**Why Won't You Apologize?** Jul 10 2022 "If you want to know why Harriet Lerner is one of my great heroes, Why Won't You Apologize? is the

answer. This book is a game changer.” —Brené Brown, PhD, LMSW, author of the #1 New York Times bestseller *Rising Strong* “Harriet Lerner is one hell of a wise woman. She draws you in with deft and engaging prose, and then changes your life with her rigorous intelligence and her deeply human advice. I promise that you will never see ‘the apology’ in quite the same way.” —Esther Perel, MA, LMFT author of *Mating in Captivity* Renowned psychologist and bestselling author of *The Dance of Anger* sheds new light on the two most important words in the English language—I’m sorry—and offers a unique perspective on the challenge of healing broken connections and restoring trust. Dr. Harriet Lerner has been studying apologies—and why some people won’t give them—for more than two decades. Now she offers compelling stories and solid theory that bring home how much the simple apology matters and what is required for healing when the hurt we’ve inflicted (or received) is far from simple. Readers will learn how to craft a deeply meaningful “I’m sorry” and avoid apologies that only deepen the original injury. *Why Won’t You Apologize?* also addresses the compelling needs of the injured party—the one who has been hurt by someone who won’t apologize, tell the truth, or feel remorse. Lerner explains what drives both the non-apologizer and the over-apologizer, as well as why the people who do the worst things are the least able to own up. She helps the injured person resist pressure to forgive too easily and challenges the popular notion that forgiveness is the only path to peace of mind. With her trademark humor and wit, Lerner offers a joyful and sanity-saving guide to setting things right.

**The Body Is Not an Apology** May 16 2020 *The Body Is Not an Apology* The Power of Radical Self-Love Against a global backdrop of war, social

upheaval, and personal despair, there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity. Rather than feel helpless in the face of oppression, world-renowned activist, performance poet, and author Sonya Renee Taylor teaches us how to turn to the power of radical self-love in her new book, *The Body Is Not an Apology*. Radical self-love is the guiding framework that transforms the learned self-hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion, equity, and justice. In a revolutionary departure from the corporate self-help and body-positivity movement, Taylor forges the inextricable bond between radical self-love and social justice. The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self-hatred. When we ask ourselves, "Who benefits from our collective shame?" we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth. This book moves us beyond our all-too-often hidden lives, where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others. Radical self-love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength. In doing this, we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them. Systems of oppression thrive off of our inability to make peace with bodies and difference. Radical self-love not only dismantles shame and self-loathing in us but has the power to dismantle global systems of injustice—because when we make peace with our bodies, only then do we have the capacity to truly make peace with the bodies of others

*Say Goodbye* Feb 22 2021 Eden faces a final reckoning when the cult's past victims hunt them down in this explosive, high-stakes thriller in the Sacramento series from New York Times bestselling author Karen Rose. But the Founding Elders are splintering, and Pastor's surrogate son DJ is scheming to make it all his own. When two of Eden's newest members send out a cry for help, it reaches FBI Special Agent Tom Hunter, whose friend and fellow FBI Special Agent Gideon Reynolds and his sister, Mercy, are themselves escapees of the Eden cult, targeted by the Founding Elders who want them silenced forever. The three have vowed to find the cult and bring it down, and now, they finally have a solid lead. Neutralizing Eden's threat will save captive members and ensure Tom's new friends can live without fear. But when his best friend, ex-Army combat medic Liza Barkley, joins the case, it puts her life—and their blossoming love—in danger. With everything they hold dear in the balance, Tom and Liza, together with Gideon and Mercy, must end Eden once and for all.

**Sorry for Your Troubles** Jun 16 2020 One of the most engaging voices contemporary spirituality in is that of the Irish poet, Pádraig O'Tuama. This second poetry collection arises out of a decade of his hearing stories of people who have lived through personal and political conflict in Northern Ireland, the Middle East and other places of conflict. These poems tell stories of individuals who have lived through conflict: their loves and losses, their hope and generosity. One poem, 'Shaking hands' was written when Pádraig witnessed the historic handshake between Queen Elizabeth II and Martin McGuinness, who has since used the poem publicly. The phrase 'Sorry for your troubles' is used all over Ireland. It comes directly from an Irish phrase, yet Irish has no word for 'bereavement' - the word used is 'troiblóid'. So the phrase would be better translated 'Sorry for your bereavements'. With this in mind, this new book speaks evocatively about a time when thousands of people lost their lives and many thousands more lived through the searing pain of grief.

**Sorry You're Lost** Jan 16 2023 "A boy deals with the recent loss of his mother and his odyssey to find a date for the end-of-year school dance"--

*Sorry For Your Loss* Jan 04 2022 □ "A heartfelt and expertly written tale of loss, family, and friendship that will have readers blinking back their tears...Beautiful and sincere."—Kirkus Reviews, starred review Evie Walman is not obsessed with death. She does think about it a lot, though, but only because her family runs a Jewish funeral home. At twelve, Evie already knows she's going to be a funeral director when she grows up. So what if the kids at school call her "corpse girl" and say she smells like death? They're just mean and don't get how important it is to have someone take care of things when your world is falling apart. Evie loves dusting caskets, polishing pews, and vacuuming the chapel—and on funeral days, she dresses up and hands out tissues and offers her condolences to mourners. She doesn't normally help her parents with the grieving families directly, until one day when they ask her to help with Oren, a boy who was in a horrific car accident that killed both his parents. Oren refuses to speak and Evie, who is nursing her own private grief, is determined to find a way to help him deal with his loss. Praise for previous books by Joanne Levy: "Levy's narrative is spot on."—Booklist review for *The Sun Will Come Out* "The story gives voice to the experience of Jewish preteens; chronic illness and disability are also sensitively tackled in this complex tale about difference, acceptance, and self-confidence. A heartfelt tear-jerker about love, friendship, and courage."—Kirkus Reviews review for *The Sun Will Come Out* "Uplifting, gentle...Exudes inter-generational warmth, family love, and friendship."—Association of Jewish Libraries review for *Fish Out of Water* "Though brief, this text masterfully connects the toxic masculinity to its roots in deep misogyny, making *Fish* a hero people of all genders can stand up and cheer for. All readers will appreciate this book's nuanced messaging around gender roles and trusting yourself."—Kirkus Reviews, review for *Fish Out of Water*

*Say You're Sorry* Feb 17 2023 The page-turning thriller selected by Stephen King as one of the year's best books: "Never-lets-up suspense and beautiful writing." When pretty and popular teenagers Piper Hadley and Tash McBain disappear one Sunday morning, the investigation captivates a nation but the girls are never found. Three years later, during the worst blizzard in a century, a husband and wife are brutally killed in the farmhouse where Tash McBain once lived. A suspect is in custody, a troubled young man who can hear voices and claims that he saw a girl that night being chased by a snowman. Convinced that Piper or Tash might still be alive, clinical psychologist Joe O'Loughlin and ex-cop Vincent Ruiz, persuade the

police to re-open the investigation. But they are racing against time to save the girls from someone with an evil, calculating and twisted mind... **Say You're Sorry** Mar 06 2022 "Yes, ma'am," "No, ma'am," elbows off the table, and thank you notes, all examples of the good manners that Southern mothers drill into their young. But the characters in these mostly Southern stories by Sarah Shankman know the deeper meaning of the term. Good manners are words and actions that put others at ease; bad manners don't. And bad manners, like bad children, must be punished. A bride left at the altar, as in "All You Need Is Love," is entitled to be in a killer mood for years. And the wife in "Wish You Were Here," both two-timed and targeted for murder by her fat doctor hubbie, can't be blamed for taking matters into her own hands on a steamy July day. Two women, friends since childhood—who could fault the one for harboring a long-festering hate for the other's damning betrayal in the collection's title story? And three deadly tales set in New Orleans, where the silver is always kept both polished and sharpened, are perfect examples of novelist Rita Mae Brown's quip: You can't be truly rude until you understand good manners. These dozen stories, collected here for the first time, will delight the legions of fans of Shankman's Samantha Adams series who've long admired her wit, her colorful characters, her finely honed relish for revenge, and her winning ways with words. This daring daughter of the South reimagines Watergate's Deep Throat, writes a recipe for poisoning a journalist who went one step too far, and devastatingly describes the misery of living beneath a noisy neighbor...and the deadly consequences that that ever-so-rude clomp, clomp, clomping so richly deserves.

*I'd Like to Say Sorry, but There's No One to Say Sorry To* Aug 19 2020 Finalist for the National Jewish Book Awards An exquisitely original collection of darkly funny stories that explore the panorama of Jewish experience in contemporary Poland, from a world-class contemporary writer "These small, searing prose pieces are moving and unsettling at the same time. If the diagnosis they present is right, then we have a great problem in

Poland.” —Olga Tokarczuk, Nobel Prize laureate and author of *Flights* Mikołaj Grynberg is a psychologist and photographer who has spent years collecting and publishing oral histories of Polish Jews. In his first work of fiction—a book that has been widely praised by critics and was shortlisted for Poland’s top literary prize—Grynberg recrafts those histories into little jewels, fictionalized short stories with the ring of truth. Both biting and knowing, *I’d Like to Say Sorry, but There’s No One to Say Sorry To* takes the form of first-person vignettes, through which Grynberg explores the daily lives and tensions within Poland between Jews and gentiles haunted by the Holocaust and its continuing presence. In “Unnecessary Trouble,” a grandmother discloses on her deathbed that she is Jewish; she does not want to die without her family knowing. What is passed on to the family is fear and the struggle of what to do with this information. In “Cacophony,” Jewish identity is explored through names, as Miron and his son Jurek demonstrate how heritage is both accepted and denied. In “My Five Jews,” a non-Jewish narrator remembers five interactions with her Jewish countrymen, and her own anti-Semitism, ruefully noting that perhaps she was wrong and should apologize, but no one is left to say “I’m sorry” to. Each of the thirty-one stories is a dazzling and haunting mini-monologue that highlights a different facet of modern Poland’s complex and difficult relationship with its Jewish past.
