From one of the world's number top selling crime writers comes the extraordinary twentieth Kay Scarpetta novel. A woman has vanished while digging a dinosaur bone bed in the remote wilderness of Canada. Somehow, the only evidence has made its way to the inbox of Chief Medical Examiner Kay Scarpetta, over two thousand miles away in Boston. She has no idea why. But as events unfold with alarming speed, Scarpetta begins to suspect that the paleontologist's disappearance is connected to a series of crimes much closer to home: a gruesome murder, inexplicable tortures, and trace evidence from the last living creatures of the dinosaur age. When she turns to those around her, Scarpetta finds that the danger and suspicion have penetrated even her closest circles. Her niece Lucy speaks in riddles. Her lead investigator, Pete Marino, and FBI forensic psychologist and husband, Benton Wesley, have secrets of their own. Feeling alone and betrayed, Scarpetta is tempted by someone from her past as she tracks a killer both cunning and cruel. Memories, whether full of joy or sadness, will always be a constant in our lives. Trisha Gleaton finds herself smothered daily by these memories. The joy of watching her daughters build their own lives that joy every parent finds eases the letting-go process shadowed by the sadness battling within her heart, a long-term depression resulting from the loss of the dearest person on earth to her. Given the opportunity to renovate her mother's old home, which Trisha hasn't set foot in since her mother's death, eventually makes Trisha confront the feelings she has been fighting for years. She finally finds comfort through the reminder of her upbringing, depending on God and friends. At last she gets it: she isn't in this struggle all alone. Kay Scarpetta and friends join together for holiday food and drink -- and the unexpected joy of befriending a lonely boy. Ruth Bell Graham is known as the wife of evangelist Billy Graham. It was Ruth who influenced Billy, as his most trusted life-partner. In *Ruth, a Portrait*, we meet this fascinating and remarkable woman. Brimming with anecdotes, this is a breathtaking journey, with stops at many of this century's epoch-making events. The childhood years of the future Mrs. Billy Graham were spent light-years away--in the China of the 1920s and 1930s. The daughter of medical missionaries, she and her family were caught in a crucible of unspeakable hardship; in addition to pestilence and plague, there was the unstable political and military turmoil surrounding the Nationalist government, the Communists, and the Japanese invaders. These hazardous realities shaped Ruth Bell and her family, a family inured to difficulties, but buoyed up by their deep belief in God's abiding will. Virtually raised by the Grahams, the author is a repository of Ruth Bell Graham's stories and has seen firsthand the spirit of this courageous woman. Patricia Cornwell not only gives readers a full, rounded, and intimate portrait of Ruth Bell Graham, but also insight into the life of the Graham family and particularly Billy Graham. From America's #1 bestselling crime writers comes an extraordinary #1 New York Times bestselling Kay Scarpetta novel. Leaving behind her private forensic pathology practice in Charleston, South Carolina, Kay Scarpetta accepts an assignment in New York City, where the NYPD has asked her to examine an injured man on Bellevue Hospital's psychiatric prison ward. The handcuffed and chained patient, Oscar Bane, has specifically asked for her, and when she literally has her gloved hands on him, he begins to talk—and the story he has to tell turns out to be one of the most bizarre she has ever heard. The injuries, he says, were sustained in the course of a murder . . . that he did not commit. Is Bane a criminally insane stalker who has fixed on Scarpetta? Or is his paranoid tale true, and it is he who is being spied on, followed and stalked by the actual killer? The one thing Scarpetta knows for certain is that a woman has been tortured and murdered—and more violent deaths will follow. Gradually, an inexplicable and horrifying truth emerges: Whoever is committing the crimes knows where his prey is at all times. Is it a person, a government? And what is the connection between the victims? In the days that follow, Scarpetta; her forensic psychologist husband, Benton Wesley; and her niece, Lucy, who has recently formed her own forensic computer investigation firm in New York, will undertake a harrowing chase through cyberspace and the all-too-real streets of the city—an odyssey that will take them at once to places they never knew, and much, much too close to home. Throughout, Cornwell delivers shocking twists and turns, and the kind of cutting-edge technology that only she can provide. Once again, she proves her exceptional ability to entertain and enthrall. In *Scarpetta*, Patricia Cornwell has a character as strong as any in popular fiction" —Wall Street Journal New York Times bestselling author Patricia Cornwell delivers the newest engrossing thriller in her high-stakes series starring medical examiner Dr. Kay Scarpetta. *Depraved Heart*: "Void of social duty and fatally bent on mischief." —*Mayes v. People*, 806 III. 306 (1883) Dr. Kay Scarpetta is working a suspicious death scene in Cambridge, Massachusetts when an emergency alert sounds on her phone. A video link lands in her text messages and seems to be from her computer genius niece Lucy. But how can it be? It's clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn't know whom she

can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul's daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta's entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that's the message they send when they raid Lucy's estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why she's the world's #1 bestselling crime writer. Now freelancing from south Florida, Dr. Kay Scarpetta returns to Richmond, Virginia, the city that turned its back on her five years ago. Investigating the death of a young girl, she must follow the twisting leads and track the strange details in order to make the dead speak—and to reveal the sad truth that may be more than even she can bear. The eleventh book in the Kay Scarpetta series, from No. 1 bestselling author Patricia Cornwell. 'America's most chilling writer of crime fiction' The Times Physically and psychologically bruised by her encounter with the killer Chandonne, Dr Kay Scarpetta has to leave her home in the hands of the police team investigating the attack. She finds shelter with an old friend, Anna Zenner, but it is not the haven of security she needs when she discovers that Anna has been subpoenaed to appear before a Grand Jury which is investigating Scarpetta for murder. Kay knows she is being framed and she also knows she can trust no-one. Meanwhile it appears that Chandonne killed a woman in New York before his murderous spree in Virginia, but when Scarpetta looks more closely into that case with the NY prosecutor Jaime Berger, proof of his guilt is far from certain - in fact she begins to believe that he may not be the perpetrator of any of the crimes he is accused of. As she follows the forensic trail to the real killer she gradually realises that someone has been spinning a web for years with the aim of entrapping her. Who is it, and why are they so desperate to be rid of her? Praise for the groundbreaking series: 'One of the best crime writers writing today' Guardian 'Devilishly clever' Sunday Times 'The top gun in this field' Daily Telegraph 'Forget the pretenders. Cornwell reigns' Mirror 'The Agatha Christie of the DNA age' Express The clues to a series of remorseless killings go up in smoke—and only Kay Scarpetta can find them in this #1 New York Times bestseller from Patricia Cornwell. “Sears its way into the psyche... Ablaze with Cornwell's finest, scariest writing.”—Atlanta Journal Constitution The devastating fire tore through the horse farm, destroying everything it touched. Picking through the wreckage, Dr. Kay Scarpetta uncovers human remains—the work of an audacious and wily killer who uses fire to mask his brutal murders. And when Scarpetta learns that her old nemesis, Carrie Grethen, has escaped from a hospital for the criminally insane and is somehow involved, the investigation becomes personal. Tragedy strikes close to home. And Scarpetta must match Grethen's every move with one of her own to douse the inferno of evil that threatens everyone around her... Includes an Introduction by the Author In this provocative thriller, forensic expert Kay Scarpetta is surrounded by familiar faces, yet traveling down the unfamiliar road of fame.... It is the week before Christmas. A tanking economy has prompted Dr. Kay Scarpetta—despite her busy schedule and her continuing work as the senior forensic analyst for CNN—to offer her services pro bono to New York City's Office of the Chief Medical Examiner. In no time at all, her increased visibility seems to precipitate a string of unexpected and unsettling events, culminating in an ominous package—possibly a bomb—showing up at the front desk of the apartment building where she and her husband, Benton, live. Soon the apparent threat on Scarpetta's life finds her embroiled in a surreal plot that includes a famous actor accused of an unthinkable sex crime and the disappearance of a beautiful millionaire with whom her niece, Lucy, seems to have shared a secret past. Scarpetta's CNN producer wants her to launch a TV show called The Scarpetta Factor. Given the bizarre events already in play, she fears that her growing fame will generate the illusion that she has a “special factor,” a mythical ability to solve all her cases. She wonders if she will end up like other TV personalities: her own stereotype. Dr. Kay Scarpetta plunges into the murky depths of a ship graveyard to recover the very human remains of Ted Eddings, an investigative reporter. Together with her niece Lucy and police captain Pete Marino, Scarpetta will follow the scents of death and violence to the heart of sinister darkness. *San Francisco Chronicle Fifteen top voices in speculative fiction explore the intersection of fear and love in a haunting, at times hilarious, darkly imaginative volume. Cornwell presents the extraordinary eighteenth novel in the Kay Scarpetta series, in which Kay Scarpetta is confronted with a case that could ruin her professionally and personally. Kay Scarpetta has been training at the Dover Port Mortuary, mastering the art of 'virtual autopsy' - a groundbreaking procedure that could soon revolutionise forensic science. And it is not too long before these new skills urgently need to be put into practice. A young man drops dead, apparently from a heart condition, eerily close to Scarpetta's home. But when his body is examined the next morning, there are stunning indications that he may have been alive when he was zipped inside a pouch and locked in the cooler. When the revolutionary 3D radiology scans reveal more shocking details about internal injuries unlike any Scarpetta has ever seen, she realizes that this is a case of murder - and that she is fighting a cunning and uniquely cruel enemy. Now it is a race against time to discover who and why before more people die. But that time is running out . . . Dr. Kay Scarpetta is starting over with a unique private forensic pathology practice in Charleston, South Carolina. But in this thrilling #1 New York Times bestseller, her fresh start ushers in a string of murders more baffling—and terrifying—than any that have come before... The Book of the Dead is the morgue log, the ledger in which all cases are entered by hand. For Kay Scarpetta, however, it is about to acquire a new meaning. A sixteen-year-old tennis star, fresh from a tournament win in Charleston, is found nude and mutilated near Piazza Navona in Rome. The body of an abused young boy is dumped in a desolate marsh. A woman is ritualistically murdered in her multimillion-dollar beach home. Meanwhile, in New England, problems with a prominent patient at a Harvard-affiliated psychiatric hospital begin to hint at interconnections among the deaths that are as hard to imagine as they are horrible. Scarpetta has dealt with many brutal and unusual crimes before, but never has she seen a string of death like what she's facing now. Before she is through, that book of the dead will contain many names—and the pen may be poised to write her own... The legendary, No. 1 bestselling series following Dr. Kay Scarpetta Snap The sound of a bullet hitting flesh Dr. Kay Scarpetta is in pursuit of a sniper who leaves no trace except copper fragments. The impossible shots cause instant death. Snap The target is closer than you think The victims have nothing in common, and there is no indication where the killer will strike next. Snap You won't hear it - you're already dead Scarpetta tracks the sniper across the country to the Florida coast. Here she uncovers shocking evidence implicating her niece, Lucy - Scarpetta's very own flesh and blood. With All That Remains, #1 bestselling author Patricia Cornwell returns to the chilling world of gutsy medical examiner Kay Scarpetta for the third installment of the classic suspense fiction series that begins with Postmortem. #1 New York Times bestselling author Patricia Cornwell's heart-stopping thriller featuring gutsy medical examiner Kay Scarpetta In Richmond, Virginia, young lovers are dying. So far, four couples in the area have disappeared, only to be found months later as mutilated corpses. When the daughter of the president's newest drug czar vanishes along with her boyfriend, Dr. Kay Scarpetta knows time is short. Following a macabre trail of evidence that ties the present homicides to a grisly crime in the past, Kay must draw upon her own personal resources to track down a murderer who is as skilled at eliminating clues as Kay is at finding them... Dispatched by the district attorney to a declining Massachusetts neighborhood to address a case related to a new public relations campaign, state investigator Win Garano becomes involved with a loosely organized association of vigilante police officers. Black Mountain, North Carolina is a sleepy town, an unlikely place for a serial killer to be stalking. Dr. Kay Scarpetta, the Chief Medical Examiner, has a hunch that further bodies will be found. CRIME & MYSTERY. After her resignation as Virginia's Chief Medical Examiner and the horrifying events which threatened her life in THE LAST PRECINCT, Kay Scarpetta has abandoned her elegant home in Richmond and is quietly living in Florida, beginning to get some balance back in her life and slowly establishing herself as a private forensic consultant. But her past won't let her rest, and her grief for Benton Wesley continues to grow, not diminish, as does the rage within Lucy, her niece. Then the architect of her changed fortunes contacts her from his cell on death row: deformed, blinded by Scarpetta's own actions, incarcerated in Texas's strongest prison, Jean-Baptiste Chardonne still has the ability to terrify. But, unknown to Scarpetta, there are other forces behind the wolfman's apparent actions, invisibly shepherding her and those closest to her towards eliminating those who threaten them all. With high-tension suspense and cutting-edge technology, Patricia Cornwell—the world's #1 bestselling crime writer—once again proves her exceptional ability to entertain and enthrall in this remarkable novel featuring chief medical examiner Dr. Kay Scarpetta. On her quest to find out exactly what happened to her former deputy chief, Jack Fielding, murdered six months before, Scarpetta drives to the Georgia Prison for Women to meet a convicted sex offender and the mother of a vicious and diabolically brilliant killer. Against the advice of her FBI criminal intelligence agent husband, Benton Wesley, Scarpetta is determined to hear this woman out. Scarpetta has both personal and professional reasons to learn more about a string of grisly killings: the murder of a Savannah family years earlier, a young woman on death row, and then other inexplicable deaths that begin to occur at a breathtaking pace. Driven by inner forces, Scarpetta discovers connections that compel her to conclude that what she thought ended with Fielding's death and an attempt on her own life is only the beginning of something far more destructive: a terrifying terrain of conspiracy and potential terrorism on an international scale. And she is the only one who can stop it. Now available in a tall Premium Edition, the novel that introduces one of suspense fiction's most compelling heroines--Dr. Kay Scarpetta--

from a #1 "New York Times"-bestselling author. Reissue. "When it comes to the forensic sciences, nobody can touch Cornwell." —New York Times Book Review [PLEASE BOX:] CHAOS From the Ancient Greek (???? or kháos) A vast chasm or void. Anarchy. The science of unpredictability. On a late summer evening in Cambridge, Massachusetts, Dr. Kay Scarpetta and her investigative partner, Pete Marino, respond to a call about a dead bicyclist near the Kennedy School of Government. It appears that a young woman has been attacked with almost superhuman force. Even before Scarpetta's headquarters has been officially notified about the case, Marino and Scarpetta's FBI agent husband, Benton Wesley, receive suspicious calls, allegedly from someone at Interpol. But it makes no sense. Why would the elite international police agency know about the case or be interested? It soon becomes apparent that an onslaught of harassment might be the work of an anonymous cyberbully named Tailend Charlie, who has been sending cryptic communications to Scarpetta for over a week. Even Lucy, her brilliant tech-savvy niece, can't trace who it is or how this person could have access to intimate information. When a second death shocks Scarpetta to her core, it becomes apparent she and those close to her are confronted with something far bigger and more dangerous than they'd ever imagined. With unparalleled high-tension suspense and the latest in forensic technology, Patricia Cornwell once again proves her exceptional ability to surprise—and to thrill—in this electrifying Kay Scarpetta novel. A body, oddly draped in an unusual cloth, has just been discovered inside the sheltered gates of MIT, and it's suspected the identity is that of missing computer engineering grad student Gail Shipton, last seen the night before at a trendy Cambridge bar. It appears she's been murdered, mere weeks before the trial in her \$100 million lawsuit against her former financial manager, and Massachusetts Chief Medical Examiner Kay Scarpetta doubts it's a coincidence. She also fears the case may have a connection with her computer genius niece, Lucy. In *Dust*, Scarpetta and her colleagues are up against a force far more sinister than a sexual predator who fits the criminal classification of a "spectacle killer." The murder of Gail Shipton soon leads deep into the dark world of designer drugs, drone technology, organized crime, and shocking corruption at the highest levels. In this #1 New York Times bestseller Dr. Kay Scarpetta is on a deadly mission that will pull her in two opposite directions: toward protecting her career or toward the truth... Remains were all that was left of the stowaway. He arrived in Richmond's Deep Water Terminal—the ghastly cargo of a ship from Belgium. The decomposed body gives Chief Medical Examiner Dr. Kay Scarpetta no clues to its identity—or the cause of death. But an odd tattoo soon leads her on an international search to Interpol's headquarters in Lyon, France—and towards a confrontation with one of the most savage killers of her career... Patricia Cornwell turns from forensics to police procedures in *Hornet's Nest*. The gritty, heroic life of big-city police is seen through the eyes of three leading crimefighters from Charlotte, North Carolina--Police Chief Judy Hammer, Deputy Chief Virginia West, and ambitious young reporter Andy Brazil. #1 NEW YORK TIMES BESTSELLER • After providing what is arguably the worst single performance in the history of the NFL, third-string quarterback Rick Dockery becomes a national laughingstock. Cut by the Cleveland Browns, and shunned by every other team, Rick insists that his agent find a team that does need him. Against enormous odds, Rick lands a job—as the starting quarterback for the Mighty Panthers ... of Parma, Italy. The Parma Panthers desperately want a former NFL player—any former NFL player—at their helm. And now they've got Rick, who knows nothing about Parma (not even where it is) and doesn't speak a word of Italian. To say that Italy—the land of fine wines, extremely small cars, and football americano—holds a few surprises for Rick Dockery would be something of an understatement. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon! "A knockout" (People) of a thriller from #1 New York Times bestselling author Patricia Cornwell featuring medical examiner Kay Scarpetta. "Killing me won't kill the beast" are the last words of rapist-murderer Ronnie Joe Waddell, written four days before his execution. But they can't explain how Dr. Kay Scarpetta finds Waddell's fingerprints on another crime scene—after she'd performed his autopsy. If this is some sort of game, Scarpetta seems to be the target. And if the next victim is someone she knows, the punishment will be cruel and unusual...
