Avatars of Story May 18 2020 Marie-Laure Ryan moves beyond literary works to examine other media, especially electronic narrative forms, revealing how story, a form of meaning that transcends cultures and media, achieves diversity by presenting itself under multiple avatars. Ryan considers texts such as the reality television show Survivor, the film The Truman Show, and software-driven hypertext fiction, and anticipates the time when media will provide new ways to experience stories.

Timbuktu Dec 25 2020 Meet Mr. Bones, the canine hero of Paul Auster's remarkable new novel, Timbuktu. Mr. Bones is the sidekick and confidant of Willy G. Christmas, the brilliant, troubled, and altogether original poet-saint from Brooklyn. Like Don Quixote and Sancho Panza before them, they sally forth on a last great adventure, heading for Baltimore, Maryland in search of Willy's high school teacher, Bea Swanson. Years have passed since Willy last saw his beloved mentor, who knew him in his previous incarnation as William Gurevitch, the son of Polish war refugees. But is Mrs. Swanson still alive? And if she isn't, what will prevent Willy from vanishing into that other world known as Timbuktu? Mr. Bones is our witness. Although he walks on four legs and cannot speak, he can think, and out of his thoughts Auster has spun one of the richest, most compelling tales in recent American fiction. By turns comic, poignant, and tragic, Timbuktu is above all a love story. Written with a scintillating verbal energy, it takes us into the heart of a singularly pure and passionate character, an unforgettable dog who has much to teach us about our own humanity.

The Book of Illusions Feb 19 2023 A man's obsession with a silent-film star sends him on a journey into a shadow world of lies, illusions, and unexpected love Six months after losing his wife and two young sons in an airplane crash, Vermont professor David Zimmer spends his waking hours mired in a blur of alcoholic grief and

self-pity. Then, watching television one night, he stumbles upon a clip from a lost silent film by comedian Hector Mann. Zimmer's interest is piqued, and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure, who vanished from sight in 1929 and has been presumed dead for sixty years. When the book is published the following year, a letter turns up in Zimmer's mailbox bearing a return address from a small town in New Mexico—supposedly written by Hector's wife. "Hector has read your book and would like to meet you. Are you interested in paying us a visit?" Is the letter a hoax, or is Hector Mann still alive? Torn between doubt and belief, Zimmer hesitates, until one night a strange woman appears on his doorstep and makes the decision for him, changing his life forever. This stunning novel plunges the reader into a universe in which the comic and the tragic, the real and the imagined, the violent and the tender dissolve into one another. With *The Book of Illusions*, one of America's most powerful and original writers has written his richest, most emotionally charged work yet.

Oracle Night Jul 24 2023 Oracle Night is a compulsively readable novel by 'one of the great writers of our time.' (San Francisco Chronicle). Several months into his recovery

from a near-fatal illness, novelist Sidney Orr enters a stationery shop in Brooklyn and buys a blue notebook. It is September 18, 1982, and for the next nine days Orr will live under the spell of this blank book, trapped inside a world of eerie premonitions and bewildering events that threaten to destroy his marriage and undermine his faith in reality. If *The New York Trilogy* was Paul Auster's detective story, his mesmerizing eleventh novel reads like an old-fashioned ghost story. But there are no ghosts in this book - only flesh-and-blood human beings, wandering through the haunted realms of everyday life. *Oracle Night* is a narrative tour de force that confirms Auster's reputation as one of the boldest, most original writers at work in America today. 'His old-fashioned art of creating suspense . . . which rivals M. R. James or Conan Doyle. In fact, *Oracle Night* is best read as a post-modern ghost story.' *The Guardian*

Burning Boy Aug 13 2022 A LOS ANGELES TIMES BOOK PRIZE WINNER A BOSTON GLOBE BEST BOOK OF 2021 Booker Prize-shortlisted and New York Times bestselling author Paul Auster's comprehensive, landmark biography of the great American writer Stephen Crane. With *Burning Boy*, celebrated novelist Paul Auster tells the extraordinary story of Stephen Crane, best known as the author of *The Red Badge of Courage*, who transformed American literature through an avalanche of original short stories, novellas, poems, journalism, and war reportage before his life was cut short by tuberculosis at age twenty-eight. Auster's probing account of this singular life tracks Crane as he rebounds from one perilous situation to the next: A controversial article written at twenty disrupts the course of the 1892 presidential campaign, a public battle with the New York police department over the false arrest of a prostitute effectively exiles him from the city, a star-crossed love affair with an unhappily married uptown girl tortures him, a common-law marriage to the proprietress of Jacksonville's most elegant bawdyhouse endures, a shipwreck results in his near drowning, he withstands enemy fire to send dispatches from the Spanish-American War, and then he relocates to England, where Joseph Conrad becomes his closest friend and Henry James weeps over his tragic, early death. In *Burning Boy*, Auster not only puts forth an immersive read about an unforgettable life but also, casting a dazzled eye on Crane's astonishing originality and productivity, provides uniquely knowing insight into Crane's creative processes to produce the rarest of reading experiences—the dramatic biography of a brilliant writer as only another literary master could tell it.

Travels in the Scriptorium Mar 08 2022 An old man sits in a room, with a single door and window, a bed, a desk and a chair. Each day he awakes with no memory, unsure of whether or not he is locked into the room. Attached to the few objects around him are one-word, hand-written labels, and on the desk is a series of vaguely familiar black-and-white photographs and four piles of paper. Then a middle-aged woman called Anna enters and talks of pills and treatment, but also of love and promises. Who is this Mr Blank, and what is his fate? What does Anna represent from his past - and will he have enough time to ever make sense of the clues that arise? After the huge success of *The Brooklyn Follies*, his new novel sees Auster return to the metaphysical territory familiar from his enormously influential *The New York Trilogy*. A dark puzzle, and a game that implicates both reader and writer alike, *Travels in the Scriptorium* is a mind-altering exploration of language, responsibility and the passage of time. ' *Travels in the Scriptorium* returns to . . . the nihilistic gaiety of Beckett (in particular Krapp) or the sub-dermal violence of Pinter.' *New Statesman*

A Life in Words Jan 26 2021 An inside look into Paul Auster's art and craft, the inspirations and obsessions, mesmerizing and dramatic in turn. A remarkably candid, and often surprisingly dramatic, investigation into one writer's art, craft, and life, *A Life in Words* is rooted in three years of dialogue between Auster and Professor I. B. Siegumfeldt, starting in 2011, while Siegumfeldt was in the process of launching the Center for Paul Auster Studies at the University of Copenhagen. It includes a number of surprising disclosures, both concerning Auster's work and about the art of writing generally. It is a book that's full of surprises, unscripted yet amounting to a sharply focused portrait of the inner workings of one of America's most productive and successful writers, through all twenty-one of Auster's narrative works and the themes and obsessions that drive them.

The Night Stages Aug 21 2020 Set mainly in a remote westerly tip of Ireland in the 1940s and '50s, this stunning new novel from one of Canada's bestselling authors is at once intimate and epic in scope. Tam, an Englishwoman, has been living in this harshly beautiful region since shortly after World War II, in which she served as an auxiliary pilot. She is now leaving her lover, Niall, who, like his father before him, is a meteorologist. On her way to New York, the airliner she is traveling on becomes grounded by heavy fog at Gander Airport in Newfoundland. As she waits for the fog to clear, she notices an enigmatic mural that moves her to revisit not only the circumstances that brought her to Ireland but her intense relationship with Niall and his growing despondency over the disappearance of his younger brother, Kieran. We learn of Kieran's troubled childhood and of the tragedy that caused him as a boy to be separated from his family and taken in by a widowed countrywoman who lives in the mountains. There he comes to know the local people, among them a tailor, a fisherman-teacher, and a sheep farmer who is an astonishing philosopher. There is also the jeweler's daughter, a young woman who will come to change the course of several lives. Running parallel is the story of the painter Kenneth Lochhead and his creation of the mural at Gander that is Tam's only companion through three long days and nights.

An elegiac novel of unusual emotional depth, *The Night Stages* explores the meaning of separation, the sorrows of fractured families, and the profound effect of Ireland's wild and elemental landscape on lives shaped by its beauty. It is Jane Urquhart's richest, most rewarding novel to date.

Conversations with Paul Auster Feb 07 2022 Interviews with the author of *The New York Trilogy*, *In the Country of Last Things*, and *The Brooklyn Follies*

Talking to Strangers May 10 2022 *Talking to Strangers* is a freshly curated collection of prose, spanning fifty years of work and including famous as well as never-before-published early writings, from 2018 Man Booker Prize–finalist Paul Auster.

Beginning with a short philosophical meditation written when he was twenty and concluding with nine political pieces that take on such issues as homelessness, 9/11, and the link between soccer and war, the 44 pieces gathered in this volume offer a wide-ranging view of celebrated novelist Paul Auster's thoughts on a multitude of classic and contemporary writers, the high-wire exploits of Philippe Petit, how to improve life in New York City (in collaboration with visual artist Sophie Calle), and the long road he has traveled with his beloved manual typewriter. While writing for the *New York Review of Books* and other publications in the mid-1970s, young poet Auster gained recognition as an astute literary critic with essays on Laura Riding, John Ashbery, Samuel Beckett, Franz Kafka, Paul Celan, and others. By the late seventies and early eighties, as the poet was transforming himself into a novelist, he maintained an active double life by continuing his work as a translator and editing the groundbreaking anthology, *The Random House Book of Twentieth-Century Poetry*. His prefaces to some of these books are included in *Talking to Strangers*, among them a heart-wrenching account of Stéphane Mallarmé's response to the death of his eight-year-old son, Anatole. In recent years, Auster has pushed on with explorations into the work of American artists spanning various periods and disciplines: the notebooks of Nathaniel Hawthorne, the films of Jim Jarmusch, the writings of painter-collagist-illustrator Joe Brainard, and the three-hit shutout thrown by journeyman right-hander Terry Leach of the Mets. Also included here are several rediscovered works that were originally delivered in public: a 1982 lecture on Edgar Allan Poe, a 1999 blast against New York mayor Rudolph Giuliani, and one of the funniest introductions a poetry reading ever heard in the state of New Jersey. A collection of soaring intelligence and deepest humanity, *Talking to Strangers* is an essential book by "the most distinguished American writer of [his] generation . . . indeed its only author . . . with any claim to greatness." (*The Spectator*)

Night Fisher Sep 21 2020 R. Kikuo Johnson has created an intimate and compelling graphic novel-length drama of young men on the cusp of adulthood. First-rate prep school, S.U.V., and a dream house in the heights: This was the island paradise handed to Loren Foster when he moved to Hawaii with his father six years ago. Now, with the end of high school just around the corner, his best friend, Shane, has grown distant. The rumors say it's hard drugs, and Loren suspects that Shane has left him behind for a new group of friends. What sets Johnson's drama apart is the naturalistic ease with which he explores the relationships of his characters. It is at once an unsentimental portrait of that most awkward period between adolescence and young adulthood and that rarest of things: a mature depiction of immature lives.

Man in the Dark Mar 20 2023

The Brooklyn Follies Oct 15 2022 From the bestselling author of Oracle Night and The Book of Illusions, an exhilarating, whirlwind tale of one man's accidental redemption Nathan Glass has come to Brooklyn to die. Divorced, estranged from his only daughter, the retired life insurance salesman seeks only solitude and anonymity. Then Nathan finds his long-lost nephew, Tom Wood, working in a local bookstore—a far cry from the brilliant academic career he'd begun when Nathan saw him last. Tom's boss is the charismatic Harry Brightman, whom fate has also brought to the "ancient kingdom of Brooklyn, New York." Through Tom and Harry, Nathan's world gradually broadens to include a new set of acquaintances—not to mention a stray relative or two—and leads him to a reckoning with his past. Among the many twists in the delicious plot are a scam involving a forgery of the first page of The Scarlet Letter, a disturbing revelation that takes place in a sperm bank, and an impossible, utopian dream of a rural refuge. Meanwhile, the wry and acerbic Nathan has undertaken something he calls The Book of Human Folly, in which he proposes "to set down in the simplest, clearest language possible an account of every blunder, every pratfall, every embarrassment, every idiocy, every foible, and every inane act I had committed during my long and checkered career as a man." But life takes over instead, and Nathan's despair is swept away as he finds himself more and more implicated in the joys and sorrows of others. The Brooklyn Follies is Paul Auster's warmest, most exuberant novel, a moving and unforgettable hymn to the glories and mysteries of ordinary human life.

Oracle Night Jun 23 2023 Several months into his recovery from a near-fatal illness, thirty-four-year-old novelist Sidney Orr enters a stationery shop in the Cobble Hill section of Brooklyn and buys a blue notebook. It is September 18, 1982, and for the next nine days Orr will live under the spell of this blank book, trapped inside a world of eerie premonitions and puzzling events that threaten to destroy his marriage and undermine his faith in reality. Why does his wife suddenly break down in tears in the backseat of a taxi just hours after Sidney begins writing in the notebook? Why does M. R. Chang, the owner of the stationery shop, precipitously close his business the next day? What are the connections between a 1938 Warsaw telephone directory and a lost novel in which the hero can predict the future? At what point does animosity explode into violence? To what degree is forgiveness the ultimate expression of love? Paul Auster's mesmerizing eleventh novel reads like an old-fashioned ghost story. But there are no ghosts in this book—only flesh-and-blood human beings, wandering

through the haunted realms of everyday life. At once a meditation on the nature of time and a journey through the labyrinth of one man's imagination, *Oracle Night* is a narrative tour de force that confirms Auster's reputation as one of the boldest, most original writers at work in America today.

Invisible Jul 12 2022 "One of America's greatest novelists" dazzlingly reinvents the coming-of-age story in his most passionate and surprising book to date Sinuously constructed in four interlocking parts, Paul Auster's fifteenth novel opens in New York City in the spring of 1967, when twenty-year-old Adam Walker, an aspiring poet and student at Columbia University, meets the enigmatic Frenchman Rudolf Born and his silent and seductive girlfriend, Margot. Before long, Walker finds himself caught in a perverse triangle that leads to a sudden, shocking act of violence that will alter the course of his life. Three different narrators tell the story of *Invisible*, a novel that travels in time from 1967 to 2007 and moves from Morningside Heights, to the Left Bank of Paris, to a remote island in the Caribbean. It is a book of youthful rage, unbridled sexual hunger, and a relentless quest for justice. The series of murders, all involving local teenage victims, was never solved. In the years since, Holiday has left the force under a cloud of moral charges, and now finds work as a bodyguard and driver. Cook has retired, but he has never stopped agonizing about the "Night Gardener" killings. The new case draws the three men together on a grim mission to finish the work that has haunted them for years. All the love, regret, and anger that once burned between them comes rushing back, and old ghosts walk once more as the men try to lay to rest the monster who has stalked their dreams. At Night We Walk in Circles Jun 18 2020 A breathtaking, suspenseful story of one man's obsessive search to find the truth of another man's downfall, from the author of *The King Is Always Above the People*, which was longlisted for the 2017 National Book Award for Fiction. Nelson's life is not turning out the way he hoped. His girlfriend is sleeping with another man, his brother has left their South American country, leaving Nelson to care for their widowed mother, and his acting career can't seem to get off the ground. That is, until he lands a starring role in a touring revival of *The Idiot President*, a legendary play by Nelson's hero, Henry Nunez, leader of the storied guerrilla theater troupe Diciembre. And that's when the real trouble begins. The tour takes Nelson out of the shelter of the city and across a landscape he's never seen, which still bears the scars of the civil war. With each performance, Nelson grows closer to his fellow actors, becoming hopelessly entangled in their complicated lives, until, during one memorable performance, a long-buried betrayal surfaces to force the troupe into chaos. Nelson's fate is slowly revealed through the investigation of the narrator, a young man obsessed with Nelson's story—and perhaps closer to it than he lets on. In sharp, vivid, and beautiful prose, Alarcón delivers a compulsively readable narrative and a provocative meditation on fate, identity, and the large consequences that can result from even our smallest choices.

The New York Trilogy Jan 06 2022 *The New York Trilogy* is perhaps the most astonishing work by one of America's most consistently astonishing writers. The

Trilogy is three cleverly interconnected novels that exploit the elements of standard detective fiction and achieve a new genre that is all the more gripping for its starkness. It is a riveting work of detective fiction worthy of Raymond Chandler, and at the same time a profound and unsettling existentialist enquiry in the tradition of Kafka or Borges. In each story the search for clues leads to remarkable coincidences in the universe as the simple act of trailing a man ultimately becomes a startling investigation of what it means to be human. The New York Trilogy is the modern novel at its finest: a truly bold and arresting work of fiction with something to transfix and astound every reader. 'Marks a new departure for the American novel.' Observer 'A shatteringly clever piece of work . . . Utterly gripping, written with an acid sharpness that leaves an indelible dent in the back of the mind.' Sunday Telegraph ' The New York Trilogy established him as the only author one could compare to Samuel Beckett.' Guardian
