Even adults struggle to understand our Creator - the infinite Being who seeks a personal relationship with each of us. Now children can begin to understand both God's Holy Word and the importance of Him in their lives - what He expects from them, why it is vital to follow His plan for their lives, and the love He has for them. Open the book and discover:Why can't I hear God talking to me?How big is God?What does God look like?Why do I get in trouble at school when I talk about the Bible?These important answers will empower children to live with godly values and help them to understand why it is so important that they obey God. The new Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. This set is an ideal resource for your elementary homeschool or your Church library. This is the 3rd book of a 6-volume set. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Increase student reading fluency in 4th grade with this engaging and effective lesson! Through strategic use of Fry's Instant Words, students will both improve reading prosody and build important comprehension skills. Developed for the AQA Specification, revised for the new National Curriculum and the new GCSE specifications. The Teacher File contains detailed support and guidance on advanced planning, points of emphasis, key words, notes for the non-specialist, useful supplementary ideas and homework sheets. This volume explores nearly every facet of Jesus research -- from eyewitness criteria to the reliability of memory, from archaeology to psychobiography, from oral traditions to literary sources, and from narrative criticism to Gospel criticism. Bringing together a wide variety of topics and perspectives in one volume, this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old. This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton-Prague Symposium on Jesus Research. It summarizes the significant advances in understanding Jesus that scholars have made in recent years, chiefly through the development of diverse methodologies. Even readers who are already knowledgeable in the field will discover unique angles from well-known New Testament scholars, and all will be brought up to speed on the current state-of-play within Jesus studies. Never short of questions, let these titles bring answers to children who may just want to know, or who may be struggling in their walk with Christ. Parents and teachers need not be afraid of hte tough questions with these solid aplogetics titles in The Answers Book for Kids series. Too many children have grown up and left the Church because they asked tough questions and no one seemed to have an answer. Now, here are those answers! What day were planets created? Is it possible that there are living things in space? What about the big bang? Make Your Study Personal and Your Devotions Serious. You study the Bible to connect with God's heart.
