This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. Original music for solo piano. The first volume of this series has been composed as a study of music history. Composed by Franz Joseph Haydn, this collection of trios are written for Violin, Cello, and Piano. Written with busy music majors in mind, The Piano Proficiency Exam Review Book provides an easy-to-understand guide to the Piano Proficiency Exam. In eight review sections, authors and Peabody Institute alumni Lucy Mauro and Scott Beard provide an invaluable cache of tips, exercises, and practice exams. The sections address all aspects of piano performance for the non-piano music major: seating, arm, and hand positions; scales and arpeggios; cadences; vocal warmups; harmonization/transposition; score reading; and solo literature. While studying the book, students can expect to ask themselves, "Am I at the proper distance from the piano?" and, "Are my wrists level with the white keys?" among other gentle reminders that encourage mindfulness and positivity at the piano bench. Whether adapted for a school's exam requirements, private lessons, music therapy sessions, or general music classes, lessons and exercises in The Piano Proficiency Exam Review Book will make time spent at the piano an enjoyable experience. This historic reference

edition contains 9 works by Sergei Rachmaninoff for piano duet and piano trio. Titles: * Italian Polka (One Piano, Four Hands) * Six Duets, Op. 11 (One Piano, Four Hands) * Valse (One Piano, Six Hands) * Romance (One Piano, Six Hands) This book continues the overview of early pianos begun in Clinkscale's *Makers of the Piano 1700-1820* (OUP, 1993). Although a few of the biographies overlap, the majority of the makers are completely new.

Approximately 2,400 makers and manufacturers and about 2,200 pianos are listed. Of this total, about 645 are English, the majority of whom were active in London; more than 200 of the London makers have not been discussed in previous publications. This collection of twenty-six favorite sonatas for the piano is a must-have for any serious student or lover of classical music. Featuring works by Haydn, Beethoven, Lebert, and Mozart, this album is a comprehensive and varied survey of the sonata form, showcasing the genius of these great composers. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This is a story about a piano, pitifully abandoned in the woods, and a young boy, Kai, who grew up playing it as his favorite toy. Though Kai cannot even read sheet music, he desperately wanted to learn how to play Chopin. And according to the deal made with Ajino, who taught him how, Kai must now enter a piano competition. While Kai accepted the condition

lightheartedly, to his friend, Amamiya, it was a declaration of war. Sparks fly when their personalities and playing styles collide! (Violin Play-Along). The Violin Play-Along series will help you play your favorite songs quickly and easily. Just follow the music, listen to the demonstration tracks to hear how the violin should sound, and then play along using the separate backing tracks. The purchase price includes online access to audio for download or streaming. The online audio player, Playback+, allows you to slow down audio without changing pitch, set loop points, change keys, pan left or right, and more! This volume features 12 selections from the group's 2014 release: Ants Marching/Ode to Joy * Batman Evolution * Because of You * Don't You Worry Child * Father's Eyes * Home * How Great Thou Art/The Mission * Kung Fu Piano: Cello Ascends * Let It Go * Pictures at an Exhibition * Story of My Life * Summer Jam. During the late eighteenth century, a musical-cultural phenomenon swept the globe. The English square piano—invented in the early 1760s by an entrepreneurial German guitar maker in London—not only became an indispensable part of social life, but also inspired the creation of an expressive and scintillating repertoire. Square pianos reinforced music as life's counterpoint, and were played by royalty, by musicians of the highest calibre and by aspiring amateurs alike. On Sunday, 13 May 1787, a square piano departed from Portsmouth on board the Sirius, the flagship of the First Fleet, bound for Botany Bay. Who made the First Fleet piano, and when was it made? Who owned it? Who played it, and who listened? What music did the instrument sound out, and within what contexts was its voice heard? What became of the First Fleet piano after its arrival on antipodean soil, and who played a part in the instrument's subsequent history? Two extant instruments contend for the title 'First Fleet piano'; which of these made the epic journey to Botany Bay in 1787–88? The First Fleet Piano: A Musician's

View answers these questions, and provides tantalising glimpses of social and cultural life both in Georgian England and in the early colony at Sydney Cove. The First Fleet piano is placed within the musical and social contexts for which it was created, and narratives of the individuals whose lives have been touched by the instrument are woven together into an account of the First Fleet piano's conjunction with the forces of history. (Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's My First Piano Adventure, Lesson Book A. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students

will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of My First Piano Adventure. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. View Helpful Introductory Videos Here
