Investigative reporter Peter Michaels takes a fresh look at one of Chicago's most heinous crimes of the past century: the brutal rape and murder of an attractive, young female medical student. Four men were originally caught, tried, convicted and sentenced to life in prison, but was the crime really solved? Are the real killers in jail or roaming the streets? It is a crime that still haunts the city and those who worked to bring justice to the victim and her family. Quests are overrated All his life, Prince Rupert thrilled in the glorious exploits of his royal ancestors. Finally embarking on his own heroic journey, Rupert realizes there's a lot the minstrels leave out of their songs. On the hunt for a mythical dragon, besieged by demons, and navigating the cursed Darkwood with a smart-mouthed unicorn, Rupert is becoming somewhat disenchanted with legends. But even if he succeeds, peril awaits, because the king never intended for

his spare heir to return from this fool's errand. Now, with the help of a few unusual allies, Rupert must make up the story as he goes--outmaneuvering assassins, thwarting the voracious spread of the Darkwood, and grappling with rumors of a powerful evil's return. Rupert may not be the hero Forest Kingdom wanted, but at this rate, he's the only one they're going to get. New York Times bestselling author Simon R. Green's trademark wit and genre-twisting narrative sparkles in *Blue Moon Rising*, the first book of *The Forest Kingdom* series. A Peter Brannigan novella Set in the same world as the Ava Delaney series Peter Brannigan had forgotten it was Halloween until he noticed the zombie shuffling down his street. Before Peter met Ava, before Aiden became a consultant to the Council, unlikely allegiances were formed. Their world has always been full of magic and darkness, but zombie attacks are out of even the Council's league. Investigating the appearance of a zombie in his neighbourhood, Peter teams up with Aiden to find the perpetrator of black magic that few in Ireland understand, but he ends up facing choices that force him to question his own humanity. Keywords: Halloween, horror, zombie, voodoo Peter Collins and Rosa Guzman, having passed their first round of tests in ancient Mexico, are again summoned by the Plumed Serpent who flies them back in time to the first morning of the world. There, the sixth graders witness the origins of human sacrifice as gods throw themselves into the sluggish sun that refuses to rise despite receiving divine fuel. Finally, Quetzalcoatl, the Serpent, blows a hurricane-force wind that lifts the sun and whisks the children to Tollan Two in tenth century Mexico.

They meet the young king, Topiltzin, who has banned human sacrifice in Tollan. But his neighbors, the Chiminec, worship Smoking Mirror who demands mass human sacrifice as the price for military victories. The Chiminec declare war on Tollan. Topiltzin proposes an alternative to war. He challenges his neighbor to the sacred ball game which re-enacts the drama of the rising of the Fifth Sun. The winner is to be given complete power over the loser. All members of the losing team will be put to death. Tollan's team includes Topiltzin, three of his finest warriors, and Peter, who volunteers despite Rosa's protests. The outcome of the game produces profound changes in Mexico as well as in the lives of Peter and Rosa. From the Upper Room of Pentecost to Azusa Street in Los Angeles, God has used prayer movements throughout history to change the world. Over fifteen years ago, a group of students gathered for a prayer vigil in Chichester, England—and the prayers they started haven't stopped. Out of that first meeting came 24-7 Prayer: an international movement of prayer, mission, and justice that has reached Chinese underground churches, Indian slums, Papua New Guinea jungles, ancient English cathedrals, and even a brewery in Missouri. Red Moon Rising is the story of how that movement continues today—and how each of us can be a part of the miracles God is doing through a new generation. Written by Peter Moon and Radu Cinamar, a highly placed Romanian intelligence operative, this book heralds the most remarkable archaeological find in the annals of Mankind. Unbeknownst to most, there is an ancient sphinx located in the Bucegi Mountains of Romania. In 2003, the Pentagon

discovered, through the use of satellite technology, an anomaly beneath this ancient sphinx. Through the highest levels of Freemasonry, the Pentagon was able to secure an alliance with the most secret department of the Romanian Intelligence Service which is known as Department Zero. Together, the Romanians and the Americans utilised the Pentagon's secret technology to penetrate a hidden chamber beneath the sphinx which was otherwise inaccessible to humans. What was discovered eventually was a holographic Hall of Records left by an advanced civilisation near three mysterious tunnels leading into the Inner Earth. The book chronicles the discovery of these modern day artefacts which represent the dawn of a new era for Mankind. Peter Moon is brought into the fold through his friend, Dr David Anderson, the mysterious scientist who founded the Time Travel Research Center on Long Island and also maintains a similar facility in Romania. Recognising that such satellite technology would have utilised Dr Anderson's proprietary space-time technology for maintaining satellites in orbit, Peter Moon pursues these matters further and accepts Dr Anderson's invitation to Romania where he visits the Romanian Sphinx and learns of a mysterious association between the mysterious time travel scientist and Radu Cinamar. When Peter Brannigan sold his house, he thought he was done with the bad memories of his past. But as Halloween rolls around, he's faced with being sued over the fact the house is now haunted. Determined to deal with the problem before he's forced to go bankrupt, Peter enlists the help of a reluctant medium and a Catholic priest. But as the violence and

danger grow, it soon becomes clear that the problem could be bigger than a disgruntled spirit... and the solution the one person Peter can't afford to risk. The discovery of ancient pyramids at Montauk Point and the mysterious Pharaoh family of Montauk leads to the further discovery of a quantum relic which opens the door to these mysteries and many more, including an ancient blue race of people, the forerunners of the Pharaohs, who descended from the star Sirius and possessed the biological truth behind the Virgin Birth. The occult biology of this is revealed along with many mysteries which launches a new era once prophesied by Native Elders as the Second Coming of the Pharaohs, said to signal the return of ancient wisdom, universal brotherhood and healing. Being only half-vampyre in a high school like Danny Gray's makes you a whole loser. But Danny manages to escape the worst of the hounding thanks to genetic treatments that mask his werewolf side. So far, he's been able to live the privileged life of a vampyre. Vamps are society's elite, while wulves like Danny's father are less than second-class citizens. During the full moon they become inmates, forced to undergo their Change in dangerous government compounds. But Danny never had to worry about any of that. Until now. Lately, every time there's a full moon, he's been getting weird symptoms: keen night vision, skull-splitting headaches, and increased strength. Now his new girlfriend, a human named Juliet, is wondering what's wrong with him. She's asking questions... questions he can't answer. If his fears turn out to be true, everything in Danny's life could be destroyed. Is there any way he can get through the next full moon

without everyone finding out what he really is? Set in a paranormal world not too far from our own, Peter Moore crafts an unforgettable coming-of-age story that will raise readers' hackles. A Peter Brannigan novella Set in the same world as the Ava Delaney series Peter Brannigan had forgotten it was Halloween until he noticed the zombie shuffling down his street. Before Peter met Ava, before Aiden became a consultant to the Council, unlikely allegiances were formed. Their world has always been full of magic and darkness, but zombie attacks are out of even the Council's league. Investigating the appearance of a zombie in his neighbourhood, Peter teams up with Aiden to find the perpetrator of black magic that few in Ireland understand, but he ends up facing choices that force him to question his own humanity. This book is a masterpiece of fantasy artwork and writing and comprised of a number of tantalizing nordic fairytales written by Asbjornsen in the early 19th century. They just don't make storybooks like this anymore, and could easily be appreciated by young readers and adults alike. The work is illustrated with forty six stunning images produced by the brilliant Kay Nielsen, and some of his life's best work can be seen in this book, now available in convenient epub3 format for view on your smartphone, tablet or computer. Nielsen dedicated years into turning these old wives tales and stories of old into an amazing visual journey. Children these days don't get to see sensational pieces of writing and illustration like this, however, back in its day, this book would have been the worlds greatest achievement in illustrated childrens' fantasy. The stories in this book contain heroic journeys, the

grotesque and the supernatural, and for those reasons, adults can also enjoy going through this amazing piece of literature. Resurrected from antiquity, the stunning 'East of the Sun and West of the Moon' is now conveniently available for you to read on your device. Devin Marshall is alone and on the run from a coven of dark witches. New to the world of magic, Devin tries his best to outrun and outlast the coven he once swore loyalty to in order to save his soul. In a last ditch attempt at freedom he discovers help where he least expects it, but also manages to upset a pack of deadly werewolves along the way. Two supernatural cultures clash as Devin discovers hidden secrets about his past in an all or nothing attempt at survival. Coven of Wolves takes readers around the globe and back into time as a new universe of hidden societies, powerful witches, and sinister creatures dominate the landscape in their fight for control of an unsuspecting world. Brad Baron is used to looking lame compared to his older brother, Blake. Though Brad's basically a genius, Blake is a superhero in the elite Justice Force. And Brad doesn't measure up at his high school, either, where powers like super-strength and flying are the norm. So when Brad makes friends who are more into political action than weight lifting, he's happy to join a new crew-especially since it means spending more time with Layla, a girl who may or may not have a totally illegal, totally secret super-power. And with her help, Brad begins to hone a dangerous new power of his own. But when they're pulled into a web of nefarious criminals, high-stakes battles, and startling family secrets, Brad must choose which side he's on. And once he

does, there's no turning back. Perfect for fans of The Avengers, Ironman, and classic comic books, V is for Villain reveals that it's good to be bad. Praise for RED MOON RISING: 2011 Nominee for YALSA Teens' Top Ten pick "The details are imaginative and believable, as are the social interactions at school and in Danny's home. This is a nifty book to pair with discussions about race and class, and a few direct references to Nazis also make it potentially useful for history connections." -Booklist "Moore tackles important issues such as self-esteem, prejudice/discrimination, loyalty, and acceptance, all woven into a teen paranormal adventure drama Fans of the genre will enjoy this different spin on the supernatural." -School Library Journal "Moore ably keeps this novel from becoming simply social commentary by allowing Danny, a kid far more concerned with his new love, his future, and his newly found wulf strength than what he might represent in larger society, to narrate his own transformative experience." -The Bulletin of the Center for Children's Books

How does the apocalypse actually begin? What will cause the creator of the universe to intervene in the affairs of humanity, affecting mankind globally, decisively, and unmistakably? For the secular world today, the possibility of divine intervention is either ignored or mocked, yet the book of Revelation predicts that a global cataclysm will occur. Red moon rising offers a challenge both to prophecy skeptics outside the church and to prophecy scholars within the church with its systematic and sensible chronological model of prophetic events, from the birth pangs of the apocalypse, to the brief triumph of the antichrist, to the final destruction of the

beast's kingdom and the second coming of Jesus Christ. Discover the many faces of the Moon Knight! Mercenary. Werewolf-hunter. Super hero. Millionaire playboy. Cab driver. Ghost? Moon Knight is many things to many people, with the multiple personalities to match! Follow the Fist of Khonshu as he battles to find his place in the Marvel Universe in this collection of his earliest appearances. From his startling debut as a nemesis of Werewolf by Night to an unlikely stint with the Defenders, from encounters with Spider-Man and the Thing to the solo adventures that shaped a legend. Relive the rise of the moon's specter of vengeance! Collecting: Werewolf By Night (1972) 32-33; Marvel Spotlight (1971) 28-29; Defenders (1972) 47-50; Peter Parker, the Spectacular Spider-Man (1976) 22-23; Marvel Two-in-One (1974) 52; Moon Knight (1980) 1-4; material from Hulk Magazine (1978) 11-15, 17-18, 20; Marvel Preview (1975) 21 In this dramatic tale, a Native American boy is angry when his brother is chosen over him to lead the buffalo jump, a prehistoric hunting method. "Queer Tales: A Fantasy Anthology" brings you 6 original short stories, each individually written by fresh new authors from around the world. It's gay short story fiction with a fantasy twist!"Revelation" by: Eric Bogue - The child of two golden age superheroes comes out of hiding to avenge his parents' deaths."The Inconstant Star" by: Ceci Cholst - A celestial star takes human form to be with the woman she loves."The Private Diary of Perfectman's Chum, Billy Maslin" by: Martin Gray - A newspaper photographer meets the local superhero and falls in love, but not all is as it seems."New Moon Rising" by: Peter Saenz - A novice witch is on the

run from his coven in a last ditch attempt at freedom. “Gods of Midtown” by: Robbie Tursi-Masick - A mortal man's life is put in peril as ancient gods try to reclaim their dominance. “I Kissed a Ghoul (and I Liked It)” by: David Warner - A ghoul retells the story of his creation, along with teaching readers why you should NEVER call him a zombie. U. K. Book of the Year 2017! For many Christians, prayer is an obligation that has little bearing on everyday life. The story of the 24/7 prayer movement demonstrates in gripping detail how prayer is far more than an obligation and how God is far more interested in prayer than we are. Continuing to chronicle the life and extraordinary ministry of the 24/7 prayer movement for a readership anxiously awaiting this title, Pete Greig tells story after story of God’s faithful interaction with human prayer to change lives and cultures. Being only half-vampyre in a high school like Danny Gray's makes you a whole loser. But Danny manages to escape the worst of the bullying thanks to genetic treatments that make it look like Danny's other half is human, not wulf. Which is a good thing. Ever since the development of synthetic blood – SynHeme – vamps have become society’s elite, while wulves like his father work menial jobs and live in bad neighborhoods. Wulves are less than second class citizens; once a month they become inmates, forced to undergo their Change in dangerous government compounds. Most of the time Danny pretends his wulf half doesn’t even exist, but lately he's been having some weird symptoms—fantastic night vision; a keener-than-usual sense of smell; and headaches, right around the full moon. Even though it's easy to be in denial, it's hard to

ignore the evidence. With a new girl digging into his past and watching his every move, there's only a month until the next full moon, and time is running out. How long can Danny hide what he is? *Bad Moon Rising: Sometimes Revenge Is Sweet* is the sequel to *Set in Port Melbourne*, Australia in the 1960s, it is the engaging story of the flamboyant Kellie Earl, her handsome and artistic brother Billy, and their glamorous and enigmatic Russian mother, Jana Zirkov. When Jana first arrived in Australia, she was pregnant with Kellie and Billy was two years old. Jana hopes to put the horrors of her past behind her and start a new life, but is bitterly disappointed. Years later, Jana unwisely brings unsavory boyfriends into their home and Kellie is raped. Kellie ends up killing the man. At twenty-eight, Kellie becomes a rich widow. However, she cannot forget her suspicions surrounding Billy's tragic death at seventeen. She moves to Sydney where she writes popular novels using the nom de plume B.M. Rising, for "Bad Moon Rising," Billy's favorite song. Nothing alleviates the pain over losing her brother or can lessen the hatred of her rapist. She is also troubled by the secrets Jana keeps about Russia. poses the questions: Is murder ever justified, and are killers born or created? Although the characters are fictional, events are based on real stories.

"Fantastic. I couldn't put down! It's an intriguing novel, very cleverly written." – Robert Bailey, former editor with the Commonwealth Government

"Brilliant work. You are a literary genius!!!" – Professor Jayashri Kulkarni, director, Monash Alfred Psychiatry Research Centre

Irish immigrant Tom Tracy has nearly everything he's ever wanted--a

promising political career as an aide to the city's mayor and the love of a beautiful woman, Rachel Levka. When his lusty cousin, Padraic Starr, arrives from Galway on a mission for the Irish rebellion, Tom's world unravels. A LOCUS AWARD FINALIST FOR SCIENCE FICTION The continuing saga of the Five Dragons, Ian McDonald's fast-paced, intricately plotted space opera pitched as Game of Thrones meets The Expanse A hundred years in the future, a war wages between the Five Dragons—five families that control the Moon's leading industrial companies. Each clan does everything in their power to claw their way to the top of the food chain—marriages of convenience, corporate espionage, kidnapping, and mass assassinations. Through ingenious political manipulation and sheer force of will, Lucas Cortas rises from the ashes of corporate defeat and seizes control of the Moon. The only person who can stop him is a brilliant lunar lawyer, his sister, Ariel. Witness the Dragons' final battle for absolute sovereignty in Ian McDonald's heart-stopping finale to the Luna trilogy. Luna 1. Luna: New Moon 2. Luna: Wolf Moon 3. Luna: Moon Rising At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Rightly called the saddest story in rock 'n' roll history, this Creedence biography--newly updated with stories from band members, producers, business associates, close friends, and families--recounts the tragic and triumphant tale of one of America's most beloved bands. Hailed as the great American rock band from 1968 to 1971, Creedence Clearwater Revival captured the imaginations of a generation with classic hits like "Proud Mary," "Down on the

Corner," "Green River," "Born on the Bayou," and "Who'll Stop the Rain." Mounting tensions among bandmates over vibrant guitarist and lead vocalist John Fogerty's creative control led to the band's demise. Tracing the lives of four musicians who redefined an American roots-rock sound with unequaled passion and power, this music biography exposes the bitter end and abandoned talent of a band left crippled by debt and dissension. A captivating paranormal from a rising voice in erotic romance. As undisputed Alpha, Rafael must choose a life mate to preserve the dominance of his Lycan pack. He never suspected his mate would be a human, the same wounded girl-woman he seduced from the brink of death. Falon is a dangerous combination of Lycan and Slayer-bred to destroy his kind. She's also a mesmerizing beauty whose sensuality tempts the warrior to take risks. Surrendering to their primal heat could destroy them both...for a vengeful foe awaits to take what is rightfully his by Blood Law. This story was added by Lord Brutus to his chronicles because it had an impact on his early life. Earth, just ten years after the battle of the Sorcerers. Only Bundwold, Megalin and Krossos had survived the war and these three were the sole surviving members of the Council of Magicians, and all were white sorcerers, much to the dismay of Lord Baal. Baal set a trap using minions that worshipped him called THE RISING MOON CULT. He knew that Bundwold missed his pet that he called The Yetson. It was a cross between a rat and a bird with an ugly beak full of sharp teeth and it had leathery skin rather than feathers. As Bundwold bent to collect his pet, his clutching fingers touched

its skin and a spell was tripped. The Yetson suddenly grew to eight feet tall, killing Bundwold and only allowing him time to transfer his soul to the nether regions of Earth and the Underworld. A plot is hatched to use The Yetson to snare one of the last two Sorcerers to his cause. When Peter Brannigan sold his house, he thought he was done with the bad memories of his past. But as Halloween rolls around, he's faced with being sued over the fact the house is now haunted. Determined to deal with the problem before he's forced to go bankrupt, Peter enlists the help of a reluctant medium and a Catholic priest. But as the violence and danger grow, it soon becomes clear that the problem could be bigger than a disgruntled spirit... and the solution the one person Peter can't afford to risk. Keywords: horror, ghosts, Halloween, haunted house, urban fantasy

Five thousand years ago the world fell victim to the rise of history's first great superpower: a massive empire based on the expansion of trade backed by overwhelming military might, under the leadership of a legendary figure who was feared and worshiped as a god. Indeed, this ancient king's legacy left a lasting imprint upon history, mythology, and religion, eclipsed only by the appearance of Jesus Christ three thousand years later. The Antichrist is dead, but his story is not over. Through an extensive analysis of archaeological evidence, ancient mythological accounts, and biblical and occult predictions, The Second Coming of the Antichrist reveals that story.

The novel begins a futuristic series that details the earth's final days a captivating novel that follows a woman seeking after inner peace in a fractured, war-ravaged society. Provokes a sentiment within the reader to make the world a better place In this opening volume of the Out of Barren Ground series, peace and purpose are rare commodities in a war-ravaged world. Everywhere there is famine, drought, pestilence, and hatred. Those people without their God are searching frantically, or are lost completely. Rachel lives a lonely, dreary existence in the earth's final days, but while searching for a pure water source, her life changes dramatically. the dead ends she has followed in the past have yet to change anything. Until now. This thought-provoking novel will keep you on the edge of your seat. Even with the world getting darker, a new generation is learning to pray and obey like never before. This is their extraordinary story, an honest account of pain and perseverance alongside a pioneering mission and miraculous answers to prayer. It's the story of the 24-7 prayer movement, which started in 1999 in England and has since exploded to more than fifty countries. An army of normal individuals are now simultaneously praying night and day around the world. Things will never be the same. All around the world people are affected by and in awe of a full moon. In this poetic

exploration of the lunar wonder, places near and far provide the backdrop for discovering celebrations, beliefs, customs and facts about the moon. From Broadway to Hong Kong to the International Space Station, the various perspectives, sparkling verses and depth of information create a fascinating rendering of a familiar, yet remarkable sight.
