Designed for a color e-reader with a touch screen. My Big Wimmelbooks let kids ages 2 to 5 be the storytellers with hours of seek-and-find hands-on learning—and fun! This one-

of-a-kind picture book features six panoramic scenes that are bursting with life—and tons to discover! First, your child will meet a colorful cast of characters: Jessie the handywoman, unlucky Cousin Grady, and more. Then, as they explore the scenes—from the stable to the rodeo—children as young as two will have a blast pointing out recognizable things, while older kids will begin to find the star characters . . . and tell their stories! It's hours upon hours of fun—and an effortless introduction to literacy to boot. Please use pan and zoom to explore the illustrations. About Wimmelbooks Wimmelbooks originated in Germany decades ago and have become a worldwide sensation with children (and adults!) everywhere. My Big Wimmelbooks is the first-ever Wimmelbook series to feature Wimmelbooks as Wimmelbooks in English. They've been praised as "lively . . . and abounding with humor and detail" (WSJ), likely to "make any parent's heart sing." (NYT)

A day in Chinatown takes an unexpected turn when a bored little girl makes a connection with her grandpa. May isn't having fun on her trip through Chinatown with her grandfather. Gong Gong doesn't speak much English, and May can't understand Chinese. She's hungry, and bored with Gong Gong's errands. Plus, it seems like Gong Gong's friends are making fun of her! But just when May can't take any more, Gong Gong surprises her with a gift that reveals he's been paying more attention than she thought. With lighthearted, expressive illustrations by Elaine Chen, this charming debut expertly captures life in the city and shows how small, shared moments of patience and care--and a dumpling or two--can help a child and grandparent bridge the generational and cultural gaps between them. A glossary at the end of the book features translations of the Chinese words from the story into Chinese characters and English. A young girl in Haiti is eager to learn how to carry a basket to market in an exuberant picture book with universal appeal.

“To carry the panye, we move gracefully, even under the weight of the sun and the moon.” In the hills above Port-au-Prince, a young girl named Fallon wants more than anything to carry a large woven basket to the market, just like her Manman. As she watches her mother wrap her hair in a mouchwa, Fallon tries to twist her own braids into a scarf and balance the empty panye atop her head, but realizes it’s much harder than she thought. BOOM! Is she ready after all? Lyrical and inspiring, with vibrant illustrations highlighting the beauty of Haiti, *My Day with the Panye* is a story of family legacy, cultural tradition, and hope for the future. Readers who are curious about the art of carrying a panye will find more about this ancient and global practice in an author’s note at the end. This book for ages 0-3 follows a young child's day illuminating the amazing qualities of everyday activities. The book ends with a meaningful, age-appropriate expression of gratitude, and a fun opportunity to connect each "thank you!" with its related activity earlier in the book.

Vashti believes that she cannot draw, but her art teacher's encouragement leads her to change her mind and she goes on to encourage another student who feels the same as she had. Beloved author Anne Rockwell celebrates nature and the outdoors with a gorgeous new picture book about a child’s first mountain hike! A young girl and her family go hiking up a nearby mountain for the very first time. As they climb up and up the path, they see everything from a friendly toad to a prickly porcupine, tall leafy trees to tiny red berries. Anne Rockwell and her daughter, artist Lizzy Rockwell, celebrate a day the little girl will never forget, especially when she reaches the mountain’s summit. With simple, lyrical text and bright illustrations that jump off the page, *Hiking Day* brings the joys of spending an afternoon outdoors to life. This book is based upon the true story of the April 27, 2011, outbreak of tornadoes that came through the state of

Alabama. An EF4 tornado swept through a community destroying everything in its path. But it did leave behind survivors to tell the story of that day. Experience the actual events one family did as they were being thrown out of a house and into a field and witness the determination by all and the people from everywhere coming to help the victims to live as they all waited hours for medical help. Trees upon twisted trees and debris from everywhere all over the roads made it completely unrecognizable even to residents of the valley. Even though the injuries were major, people still fought to survive. They all kept their faith that help was not far behind. Relive the aftermath and the struggles as everyone in this community did. With a complete foundation of hope, faith, and love, people gathered from all over the States to come help. From Dr. Martin Luther King's sister, the definitive tribute to the man, the march, and the speech that changed a nation. On a hot August day in 1963, hundreds of thousands of people made history when

they marched into Washington, D.C., in search of equality. Martin Luther King, Jr., the younger brother of Christine King Farris, was one of them. Martin was scheduled to speak to the crowds of people on that day. But before he could stand up and inspire a nation, he had to get down to business. He first had to figure out what to say and how to say it. So he spent all night working on his "I Have a Dream" speech, one that would underscore a landmark moment in civil rights history--the Great March on Washington. This would be one of the first events televised all over the globe. The world would be listening, as one of the greatest orators of our time shared his vision for a new day. From the sister of Dr. Martin Luther King, Jr., comes this moving account of what that day was like for her, and for the man who inspired a crowd--and convinced a nation to let freedom ring. London Ladd's beautiful full-color illustrations bring to life the thousands of people from all over the country who came to the nation's capital. They sing, they join hands, they march, and they listen as speaker after speaker inspires social change, culminating in Dr. King's "I Have a Dream" speech.

The Day My Heart Turned Blue Bereavement Companion Journal The Day My Heart Turned Blue Bereavement Companion Journal is meant to complement Karla J. Noland's book, The Day My Heart Turned Blue: Healing After the Loss of My Mother. However, it can also be used on its own to guide you on your bereavement journey. The purpose of the companion journal is to guide the bereaved through the process of healing, reflecting, and honoring their parent so they can move forward. The journal is composed of three parts: Part 1: Embracing Your Emotions. This section will walk you through a cathartic experience of identifying and releasing the range of powerful emotions triggered by the loss of a parent. Grief cannot be stifled or rushed. You need to allow yourself to experience all of the emotions in order to

get to the other side. And you get to decide what the other side of grief looks like for you. Part 2: Self-Care for a Grieving Heart. This section outlines the four steps of bereavement self-care that can help you heal from a wounded heart. Grief can have an unshakeable hold on your heart when you lose a loved one. Mourning ensues because your heart is devastated, and you realize that what was no longer is. Fortunately, with proper care, a wounded heart can heal. Part 3: Honoring your Loved One. This section will coach you through the process of moving forward by celebrating your loved one's heavenly birthday, getting through the holiday season, and turning your pain into purpose. You can view life from a new perspective as you heal, one that is full of hope and inspiration. In between each chapter of the companion journal, you will find self-check-ins that prompt you to perform emotional checkups on yourself. The check-ins are designed to provide you with valuable personal insight into your current emotional state and allow you to reflect on the progress you've made. Remember that you are the author of your life. Your journal should be unapologetically raw and honest, no matter how difficult the pain is right now. When you pour your heart out on paper, you shine a light on the darkest emotions you may experience due to your grief. You might even consider turning this journal into a memoir documenting your healing journey after your parent's death. Some days, it may feel like you're climbing a relentless mountain with an enormous amount of weight on your back. Be encouraged. Your life may feel like a mess, but this so-called mess will give way to an inspirational message for you to share to encourage others. May the therapeutic power of journaling in *The Day My Heart Turned Blue Bereavement Companion Journal* allow you to reveal the areas in your life where you need to heal the most, so you can move from surviving grief to thriving in life. Children have a busy day at

day care while their parents have a busy day at work, in an inviting book which makes the connection between childhood activities and adult occupations. By the author of *Tonight and Tomorrow*. Who's having a lucky day is in this clever, hilarious trickster tale? When a delicious-looking piglet knocks on Mr. Fox's door "accidentally," the fox can hardly believe his good luck. It's not every day that dinner just shows up on your doorstep. It must be his lucky day! Or is it? Before Mr. Fox can say grace, the piglet has manipulated him into giving him a fabulously tasty meal, the full spa treatment (with bath and massage), and . . . freedom. In a funny trickster tale of her own, Kasza keeps readers guessing until the surprise ending when they'll realize it was piglet's lucky day all along. Helps children understand concepts like identifying objects, sorting and categorizing, recognizing times of the day and year, and problem solving.

Soon to be a major motion picture, this is the first—and only—definitive authorized account of Neil Armstrong, the man whose “one small step” changed history. When Apollo 11 touched down on the Moon’s surface in 1969, the first man on the Moon became a legend. In *First Man*, author James R. Hansen explores the life of Neil Armstrong. Based on over fifty hours of interviews with the intensely private Armstrong, who also gave Hansen exclusive access to private documents and family sources, this “magnificent panorama of the second half of the American twentieth century” (Publishers Weekly, starred review) is an unparalleled biography of an American icon. In this “compelling and nuanced portrait” (Chicago Tribune) filled with revelations, Hansen vividly recreates Armstrong’s career in flying, from his seventy-eight combat missions as a naval aviator flying over North Korea to his formative trans-atmospheric flights in the rocket-powered X-15 to his piloting Gemini VIII to the first-ever docking in space. For a pilot who cared more about flying to the Moon than he did about walking on it, Hansen asserts, Armstrong’s storied vocation exacted a dear personal toll, paid in kind by his wife and children. For the near-fifty years since the Moon landing, rumors have swirled around Armstrong concerning

his dreams of space travel, his religious beliefs, and his private life. A penetrating exploration of American hero worship, Hansen addresses the complex legacy of the First Man, as an astronaut and as an individual. "First Man burrows deep into Armstrong's past and present...What emerges is an earnest and brave man" (Houston Chronicle) who will forever be known as history's most famous space traveler. A young boy embarks on an epic journey across the land to reclaim his runaway butt in this hilarious beginning to a bestselling trilogy. Zack Freeman is ready to tell his story . . . the story of a brave young boy and his crazy runaway butt. The story of a crack butt-fighting unit called the B-team, a legendary Butt Hunter's formidable daughter, and some of the ugliest and meanest butts ever to roam the face of the Earth. A story of endurance that takes Zack on an epic journey across the Great Windy Desert, through the Brown Forest, and over the Sea of Butts before descending into the heart of an explosive buttcano to confront the biggest, ugliest, and meanest butt of them all! Praise for *The Day My Butt Went Psycho* "Griffith's fun gross-out adventure novel follows Zack Freeman, who awakens to see his rear end leaping out the window to lead a bum rally . . . Young readers will likely get a kick out of it all (there's even a glossary included)." —Publishers Weekly

If you can spend the day with anyone in the world, who would it be? And what would you do together? *My Day with the Dalai Lama* shows what it would be like when a boy chooses the Dalai Lama for his companion. *My Day with the Dalai Lama* has 60+ pages of illustrations and texts inspired by the Dalai Lama's teachings made accessible for all ages. Inspirational memoir about what you would do if you had only twenty-four hours to live. What are you most grateful for, to whom would you apologize, whom would you forgive? What would you do? As a child, growing up Dublin, Jimmy Holmes dreamed of

becoming a professional footballer. Spotted in the local youth team by the great Matt Busby and invited to go to Manchester United, he was persuaded, instead, to sign for Coventry City, heralding the start of a glittering career in football. The young Jimmy had it all ahead of him, or so he believed, but just a few years later, a serious injury brought an abrupt end to his dreams. In this frank autobiography, Jimmy reveals how he endured years of heartache and disappointment following the accident as he struggled to come to terms with the fact that his time as a First Division footballer was over. From being highly sought after, representing the Republic of Ireland and playing top flight football, Jimmy suddenly found himself looking for ways to continue in the game he loved, before pursuing a new career in the police force. With forewords by Glenn Hoddle and Johnny Giles, *The Day My Dream Ended* tells the compelling story of Jimmy's meteoric rise to the top of his game and beyond, and the untimely end of one of the most promising football careers of his generation.

Inviting her mother to visit her new class, a little kindergartener discovers that there are some things that kids are better at than parents. In this lively board book, a young boy starts his first day of school not knowing what to expect. Follow along as he explores his classroom, makes new friends, and enjoys all the creative and interesting activities school can offer. *My First Day of School* helps first-time students, from preschoolers to kindergartners, understand what happens at school, while providing parents the opportunity to answer questions their child may have. An enthusiastic narrator and bright, cheerful illustrations will have first-time students eagerly anticipating their first day of school. With his mother's help, RJ learns that his problems happen because he doesn't listen or pay attention to directions from her, his school principal, teachers, or even his friends. Author Julia Cook's book shows

RJ as well as all K-6 readers the steps to the fundamental social skills of listening and following instructions. When RJ learns to use these skills the right way, he has the best day of his life! This book is the first in the BEST ME I Can Be! series to teach children social skills that can make home life happier and school more successful. The book includes tips for parents and educators on how to effectively teach listening and following instructions skills to kids. A cybersecurity expert and former FBI "ghost" tells the thrilling story of how he helped take down notorious FBI mole Robert Hanssen, the first Russian cyber spy. Eric O'Neill was only twenty-six when he was tapped for the case of a lifetime: a one-on-one undercover investigation of the FBI's top target, a man suspected of spying for the Russians for nearly two decades, giving up nuclear secrets, compromising intelligence, and betraying US assets. With zero training in face-to-face investigation, Eric found himself in a windowless, high-security office in the newly formed Information Assurance Section, tasked officially with helping the FBI secure its outdated computer system against hackers and spies--and unofficially with collecting evidence against his new boss, Robert Hanssen, an exacting and rage-prone veteran agent with a disturbing fondness for handguns. In the months that follow, Eric's self-esteem and young marriage unravel under the pressure of life in Room 9930, and he questions the very purpose of his mission. But as Hanssen outmaneuvers an intelligence community struggling to keep up with the new reality of cybersecurity, he also teaches Eric the game of spycraft. Eric will just have to learn to outplay his teacher if he wants to win. A tension-packed stew of power, paranoia, and psychological manipulation, Gray Day is also a cautionary tale of how the United States allowed Russia to become dominant in cyberespionage--and how we might begin to catch up. Readers will say, "Yes, yes,

yes!" From the moment Bella wakes up, her day goes wrong. She hates her breakfast egg, she won't share, she has a hurting foot, her supper is too hot, and her bath is too cold. And then it's no, no, no to bedtime. But at last a yawn, a story, and a kiss from mother end the day, with the promise of a cheerful tomorrow. Every parent, teacher, and caregiver will respond to this hilariously accurate portrait of one toddler with a case of the Terrible Twos! "My Day follows the young child and family through a typical day, from waking up to settling down with the perfect bedtime story."--Provided by publisher

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as *Un dia de nieve*.) Praise for *The Snowy Day*: "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." —The Atlantic "Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly You have big dreams that fire

you up, and yet a fear of failure is holding you back. You see the success others have achieved and doubt you could ever do what they've done. You tell yourself you lack the smarts, skills, or leadership capabilities to live out your dream, but the truth is, there's a massive gap between what you think you can do and w. "Weird Al" Yankovic's new tale of Billy, the irrepressible star of the New York Times bestselling *When I Grow Up*, is an uproarious back-to-school delight. Dazzling wordplay and sparkling rhyme combine in a unique appreciation of the rewards of unabashed originality and the special joy of viewing the world gently askew. "I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution A book for beginning readers, chock-full of vibrant illustrations that tell stories without the use of words, depicting characters exploring the

zoo—with exhibits ranging from the Africa savanna to the Arctic tundra. A first-generation Indian American explains how he had a full-on brain bleed at the age of 25, right before his brother's wedding; how he had to relearn even the most basic tasks; and how his family helped during his recovery. Original. The lasting charm of Kaufman's stories lies in a delightful mix of personal incidents and observations set against an anchoring backdrop of cultural tradition. His new collection is filled with tales from his parents' homeland in the Ukraine, his own childhood reminiscences, and his adult travels. We watch the young author forced alongside "every Jewish boy on the block" to emulate Yehudi Menuhin on a ten-dollar violin with a moldy bow until the boy is spared by an innate lack of talent and his father's judgment of his concert: "Enough is enough is more than enough." Kaufman is carefully attuned to the awkwardness of adulthood as well as to that of early adolescence. In "Interlude in Bangkok," his narrator scours the city for a synagogue while pursued by a prostitute. Later he and a friend encounter Greta Garbo in a museum café and are too frightened to approach her. Aware of their intrigue, the mysterious movie star intones, "I am not she"; Kaufman, in his own way, says that of himself in these stories through an autobiographical narrator whose memories take on resonant, literary shapes in their retelling. A book for beginning readers, chock-full of vibrant illustrations that tell stories without the use of words, depicting tons of train rides throughout a busy day—from boarding the platform to wandering the aisles, surveying the pretty scenery whizzing by, and more Meet Flora, a precocious little girl who loves drawing, especially drawing maps -- of her buried treasure, the breakfast table, the route to school, and more! Follow Flora and her family as she takes us through her day with maps. Learning to read and draw maps is a fun and interactive way for children to develop

spatial thinking skills -- how we think about and understand the world around us and use concepts of space for problem solving. Early exposure to map concepts can help foster this type of cognitive development in children and boost their math and science learning as they progress through school. Includes a Note to Parents, Caregivers, and Professionals with more information about maps and spatial concepts, as well as questions, games, and activities designed to encourage children's map-building skills. This is the first book by a founding member of Little River Band: the first Australian band to achieve a gold album in the US. 'Every Day of My Life' tells the remarkable tale of how Beeb Birtles, David Briggs, Graeham Goble, George McArdle, Derek Pellicci and Glenn Shorrock conquered the world - and then lost their band. The book also documents how a young Dutch boy named Gerard Bertelkamp arrived in Adelaide, unable to speak English, and ended up in not one but two major bands: Zoot (with Darryl Cotton and Rick Springfield) and Little River Band (with Glenn Shorrock and later John Farnham). As the title suggests, Every Day of My Life is an intensely personal journey. Beeb Birtles might have lost his band but he discovered many other things along the way. LRB's hits include 'Reminiscing', 'Help Is On Its Way', 'Lonesome Loser', 'The Night Owls', 'It's a Long Way There', 'Cool Change', 'Happy Anniversary', 'Lady', 'Curiosity (Killed the Cat)', 'Witchery', and 'Every Day of My Life'. Due to a bizarre copyright case, Beeb Birtles can no longer make music as Little River Band. But he can tell their incredible story - and his own incredible story.
