Darcy Merriweather is Salem's newest resident Wishcrafter—a witch who can grant wishes for others. While Darcy isn't able to grant wishes for herself, she does possess a certain knack for solving problems—including

the occasional murder... When Darcy is hired by Elodie Keaton to clean up her missing mother's disorderly home, the Wishcrafter is certainly up for the task. After all, the motto of her Aunt Ve's personal concierge service As You Wish is "No Job Impossible." But beneath the piles of old newspapers and knickknacks Darcy discovers something much more disturbing—Patrice Keaton's body. Darcy's determined to give Elodie peace of mind by investigating her mother's disappearance and death. Patrice was last seen over a year ago after a fight with her Charmcrafter boyfriend. Was her murder a crime of passion? Or were Patrice's troubles caused by the Anicula, a wish-granting amulet? Now Darcy has to not only find a killer, she has to find the Anicula—before the power of ultimate wish fulfillment falls into the wrong hands... Thirteen men and women explain how they came to walk down the Wiccan path, sharing their insights, feelings, thoughts as well as describing their life-changing experiences. Love the vintage- not the ghosts Lily Ivory feels that she can finally fit in somewhere and conceal her "witchiness" in San Francisco. client is murdered and children start disappearing from the Bay Area. Lily has a good idea that some bad phantoms are behind it. Can she keep her identity secret, or will her witchy ways be forced out of the closet as she attempts to stop the phantom? It's time to face your demons in the third novel of this thrilling new witchy series about a young girl in a town full of terrifying secrets, unlikely allies, and a forbidden romance that will leave you wanting more. What do you do when your nightmares become a reality? If you thought waking up from a bad dream was scary, try waking up into one. Well, that's exactly what happened to me. One second I was minding my own business and trying to party, and the next I'm chained to a cave wall with no means of escape. This is fine. Totally fine, right? I mean, I am a witch after all, and witches are nothing if not skilled at getting out of sticky situations. That's what I thought too until I realized my magic was blocked and no one knew where the shifters kept me locked up. My only hope of escape is River and Goddess knows what he's doing in Shadowhurst while I'm trapped in this hell. I know he's trying to find me, but will he be able to get to me in time? Every day in my prison brings new tortures, ones I don't think I'm strong enough to endure. Not

to mention that without me, the High Coven is probably itching to get its grubby fingers all over my friends. If I don't find a way to escape, I'm done for. Thanks a lot, Shadowhurst! The Enchanted Village is abuzz when the old Tavistock house finally goes up for sale. Darcy's friend Curecrafter Cherise Goodwin is hoping she will have the

winning bid on the home, but Darcy can't shake the feeling that something bad is about to happen—and her magical instincts are usually right. Sure enough, while Darcy and Cherise are looking at the property, they discover real estate agent Raina Gallagher stone-cold dead on the floor. Clutched in her hand is a gemstone amulet and, on the wall above her, a large red A. While Raina had no shortage of enemies, there's also a dark legend about the house itself. To track down the killer, Darcy must unlock the secrets of both the deceased and the estate—and she'll need to act fast, because revenge is a deal that never closes... FIRST IN THE NATIONAL BESTSELLING WISHCRAFT MYSTERY SERIES! Darcy Merriweather and her sister, Harper, hail from a long line of witches who have the power to grant wishes using spells. They've come to Enchanted Village in Salem, Massachusetts, to join the family business, but soon find themselves knee-deep in murder... Until three weeks ago, Darcy and her sister, Harper, were working dead-end jobs and trying to put their troubles behind them. Then their Aunt Velma delivered a bombshell: they're actually Wishcrafters—witches with the power to grant wishes with a mere spell. Wanting a fresh start, they head to their aunt's magic-themed tourist town to master their newfound skills. But their magic fails them when a wanna-be witch turns up dead—strangled with Aunt Ve's scarf—and Ve's

sweetheart, Sylar, is found looming over the body. Ve is standing by her man, but Darcy overheard Sylar wish that the victim would disappear—forever. With Harper distracted by her handsome new crush, Darcy is determined to sleuth her way to the truth. But it'll take more than a wish to unravel this mystery... Smoke Gets in Your Eyes meets Women Who Run With The Wolves in this "gorgeously written, fierce, political, personal, and deeply inspiring" (Michelle Tea) memoir about finding meaning, beauty, and power through a life in witchcraft. An initiation signals a beginning: a door opens and you step through. Traditional Wiccan initiations are usually brought into the craft through a ceremony with a High Priestess. But even though Amanda Yates Garcia's mother, a practicing witch herself, initiated her into the earth-centered practice of witchcraft when she was 13 years old, Amanda's real life as a witch only began when she underwent a series of spontaneous initiations of her own. Descending into the underworlds of poverty, sex work, and misogyny, Initiated describes Amanda's journey to return to her body, harness her power, and create the magical world she longed for through witchcraft. Hailed by crows, seduced by magicians, and haunted by ancestors broken beneath the wheels of patriarchy, Amanda's quest for self-discovery and empowerment is a deep exploration of a modern witch's trials - healing ancient wounds,

chafing against cultural expectations, creating intimacy - all while on a mission to re-enchant the world. Peppered with mythology, tales of the goddesses and magical women throughout history, Initiated stands squarely at the intersection of witchcraft and feminism. With generosity and heart, this book speaks to the question: is it possible to live a life of beauty and integrity in a world that feels like it's dying? Declaring oneself a witch and practicing magic has everything to do with claiming authority and power for oneself, of taking back our planet in the name of Love. Initiated is both memoir and manifesto calling the magical people of the world to take up their wands: stand up, be brave, describe the world they want, then create it like a witch. National bestselling author Heather Blake is back with wishcrafter Darcy Merriweather in her eighth magical Wishcraft mystery adventure. Wishcrafter Darcy Merriweather might be a witch with the ability to grant wishes for others, but wishing isn't going to help her catch a killer... When wishcrafter Darcy Merriweather's personal concierge company is hired by elite runner Abby Stillwell to organize the Wicked Mad Dash, a competition that takes place in the Enchanted Village, Darcy is more than willing to help her friend. As blizzard conditions rage on the morning of the race, Darcy's main concern is the terrible weather—until Abby goes missing...and is later found dead, buried in the snow. As Darcy investigates her

friend's untimely death, she learns that she didn't really know Abby well at all. And those closest to the woman—her secret fiancé, her roommate, her ex-boyfriend, and her co-workers at Balefire Sports—seem to have plenty to hide too. As Darcy digs deeper, she uncovers complicated relationships, a possible embezzlement scheme, and allegations of cheating against a top athlete. Just when Darcy is convinced she's hit a dead end in the case, a startling burglary and the hunt for Abby's elusive ex send Darcy down a dark, dangerous trail. It will take the help from friends, family, and a little bit of magic for Darcy to stop a stone-cold killer from striking again. But although I'm getting a heck of a lot of boo, right now, I'm not getting my fair share of brew. I draw the line at drinking alone, my friends. And I am currently a witch very much alone. The Witches' Council won't answer my calls. That would be fine at any other time, but right now, I need some direction. My coven is missing. All that's left in the crypt is a dust-free rectangle where our grimoire used to be. And someone must have let the

dog in because the sanctuary smells like wet fur. But that's not all. This dude keeps following me around. He's big and muscly, got tattoos all over his tanned arms, and has the most delicious chocolate brown eyes I've ever seen. Would it be wrong to accidentally-on-purpose let him bump into me? It sure as heck would be better than trying to solve this unsolvable mystery. Besides, haven't I already said? I don't like drinking alone. Tall, Dark and Brooding might make a good booze buddy. Among other things, of course. Meet Iris Wardwell and her witchy sidekicks in a new magical series set in the Kindred World. She'll put a spell on you, for sure. Or just invite you to share a drink or two. You've heard of witch hags? Well, this one's a booze hag. A booze hag having a very bad day and she's just run out of liquor. Old magic, new enemies. The danger never stops in White Haven. Avery and the White Haven witches have finally found their grimoires and defeated the Favershams, but their troubles are only just beginning. Something escaped from the spirit world when they battled beneath All Souls Church, and now it wants to stay, unleashing violence across Cornwall. On top of that, the magic they released when they broke the binding spell is attracting powerful creatures from the deep, creatures that need men to survive. And then there's the Witches Council. Thirteen covens spread across Cornwall, and not all of them welcome the White Haven witches. Avery, Alex and the

others find themselves fighting to save White Haven, their friends, and their lives. If you love urban fantasy, magic, witchcraft, and a twist of romance, you'll love Magic Unleashed. The second in an adorable witchy rom-com series by New York Times bestselling author Ann Aguirre, perfect for fans of: Ride-or-die female friendships A bisexual heroine who stubbornly refuses to accept help A hero with an incredibly pesky moral conscience A mouse named Benson who may or may not have all the answers to life, magic, and love (Spoiler: he does!) At least that's always been her modus operandi before. Clem prefers being the one in charge, always the first to walk away when the time is right. Attraction has never struck her like lightning. Until the witch hunter comes to town. Gavin Rhys hates being a witch hunter, but his family honor is on the line, and he needs to prove he's nothing like his grandfather, a traitor who let everyone down. But things in St. Claire aren't what they seem, and Gavin is distracted from the job immediately by a bewitching brunette with a sexy smile and haunting secrets in her eyes. Not from a teacher's perspective at a school for at risk youth. Like any twenty-two-year-old who grew up obsessed with fantasy novels, Clarissa Lawrence expects all her Harry Potter fantasies to come true when she is invited to teach at a school for witches. Her dreams of learning magic-and being a good teacher-are complicated when she finds out her deceased mother was the equivalent of the Wicked Witch of the West. As if being the new "arts and crafts" teacher isn't hard enough at a school for juvenile delinquent witches, budget cuts are just as severe in the magic community, administrators are as unrealistic in their expectations of teachers, and the job is a hazard if the students find out you can't actually do magic. Amidst all these challenges, Clarissa must prove she's not her mother's mini-me and that

she belongs at the school so she can learn to control her powers. If she fails, her powers will be drained, or worse yet, she might be enslaved by the Fae. As if this isn't enough pressure, she has to figure out why teachers are mysteriously disappearing. If she doesn't, she might be next. **NEW YORK TIMES BESTSELLER** • From the acclaimed author of *The Flight Attendant*: "Historical fiction at its best.... The book is a thriller in structure, and a real page-turner, the ending both unexpected and satisfying" (Diana Gabaldon, bestselling author of the *Outlander* series, *The Washington Post*). A young Puritan woman—faithful, resourceful, but afraid of the demons that dog her soul—plots her escape from a violent marriage in this riveting and propulsive novel of historical suspense. Boston, 1662. Mary Deerfield is twenty-four-years-old. Her skin is porcelain, her eyes delft blue, and in England she might have had many suitors. But here in the New World, amid this community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary's hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes herself the object of

suspicion and rumor. When tainted objects are discovered buried in Mary's garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows. A twisting, tightly plotted novel of historical suspense from one of our greatest storytellers, *Hour of the Witch* is a timely and terrifying story of socially sanctioned brutality and the original American witch hunt. **JOIN USA TODAY BESTSELLING AUTHOR CAROLYN RIDDER ASPENSON ALONG WITH ABBY ODELL AND CREW IN THE 4TH BOOK OF THE WITCHES OF HOLIDAY HILLS COZY MYSTERY SERIES!** Being a witch is complicated. Our powers have limits, and as a newer witch, I'm still getting used to what I can and cannot do. In a perfect witchy world, that works like a charm. But the witchy world isn't perfect. Not at all. Witches don't always follow the rules, and when they don't, bad things happen. Like Cassandra Bloom's death, for starters. Cassandra Bloom was the bad witch in every fairytale, the one with the ugly wart and long, stringy gray hair, taunting everyone as she flew on her broom over town. But she didn't just look scary. She was scary. Holiday Hills residents, magical and humans, were afraid of Cassandra. Sure, everyone in town might feel secretly relieved she's no longer with us, but they're missing the bigger picture. Cassandra didn't die of old age.

She was murdered. And now I've got to figure out the why, how, and who, before the killer strikes again. Because until I do, no one in Holiday Hills is safe, especially not us witches. USA TODAY Bestselling Author Carolyn Ridder Aspenson returns to Holiday Hills where cozy mystery author Abby Odell writes books and casts spells with the help of her hilarious familiar, Cooper, the cat. My name is Abby Odell, and I'm a witch. Some call me a newbie because I didn't know I was one until my mother died and her spell that bound my powers died along with her. My mother...always full of surprises. Fifteen years ago, my mother planned, funded, and managed Holiday Hills' first annual Mum Festival to raise money for the Holiday Hills Library. The wonderful volunteers working with her took charge when she passed a few years ago, but I made sure things went off without a hitch. I didn't expect that would include hunting down a murderer. It won't be easy. My significant other, the town sheriff, is MIA on a secret magical assignment, I've got to tread carefully. His replacement, the deputy chief, isn't my biggest fan and will do whatever's necessary to keep himself the boss in town. But the entire town is on edge, and he wants to cancel the festival altogether. I can't let that happen, not after my mother worked so hard for all those years. Besides, the library depends on the donation. And I know if I can find the killer, I can ease the fear growing in town. It you like southern

cozies with a paranormal element and a fun cat, you'll love the witches of Holiday Hills. A stunning, operatic, epic drama, like no other. Meet Hel, an ordinary teenager - and goddess of the Underworld. Why is life so unfair? Hel tries to make the best of it, creating gleaming halls in her dark kingdom and welcoming the dead who she is forced to host for eternity. Until eternity itself is threatened. Francesca's first and wonderful foray into teen. Is it ever a good idea to dig up the past? When a member of the Historical Society is murdered, there's no magical cause to be found. If anything, it seems like it might be a case of simple revenge. But when the society goes on to unveil an old, forgotten school in Riddler's Edge, it seems that there could be far more to the murder than meets the eye. Riddler's Edge School for the Gifted was a safe haven for supernatural children. So why was the school set on fire in the sixties? And why has it been forgotten until now? In order to find the real murderer, Ash and the gang must first find the surviving students. Along the way, they might just dig up some more secrets, too - like who is really behind the group known as Vlad's Boys? And until they find the answers, they have a wedding to organize, a wedding that almost everyone believes is doomed ... Practical Magic meets Gilmore Girls in this adorable witchy rom-com by New York Times bestselling author Ann Aguirre, with a bisexual cinnamon roll hero, a commitment-averse heroine, and a chemistry between them

that causes literal sparks. Danica Waterhouse is a fully modern witch—daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family "feedback," Danica made a pact with her cousin: they'll keep their hearts protected and have fun, without involving any of the overly opinionated Waterhouse matriarchs. Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever? Praise for Witch Please: "The start to Aguirre's Fix-It Witches series is a delightful, laugh-out-loud small-town tale...Ann Aguirre's sexy, sweet, funny, and oh-so-fulfilling witchy love story will

Emmy Harlow is a witch but not a very powerful one-in part because she hasn't been home to the magical town of Thistle Grove in years. Her self-imposed exile has a lot to do with a complicated family history and a desire to forge her own way in the world, and only the very tiniest bit to do with Gareth Blackmoor, heir to the most powerful magical family in town and casual breaker of hearts and destroyer of dreams. But when a spellcasting tournament that her family serves as arbiters for approaches, it turns out the pull of tradition (or the truly impressive parental guilt trip that comes with it) is strong enough to bring Emmy back. She's determined to do her familial duty; spend some quality time with her best friend, Linden Thorn; and get back to her real life in Chicago. On her first night home, Emmy runs into Talia Avramov-an all-around badass adept in the darker magical arts-who is fresh off a bad breakup...with Gareth Blackmoor. Talia had

let herself be charmed, only to discover that Gareth was also seeing Linden-unbeknownst to either of them. And now she and Linden want revenge. Only one question stands: Is Emmy in? But most concerning of all: Why can't she stop thinking about the terrifyingly competent, devastatingly gorgeous, wickedly charming Talia Avramov?"-- Finding your feet in a new job isn't always easy. That goes double for Josie Way, who's settling in as Wilfred, Oregon's, new librarian—and has just discovered she's a witch. But will her fledgling powers be enough to save her from a spell of murder? While Josie develops her witchcraft with the help of letters left by her grandmother, there are other changes happening in her new hometown. A retreat center is being built at the old mill site, and rumor has it that the location is cursed. That piques Josie's interest almost as much as Sam Wilfred, handsome FBI agent and descendant of the town's founder . . . When Sam's soon-to-be ex-wife, Fiona, goes missing at the same time that a bloodied weapon is found, Josie enlists her witchy insight, and her cat familiar, to clear Sam's name. But then the mill project's architect is found dead, and it's clear that someone has been drawing up a vicious plan. Now Josie will have to divine her way out of fatal mischief, before this deadly trouble turns double . . . Praise for Angela M. Witchcraft, dark secrets, and demons. No one is safe in White Haven. Avery, one of the five White Haven witches, practices her magic alone and spends her

days working in her bookshop, refusing to join the coven. However, days away from Litha, the summer solstice, a deceased customer bequeaths her a rune covered box and an intriguing letter that reveals the witches are missing a vital part of their history. The news shatters her organised life completely. Five ancient family grimoires are hidden in the town, and within their pages lies a secret. Unable to resist a mystery, Avery is determined to find them. However, the tarot cards predict danger, and when another witch—the sexy, but annoying Alex Bonneville—shares the same premonition, they know that an unknown enemy is determined to stop them using any means necessary. Avery never backs down from a fight, and Alex refuses to let her fight alone. When White Haven turns into a battleground of magic and demons, the witches' lives will never be the same again. AD 573. Imprisoned in her chamber, Languoreth awaits news in torment. Her husband and son have ridden off to wage war against her brother, Lailoken. She doesn't yet know that her young daughter, Angharad, who was training with Lailoken to become a Wisdom Keeper, has been lost in the chaos. As one of the bloodiest battles of early medieval Scottish history scatters its survivors to the wind, Lailoken and his men must flee to exile in the mountains of the Lowlands, while nine-year-old Angharad must summon all Lailoken has taught her and follow her own destiny through the mysterious, mystical land of the Picts. In the aftermath of the battle, old political alliances unravel,

opening the way for the ambitious adherents of the new religion: Christianity. Lailoken is half-mad with battle sickness, and Languoreth must hide her allegiance to the Old Way to survive her marriage to the next Christian king of Strathclyde. Worst yet, the new King of the Angles is bent on expanding his kingdom at any cost. Now the exiled Lailoken, with the help of a young warrior named Artur, may be the only man who can bring the Christians and the pagans together to defeat the encroaching Angles. But to do so, he must claim the role that will forever transform him. He must become the man known to history as "Myrddin." Bitter rivalries are ignited, lost loves are found, new loves are born, and old enemies come face-to-face with their reckoning in this compellingly fresh look at one of the most enduring legends of all time. Edalie Flummox runs a flower shop in the Haymill neighborhood in Brooklyn along with her two sisters. Not that she's particularly interested in flowers, or running a store. Edalie is, after all, a witch, and feels she should probably be doing witchy stuff instead of playing store. Unfortunately, the Flummox triplets are not exactly the world's most competent witches, and their grandmother has decided to strip them of their witchy powers to save an unsuspecting world the aggravation. When one of Edalie's neighbors is murdered, and handsome local cop Sam Barkley proves clueless, she decides to look into the murder herself, and try

to catch the killer. Soon she's in way over her head, hounding suspects and ferreting out clues. And when the houseguests of her grandmother's new bed & breakfast prove unusually annoying, it looks like Edalie and her sisters don't even need witchcraft to make life very complicated for a lot of people. Witchy Start is the first book in the humorous Neighborhood Witch Committee cozy mystery series. It follows the Witchy Fingers series, which introduced the Flummox triplets, and is complete at four books. You don't need to have read Witchy Fingers to enjoy this new series, however, as it stands alone. Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger. As Samhain approaches, worlds collide. A Shifter family arrives in White Haven, one of them close to death. Avery offers them sanctuary, only to find their pursuers are close behind, intent on retribution. In an effort to help them, Avery and

Alex are dragged into a fight they didn't want but must see through. As if that weren't enough trouble, strange signs begin to appear at Old Haven Church. Avery realises that an unknown witch has wicked plans for Samhain, and is determined to breach the veils between worlds. Avery and her friends scramble to discover who the mysterious newcomer is, all while being attacked one by one. This battle just got personal. When their enemy, Caspian Faversham, offers to help, they must decide if they can trust him. But if they're to survive, they don't have a choice. Everything is changing, and Avery has to negotiate where her future lies, while desperately fighting to even have one. One thing is clear. Chilling Adventures of Sabrina meets The L Word in this fresh, sizzling New York Times

bestselling rom-com by Lana Harper. Emmy Harlow is a witch but not a very powerful one—in part because she hasn't been home to the magical town of Thistle Grove in years. Her self-imposed exile has a lot to do with a complicated family history and a desire to forge her own way in the world, and only the very tiniest bit to do with Gareth Blackmoore, heir to the most powerful magical family in town and casual breaker of hearts and destroyer of dreams. But when a spellcasting tournament that her family serves as arbiters for approaches, it turns out the pull of tradition (or the truly impressive parental guilt trip that comes with it) is strong enough to bring Emmy back. She's determined to do her familial duty; spend some quality time with her best friend, Linden Thorn; and get back to her real life in Chicago. On her first night home, Emmy runs into Talia Avramov—an all-around badass adept in the darker magical arts—who is fresh off a bad breakup . . . with Gareth Blackmoore. Talia had let herself be charmed, only to discover that Gareth was also seeing Linden—unbeknownst to either of them. And now she and Linden want revenge. Only one question stands: Is Emmy in? But most concerning of all: Why can't she stop thinking about the terrifyingly competent, devastatingly gorgeous, wickedly charming Talia Avramov? There's no mean girl like an internet mean girl. Especially when she's a witch. Selena hasn't been in Globe, Arizona, very long, but

she's quickly learned to be wary when her friend Josie gets a bright idea — like insisting she join the growing legion of internet witches. While being an Instagram star sounds like a good way to promote her metaphysical shop, Selena can't ignore the feeling she's about to get some pretty crappy juju dropped on her head. It isn't as if she doesn't have time to produce content — or even date, since it appears tribal police chief Calvin Standingbear has ghosted her. Too bad the perfectly nice rancher who offers his place for a live-streamed solstice bonfire ritual doesn't strike a single spark. But when the dark side of social media rears its ugly head, Selena's going to need all the friends she can get, including the secretive police chief. Because social media rivalries can be murder — and Selena could be targeted as a suspect...or the next victim. for herself, she hires Darcy's Aunt Ve's personal concierge service, As You Wish, to plan the soiree. But turning eighty isn't all Harriette is celebrating—the Floracrafter has recently created the midnight black Witching Hour rose, the first all-natural rose of that color. Darcy works hard on planning an extravagant celebration that will make Harriette feel like the belle of the ball. But when cake delivery boy Michael Healey—a former employee at Harriette's greenhouse—is found dead, the celebration takes a turn.
