Sassy Pants lives up to her name for sure! The runt of a litter of nineteen piglets, Sassy Pants is taken to live in the big house with Farmer White and his family-but it doesn't take long for her to act as though she owns the place. She's not content to stay in her box in the kitchen, so she wanders out and makes a mess! She wraps herself in toilet paper, tips over a bucket of mop water, and knocks over Mrs. White's flowers. Right then and there Mrs. White decides Sassy Pants is old enough to go back to the pigpen. But Sassy Pants thinks she's 'a people, not a pig' and decides to escape the pigpen and move back into the big house, where she belongs...or so she thinks. She escapes through the fence day after day and is sent back to the dreaded pigpen day after day. Sassy Pants gets fed up, and no amount of convincing-not even from the top hog-can persuade her that the pigpen is the place for a pig. Deciding that some learn the easy way and some learn the hard way, Farmer White comes up with a surefire plan to keep Sassy Pants in the pigpen. Find out if Sassy Pants learns the easy way...or the hard way. Sassy Pants is back...with a new attitude!

No one likes to be by themselves all the time. Except when you've been mean to everybody and not very nice to anybody, it feels like nobody in the world wants to be your friend. At least that's how it felt to Sassy Pants after she had to learn the hard way. When Old Clyde tells her there's only one way to fix a friendship when you were the one who broke it, she's willing to try anything. But what if it doesn't work? This endearing story models making a clean apology, asking forgiveness and making amends as Sassy Pants goes about trying to mend the friendships she broke. The humor dissolves resistance and the lessons stick! Adults as well as children appreciate the adorable characters and the ease in understanding.
