Our Father Sep 14 2022

NATIONAL BESTSELLER • Pope Francis illuminates the Lord's Prayer, the most important prayer in all of Christianity, offering readers a guide to living a life of meaning, purpose and strength. In conversation with Father Marco Pozza, a theologian and prison chaplain in Padua, Italy, Pope Francis offers unprecedented insight into Jesus's most profound words, as he explores the importance of embracing social justice, benevolence, and forgiveness in our hearts and minds. Looking to address the concerns and hopes of today's men and women, *Our Father: Reflections on the Lord's Prayer* is a guide to living a life full of meaning, purpose, and strength. "We need courage to pray the Our Father," writes Pope Francis, "to truly believe that God is the Father who accompanies us, forgives us, gives us bread, is attentive to all that we ask, clothes us even better than the flowers of the field. To believe is a big risk." Challenging this doubt and fear, he issues a call to "dare . .

. help one another to dare."

With excerpts from some of the Pontiff's most cherished teachings, this beautiful work offers words of encouragement and inspiration for all who are seeking hope and direction in our often tumultuous world.

Parents, Children, and the

Facts of Life Mar 08 2022

Father Sattler has written *Parents, Children and the Facts of Life* to help parents fulfill the extremely important duty of training boys and girls to be pure and innocent, and eventually to enter marriage with a noble and holy purpose if God calls them to that state of life. According to the official Catholic teaching, sex education is the duty of the parents, yet many parents still struggle to convey the facts of life to their children in a natural and inspiring way. Applying traditional Catholic principles to very practical questions, Fr. Sattler explains what parents should tell their children, when and how they should tell it, what moral and psychological dangers they must avoid, and what questions they should anticipate. His conversational and down to earth style provides parents with the confidence and practical wisdom to fulfill their role as their children's primary teachers of the facts of life.
