Love Letters to the Dead Nov 24 2020 It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, Love Letters to the Dead.

The Love Revolution May 23 2023 Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread - person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now...210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. LOVE REVOLUTION focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger;

being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.

Wounds of Passion Jul 13 2022 San Francisco Chronicle best-seller. *Wounds of Passion* is a memoir about writing, love, and sexuality. With her customary boldness and insight, Bell Hooks critically reflects on the impact of birth control

and the women's movement on our lives. Resisting the notion that love and writing don't mix, she begins a fifteen-year relationship with a gifted poet and scholar, who inspires and encourages her. Eloquent and powerful, this book lets us see the ways one woman writer works to find her own voice while creating a love relationship based on feminist thinking. The Latin Deli May 11 2022 Reviewing her novel, *The Line of the Sun*, the New York Times Book Review hailed Judith Ortiz Cofer as "a writer of authentic gifts, with a genuine and important story to tell." Those gifts are on abundant display in *The Latin Deli*, an evocative collection of poetry, personal essays, and short fiction in which the dominant subject—the lives of Puerto Ricans in a New Jersey barrio—is drawn from the author's own childhood. Following the directive of Emily Dickinson to "tell all the Truth but tell it slant," Cofer approaches her material from a variety of angles. An acute yearning for a distant homeland is the poignant theme of the title poem, which opens the collection. Cofer's lines

introduce us "to a woman of no-age" presiding over a small store whose wares—Bustelo coffee, jamon y queso, "green plantains hanging in stalks like votive offerings"—must satisfy, however imperfectly, the needs and hungers of those who have left the islands for the urban Northeast. Similarly affecting is the short story "Nada," in which a mother's grief over a son killed in Vietnam gradually consumes her. Refusing the medals and flag proffered by the government ("Tell the Mr. President of the United States what I say: No, gracias."), as well as the consolations of her neighbors in El Building, the woman begins to give away all her possessions. The narrator, upon hearing the woman say "nada," reflects, "I tell you, that word is like a drain that sucks everything down." As rooted as they are in a particular immigrant experience, Cofer's writings are also rich in universal themes, especially those involving the pains, confusions, and wonders of growing up. While set in the barrio, the essays "American History," "Not for Sale," and "The Paterson Public Library" deal with concerns that could be those of any sensitive young woman coming of age in America: romantic attachments, relations with parents and peers, the search for knowledge. And in poems such as "The Life of an Echo" and "The Purpose of Nuns," Cofer offers eloquent ruminations on the mystery of desire and the conflict between the flesh and the spirit. Cofer's ambitions as a writer are perhaps stated most explicitly in the essay "The Myth of the Latin Woman: I Just Met

a Girl Named Maria." Recalling one of her early poems, she notes how its message is still her mission: to transcend the limitations of language, to connect "through the human-to-human channel of art."

Tears to Triumph Oct 24 2020 The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne

makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

Enchanted Love Dec 06 2021 Three of Marianne Williamson's previous bestsellers -- *A Return to Love*, *A Woman's Worth*, and *Illuminata* -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in *Enchanted Love*, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as

spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."
