Long Time Gone Jan 15 2023 With remarkable speed, the Sixties have gone from lived history to mythology. They remain alive in our culture in a manner different from any previous era. At the dawn of a new century, we are still debating the issues that emerged during that decade, still living in the conscious aftermath of its events and transformations. This collection looks back at the Sixties, attempting to understand the issues of the day on their own terms and to think about their meanings in today's world. Alexander Bloom has gathered ten original essays, each of which explores the gulf between history and myth regarding a central characteristic of the Sixties. Topics covered include civil rights, the student movement and the New Left, the Vietnam War, the antiwar movement, gay rights, the counterculture, and the women's movement. *Long Time Gone* dispels myths about the Sixties and constructs an accurate vision of the past and an understanding of its impact on the modern world. It is an invaluable resource for anyone seeking deeper knowledge of this incredible decade and its continuing influence on American culture.

Once, A Long Time Ago Feb 16 2023 Daniel MacKenzie aka Danny Mac, a handsome former Marine and CIA operative, turned to Jesus for healing from his painful past. As he settles into his life as a minister, Kenann James blows into his apartment and his life. Kenann is a petite, curly haired dynamo who moved into the apartment across the hall and hearing his cries from his frequent bad dreams, runs to his aid and tripping on the foyer rug blasts into his room like a cannonball. And if the normal course of events doesn't awaken their love, getting kidnapped together by Danny Mac's former lover seals it. Katerina Troika, a strikingly beautiful woman, has infiltrated an ancient secret society and needs Danny Mac's former skills as an assassin to eliminate the competition. She kidnaps Kenann to ensure his cooperation. When they arrive in Alexandria, Egypt, things soon go awry. The leader of the society takes one look at Kenann and believes her to be the reincarnated goddess Inanna, the Sumerian deity that was the forerunner of Ishtar and Isis. His desire to possess her sets them on a collision course for disaster. Back home in Memphis, the amateur rescue contingency is already on the move. Mrs. Gage has taken charge. She is a wealthy widow with more money than Croesus and a penchant for intrigue who soon marshals the resources of Judy, Kenann's gorgeous friend, and Jake, the former Marine commander turned church elder. It was through Jake that Danny Mac met the carpenter from Galilee. Danny Mac's contacts in the CIA sprang into action as soon as the kidnapping occurred. The leader was Danny Mac's old friend, Andrew O'Hanlon, who quickly fell for Kenann's friend, Judy. Blade - the young bi-racial boy Danny Mac had befriended in the neighborhood, overheard the rescue plans and stowed away on the private plane Mrs. Gage had employed to take them to Egypt. He was only allowed to stay because she knew a dark-skinned boy could come in handy in their efforts to blend in and gain intel. The final member of their Merry Band of Misfits is Kenann's beloved Granny, Moira James. When she showed up unannounced on Kenann's doorstep, Mrs. Gage's only response was of course you will go to her rescue. And so, the band was formed. Bonds would be forged stronger than family and become a force that would do battle from the ancient secret society to the halls of the Pentagon. The story culminates in a magnificent underground complex in the desert of Egypt. It is an ancient but well-hidden community complete with a massive pyramid to rival Giza and will seal the fate of Kenann, reincarnated goddess, Inanna. This story has it all. It blends some often-intense romance with grand adventure. It shows how faith and trust in God can change lives. It shows evil at its core and the ways good can overcome through the power of Jesus Christ. It has hints of secret and mysterious elements that will intrigue the reader. But in the end, it is about relationships, friendships and the power of love.

A stunning debut."—Cristina García, author of *Dreaming in Cuban* For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on Florida's drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida's Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen, David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He's hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. *All Day is a Long Time* is a spectacular, raw account of growing up and managing, against every expectation, to carve out a place for hope. We see what it means, and what it takes, to come back from a place of little control—to map ourselves on the world around, and beyond, us. David Sanchez's debut resounds with real force and demonstrates the redemptive power of the written word.

The Clock Of The Long Now Jun 15 2020 Using the designing and building of the Clock of the Long Now as a framework, this is a book about the practical use of long time perspective: how to get it, how to use it, how to keep it in and out of sight. Here are the central questions it inspires: How do we make long-term thinking automatic and common instead of difficult and rare? Discipline in thought allows freedom. One needs the space and reliability to predict continuity to have the confidence not to be afraid of revolutions Taking the time to think of the future is more essential now than ever, as culture accelerates beyond its ability to be measured Probable things are vastly outnumbered by countless near-impossible eventualities. Reality is statistically forced to be extraordinary; fiction is not allowed this freedom This is a potent book that combines the chronicling of fantastic technology with equally visionary philosophical inquiry.

Long Time Coming. Short Writings from Zimbabwe Feb 04 2022 Long Time Coming brings together short stories and poems from thirty-three writers that provide snapshots of this turbulent period in Zimbabwe's history. Snapshots of living in a country where basic services have crumbled: where shops have no food, taps no water, banks no money, hospitals no drugs, bars no beer. Long Time Coming Aug 30 2021 AN INSTANT NATIONAL BESTSELLER This edition includes illustrations by Everett Dyson From the New York Times bestselling author of *Tears We Cannot Stop*, a passionate call to America to finally reckon with race and start the journey to redemption. "Powerfully illuminating, heart-wrenching, and enlightening." -Ibram X. Kendi, bestselling author of *How to Be an Antiracist* "Crushingly powerful, Long Time Coming is an unfiltered Marlboro of black pain." -Isabel Wilkerson, bestselling author of *Caste* "Formidable, compelling...has much to offer on our nation's crucial need for racial reckoning and the way forward." -Bryan Stevenson, author of *Just Mercy* The night of May 25, 2020 changed America. George Floyd, a 46-year-old Black man, was killed during an arrest in Minneapolis when a white cop suffocated him. The video of that night's events went viral, sparking the largest protests in the nation's history and the sort of social unrest we have not seen since the sixties. While Floyd's death was certainly the catalyst, (heightened by the fact that it occurred during a pandemic whose victims were disproportionately of color) it was in truth the fuse that lit an ever-filling powder keg. Long Time Coming grapples with the cultural and social forces that have shaped our nation in the brutal crucible of race. In five beautifully argued chapters—each addressed to a black martyr from Breonna Taylor to Rev. Clementa Pinckney—Dyson traces the genealogy of anti-blackness from the slave ship to the street corner where Floyd lost his life—and where America gained its will to confront the ugly truth of systemic racism. Ending with a poignant plea for hope, Dyson's exciting new book points the way to social redemption. Long Time Coming is a necessary guide to help America finally reckon with race.

Long Time, No See Feb 21 2021 Long Time, No See is certainly an inspiring story, but Beth Finke does not aim to inspire. Eschewing reassuring platitudes and sensational pleas for sympathy, she charts her struggles with juvenile diabetes, blindness, and a host of other hardships, sharing her feelings of despair and frustration as well as her hard-won triumphs. Rejecting the label "courageous," she prefers to describe herself using the phrase her mother invoked in times of difficulty: "She did what she had to do." With unflinching candor and acerbic wit, Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty-six as well as the seemingly endless spiral of adversity that followed. First she was forced out of her professional job. Then she bore a multiply handicapped son. But she kept moving forward, confronting marital and financial problems and persevering through a rocky training period with a seeing-eye dog. Finke's life story and her commanding knowledge of her situation give readers a clear understanding of diabetes, blindness, and the issues faced by parents of children with significant disabilities. Because she has taken care to include accurate medical information as well as personal memoir, Long Time, No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children.

Longtime Companions Sep 30 2021 Longtime Companions: Autobiographies of Gay Male Fidelity provides a sophisticated alternative to "anything goes" gay literature. Challenging the stereotype that gay men are incapable of lasting and successful relationships, 15 long-term gay couples share slices of their own lives to give you insight into their present relationships, while some discuss life after their mates have passed on. You will learn the intimate details of the couples' lives, including: how they met their partners how soon they committed to each other how long the couples have been together--from 14 years to over 50 years their keys to leading successful, happy lives the ways in which their relationships fulfill their personal needs and contribute to community life You will come to realize the true strength of these men's relationships as you share in their struggles within a society that offers them little recognition or support for their successful relationships. Co-editor Alfred Lees explains in the introduction to Longtime Companions, "We've all worked diligently to make our partnerships sound, nurturing, and enduring. We've done this without any social motivation, largely without role models, in the face of 'official' disapproval or contempt. Long Long Time Oct 12 2022 Ralph Bland's fifth novel LONG LONG TIME follows the journey of Harry Allen - high school and college basketball star, philosopher, wastrel, dreamer, and child of the 60s - as he stumbles, falls, and somehow negotiates his way down the cragged bumpy highway of his life. During the course of the comic narrative Harry goes on a wild rambunctious trip from the Cuban Missile Crisis to Post-911 while offering through his Tennessee-tinted vision his take on what makes the world he finds himself a reluctant member of go round (and possibly end at any moment). It is only when death and intimations of his own mortality arise that Harry begins to learn what all this ruckus he's been in the middle of for a multitude of sad funny scary but always magical years has really been all about. Ralph Bland is the author of six novels, including ACE and ONCE IN LOVE WITH AMY. He lives with his wife, a pack of spoiled dogs, and an eccentric MG on the outskirts of Nashville, Tennessee.

Choices: The Ulysses Long Story: A Long Time Coming Jul 09 2022 A Long Time Coming...The Ulysses Long Story By Ulysses Long with Chris Warner One fleeting moment can derail a life. A youthful mistake that netted him \$6.50 ultimately bore a 130-year prison sentence. In 1968, Ulysses Long was 25. An honorably discharged Air Force veteran of three years, he was a free spirit on the streets of New Orleans, hanging out on corners, chasing girls and good times. He was young and extremely naïve. An emotional roller coaster ride, the Ulysses Long Story follows Ulysses from the bustling New Orleans riverfront docks to the perilous prison conditions of Angola State Penitentiary, and finally to Baton Rouge--the viper pit of Louisiana politics. Ulysses maintained a sense of right throughout his time among the brutal social circles of the Angola State Penitentiary. He persevered to freedom through the twisted, bureaucratic manipulations of a racist judicial system during a time when Louisiana was reluctant to make the United States Constitution work for blacks. Ulysses survived his tortuous twenty-year odyssey through uncanny personal strength. Anger at the incredible odds against him would have been understandable. And yet, anger did not fuel his crusade for freedom, nor does bitterness taint his story. Hope is the main character. In time, Long finds faith and friendship in an unlikely knight, LSU Basketball Coach Dale Brown, that leads to his eventual pardon by Louisiana Governor Edwin Edwards. The subject of a forthcoming George Soros Open Society Institute documentary titled, New Orleans Justice (N.O. Justice), the Ulysses Long Story is a fascinating tale of corruption, greed, fear and faith. This is not a scared straight story. It s an honest lesson in personal responsibility, a lasting testament of human faith, and an indelible tribute to the ultimate power of hope.
