Lead with LUV* "Ken Blanchard has done it again and delivered the right book at the right time. **Legendary Service** provides the essentials of hospitality and servant leadership in a way that everyone can adopt--right now--today!" -- John Caparella, President and COO, The Venetian, The Palazzo, and Sands Expo "Ken, Kathy, and Vicki show us how to change everyday service events into memorable experiences. Their book is a must-read for anyone unwilling to accept mediocrity." -- Leonardo Inghilleri, coauthor of *Exceptional Service, Exceptional Profit* "Legend doesn't merely survive the hype, it deserves it." From the New York Times bestselling author of *The Young Elites* What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths - until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival, while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together, and the sinister lengths their country will go to keep its secrets. Full of nonstop action, suspense, and romance, this novel is sure to move readers as much as it thrills. This incredible book details more than two dozen unique, heart-stopping dragons, plus dragon-kin, dragon-related organizations and magic - everything you need to make dragons the centerpiece of your campaign, full of mystery, terror and legendary excitement. When the evil Vordan exposes a secret her father has kept for years, Alosa and her crew find themselves in a deadly race against the fearsome Pirate King to claim a legendary hidden treasure. A definitive deep-dive into queer history and culture with hit reality show *RuPaul's Drag Race* as a touchstone, by the creators of the pop culture blog Tom and Lorenzo NPR's Best Books of the Year 2020 pick *A New York Times* New & Noteworthy book One of Logo/NewNowNext's "11 Queer Books We Can't Wait to Read This Spring" From the singular voices behind Tom and Lorenzo comes the ultimate guide to all-things *RuPaul's Drag Race* and its influence on modern LGBTQ culture. **Legendary Children** centers itself around the idea that not only is *RuPaul's Drag Race* the queerest show in the history of television, but that *RuPaul* and company devised a show that serves as an actual museum of queer cultural and social history, drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so, *Drag Race* became not only a repository of queer history and culture, but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another--and how they always have--and every bit of it is tied directly to *Drag Race*. Each chapter is an examination of a specific aspect of the show--the Werk Room, the Library, the Pit Crew, the Untucked lounge, the *Snatch Game*--that ties to a specific aspect of queer cultural history and/or the work of certain legendary figures in queer cultural history. In *Legendary Performance*, Pattiann Rogers chronicles the adventures of Felicia and her cohorts. On the tundra or the desert, in the mountains or their own parlour, riding with the naked boys on their ponies or keeping company with the Gentlemen of Leisure, they remain energetic and robust, dauntlessly, sometimes querulously, coping with the mysteries and perplexities of their lives. They are delightful, tantalizing their readers with whimsical and stimulating exchanges of intellect, passion and wit. Unlike any other characters in contemporary literature, they exist in the dimension between reality and fantasy, whispering secrets about that world to a receptive and charmed audience. The only "flaw" *Legendary Performance* possesses is that it makes the reader crave more of this wonderfully emotive intellectuality. Black-and-white drawings portray famous men and women of the Wild West. From the first women who broke through the glass ceiling to the superstars of the modern media environment, *Legendary Women in Sports Media* tells the stories of the women who fought for equality in sports journalism and inspired a new generation of female sports reporters. Leo Guidry is a bad person and an even worse cop. When he suffers a psychic head wound, his life on the edge slips into spiritual warfare. In a landscape of angels, devils, and everything in between, can a person utterly devoid of empathy find a way to overcome the forces of darkness that have infiltrated his reality? This is the world of *Head Wounds: Sparrow*. Ten legendary princesses of Malaysia - some are mythical fairy princesses whose stories are as wonderful and romantic as any of the princess stories from around the world. One, Hang Li Po came from a far off land and her retinue of young beauties are believed to be the far distant mothers of the Nonya. Others were real historical figures although their stories have been embellished over the years as they were passed down from generation to generation. But all have fired our imagination with tales of their beauty, bravery, wisdom and spirit. Author Raman has done some serious research and Emila Yusof's detailed illustrations are simply delightful. Every woman is a legend in the making. **Legendary women aren't just those in the history books or leading in business or politics. They are everyday women—the single mom, the prayer leader, the stay-at-home wife—who choose to say yes to God. That one simple act can create a legendary legacy that lives on from generation to generation and forever changes the course of humankind as we know it. In *Legendary Woman*, Bible teacher Michelle McClain-Walters gives flight to the legendary nature in each woman who dares to dream and risk everything to live out her divine purpose. Through the stories of women in Scripture and history, the book presents twelve characteristics of a legendary woman, and challenges you to identify your defining moments—when your destiny intersects with an epic need within your family, community, nation, or your world—and be willing to say yes to the legendary role God has uniquely fashioned for you. In addition, prayers and biblically based confessions, affirmations, and declarations throughout the book will fill you with the confidence you need to embrace who you are at every level. This is the finest hour in human history to be a woman. The Lord Most High is activating an army of women who will lead, preach, pray, prophesy, and prosper under the active guidance of the Holy Spirit. Every woman has a place in this army. Every woman is a legend in the making. Whether you had a dark past or are the unlikely of heroes, you will come to embrace your path as a real-life**

In its earliest period there appeared epic characters like John Davenport, the town's founder; Roger Sherman, the city's first mayor and only signer of the four major US papers; and Benedict Arnold, patriot and famed traitor. The growing city emerged as a place of innovation and industry with people like Eli Whitney, inventor of the cotton gin; Noah Webster, author of the first American English dictionary; Charles Goodyear, inventor of vulcanized rubber; and William Lanson, a distinguished African American contractor in the early 19th century. As the seat of Yale University and other major institutions, New Haven's men and women continue to make a name for themselves. These legends include Yoshi and Bun Lai, mother and son restaurateurs who create sustainable sushi; Doris Townsend, historian and author; Frank Pepe's Pizzeria Napoletana, begun in 1925; and Louis Lunch, birthplace of the hamburger. *Legendary Locals of New Haven* opens the doors to the city's rich history and its continuing legacy as a cultural center. Created from years of research, study, and practice in the areas of self-development, mindset mastery, relationship building, and business leadership, the *Legendary* playbook can help you: · Achieve greater financial and business success · Lead others with courage, conviction, and passion · Become a master over your thoughts and well-being · Take control of your time · Find peace, balance, and fulfillment without compromising ambition or success · Discover your life's purpose · Build deep, loving, and trustworthy relationships · And so much more! Regardless of the obstacles you face, mistakes you've made in the past, where you live, what your background is, or how much money you make, you have what it takes to become a legend. The only question remaining is whether you will choose to step into your greater purpose to live a truly legendary life. "A roadmap for success in love and money—thus creating a legendary life. —Dan Miller, *New York Times*—bestselling author of *48 Days to the Work You Love* From its founding by Colonial ironworker John Potts through its heyday as a manufacturing hub in the 20th century, Pottstown has been defined by entrepreneurs, inventors, and hard-working immigrants with dreams of a better life. It has been home to a variety of churches, community organizations, and businesses that have sustained and entertained residents and visitors for more than 260 years. It has also produced its fair share of musicians, doctors, nurses, and professional athletes, like Dick Ricketts, the first pick in the 1955 NBA draft. Pottstown is a culinary capital in its own right as the place where Amanda Smith started Mrs. Smith's pies, and where Dan Brunish sells his famous sausage sandwiches out of the deli started by his grandparents in 1937. Today, with the vision of people like Marta Kiesling and Deborah Stimson-Snow, cofounders of Steel River Playhouse, and Dr. Karen Stout, president of Montgomery County Community College, Pottstown is reinventing itself as a center for art, technology, higher education, and recreation on the Schuylkill River in southeastern Pennsylvania. Aliana Fagan spent her childhood traveling the world, dreaming of legendary heroes and mythical lands. But after the sudden death of her parents, she hides behind the safety of her camera and her art until a vivid recurring dream compels her to dig into her father's research about Avalon and Camelot. When she is hurled into a magical realm by forces she thought were only the stuff of fairy tales, she finds herself thrown into an adventure she could never have imagined. Nearly everything she thought she knew about Arthurian legend was wrong. The independent eighteen-year-old is shocked to find that the people of Avalon think that she is the Destined One, the only person who can summon King Arthur back to life from his hidden chamber. Most surprising of all is that it's up to her to lead the Knights of the Round Table on an epic quest—an adventure that will transport them across the seven magic realms to reclaim all that has been lost so they can defeat the evil Mordrid for good. But first, she must bring the ancient warriors into her world and reunite them with their lost brothers. Chaperoning the legendary knights-with-a-chivalry-complex as they navigate the modern world is a constant challenge, and she certainly never thought she'd be caught between her intense feelings for the noble Sir Galahad and her growing friendship with the King. To fulfill the prophecy, Aliana will have to discover the meaning of friendship, bravery, loyalty, true love, and forgiveness. But can she do it all in time to save the realms from Mordrid's impending Armageddon? In the tradition of his books *On Beauty* and *On Ugliness* and *The Infinity of Lists*, Umberto Eco presents an enthralling illustrated tour of the fabled places that have awed and eluded us through the ages. "Eco is one of the most influential thinkers of our time" *Los Angeles Times* From the epic poems of Homer to contemporary science fiction, from the Holy Scriptures to modern mythology and fairy tale, literature and art are full of illusory places we have at some time believed are real, and onto which we have projected our dreams, ideals and fears. Umberto Eco leads us on an illuminating journey through these legendary lands - Atlantis, Thule and Hyperborea, the Earth's interior and the Land of Cockaigne - and explores utopias and dystopias where our imagination can confront concepts that are too incredible, or too challenging, for our limited real world. In *The Book of Legendary Lands* the author's text is accompanied by several hundred carefully assembled works of art and literature; the result is a beautifully illustrated volume with broad and enduring appeal. Translated from Italian by Alastair McEwen **HE LIVES TO KILL THE DEAD**. He is known as John Tower, a supernatural bounty hunter whose services are available only to the truly needy or well financed. Embarking on perilous adventures that lead him from one treacherous corner of the globe to the next, his life's mission is to track down the unknown and vanquish unimaginable monsters that have been all but forgotten by the modern world. Evil now has its own reason to fear the darkness. Written by Matt Wagner, the creator of **GRENDL** and **MAGE**, and co-created with Thomas Tull, Executive Producer of **300** and **THE DARK KNIGHT**, **THE TOWER CHRONICLES** features stunning art by acclaimed 2000 **AD** and **LOBO** artist Simon Bisley. An intricately woven supernatural action/adventure that sets a new standard in graphic novel storytelling. "Terrific storytelling with lots of wit, derring-do, and tugging on the heartstrings!" - Grace Burrowes, *NYT* and *USA Today* Bestselling Author "Locke seamlessly blends hints from classics like *The Count of Monte Cristo*, *Pride and Prejudice*, and Arthurian legend into an utterly enjoyable Regency romance." - Publishers Weekly **BookLife Prize** From **RITA®** Finalist and *USA Today* Bestselling Author Margaret Locke comes *The Legendary Duke*, the second in her *Put Up Your Dukes* Regency historical romance series. For a Knight to win the Princess, he first must slay his dragons... A tragic event in his youth led Gavin Knight's mother to whisk him to Rome, where he lived a simple but secluded life—until, on her deathbed, she revealed who he truly was: the Duke of Cortleon. Now twenty-nine, Gavin has returned to England, determined to learn what happened all those years ago. Despite charming his fellow lords and ladies alike, the new Duke disregards any notion of nuptials, as his honor first demands resolution—and retribution. Then he meets Lady Elinor Greene. For seven years, renowned beauty Elinor has refused all proposals, fearing marriage would curb her freedom. But when her family falls on hard times, Nelle must sacrifice herself to save them by marrying a man of means. A wealthy widower seems the logical choice, a passionless union perfect. Until she meets the Duke of Cortleon, and learns one Knight can be legendary. Soon Gavin and Elinor must each decide which quest is worth more: that for honor, or that for love... _____ While second in the series, *The Legendary Duke* can easily be read as a standalone novel - especially because this story turned out to take place before that of *The Demon Duke* (oops).
