*The Bend for Home Jan 27 2021 One day, years after he's moved away from his childhood home in rural Ireland, Dermot Healy returns to care for his ailing mother. Out of the blue she hands him the forgotten diary he had kept as a fifteen-year-old. He is amazed to find the makings of the writer he has become, as well as taken aback at the changes his memory has wrought upon the events of the past. Here is the seed of his story—the vision of the boy meets the memory of the man—which creates a stunning, illusory effect. The strange silhouettes who have haunted his past come back to inhabit these pages: his father, a kind policeman who guides him back to bed when he stumbles down the stairs sleepwalking; his mother, whose stories young Dermot has heard so often that he believes they are his own; or Aunt Masie, whose early disappointment in love has left her both dreamy and cynical. In this billowing and expansive series of recollections, Healy has traced the very shape of human memory.*

*Blood, Sweat, Triumph & Tears* Dec 26 2020 Gaelic Games are the focus of endless debate and speculation, set the mood of Monday's post-match workplace and dominate pub-talk. For many of us, life and death run second to major GAA events. *Blood, Sweat, Triumph & Tears* looks back at some of the best moments from the sporting nation's favourite soap opera. It pays homage to the great players and people in Gaelic football, hurling, ladies' football and camogie. And it glories in the classic victories and thrilling contests witnessed down the decades. Based on exclusive interviews with the greatest personalities in the GAA's rich history, and covering every county in Ireland, here is a unique insight into the passion and politics, the controversies and

crises, the wisdom and wit and all the highs and lows of Ireland's national treasure. Full of entertaining anecdotes, inspirational incidents and epic encounters, *Blood, Sweat, Triumph & Tears* truly captures the magic of the GAA. 'A book to shorten the long winter nights for any GAA fan.' DERMOT EARLEY, Kildare legend 'Will bring back great memories for lovers of Gaelic Games.' KAROL MANNION

*Merlin's Mistake* Jul 21 2020 Brian and Tertius set out on a quest to find a wizard and save a kingdom from an evil knight All his life, Brian has craved a grand adventure. On his sixteenth birthday, he meets the young traveler Tertius and knows it's a sign that his adventure is about to begin. Tertius is on a mission to find a wizard to teach him magic, and Brian promises to help him. But before they can begin, the two must pass through Meliot, a small kingdom with a terrible problem: every year, it must pay tribute to the wicked Black Knight, or else he will cut off the king's head. When Brian falls in love with one of the king's twin daughters, he's ready to do whatever it takes to win her hand in marriage, even if it means finding the one knight

prophesied by Merlin to destroy the Black Knight and rid Meliot of his evil forever. With the help of a mysterious old woman, Brian and Tertius set out from Meliot, both swearing to help the other with his mission. But they know their journey will be far from easy. If the two boys can persevere, they may discover that sometimes, what you seek is right in front of you all along.

*World Monarchies and Dynasties Jun 19 2020*

Throughout history, royal dynasties have dominated countries and empires around the world. Kings, queens, emperors, chiefs, pharaohs, czars - whatever title they ruled by, monarchs have shaped institutions, rituals, and cultures in every time period and every corner of the globe. The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present. Efforts to overthrow monarchies or evade their rule - such as the American, French, Chinese, and Russian revolutions - are considered turning points in world history. Even today, many countries retain their monarchies, although in vastly reduced form with little political power. One cannot understand human history and government without understanding monarchs and monarchies. This fully-illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world, past and present. No other reference work approaches the topic with the same sense of magnitude or connection to historical context. Arranged in A-Z format for ease of access, World

*Rock and Roll is Life* Sep 03 2021 "You may

remember the Helium Kids. Back in their late '60s and early '70s heyday they appeared on Top of the Tops on 27 separate occasions, released five Billboard-certified platinum albums, played sold-out shows at Madison Square Garden and were nearly, but not quite, as big as the Beatles and the Stones. Three decades later, in the big house on the outskirts of Norwich, Nick Du Pont is looking back on the rollercoaster years he spent as their publicist in a world of licensed excess and lurking tragedy. What follows is not only the story of a rock band at a formative time in musical history, when America was opening up to English music and huge amounts of money and self-gratification were there for the taking. For the tale is also Nick's - the life and times of a war-baby born in a Norwich council house, the son of an absconding GI, whose career is a search for some of the advantages that his birth denied him. It is at once a worm's eye of British pop music's golden age and a bittersweet personal journey, with cameo appearances from everyone from Elvis and Her Majesty the Queen Mother to Andy Warhol"--Dust jacket cover.
