The phenomenal success of the Now You Know and Now You Know More has encouraged this third Book of Answers. Now You Know Almost Everything continues with the same formula of dispensing knowledge concisely, never losing sight of the joy and fun of discovering the why of ordinary things. In Now You Know Almost Everything you will discover answers to hundreds of questions: Why can't grooms see their bride on the day before the wedding? Why is a swindle called a "double-cross"? Why do people say, "That's all she wrote"? Where did the word "Canuck" come from? Now You Know Almost Everything makes sure that you just about know it all. This highly illustrated and colorful textbook explains the basics of computer hardware and software for non-technical students. Topics include office software packages, web browsers, utilities, input and output devices, data storage formats, networks, multimedia presentations, and software development. Includes index. Doug Lennox serves up a mammoth selection of some of his most cherished Q and As culled from his previous books. Also featured in this wide-ranging compendium are 150 brand-new questions answered with Doug's inimitable flair for unearthing intriguing arcana. Who is Andrew Elric, and what's he doing here? Says he's here with answers. As Andrew would explain it, "We live our lives shrouded with mysteries. We're compelled to show faith in explanations that we really don't believe in--the origins of our being, the nature and existence of God, are we alone in the

universe? Less weighty issues as well as stuff we'd just like to know--who really shot Kennedy? What happened to Jimmy Hoffa? You think about it and know there really are answers to all of it, but you don't have access to them. I've got those answers and, more importantly, proof for all of it. Some of it you can hold in your hand. You follow the news, you know this place is going to blow. I'm here to try and stop it. Religion, race, nationalism . . . We all come from the same place. But the world has suffered through too many charlatans and false prophets. I'm going to use these proofs to get you savages to settle down." Andrew has recruited renowned attorney, author, and sports agent Aron Samuelson to help him get the word out. Aron, in the throes of a midlife crisis, is looking for the next "big thing" in his life. As they say, be careful what you wish for. Mr. Q's Big Book If you've ever scratched your head and thought, "What If you got struck by lightning? What If you stopped paying Taxes? What If we lived on the Moon? What If I did put aluminum foil in the microwave? then you'll be absolutely bowled over by this intriguing guide. With more than seventy captivating, "What If" scenarios than you could ever imagine, this engaging and exciting guidebook answers questions that are serious, fanciful, and well just plain odd.
