*Jeff Berlin Bass Mastery* Nov 21 2020 This book was written with one purpose in mind: to improve your bass playing skill in 24 clear lessons. Each of the exercises featured in (title is based on solid music theory concepts and structured academic approaches. Each lesson builds on the previous one to introduce increasingly more sophisticated concepts and techniques. This approach enables the bass student to polish his/her reading skills and technique simultaneously. A focus on reading requires players to find more accurate left-hand positions and fingerings to play the notes as they are written. Reading brings together mind, body, and instrument, thus resulting in better playing.
