Carmela Full of Wishes Apr 26 2021 An Instant New York Times Bestseller! In their first collaboration since the Newbery Medal- and Caldecott Honor-winning Last Stop on Market Street, Matt de la Peña and Christian Robinson deliver a poignant and timely new picture book that's sure to be an instant classic. When Carmela wakes up on her birthday, her wish has already come true--she's finally old enough to join her big brother as he does the family errands. Together, they travel through their neighborhood, past the crowded bus stop, the fenced-off repair shop, and the panadería, until they arrive at the Laundromat, where Carmela finds a lone dandelion growing in the pavement. But before she can blow its white fluff away, her brother tells her she has to make a wish. If only she can think of just the right wish to make . . . With lyrical, stirring text and stunning, evocative artwork, Matt de la Peña

and Christian Robinson have crafted a moving ode to family, to dreamers, and to finding hope in the most unexpected places.

Cybersecurity Incident Management Master's Guide Jul 30 2021 Successfully responding to modern cybersecurity threats requires a well-planned, organized, and tested incident management program based on a formal incident management framework. It must be comprised of technical and non-technical requirements and planning for all aspects of people, process, and technology. This includes evolving considerations specific to the customer environment, threat landscape, regulatory requirements, and security controls. Only through a highly adaptive, iterative, informed, and continuously evolving full-lifecycle incident management program can responders and the companies they support be successful in combatting cyber threats. This book is the first in a series of volumes that explains in detail the full-lifecycle cybersecurity incident management program. It has been developed over two decades of security and response experience and honed across thousands of customer environments, incidents, and program development projects. It accommodates all regulatory and security requirements and is effective against all known and newly evolving cyber threats.

Dungeons & Dragons Baldur's Gate: Descent Into Avernus Hardcover Book (D&D Adventure) Sep 19 2020 Diabolical

dangers await in this adventure for the world's greatest roleplaying game. Welcome to Baldur's Gate, a city of ambition and corruption. You've just started your adventuring career, but already find yourself embroiled in a plot that sprawls from the shadows of Baldur's Gate to the front lines of the planes-spanning Blood War! Do you have what it takes to turn infernal war machines and nefarious contracts against the archdevil Zariel and her diabolical hordes? And can you ever hope to find your way home safely when pitted against the infinite evils of the Nine Hells? • This heroic Dungeons & Dragons adventure book takes players from levels 1 to 13 as they journey through Baldur's Gate and into Avernus, the first layer of the Nine Hells. • Baldur's Gate is among the most iconic locations in fantasy culture. A mist-cloaked metropolis on the Sword Coast, it's a place of history and a home to heroes. • The book introduces the infernal war machines to fifth edition D&D—battle-ready vehicles, which you can customize as you blast off into the Blood War. • Dungeon Masters will entice their heroes with devils' deals, designed to lure adventurers with the ultimate temptations of power and treasure. • Created in 1974, D&D transformed gaming culture by blending traditional fantasy with miniatures and wargaming. Fifth edition D&D draws from every prior edition to create a universally compelling play experience

Help! I'm Being Followed Aug 23 2023 What would happen if Christian leaders decided that "good enough" is no longer good enough? What if they stepped out of the comfort zone, stood for right, and strived for excellence? What if they were fearlessly committed to following God's lead and trusting he future to Him? In this book Clinton Valley casts just such a vision for Christian leaders. Drawing from years of experience, Valley offers insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. Help! I'm Being Followed addresses how to make positive changes, deal with conflict, handle criticism, and plan for relevance and progress.

A Scrum Book Aug 31 2021 Building a successful product usually involves teams of people, and many choose the Scrum approach to aid in creating products that deliver the highest possible value. Implementing Scrum gives teams a collection of powerful ideas they can assemble to fit their needs and meet their goals. The ninety-four patterns contained within are elaborated nuggets of insight into Scrum's building blocks, how they work, and how to use them. They offer novices a roadmap for starting from scratch, yet they help intermediate practitioners fine-tune or fortify their Scrum implementations. Experienced practitioners can use the patterns and supporting explanations to get a better understanding of how the parts of Scrum complement each other to solve common problems in product development.

The patterns are written in the well-known Alexandrian form, whose roots in architecture and design have enjoyed broad application in the software world. The form organizes each pattern so you can navigate directly to organizational design tradeoffs or jump to the solution or rationale that makes the solution work. The patterns flow together naturally through the context sections at their beginning and end. Learn everything you need to know to master and implement Scrum one step at a time—the agile way.

The Master Guide to Drawing Anime Nov 21 2020 Nothing brings anime artists more satisfaction than creating original characters to use in a comic strip or graphic novel.

Bestselling how-to-draw author Christopher Hart helps them reach this goal by providing insight into the six most popular anime types: schoolgirls, schoolboys, preteens, vengeful bad guys, humorous personalities, and fantasy figures. He supplies templates for each; an extensive array of "menus" of head and body types, outfits, and accessories; and detailed, accessible, step-by-step demonstrations and drawing exercises. Plus, Hart showcases some of the best anime artists in the world for this title—including Inma R., Tabby Kink, Ayame Shiroi, Euro Pinku, and Tina Francisco. It's the guide every would-be anime artist has been looking for
