May 11 2022 I feel very blessed after writing my first book, *From My Heart To Your Heart*. I was extremely happy to have located many of the poems written over forty years ago. They are dated throughout this book. It is my desire to blend the old with the new. To my surprise many of the things addressed over forty years ago have come to pass. It is easy to see that some of the poems were before their time, and perhaps that is why they were hidden from me for such a time as this. The message continues from the first book, delving a little deeper into the things we still struggle with throughout our lives. We are encouraged here to deal with matters of the

heart so that we can be free from the many traps that the Enemy has set for us, causing us to fail in our relationships and fall short of the glory of God.

From Your Head to Your Heart Mar 09 2022 Make the Connection. The change you long for is just 18 inches away! Have you ever declared in frustration that your head knows what to do but your heart won't agree? The truth is, although the head and heart are only eighteen inches from each other, most of us spend our entire lives trying to make a genuine connection between what we profess to believe in our heads and what we actually believe in our hearts. We

believe that God loves us, but our hearts still cling to lies from our past—lies from society, our families and friends, and the enemy of our souls. Don't allow these voices to keep you trapped any longer. "From Your Head to Your Heart" exposes how your negative thought patterns can keep you from the future God wants for you and reveals the secrets to achieve the long-term transformation desired by many, yet missed by most. With powerful examples from the Bible and redeeming stories from the author's own testimony involving abandonment, loneliness, rejection, and drug use, this book will give you the keys to

access the power in God's Word. Begin the renewing journey from your head to your heart today. Forward written by Jim Cymbala with Endorsements from Bill Hybels, Chris Hodges, Nancy Alcorn and many more. "The heart and soul of the Christian life is learning to hear God's voice and then developing the courage to do what he asks us to do. "From Your Head to Your Heart" must be added to your life and library. If leaders aren't leading with their heads and hearts, the local church will never reach its full redemptive potential. Well done Maria Durso! This book will be a lifeline for so many people." —Bill Hybels,

Founding and Senior Pastor of Willow Creek Community Church "With honesty, wisdom, and encouragement, Maria Durso helps readers draw closer to God as they seek to know him and not simple knot about Him. From Your Head to Your Heart offers biblical wisdom and practical suggestions for connecting your mind and your heart with your faith. I recommend it for anyone wanting to experience more of God's power in their lives." —Chris Hodges, Pastor of Church of the Highlands "In my travels over the years in ministry I have seen many people who have a "head relationship" "with the Lord, but not a close personal "heart

relationship" with Him. From Your Head to Your Heart explores the depths of having an intimate walk with Jesus that will transform every part of your life and bring about a whole new level of victory and freedom!" —Nancy Alcorn, Founder and President of Mercy Ministries

Your Heart Is a Muscle the Size of a Fist Aug 22 2020

Grief-stricken after his mother's death and three years of wandering the world, Victor is longing for a family and a sense of purpose. He believes

he's found both when he returns home to Seattle only to be swept up in a massive protest. With young, biracial Victor on one side of the barricades and his estranged father -- the white chief of police -- on the opposite, the day descends into chaos, capturing in its confusion the activists, police, bystanders, and citizens from all around the world who'd arrived that day brimming with hope. By the day's end, they have all committed acts they never thought possible. As heartbreaking as it is pulse-pounding, Yapa's virtuosic debut asks profound questions about the power of empathy in our hyper-connected modern

world, and the limits of compassion, all while exploring how far we must go for family, for justice, and for love.

As we rediscover the heart as the source of all our thoughts, fears, words, and actions, we

Please Scream Inside Your Heart Sep 15 2022 From the publisher of the NextDraft newsletter comes a cathartic and humorous ride through the unnerving, maddening hellscape of the 2020 press cycle, reestablishing the line between "real" news and real life. Please lower your shoulder restraint and keep your hands and feet in. You're about to

board a roller coaster ride through a year that was at once laughable and lethal. If you've got an anti-anxiety prescription, now would probably be a good time to call in a refill. Please Scream Inside Your Heart is a time capsule; a real-time ride through the maddening hell that was the 2020 news cycle—when historic turmoil and media mania stretched American sanity, democracy, and toilet paper. Who better to examine this unhinged period in all of its twists and turns than news addict Dave Pell, aka the internet's Managing Editor? Fueled by the wisdom and advice of his two Holocaust-surviving parents, for whom

parts of this story were all too familiar, Pell puts the key stories of 2020 into context with pith and punch; highlighting turning points that widened America's divisions, deepened our obsession with a media-driven civil war, and nearly knocked the country off its tracks. Pell also examines the role of technology in society—and how we somehow built the exact opposite of what we thought we were building. Why did the lies spread faster than the truth? How did our tech addiction contribute to the nightmare? Why do you feel a vibration in your pocket right now? In 2020, the news was everywhere, and everything was political—even the air we

breathed. So brace yourself as you're hurtled through the twists and turns of the corkscrewiest year in American history; one that included two impeachment trials, a global pandemic, Black Lives Matter, the biggest election of a lifetime, a slide towards autocracy, and a warning from the makers of Lysol not to drink their products.

Put Your Heart in Your Mouth May 23 2023 If you stop any person on the street and ask them what causes heart disease, you know what their answer will be: butter and eggs, meat and fat. This infamous Diet-Heart Hypothesis was proposed in 1953, and it took scientists all

over the world a few decades to prove it wrong. The trouble is that while science was beginning to cast doubt upon its basic tenets, the Diet-Heart Hypothesis was giving rise to a powerful and wealthy political and commercial machine with a vested interest in promoting it—by means of anti-fat and anti-cholesterol propaganda presented relentlessly and with increasing intensity. In this book Dr. Campbell-McBride tackles the subject of CHD (Coronary Heart Disease), caused by atherosclerosis, a disease of the arterial wall that leads to narrowing and obstruction of the arteries. She maintains that conventional medicine does not actually

know the cause of atherosclerosis or how to cure it, and explores in this book what it is, what causes it, and how to prevent and reverse it. She dispels the myth of the Diet-Heart Hypothesis, and explains that cholesterol is not the enemy but an integral and important part of our cell membranes.

Impossible. But to Kate's surprise, she turns out to be pretty good at the hosting gig. Then the podcast gets in a call from an anonymous guy, asking for advice about his unnamed crush. Setting Your Heart on Fire

Apr 22 2023 "To live in accord with love is to set your heart on fire. In the crucible of such an inferno all convention burns away. What's left is an entirely new kind of existence, one full of passion, presence, and infinite possibility." This book is a wake-up call from your own

heart. It is a roadmap to love--not the romantic, familial or platonic kind, but a love that most of us have rarely tasted. This love exists prior to and apart from any specific type of expression. It is a dynamic, primal force that connects us with the surrounding universe, and provides the key to our deepest and most lasting fulfillment if we can learn to tap into its awesome power. Raphael Cushnir's own experience has taught him that we often close ourselves to love--that life's challenges, losses, and disappointments can shut us down emotionally and physically, leaving us stagnant in our work and relationships, and feeling

empty and alone. Setting Your Heart on Fire presents his invigorating, step-by-step process for reopening and reawakening your heart and spirit, and for learning to use this ever-present love to blaze through any obstacle you may face. The Seven Invitations in this book will guide you through a courageous assessment of your choices, emotions, behaviors, and beliefs, revolutionizing your approach to stress and adversity, and revealing a brand new way of thinking and being. In accepting the Invitations, you will learn how to let go of harmful thoughts and heal deeply rooted emotional wounds. You will

begin to open yourself to love's creativity and wisdom, struggling less yet achieving more. You will discover how to infuse everyday experiences with a breathtaking sense of joy and wonder. And your relationships - with family, friends, co-workers and romantic partners - will become a vehicle for profound and thrilling change. Each Invitation provides practical, easy-to-grasp examples that allow you to put its teachings immediately into practice. Over time, you will learn to access love in even the most difficult situations, unlocking the door to a fearless, authentic life. When your heart is on fire, the whole world is transformed by

its light.

Stop Asking Jesus Into Your Heart May 31 2021 "If there

were a Guinness Book of World Records entry for ‘amount of times having prayed the sinner’s prayer,’ I’m pretty sure I’d be a top contender,” says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. “Lack of assurance” is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to

Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a

communication technique that makes this message teachable to a wide audience from teens to adults.

Strike Your Heart Mar 29 2021
This coming of age novel by the acclaimed Belgian author is “a disarmingly simple yet deeply complex study of a mother-daughter relationship” (The Washington Post). One of the Washington Post’s 50 Notable Works of fiction in 2018 Marie is the prettiest girl in her provincial high school, and dating the most popular boy in town. She is the envy of all her peers—and she loves it. But when she gives birth to Diane, things begin to change. Diane steals the hearts of all who meet her, inciting nothing but

jealousy in her mother. This is Diane's story. Young and brilliant, she grows up learning about life through her relationships with other women: her best friend, the sweet Élisabeth; her mentor, the selfish Olivia; her sister, the beloved Célia; and, of course, her mother. It is a story about the baser sentiments that often animate human relations: rivalry, jealousy, distrust. Revered throughout Europe, Belgian novelist Amélie Nothomb has won numerous prizes, including the French Academy's Grand Prix. In *Strike Your Heart*, she offers a telling adult fable about womanhood and the mother-daughter bond.

Now Is the Time to Open

Your Heart Nov 24 2020 The Pulitzer Prize-winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that becomes a passage

through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and

deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.

The Heart of Business Jun 12 2022
A Wall Street Journal Bestseller Named a Financial Times top title How to unleash "human magic" and achieve improbable results. Hubert

Joly, former CEO of Best Buy and orchestrator of the retailer's spectacular turnaround, unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business. Back in 2012, "Everyone thought we were going to die," says Joly. Eight years later, Best Buy was transformed as Joly and his team rebuilt the company into one of the nation's favorite employers, vastly increased customer satisfaction, and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of*

Business, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose, put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in

human magic. The Heart of Business is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.

Among the many works written about mindfulness, Listen to Your Heart is unique, presenting the concept as a means to an end: how to obtain tangible benefits in your life by utilizing mindfulness to make

consistently good decisions. Listen to Your Heart describes a mindfulness-based approach that will teach you to identify and let go of the types of thoughts that lead to anxiety and indecision. Each stage of this simple five-step process is thoroughly explained, with multiple practice exercises to enable you to develop these

techniques easily and quickly. It is greatly empowering to know and trust what you feel is right. The skills learned through this book go beyond making life simpler and less stressful; they help you to develop a sense of confidence, empowerment and accurate intuition.

[Healing Your Heart, by Changing Your Mind](#) Dec 26 2020 Have you ever felt that you were more sensitive than you wanted to be? Has anyone ever hurt your feelings, lied or broke a promise to you? Does the concept of "heart wounds" resonate with you on any level? Have you ever felt that

things just don't work out for you the way they seem to for most other people? Do you feel that life has burdened you with obstacles you can't overcome? Does this statement make sense to you? " You can't get better with the same mind that got you sick " We need new knowledge and new thoughts in order to be healed Imagine if you could learn how to eliminate things and thoughts that seemed to be blocking you from achieving a state of Happiness. Dr. Jeffrey Gurian shares in his book " Healing Your Heart, By Changing Your Mind- A Spiritual and Humorous Approach To Achieving Happiness" how he has learned

through his own personal experience and through many years of study, to overcome all of the above and more.

Burdened with a severe stutter well into his 20's and beyond, seemingly unable to be helped by therapy, combined with the often overwhelming confusion of A.D.D. and a bit of O.C.D. thrown into the mix, he was faced with having to deal with that burden for the rest of his life. His low self-esteem and low confidence level told him he would never have the things that other people had. He engaged in negative thinking. He felt he would never marry, have children, have a successful career or even something as simple as having

his own apartment. Being "Graced" with the knowledge that there was really nothing wrong with him, he worked on basically "taking his mind apart," and examining all of his thoughts to see which of his thoughts were not valid, so he could replace them with positive thoughts" that would work for him and not against him. He used this technique to heal himself and go on to achieve all the things he feared he would never have, along the way becoming a husband, father and homeowner. He also became a Cosmetic Dentist, a Clinical Prof. at a major New York university in the Oral Medicine/Oro-Facial Pain Department, a lecturer, a

comedy writer for famous stars, a comedian, an author, a radio and television personality, and a Healer. It's this journey and how he did it that he wants to share with you. The Spiritual approach, which is explained fully in the book, is that if something can work for one person it can work for every person because inherently we are all the same. We all have the same 46 chromosomes, the same brain and body parts and therefore are all capable of achieving great things in our lives. There is an abundance available in The Universe and we are all welcome to share in it. And being one of the only doctors with a longtime successful

career in comedy has given him a very unique perspective, allowing him to teach you how to be "silly" and incorporate humor into your life. Understanding things like "you can't change your past, the only thing you can change is your perspective of your past, ... thereby changing your future" is key to getting the most out of this book. In this book you will learn: -How to overcome the fear that's stopping you from accomplishing your goals. -How to release the 'heart wounds' that affect every decision you make. -How to create your own "Happiness Center." -How to examine your own thoughts to discover which ones are not

valid. -How to reprogram your mind and create positive thoughts through the use of affirmations. -How to incorporate ancient Spiritual wisdom into your life in order to stay centered through hard times. -How to change your cellular memory with "Verbalization" -How to stay connected to your "inner child" This book was written in hopes of helping each person who reads it learn to achieve a state of Happiness. It's out there waiting for all of us This book reached Best Seller status on Amazon on 3/27/18 in Popular Psychology and Medicine, with 65 reviews
[Your Heart Belongs to Me](#) Dec 18 2022 For one man, they are

the five most terrifying words of all . . . One year after the heart transplant that saved his life, thirty-five-year-old Ryan Perry has never felt better. He's getting back everything he nearly lost forever—his business, his his life, and, with luck, his beloved girlfriend. Miracles do happen. Then the unmarked gifts begin to arrive—a box of candy hearts, a heart pendant. Most disturbing of all is a graphic heart-surgery video and its chilling message: Your heart belongs to me. Ryan is being stalked by someone who feels entitled to everything he has. She's the spitting image of the twenty-six-year-old donor of the heart beating steadily in Ryan's own chest.

And she's come to take it back. **Unbinding Your Heart** Apr 17 2020 Unbinding Your Heart: 40 Days of Prayer & Faith Sharing is a brilliant book -- witty, engaging, and grounded in a four-year Lilly Endowment study.
