Texas Flood Apr 07 2022 An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of

Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. *Texas Flood* provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

Rearview Aug 23 2023 Autobiography of an executive producer of reality television shows.

Real Frank Zappa Book May 08 2022 Recounts the career of the rock music performer.

Queen Unseen - My Life with the Greatest Rock Band of the 20th Century: Revised and with Added Material Aug 31 2021 Imagine being alongside one of the greatest bands in the history of rock, touring the world and being there as they perform at some of the best and biggest music venues in the world. Peter Hince didn't have to imagine: for more than a decade, he lived a life that other people can only dream of as he worked with Queen as head of their road crew. In 1973, Queen was the support act for Mott the Hoople, for whom Peter was a roadie. Back then, Queen had to content themselves with being second on the bill and the world had not yet woken up to the flamboyant talent of Freddie Mercury. Peter started working full time for Queen just as they were making *A Night at the Opera*, the album which catapulted them to international stardom. In this intimate and affectionate book, Peter recalls the highlights of his years with the band. He was with Freddie when he composed 'Crazy Little Thing Called Love'; he was responsible for making sure that Freddie's stage performances went without

a hitch - and was often there to witness his famed tantrums! He was also party to the sex, drugs and rock 'n' roll which are invariably part of life on the road with a rock band.

Everybody Loves Our Town Nov 14 2022 A Time Magazine Best Book of 2011, Featuring Nirvana, Pearl Jam, Soundgarden, Alice In Chains, Mudhoney and more! Twenty years after the release of Nirvana's landmark album Nevermind comes Everybody Loves Our Town: An Oral History of Grunge, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released Deep Six, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. Everybody Loves Our Town captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of

making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

Cracking the Code Apr 19 2023

The Dirt Jul 10 2022 NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at *Rolling Stone* calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I

have ever read. It is completely compelling and utterly revolting."

The Universal Tone May 20 2023 The intimate and long-awaited autobiography of a legend. In 1967 in San Francisco, just a few weeks after the Summer of Love, a young Mexican guitarist took the stage at the Fillmore Auditorium and played a blistering solo that announced the arrival of a prodigious musical talent. Two years later -- after he played a historic set at Woodstock -- the world came to know the name Carlos Santana, his sensual and instantly recognizable guitar sound, and the legendary band that blended electric blues, psychedelic rock, Latin rhythms, and modern jazz, and that still bears his name. Carlos Santana's unforgettable memoir offers a page-turning tale of musical self-determination and inner self-discovery, with personal stories filled with colorful detail and life-affirming lessons. The Universal Tone traces his journey from his earliest days playing the strip bars in Tijuana while barely in his teens and brings to light the establishment of his signature guitar sound; his roles as husband, father, recording legend, and rock guitar star; his indebtedness to musical and spiritual influences -- from John Coltrane and John Lee Hooker to Miles Davis and Harry Belafonte; and his deep, lifelong dedication to a spiritual path that he developed from his Catholic upbringing, Eastern philosophies, and other mystical sources. It includes his recording some of the most popular and influential rock albums of all time, up to and beyond the 1999 sensation Supernatural, which garnered nine Grammy Awards and stands as arguably the most amazing career comeback in popular music history. It's a profoundly

inspiring tale of divine inspiration and musical fearlessness that does not balk at finding the humor in the world of high-flying fame, or at speaking plainly of Santana's personal revelations and the infinite possibility he sees in each person he meets. "Love is the light that is inside of all of us, everyone," he writes. "I salute the light that you are and that is inside your heart."

Cider With Roadies Jun 21 2023 *Cider with Roadies* is the true story of a boy's obsessive relationship with pop. A life lived through music from Stuart's audience with the Beatles (aged 3); his confessions as a pubescent prog rocker; a youthful gymnastic dalliance with northern soul; the radical effects of punk on his politics, homework and trouser dimensions; playing in crap bands and failing to impress girls; writing for the NME by accident; living the sex, drugs (chiefly lager in a plastic glass) and rock and roll lifestyle; discovering the tawdry truth behind the glamour and knowing when to ditch it all for what really matters. From Stuart's four minutes in a leisure centre with MC Hammer to four days in a small van with Napalm Death it's a life-affirming journey through the land where ordinary life and pop come together to make music.

Life in Double Time Aug 11 2022 Mike was member of a series of local groups before declaring himself ready to go out on the road. But lying low in southern Oklahoma didn't yield any big gigs, until suddenly, opportunity knocked. With no rehearsals and very little understanding of what he was getting himself into, he took off with what his mother called "a Negro band headed for parts unknown," a seasoned blues outfit from Chicago called Salt & Pepper. (The band's white

drummer had run off to Texas, and.

The Speed of Sound Apr 14 2020 The remarkable story of rising to the top of the music charts, a second act as a tech pioneer, and the sustaining power of creativity and art. Thomas Dolby's hit songs "She Blinded Me with Science" and "Hyperactive!" catapulted him to international fame in the early 80's. A pioneer of New Wave and Electronica, Thomas combined a love for invention with a passion for music, and the result was a new sound that defined an era of revolutionary music. But as record company politics overshadow the joy of performing, Thomas finds a surprising second act. Starting out in a rat-infested London bedsit, a teenage Thomas Dolby stacks boxes by day at the grocery and tinkers with a homemade synthesizer at night while catching the Police at a local dive bar, swinging by the pub to see the unknown Elvis Costello and starting the weekend with a Clash show at a small night club. London on the eve of the 1980s is a hotbed for music and culture, and a new sound is beginning to take shape, merging technology with the musical energy of punk rock. Thomas plays keyboards in other bands' shows, and with a bit of luck finds his own style, quickly establishing himself on the scene and recording break out hits that take radio, MTV and dance clubs by storm. The world is now his oyster, and sold out arenas, world tours, even a friendship with Michael Jackson become the fabric of his life. But as the record industry flounders and disillusionment sets in, Thomas turns his attention to Hollywood. Scoring films and computer games eventually leads him to Silicon Valley and a software startup that turns up the volume on the digital music revolution. His company

barely survives the dotcom bubble but finally even the mavericks at Apple, Microsoft, Netscape and Nokia see the light. By 2005, two-thirds of the world's mobile phones embed his Beatnik software. Life at the zenith of a tech empire proves to be just as full of big personalities, battling egos and roller-coaster success as his days spent at the top of the charts. **THE SPEED OF SOUND** is the story of an extraordinary man living an extraordinary life, a single-handed quest to make peace between art and the digital world.

Hollywood Drive Jul 18 2020 "Hollywood Drive: What it Takes to Break in, Hang in & Make it in the Entertainment Industry is the essential guide to starting and succeeding at a career in film and TV. Written by a Hollywood insider, Eve Honthaner's invaluable advice will give those attempting to enter and become successful in the entertainment industry the edge they need to stand out among the intense competition." "Hollywood Drive goes beyond what it takes to get you foot in the door by offering you the tools, attitude, philosophy and road map you'll need to give yourself a good fighting chance at success - whether you're looking for your very first job or for a strategy to move your career to the next level. This book will allow you to proceed with your eyes wide open, knowing exactly what to expect."

Meditation for Fidgety Skeptics Feb 22 2021 **THE NEW YORK TIMES BESTSELLER FROM THE AUTHOR OF 10% HAPPIER** Too busy to meditate? Can't turn off your brain? Curious about mindfulness but more comfortable in the gym? This book is for you. You'll also get access to guided audio meditations on the 10% Happier app, to

jumpstart your practice from day one. ABC News anchor Dan Harris used to think that meditation was for people who collect crystals, play Ultimate Frisbee, and use the word “namaste” without irony. After he had a panic attack on live television, he went on a strange and circuitous journey that ultimately led him to become one of meditation’s most vocal public proponents. Harris found that meditation made him more focused and less yanked around by his emotions. According to his wife, it also made him less annoying. Science suggests that the practice can lower your blood pressure, mitigate depression and anxiety, and literally rewire key parts of the brain. So what’s holding you back? In *Meditation for Fidgety Skeptics*, Harris and Jeff Warren, a masterful teacher and “Meditation MacGyver,” embark on a gonzo cross-country quest to tackle the myths, misconceptions, and self-deceptions that keep people from meditating. It is filled with game-changing and deeply practical meditation instructions—all of which are also available (for free) on the 10% Happier app. This book is a trip worth taking. Praise for *Meditation for Fidgety Skeptics* “If you’re intrigued by meditation but don’t know how to begin—or you’ve benefited from meditation in the past but need help to get started again—Dan Harris has written the book for you. Well researched, practical, and crammed with expert advice, it’s also an irreverent, hilarious page-turner.”—Gretchen Rubin, author of *The Happiness Project* “The ABC News anchor, a ‘defender of worrying’ who once had an anxiety attack on air, offers a hilarious and stirring account of his two-steps-forward-one-step-back campaign to sort ‘useless rumination’ from ‘constructive anguish’ via

mindfulness, along with invaluable suggestions for following in his footsteps.”—O: The Oprah Magazine

Searching for the Sound Mar 18 2023 The legendary bass player tells the full, true story of his years with Jerry Garcia and the Grateful Dead in this "insightful and entertaining" (Austin Chronicle) memoir of life in the greatest improvisational band in American history. In a book "as graceful and sublime as a box of rain" (New York Times Book Review), the beloved bassist tells the stories behind the songs, tours, and jams in the Grateful Dead's long, strange trip from the 1960s to the death of Jerry Garcia in 1995 and beyond. From Ken Kesey's "acid tests" to the Summer of Love to bestselling albums and worldwide tours, the Dead's story has never been told as honestly or as memorably as in this remarkable memoir. "A fun ride...Even for the most well-read Deadhead, there's enough between the covers to make *Searching for the Sound* worth a look." --Associated Press

Loud Jan 16 2023 'Douglas's story is a rock history time capsule and a journey of self-discovery all at once.'

ROLLING STONE What goes on tour stays on tour -- unless you're the the first woman roadie in the world At just fifteen, Tana Douglas ran away to the circus that was rock 'n' roll in the 1970s, taking a job with a young and upcoming band called AC/DC. While still a teenager she headed to the UK and later the US to work for a who's who of bands and artists. Life on the road was exhilarating, hard work, occasionally surreal but never dull, particularly when you're the only woman in the road crew and the #metoo movement is still 40 years away. Whether wrangling Iggy Pop across

Europe, climbing trusses while seven months pregnant, drinking shots of JD with Bon Scott backstage at Wembley, or donning a tailor-made suit to do lights for Elton at Windsor Castle, Tana did it all. Loud is rock 'n' roll like you've never seen it before, by a woman who not only survived the all-male world on the road but climbed to the top and lived to tell the tale. AC/DC * Deep Purple * ELO * Elton John * Ice Cube * Ice-T * Iggy Pop * INXS * Iron Maiden * Lenny Kravitz * Neil Diamond * Ozzy Osbourne * Patti Smith * Pearl Jam * Rage Against the Machine * Red Hot Chili Peppers * Santana * Status Quo * Suzi Quatro * The Offspring * The Police * The Runaways * The Who * Vanda & Young and more!

Big Girl in the Middle Oct 01 2021 The new superstars in sports are women, and pro beach volleyball player Gabrielle Reece is the hottest of them all. At six-foot-three, 170 pounds, Gabby Reece is at once beautiful and brutish, feminine and rowdy, accessible and intimidating--a woman who is exploding female stereotypes and redefining our image of the female athlete. "A young girl doesn't get many chances to exercise the character muscle via sports, whereas for young boys, it's part of their everyday lives. For girls, it's especially good for them to be forced to work as a team with other girls, to work together under every possible condition--winning, losing, tired, grumpy, happy. It forces them to deal with unpleasant, ungracious emotions and get over it. It forces girls to rely on each other. It gives them confidence in other girls, which ultimately gives them confidence in themselves." "Everything a woman does has an emotional component. Paying attention to my emotional side without

surrendering to it is one of the toughest parts of playing professional sports." "I don't like this 'Fear of Being Big' thing because it feeds into the general female thing of wanting to be less--less powerful, less assertive, less demanding, less opinionated, less present, less big." From the Trade Paperback edition.

Made From Scratch Oct 21 2020 * An Instant Wall Street Journal Bestseller * From founder Kent Taylor, the incredible made-from-scratch success story of Texas Roadhouse. In *Made From Scratch*, the late business maverick Kent Taylor tells the legendary story of Texas Roadhouse and in the process reveals its recipe for success: embracing unorthodox business practices. Because isn't it a little unusual for a company to do almost no advertising? Is it wild to give away free peanuts and rolls and keep prices low, even as costs rise, or to keep the menu basically the same since it opened? Does it fly in the face of reason to prohibit coats and ties at headquarters and to have a CEO who dressed like he was part of the landscaping crew? These business practices might be unconventional, but for Kent and Texas Roadhouse, they worked. What Kent and his Roadies cooked up is an island of misfits who are cool with being different. They love to have fun, but are serious about following meticulous recipes to serve up hand-cut steaks, fall-off-the-bone ribs, made-from-scratch sides, ice-cold beer, and irresistible fresh-baked bread. It's Legendary Food, Legendary Service, the Texas Roadhouse way. To show how this company became a staple of American dining and survived a once-in-a-lifetime pandemic, Kent took a trip back in time to offer the lessons learned from his

pathbreaking life, revealing how a distracted kid from Louisville, Kentucky, created anything worthwhile at all. Everything Sucks Nov 02 2021 When everything sucks, change everything . . . And that's exactly what Hannah Friedman set out to do in an ambitious attempt to bust out of a life of obscurity and absurdity and into an alternate world of glamour, wealth, and popularity. Being dubbed 'That Monkey Girl' by middle school bullies and being pulled out of sixth grade to live on a tour bus with her agoraphobic mother, her smelly little brother, and her father's hippie band mates convinces Hannah that she is destined for a life of freakdom. But when she enters one of the country's most prestigious boarding schools on scholarship, Hannah transforms herself into everything she is not: cool. By senior year, she has a perfect millionaire boyfriend, a perfect GPA, a perfect designer wardrobe, and is part of the most popular clique in school, but somehow everything begins to suck far worse than when she first started. Her newfound costly drug habit, eating disorder, identity crisis, and Queen-Bee attitude lead to the unraveling of Hannah's very unusual life. Putting her life back together will take more than a few clicks of her heels, or the perfect fit of a glass slipper, in this not-so-fairy tale of going from rock bottom to head of the class and back again.

S.t.p. Oct 13 2022 "One of the greatest rock books ever written." -- GQ Thirty years ago, the Rolling Stones swept America, taking Exile on Main Street to Main Streets across the nation. Everyone held their breath to see what would happen; the Stones' previous U.S. tour had been a chaotic circus culminating in the infamous death of a fan at

Altamont. And this tour (the "Stones Touring Party") was rumored to be wilder than ever: bigger shows in major arenas, with a far larger entourage and even more drugs. Robert Greenfield went along for the ride, and came away with a riveting insider's account, called by Ian Rankin "one of the greatest rock books ever written." The reality lived up to the rumor: take one part Lee Radziwill, a dash of Truman Capote, set the scene at Hef's Playboy mansion, and toss in the county jail for good measure. That was the Stones Touring Party, the ultimate rock 'n' roll band at the height of its spectacular depravity.

Roadie Sep 12 2022 A tale of sex, drugs, and rock'n'roll. Friendship and betrayal. Journey and redemption. Inspired by the true story of Rolling Stones founding member Ian Stewart, who was fired by the group's first manager because he didn't look like a rock star, Roadie vividly captures all the trials, tribulations, and rites of passage musicians go through as they climb the ladder of success. In the process, all the cruel realities of life in the fast lane are revealed, along with an international maelstrom of intrigue that ranges from the glitz of LA to the seedy underbelly of Amsterdam, and from the slopes of St. Moritz to the forbidding Scottish Highlands.

Deal Feb 05 2022 Published to coincide with the band's 50th anniversary, a memoir by one of the Grateful Dead's founding members shares insights into their improvisational style, their survival of shared and personal tragedies and their collaborations with a wide range of fellow artists.

Illustrations.

Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys. Dec 23 2020 A feminist musician icon, Viv Albertine

reveals the rocking, uncompromising story of her life on the front lines at the birth of the British punk movement and beyond in this exciting, humorous, and inspiring memoir. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years Viv Albertine is a pioneer. As lead guitarist and songwriter for the seminal band The Slits, she influenced a future generation of artists including Kurt Cobain and Carrie Brownstein. She formed a band with Sid Vicious and was there the night he met Nancy Spungeon. She tempted Johnny Thunders...toured America with the Clash...dated Mick Jones...and inspired the classic Clash anthem "Train in Vain." But Albertine was no mere muse. In *Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.*, Albertine delivers a unique and unfiltered look at a traditionally male-dominated scene. Her story is so much more than a music memoir. Albertine's narrative is nothing less than a fierce correspondence from a life on the fringes of culture. The author recalls rebelling from conformity and patriarchal society ever since her days as an adolescent girl in the same London suburb of Muswell Hill where the Kinks formed. With brash honesty—and an unforgiving memory—Albertine writes of immersing herself into punk culture among the likes of the Sex Pistols and the Buzzcocks. Of her devastation when the Slits broke up and her reinvention as a director and screenwriter. Or abortion, marriage, motherhood, and surviving cancer. Navigating infidelity and negotiating divorce. And launching her comeback as a solo artist with her debut album, *The Vermilion Border*. *Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.* is a raw chronicle of music,

fashion, love, sex, feminism, and more that connects the early days of punk to the Riot Grrl movement and beyond. But even more profoundly, Viv Albertine's remarkable memoir is the story of an empowered woman staying true to herself and making it on her own in the modern world.

A Natural Woman Apr 26 2021 NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty." -Rolling Stone The incredible life that inspired the hit Broadway musical Beautiful Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A NATURAL WOMAN chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances.

Will You Miss Me When I'm Gone? Jan 04 2022 The first major biography of the Carter Family, the musical pioneers who almost single-handedly created the sounds and traditions that grew into modern folk, country, and bluegrass music. Meticulously researched and lovingly written, it is a look at a world and a culture that, rather than passing, has continued to exist in the music that is the legacy of the Carters—songs that have shaped and influenced generations of artists who have followed them. Brilliant in insight and execution, Will

You Miss Me When I'm Gone? is also an in-depth study of A.P., Sara, and Maybelle Carter, and their bittersweet story of love and fulfillment, sadness and loss. The result is more than just a biography of a family; it is also a journey into another time, almost another world, and theirs is a story that resonates today and lives on in the timeless music they created.

Things Your Mother Never Told You May 16 2020 We all know that girls love boys who love girls, and then they turn into women who love men who love women. And no matter how much one would like to clutter their life with work or distract themselves with friends or treks or travels, at the end of the day it is the matters of the heart that take control of our deeper senses. Forget algebra. Love can be the hardest, most complicated thing on earth. This is a book about growing up, of learning and un-learning, losing and receiving, crying and smiling, but most of all—loving. From the first awkward teenage days to discovering boys to falling in love and getting your heart broken, Juhi Pande tells you the *Things Your Mother Never Told You About Love*. Guaranteed to lift the spirit and add a spring in your step, this book tells us everything us girls need to know to get us through the rough seas.

Life of a Roadie Jul 22 2023 In all of Rock 'n Roll, it was the least of all cool jobs, but everyone who did it, wanted no other job: Roadie. No show ended or started without them; they were there hours before and hours after a concert. It paid minimum wage with no benefits. But if you toured with the right group, you were dead in the middle of history. Few Roadies write their history, their personal stories, their pain

and joy. But in Ronnie Rush's book, we see a slice of Rock history that does not try to bridge all of rock 'n roll music; the words place a small stone in the foundation of the growth of one group's life and travels. (Ross du Clair, Chief Engineer, Clear Channel Radio, Sacramento, CA) I've been to hell and back and shook hands with the devil, and I'm still walking tall without the smell of smoke upon me. -Ronnie Rush This book is about my experiences in the music business, starting from when I was a roadie with all the experiences I had with the artists I worked for and continuing through my times in radio until my retirement. The title, *Life of a Roadie: the Gypsy in Me*, describes how it was that early on, even while growing up, I had a gypsy-like personality that gave me the capacity to travel the United States. *Life of a Roadie* also tells about how I grew up and who I am, the history and personality that drove me to be able to handle the road and the success I experienced. I'll be taking the reader on a true-life journey that was mostly brought on by luck, circumstance, experience, and personal drive to succeed. There are three things I have always told people when I was approached and asked for advice while I was in the music business: Never give up, never give up, never give up!

Groupies May 28 2021 "What a thrill it is to read Sarah Priscus' 70s rock, California-dreaming *Groupies*. This shimmering debut is packed with tenderness and awe against a backdrop of drugs, sex, rock stars, and high drama. Faun is a lovable, believable, and wonderfully drawn character who will remain in my heart and mind for a very, very long time." — Jessica Anya Blau, author of *Mary Jane* In a debut perfect for fans of *Daisy Jones & The Six*, *Mary Jane*, and *The Final*

Revival of Opal & Nev, Sarah Priscus shines a bright light on the grungy yet glittery world of 1970s rock 'n' roll and the women – the groupies – who unapologetically love too much in a world that doesn't love them back. It's 1977, and Faun Novak is in love with rock 'n' roll. After her mother's death, Faun, a naïve college dropout, grabs her Polaroid and hops a Greyhound to Los Angeles. In the City of Angels, she reconnects with her charismatic childhood friend Josie, now an up-and-coming model and muse. To make their reunion even sweeter, Josie is now dating Cal Holiday, the frontman of the superstar rock band Holiday Sun, and Faun is positively mesmerized. Except it's not just the band she can't get enough of. It's also the proud groupies who support them in myriad ways. Among the groupies are: a doting high school girl at war with her mother; a drug-dealing wife and new mom who longs to be a star herself; and a cynical mover-and-shaker with a soft spot for Holiday Sun's bassist. Faun obsessively photographs every aspect of this dazzling new world, struggling to balance her artistic ambitions with the band's expectations. As her confidence grows for the first time in her life, her priorities shift. She becomes reckless with friendship, romance, her ethics, and her bank account. But just as everything is going great and her boring, old life is falling away, Faun realizes just how blind she has been to the darkest corners of this glamorous musical dreamland as the summer heats up and everything spirals out of control . . . Equal parts an evocative coming-of-age and a cutting look at fame, desire, and the media, *Groupies* is a novel that will have you turning the pages until the music- and drug-fueled end.

Roadies Jun 16 2020 This is your backstage pass to the hidden side of the music industry - the tantrums, the fights, the tensions, the indulgence, the sex, the alcohol, the drugs. The roadies see it all, and now they are sharing their secrets. Roadies are the unsung heroes of the Australian music industry. They unload the PAs and equipment, they set it all up, they make sure everything is running smoothly before, during and after the gigs. Then they pack everything up in the middle of the night, put it in the back of the truck and hit the road to another town - to do it all over again. They know everything about the pre- and post-show excesses. They bear witness to overdoses, the groupies, the obsessive fans. They are part of - and often organise - all the craziness that goes on behind the scenes of the concerts and pub gigs you go to. From The Rolling Stones to AC/DC, Bob Marley to Courtney Love, Sherbet to The Ted Mulry Gang, INXS to Blondie - the roadies have seen it all. And now they're stepping onto the stage and talking. The Roadies' Creed: If it's wet, drink it. If it's dry, smoke it. If it moves, **** it. If it doesn't move, throw it in the back of the truck. 'Fabulous . . . a bold portrait' SYDNEY MORNING HERALD on Stuart Coupe's GUDINSKI

Bradley Wiggins: My Time Jul 30 2021 On 22 July 2012

Bradley Wiggins made history as the first British cyclist to win the Tour de France. Ten days later at the London Olympic Games he won gold in the time trial to become his country's most decorated Olympian. In an instant 'Wiggo', the kid from Kilburn, was a national hero. Outspoken, honest, intelligent and fearless, Wiggins has been hailed as the people's champion. From his lowest ebb following a

catastrophic attempt to conquer the 2012 Tour and the loss of his granddad who had raised him as a boy, *My Time* tells the story of his remarkable journey to win the world's toughest race. INCLUDES A BRAND NEW CHAPTER

SHORTLISTED FOR THE BRITISH SPORTS BOOK AWARD FOR BEST AUTOBIOGRAPHY

Sex, Drugs, Ratt & Roll Mar 06 2022 A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

Shah Rukh Can: The Story of the Man and Star Called Shah Rukh Khan Aug 19 2020 This book is the best

window into Shah Rukh Khan's inner world and soul.

Mushtaq, being a friend of the family, is the best artist for this family portrait portrayal. If Shah Rukh Khan has been known for his non-stop talk then writer Mushtaq Sheikh too doesn't appear far behind when it comes to translating his thoughts into words. He writes, and writes and then further writes about Shah Rukh, something that makes one feel that more than a friend and a colleague, Mushtaq looks at Shah Rukh as a hero. Someone who is not just his hero but also an entire country's - correction, entire world's hero! It is this very 'fan factor' that makes 'Shah Rukh Can' a read that seems to be coming straight from an admirer's heart. What makes this book special is that a lot of the material (words and pictures) is stuff that we haven't seen before. There are some things even Google's search algorithms cannot find. But Mushtaq Sheikh can. From a book that claims to talk about 'The Life and Times of Shah Rukh Khan', the least you expect is some trivia from the actor's life, both personal and

professional, about which not much has been written about in the past. The kind which makes you wonder if something like that had really happened in the actor's life. Thankfully, Mushtaq extracts quite some trivia out of the actor's life. So you get to know how Shah Rukh was offered the role of Anil Kapoor's car driver in 1942 - A Love Story, which he rejected (of course!). Eventually Raghuvir Yadav did that role. Or how Shah Rukh completely surrendered to the director's vision and withdrew himself when he couldn't follow the trajectory of Subhash Ghai's Pardes. It's a different matter though that Shah Rukh was appreciated for his performance in the film but so was he in Karan Arjun too, which by the way he dared not watch over the years because he didn't connect with the role. There are number of such little instances that make 'Shah Rukh Can' an interesting read. But is it just about the actor and the trivia around his life? Not at all. One of the unexplored facets of Shah Rukh that is covered in the book in extensive detail is his views around acting v/s performances. This book is the best window into Shah Rukh Khan's inner world and soul. Mushtaq, being a friend of the family, is the best artist for this family portrait. It's almost like having Shah Rukh Khan over for coffee. - Karan JoharCompelling. A story you need to read if you feel the need to be inspired. - TabuThis book catches Shah Rukh Khan in his personal and professional space with versatile ease. - Subhash GhaiA book that I could not keep down. Worthy of many reads - Farah KhanIt's not a book it unfolds like a movie. - Ashutosh GowarikerIt's a beautifully crafted book. It's very difficult to catch the radiance of a man and star like Shah Rukh Khan. Mushtaq

Shiekh not only manages it but also shocks you by adding further value. - Santosh Sivan
When a writer of the calibre of Mushtaq is writing a book about me, then I presume the book I am writing can wait. - Shah Rukh Khan

My Life with Deth Dec 15 2022 One of the hardest headbangers of heavy metal shares his uplifting and empowering memoir about overcoming addiction and discovering a life of faith. In *My Life with Deth*, cofounder and bassist of Megadeth David Ellefson reveals the behind-the-scenes details of life in one of the world's most popular heavy metal bands. If you're looking for eye-opening revelations, they're here, including the drug habits that brought the band members to their knees. But *My Life with Deth* is far more than just another memoir of debauchery. Ellefson also shares the story of his faith journey, which began when he decided his only choice for survival was to get free from his addiction. Whether religious or not, you'll be enthralled and inspired by this tell-all book on discovering meaning in a life of rock and roll. You'll find insightful comments from some of the biggest names in heavy metal, along with universal life lessons. With a delicate balance between humor and earnestness, anyone "can appreciate Ellefson's unpretentious tone and the delightful irony of a serious Christian who helped define seriously heavy metal music" (Publisher's Weekly).

No Saints, No Saviors Nov 21 2020 Willie Perkins left the staid, conservative world of commercial bank auditing to jump headlong into the burgeoning beginnings of The Allman Brothers Band and follows their meteoric and sometimes tragic rise, fall, and revival. Perkins's interest in

the business of music and his association with an interesting pair of friends led him to the opportunity to go to work with the Allmans at the earliest stage of their career. For the first time we learn from a true insider what it was like to live the nomadic life on the road with the Allmans from their earliest low buck club tours through the triumphant million dollar months of outdoor stadium dates in the mid-seventies. Perkins vividly describes living in the band's "Big House," and what it was like to room on the road with the legendary Duane Allman and what a truly amazing person he was. The author tells of all the band and crew members, and shares how they all dealt with the bumpy road to rock stardom. The fast life of touring, performing, and recording, with its huge rewards and triumphs is seen with literary clarity in these pages. Perkins's memory of the sorrow and grief suffered from the untimely deaths of Duane Allman and Berry Oakley is paralleled by the band's dogged determination not to give up. The reader is not spared the details of the destructiveness of drug and alcohol abuse, and will learn the true facts behind the drug trial of John "Scooter" Herring. Read how the band and its crew dealt with family life, girlfriends, and groupies. Also, you will learn about the making of the legendary "Live At Fillmore East" album, the band's generous charitable contributions, and their relationship with Jimmy Carter. No book on The Allman Brothers band would be complete without an account of Gregg Allman's solo comeback of the eighties and the twentieth anniversary reunion tour of The Allman Brothers Band. "No Saints, No Saviors" is a story of triumphs and heartbreaks, but ultimately it is a story about how the music of The Allman

Brothers Band, indeed, may well live forever.

The Stone Roses Jan 24 2021 The Stone Roses captures the magic—and chaos—behind the UK band's rise, fall, and recent resurrection. The iconic Brit pop band The Stone Roses became an overnight sensation when their 1989 eponymous album went double platinum. It was a recording that is still often listed as one of the best albums ever made. Its chiming guitar riffs, anthemic melodies, and Smiths-like pop sensibility elevated The Stone Roses to a cult-like status in the UK and put them on the map in the U.S. But theirs is a story of unfulfilled success: their star imploded as their sophomore effort took years to complete and the band broke up acrimoniously in 1996. Sixteen years later, they reunited and have been playing sold out gigs, thrilling fans around the globe, and working on new material. In 2013, they nabbed the coveted headline spot at the Coachella Festival. With one hundred interviews of key figures, forty rare photographs, and exclusive insider material including how they created their music, *The Stone Roses* charts the band's rise from the backwaters of Manchester to becoming the stars of the "Madchester" scene to their successful comeback years later. Going beyond the myths to depict a band that defined Brit pop, Simon Spence illustrates their incandescent talent and jaw-dropping success while contextualizing them in the 90s music scene. This is the definitive story of The Stone Roses.

The Camper Book Sep 19 2020 The Camper Book will captivate all those who dream of waving good-bye to the rat race from the window of their own moveable home, be it a camper, RV, travel trailer, camper van, or tiny camper. Not just for placid retirees anymore, camper culture has sprung

up among simplicity-seeking millennials, retro-loving "glampers," sports and movie stars, aging hippies, contract workers, "road-schoolers," and others. Award-winning journalist Dave Hoekstra hit the road in his own custom camper van, named Bluebird, to explore the history, culture, subcultures, and future of camper life. Traveling and talking his way through US campsites, RV parks, landmarks, and communities, Hoekstra draws out revealing stories from all walks of life—from Americans who are downsizing material goods while upsizing spiritual pursuits to RV enthusiasts such as Grammy-winning singer-songwriter John Prine and Chicago Cubs manager Joe Maddon. A modern-day Studs Terkel, Hoekstra provides a delightful mix of oral history, in-depth reporting, and practical information, while photographer Jon Sall's beautiful color photographs illuminate the unique people, places, and rigs that typify camper life.

On The Road With The Ramones Dec 03 2021 The Ramones' music has influenced nearly every power pop, punk, alternative, and metal band. Monte A. Melnick served as The Ramones tour manager from their early New York club days in the '70s to their farewell gigs in 1996. He was the fifth Ramone and was there through the arrests, the ODs the fights, the break-ups, the make-ups, the girlfriends, the hotels and the binges. Filled with memorabilia including photographs and interviews collected along the way, this is his view of life on the road with the band as "babysitter to psychiatrist, booking agent to travel agent, paymaster to van driver."

One Way Out Feb 17 2023 A major portrait of the

legendary American rock-and-roll band draws on exclusive interviews to track their career from 1969 to the present and is complemented by previously unpublished photographs and memorabilia. 100,000 first printing.

Stealing All Transmissions Jun 28 2021 Stealing All Transmissions is a love story. It's the story of how The Clash fell in love with America, and how America loved them back. The romance began in full in 1977, when select rock journalists and deejays aided the band's quest to depose the rock of indolence that dominated American airwaves. This history situates The Clash amid the cultural skirmishes of the 1970s and culminates with their September 1979 performance at the Palladium in New York City. This concert was broadcast live on WNEW, and it concluded with Paul Simonon treating his Fender bass like a woodcutter's ax. This performance produced one of the most exhilarating Clash bootleg recordings, and the photo of Simonon's outburst which graced the cover of the *London Calling* LP was recently deemed the greatest rock'n'roll photograph of all time. That night marked one of the last opportunities for American audiences to see The Clash as a punk band, teetering between conviction and uncertainty, before they became a seriously brilliant rock group. *Stealing* represents a distinctive take on the history of punk, for no other book gives proper attention to the forces of free-form radio, long-form rock journalism, or Clash bootleg recordings, many of which are now widely available on the web. This story, which takes its title from the 1981 single "Radio Clash," includes original interviews with key figures from the New York punk scene. This secret history concludes with an

analysis of how we listen to music today and its impact on the written word.

John Mar 26 2021 Cynthia and John Lennon's relationship spanned ten crucial years of the Beatles phenomenon. But as well as new insight into the Beatles years, Cynthia has a compelling personal story of marriage, motherhood and the man who was to become the most idolised and admired of all the Beatles. Cynthia is candid about the cruel and the loving sides of John. She tells of the end of their marriage and the beginning of his relationship with Yoko Ono in more detail than ever before, and reveals the many difficulties estrangement from John - and then his death - brought for herself and Julian. Cynthia is a remarkable survivor and this is her extraordinary story and unique insight into a man loved and idolised all over the world.
