Opera in Seventeenth-Century Venice Feb 21 2021 "In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness."—Andrew Porter "This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general."—Lorenzo Bianconi

Il Guerriero del Cuore Jul 21 2023 Il Guerriero del Cuore è un manuale di

ispirazione alla Vita. Vengono descritte le qualità ed i sentimenti che accompagnano l'esistenza di colui che si sente un guerriero di fronte alla vita. Un guerriero, la cui unica legge è dettata dal suo cuore e dalle sue emozioni. Attraverso le sue pagine, imbevute di una straordinaria forza e a tratti poesia, il lettore viene invitato ad abbracciare se stesso e i suoi sogni attraverso l'incertezza e le sfide della vita, ispirandolo ad assaporarla fino in fondo ed a raggiungere il suo massimo potenziale. Ogni frase vuole ispirare e spingere il lettore a riconoscere ciò che di vero e di profondo c'è dentro se stesso, spingendolo alla conquista di ciò che veramente conta per lui. Fede, Amore, Talento e Immaginazione sono solo alcuni dei passi su cui deve passare colui che vuole diventare l'autore dell'avventura della sua vita. Attraverso ogni parola, il lettore diventerà un guerriero consapevole, volto alla realizzazione della propria visione ed il compimento del suo destino. Diventerà l'artefice consapevole della propria Vita.

The loneliness of the spider Jun 15 2020 The young Bruno Mulas is found dead in the street, a few meters from the apartment he shared with his friend Gavino. Several posts on Facebook seem to point to a suicide, but Gavino does not think so. Bruno's parents are bewildered, his friends seem to be entrenched in silence. The case becomes an obsession for the protagonist, the crime journalist Nereo Carta, who remains entangled in a network of relationships in which no one is what they seem. The story, structured as a mystery-noir, deals with themes and topics related to the cosmos of young people. Suicide, for example, to which the protagonist dedicates extensive reflections, as well as mental illness and existential distress because of the inability to find a

Illuminate the Future Jul 17 2020 "When Pope Francis decided to grant an audience to the Union of Superiors General of Male Religious Institutes at the end of their 82nd General Assembly (November 29, 2013), he had one thing clear: he did not want to make speeches and did not want to hear them. It was his intention to enter the dynamics of the discussion of the Generals, to have questions to reflect on and to answer. I was there to record the conversation and be able to tell it in writing. It was an experience that I would define as 'spring': the dialogue was truly such and the contents arose from the confrontation in a spontaneous, natural way, leaving in the present the sense of a true and consoling encounter. In this booklet, the reader will find the story of that conversation and the answers that the pope gave to the questions he was asked ."—Antonio Spadaro
