The Temperance Manual, of the American Temperance Society, for the Young Men of the United States (Classic Reprint) Jun 16 2020 Excerpt from The Temperance Manual, of the American Temperance Society, for the Young Men of the United States And though the facts and the reasonings are applied in many cases particularly to ardent spirit, and are addressed to the various classes of persons in the community; yet they may be applied to intoxicating, liq nor of; allsorts, in proportion to its intoxicating power, and are of great importance, especially to young men. It is earnestly desired, therefore, that every young man in the United States may be supplied with a copy of this Manual, and may become familiarly, and thoroughly acquainted with its contents. It is also desired, that every person, into whose hand it may come, will take special pains to give to it a universal circulation. And should all persons be led to abstain from the use, as a beverage, of that which intoxicates, their health, usefulness, and happiness would be greatly promoted, and drunkenness, with all its evils to the body and soul, would

universally, and for ever cease. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Emmanuel's Book Dec 03 2021 Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

A typical workplace consists of two teams: management and labor. Traditionally, the management delegates tasks and the labor follows simple instructions to complete those tasks. This was an incredibly efficient way to do business when people worked in factories and their jobs didn't require them to go above and beyond. The problem, however, is that these people were easily replaceable. And while you may not be working in a factory today, are you dispensable? What makes you different from every other employee willing to do your job? Well, today there is a third team in the workplace: the linchpins. These are the people who figure out what to do when there are no instructions to follow. They love their work, pour their best selves into it, challenge their peers, and turn each day into an art. The best part? You have what it takes to become a linchpin too - to become indispensable. As you read, you'll learn the steps you should take to become indispensable, how to discover your inner artist, and why genuine gift-giving is key to becoming indispensable.
