Students and Teachers, make use of it. This witty, original guide explains test concepts and strategies in a language that 8th grade students will understand. 8 August 1942. As Gandiji and prominent leaders are put in jail, Babu and Manju suddenly find themselves a part of the larger protests--their schools close down and their father is put behind bars. Their daring brother Mohan goes underground and the rest of the family moves to Narayanpur, a sleepy little village seemingly untouched by the turbulence in the country. But Narayanpur is seething within and it all comes to a head when a group of children dare to confront the police. It is very important for students to bridge the away-from-school gap by practicing the skills they learned in the previous school year! The second edition of this parent-friendly resource provides students with reading, writing, and mathematics activities aligned to Common Core and other state standards that reinforce learning from seventh grade and keep them from falling behind in eighth grade. With clear instructions for quick and fun family activities, this is the perfect full-color resource for parents to get involved in their child's education and set them up for a successful school year.
