A probing analysis of Freemasonry in the U.S. in general, but especially relative to religious education, opposition to the Catholic Church, directing national social policy and how Masons attract members. Thoroughly documented. Immensely revealing. Covers the birth and rise of Freemasonry, the Catholic Church's early condemnation of it, etc. Essential to understanding the forces behind the scenes. Getting the Message Through,

the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the institutional history of the branch. Respected historian and Scottish Freemason Cooper offers a rare, inside look at the secret brotherhood of the Freemasons. Readers will discover the true role the order has played throughout history, its purposes, symbolism and beliefs, and more. Is Freemasonry

compatible with Christianity? Many Masons answer yes, but even they are often ill-informed of official Masonic teachings. What are the secret doctrines of the Lodge, what do the rituals mean, and do they conflict with biblical truth? Find out in this thoroughly researched exposé of Freemasonry—an eye-opener to those both inside and outside the Lodge. This is the latest edition of the Mark Ritual No. 1, Advancement by the Grand Lodge of Mark Master Masons, published under the authority of the General Board, 2000. Startling allegations. Suppressed evidence. Missing witnesses. Assassinations. Cover-ups and threats. Documented connections to even deeper intrigue. Allusions to the New World Order. Coincidences? Too many to be mere coincidence? American history is replete with warnings of hidden plots by the Illuminati, the Freemasons, the Zionists, the Roman Catholics, the Communists, World Bankers, the Secret Government, and Extra-Terrestrial Invaders, to name a few. Conspiracies and Secret Societies: The Complete Dossier examines the most common subjects among conspiracy theorists, from

historical topics such as the true relationship between Jesus and Mary Magdalene, the Roswell UFO crash, and the assassinations of John F. Kennedy and Martin Luther King Jr. to more current issues such as the death of Princess Diana, FEMA's response following hurricane Katrina, and the recent earthquake and tsunami in Japan. Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events

occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research.
