This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's

right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document.

Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! PowerPoint Template to Create a Presentation for Your Business Plan Present your business plan with a flair. Business Plans Handbooks are collections of actual business plans compiled by entrepreneurs seeking funding for small businesses throughout North America. For those looking for examples of how to approach, structure and compose their own business plans, this Handbook presents sample plans taken from businesses in the Accounting industry -- only the company names and addresses have been changed. Typical business plans include type of business; statement of purpose; executive summary;

business/industry description; market; product and production; management/personnel; and, financial specifics. "With this one-year campaign, the Collegeville Italian Bakery strives to be known as the area's one-stop shop for all things authentic Italian, increasing its overall sales by 20 percent and differentiating itself from close-proximity competitor, Collegeville Italian Deli."--Executive summary, p. 2. Many people like to indulge in a sweet treat every once in a while. Bake sales are a great way to make money and satisfy people's sweet cravings. However, there's more to

running a bake sale than showing up to the school lobby with brownies. With this book, readers will learn how to make a business plan, how to choose a venue, and how to keep track of expenses and profits. They'll learn the importance of advertising and marketing. Running a successful bake sale now may lead to running a bakery, a specialty cake shop, or a sweet culinary empire later in life. This business book is different.
