In Ascending the Mountain of God, journey with Moses as he answers the call to come up and experience God on the mountain of Sinai. Just as Moses was called up a physical mountain, you have been called up a spiritual mountain called Mt. Zion. It represents the abiding presence of God in your life. As you trek up the mountain with Moses, you will discover the twelve invitations from God that release greater manifestations of His presence and power in your life. In this spiritual guidebook for new believers, Matt offers practical teaching and proven strategies for spiritual growth that include:

- Eight steps to greater revelations from God.**
- Seven questions that will unlock the will of God for your life.**
- How to overcome the top five barriers that keep us from God.**
- Five proven strategies that will increase your spiritual appetite.**
- How to be filled with the Holy Spirit and fire.**
- How to recognize the voice of God.**
- Seven expressions of worship to express your awe of God.**

White reveals the steps to greater spiritual maturity that will release greater dimensions of His presence in your life. This book is foundation-building for the new believer and a practical refresher for the faithful mature. Wherever you find yourself on the mountain, you will come away with a clear sense of

direction to take you to new heights in God. It is a time of peace... The quiet, before the storm... War is coming, and nobody can prevent it... Following a successful rebellion against a ruthless despot, Martians struggle to rebuild their world. On Earth, the unification wars have finally ended and Terra is united under one supreme leader. But the planet is no longer capable of supporting humanity's exploding population, and covetous eyes have fallen on the newly terraformed Mars, perceived as weak and ripe for the picking. Melanie Destin, heralded as the Mother of Mars, wants to disappear. After the death of her lover, she is lost, and bereft of any desire to go on. Though she's chosen to honour her promise to be a symbol of hope for the recovering Martian populace, she longs to leave Mars forever. Fate has other plans for her. When the entire Martian governing council is assassinated, Mel is conscripted to lead the people in defence of their world from an invading Terran armada. To complicate matters, her young clone, Adrianna, now a teenager, is growing older at an accelerated rate and will die within a short time if Mel cannot find a way to stop her rapid aging. With the dark forces from her past manipulating events behind the scene, Mel must face her worst fears and confront her deadly nemesis one final time to prevent a war and determine the fate of the human race on two worlds.

Legacy of Mars is the fourth book in the Mars Ascendant series. Is it the final chapter of the saga of Melanie Destin? Buy the book and find out. This leather-bound book features 200 pages of riveting artwork in a post-apocalyptic heaven, where angels battle over "harvested souls" in the Purgatory Wars. Sebastian finds himself drafted into an eternal battle for human souls that has destroyed both heaven and hell. Reunited with his long lost brother, Gideon, Sebastian must help lead a revolution to regain their family's power, but their ill-fated rebellion casts them to Earth as fallen angels.

Sebastian must face his brother, before Gideon destroys the Earth. Akin to the visual styling of The Matrix, Underworld, 300, and Gladiator, Ascend is the tragic love story of a young couple, Sebastian and Rebeka, caught in a struggle between brothers. The 9" x 13" art book includes original story and research notes, full leather cover, silver foiled embossing, vellum lead sheet, and slipcover case. The heroes have sent the Swarm into disarray, but the entity called the God-Host still stands on the verge of completing its plans. To ensure an end to the threat, the heroes at last return to their overrun homeworld--but this time with the might of an entire military behind them! Only by finally defeating the massive God-Host can the PCs break the will of the Swarm army and bring peace back to Suskillon! "The God-Host Ascends" is a Starfinder Roleplaying Game adventure for four 11th-level characters. This adventure concludes the Attack of the Swarm! Adventure Path, a six-part, monthly campaign in which the heroes fight back against a ruthless and nigh-unstoppable alien invasion. This volume also includes an article on continuing the Adventure Path's story with new threats, an assortment of new military vehicles, and a selection of new Swarm monsters and other deadly threats. Each monthly full-color softcover Starfinder Adventure Path volume contains a new installment of a series of interconnected science-fantasy quests that together create a fully developed plot of sweeping scale and epic challenges. Each 64-page volume of the Starfinder Adventure Path also contains in-depth articles that detail and expand the Starfinder campaign setting and provide new rules, a host of exciting new monsters and alien races, a new planet to explore and starship to pilot, and more! A Third World War looms on the Horizon. A dangerous child has been born with massive potential for the future of the world. The conflict against Israel is escalating, with almost all nations uniting

against them. The Satanists are preparing to anoint the child, who they believe will be their prophesied leader. David, who has mysteriously disappeared, must choose to seek help in an unlikely place. With time running out, the decision he makes next could mean the difference between defeat or victory for the Christians, and religious freedom for the rest of the world. Meanwhile the American president is torn between his desire to protect his people and his need to keep those closest to him from harm. As sinister forces tighten their grip, he knows he must act. Will the president be able to overcome the forces holding him back from the conflict and intervene before it's too late? In the end, a final question must be answered as the fate of the world hangs in the balance: Is the child the anti Christ? It's the only logical strategy... ...and the Commonwealth has a plan to counter it. Does he have the allies to win? Alistair knows the risks, but he must take the Ice Queen's military and the gigante to Planet Phoenix. In order to defeat the Ascendant, Alexander de Finita, and put this nightmare behind him, it'll take every asset he can bring together. There's just one problem. The Commonwealth plans to strike first. If they control the star-gate at Phoenix, all is lost. Every choice he's made has had consequences, but none as grave as Alistair's next move. The Ascendant has the positional advantage. Should Alistair protect his pieces, make a sacrifice, or play a gambit? In this chess game... ...the future is on the line. Poetry The incredible final book in the phenomenon fantasy series described as "future classics" follows one man's dangerous journey through a labyrinthine world and the mysteries he uncovers along the way (Los Angeles Times). "Josiah Bancroft is a magician. His books are that rare alchemy: gracefully written, deliriously imaginative, action packed, warm, witty, and thought provoking." — Madeline Miller, New York Times bestselling author of Circe As Marat's siege engine bores

through the Tower, erupting inside ringdoms and leaving chaos in its wake, Senlin can do nothing but observe the mayhem from inside the belly of the beast. Caught in a charade, Senlin desperately tries to sabotage the rampaging Hod King, even as Marat's objective grows increasingly clear. The leader of the zealots is bound for the Sphinx's lair and the unimaginable power it contains. In the city under glass at the Tower's summit, Adam discovers a utopia where everyone inexplicably knows the details of his past. As Adam unravels the mystery of his fame, he soon discovers the crowning ringdom conceals a much darker secret. Aboard the State of Art, Edith and her crew adjust to the reality that Voleta has awoken from death changed. She seems to share more in common with the Red Hand now than her former self. While Edith wars for the soul of the young woman, a greater crisis looms: They will have to face Marat on unequal footing and with Senlin caught in the crossfire. And when the Bridge of Babel is finally opened, and the Brick Layer's true ambition revealed, neither they nor the Tower will ever be the same again.

The first book in the word-of-mouth phenomenon debut fantasy series about one man's dangerous journey through a labyrinthine world. "One of my favorite books of all time" - Mark Lawrence

The Tower of Babel is the greatest marvel in the world. Immense as a mountain, the ancient Tower holds unnumbered ringdoms, warring and peaceful, stacked one on the other like the layers of a cake. It is a world of geniuses and tyrants, of luxury and menace, of unusual animals and mysterious machines. Soon after arriving for his honeymoon at the Tower, the mild-mannered headmaster of a small village school, Thomas Senlin, gets separated from his wife, Marya, in the overwhelming swarm of tourists, residents, and miscreants. Senlin is determined to find Marya, but to do so

he'll have to navigate madhouses, ballrooms, and burlesque theaters. He must survive betrayal, assassins, and the illusions of the Tower. But if he hopes to find his wife, he will have to do more than just endure. This quiet man of letters must become a man of action.

The Books of Babel
Senlin Ascends
Arm of the Sphinx
Do You Want to Ascend or Repeat the Earthgrade? is an exposition divided into two parts that illuminates the truth of Torianne Bradford's personal feelings about her life and spiritual experiences. She poetically expresses how her state of being transformed into self-awareness and a higher level of consciousness after living life as a victim of external ordeals. As the book transitions to part two, the poems evolve into a guide on how to heal soulfully and how one can remember who they really are. Torianne conveys enlightened avenues to find God from within, to obtain inner peace, and to conclusively maneuver through life righteously. It is accentuated that true power is embedded in each and every person on earth. Torianne encourages individuals to embrace the power of God from within so that humanity can harmonize as one.

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world. **Ascend** is the final chapter in her bestselling **Trylle** trilogy—and you'll never guess how it ends! **Wendy Everly** is facing an impossible choice. The only way to save the **Trylle** from their deadliest enemy is by sacrificing herself. If she doesn't surrender to the **Vittra**, her people will be thrust into a brutal war against an unbeatable foe. But how can Wendy leave all her friends behind...even if it's the only way to save them? The stakes have never been higher, because her kingdom isn't the only thing she stands to lose. After falling for both **Finn** and **Loki**, she's about to make the ultimate choice...who to love forever. One guy has finally proven to be the love of her life—and now all their lives might be coming

to an end. Everything has been leading to this moment. The future of her entire world rests in her hands—if she's ready to fight for it. Its time to be the hero you've always wanted to be. Diving into a revolutionary new video game, Marcus and his friends escape a stagnant society, entering into a world that defies their wildest imaginations. But from the moment that he logs in, Marcus finds himself separated from his friends and thrown into remote village under attack by a horde of goblins. Forced into battle, Marcus rallies the beleaguered villagers and with their help, manages to drive off the invading creatures. With the village in ruins and their supplies spoiled, the survivors desperately turn to Marcus for help in rebuilding the village. Realizing that this game is nothing like he's ever played before, Marcus is swept up into a whirlwind of adventure as he struggles to defend his new home, quickly finding that marauding goblins are the least of his problems. **IT'S TIME TO ARISE & ASCEND** With loads of distractions in today's world, it's quite simple for people to slip into a trap of false perception without realizing it. An untruth of where they may fit in and their purpose in life can quickly disrupt their mindset to settle for less than the wonderful plan God has for them. Unfortunately, while the high paced society of technology and information are expediently rising- God's abundant freedom, restoration and purpose that is always available to mankind is at an alarming low within their lives. Evidence of this can be seen through the condition of people. Numerous individuals are depressed, lonely and dissatisfied with their present lifestyle - far too many of them are women. In reference to women, why has there been a drastic decline of happiness, fulfillment, love and joy within their lives? In this book, I will be exposing deception plots that have held back women from advancing in their God given purpose and will be sharing why now is the time for women to awaken to who they are in Christ, and

explain how to undergo the transformation of change in order to lay hold of God's freedom, restoration, purpose and destiny for their lives. If you are a woman who desires to lay hold of God's premium for your life, then Arise & Ascend- A Woman's Cry To Freedom is for you. Senlin continues his ascent up the tower in the word-of-mouth phenomenon fantasy series about one man's dangerous journey through a labyrinthine world. "One of my favorite books of all time" -- Mark Lawrence on Senlin Ascends The Tower of Babel is proving to be as difficult to reenter as it was to break out of. Forced into a life of piracy, Senlin and his eclectic crew are struggling to survive aboard their stolen airship as the hunt to rescue Senlin's lost wife continues. Hopeless and desolate, they turn to a legend of the Tower, the mysterious Sphinx. But help from the Sphinx never comes cheaply, and as Senlin knows, debts aren't always what they seem in the Tower of Babel. Time is running out, and now Senlin must choose between his friends, his freedom, and his wife. Does anyone truly escape the Tower? The Great One allowed all things to be. Then there became these supplications for a greater knowledge in the physical world with the questioning, "There has to be more than this? There has to be more than this?" Many have asked that and said that and searched for that for years, thousands and thousands of years. The request for this further information of "there's more than this," has been answered, yes. And you are in the process of it. In Permission

to Ascend, you become aware of the humility within the self to understand the process that you call ascension. Humility is a requirement in order to get the permission that you need in order to work through this realm. This humility allows your divine force to enter you so that it can descend, and you are the humble carrier of that energy. After two thousand years, the Arch Angel Gabriel's sacrifice is once again at stake and the legendary Guardian Angel pair must set out to reaffirm the barrier that holds Lucifer in his hellish prison. This, the twentieth century's reaffirmation however, is unlike any that have passed as Mage, alongside her Guardian must stop an ancient prophecy from coming true at all costs, lest they unleash Hell on Earth. Hold on tight as you ride along with Jason and Magenta as they battle for the sake of Heaven and Earth. Laugh as they laugh, love as they love, and enjoy every breath taking moment as they search for the Sword of Sacrifice and the key to survival for life as we know it. Which begs the question, where will you be when the Guardian Angel Ascends? ""The death is a grand finale. It ascend the universal rhythm. Which again brings up the dance of joy to rebirth. This book is a written homage to this breathtaking rhythm of the fated connection between the death and rebirth conducted by the Universe."" A thrilling science fiction story of good and evil. The sentient planet, Tyrea, is in danger. Unaware of the problem, Jon Tor is happy in doing work that he loves but knows something terrible has happened on his home planet when he is kidnapped, injured, and flees for his life. He desperately needs to save not only his family but his entire planet. Friends, on and off the planet, gather to help him survive the struggle to get home in time. He is facing an additional problem because he needs to survive long enough in order to put himself into the hands of his enemy. The two men must come together to battle for the right to rule. Who will outwit the other and win?

Clear, compelling, mysterious, and evocative all at once. Beautiful. Read this!" —A.J. Swoboda (PhD, Birmingham) is assistant professor of Bible, theology, and World Christianity at Bushnell University and the author of After Doubt. This revelatory book is a strategic navigational tool for the ascending believer. Each chapter provides divine steps for execution to ascend mountains of influence. Both educational and inspirational, this blueprint is gift wrapped in biblical truth geared at provoking believers to action while imparting understanding of the journey they are on. Part 3 of the ascension series is nothing less than a strategic step by step equipping tool for God's kingdom people. Prepare to glean, receive, and be equipped—you have been divinely chosen in this dispensation to be a part of the Ascension Movement. You are anointed to be the head and not the tail, on top and not beneath, the lenders and not the borrowers: settling for entry levels, bottom tiers, back seats, and no seats of influence is not your portion. Resolve now, to ascend. "A fiercely imagined world!" —Mary E. Pearson, New York Times bestselling author of the Remnant Chronicles From the New York Times bestselling co-author of My Plain Jane comes the

second book in a smoldering fantasy trilogy about a girl who must embrace her latent power or lose the dragons she loves. Perfect for fans of Julie Kagawa and Kendare Blake. Mira the Dragonhearted is on the run with her friends following a fiery escape from the prison where she'd been condemned for speaking out against dragon trafficking. And she wants answers. Has the treaty she's been defending her whole life truly sold out the Fallen Isles to their enemies? Did her own parents lie to her? Will she lose control of her power and hurt the ones she loves? The only way to find the truth is to go home again, to face the people who betrayed her and the parents she's not sure she can trust. Home, where she must learn to rise above her fears. Or be consumed. This book is a contemporary, scripture-rich, and visual exploration of the Catholic faith for young adults. There are chapter profiles on Christian role models from both ancient and modern times, and discussions of contemporary events from a Christian perspective. (Adapted from back cover).

Clinical Acupuncture and Ancient Chinese Medicine weaves together historical perspectives, ancient wisdom, and modern medicine to provide a holistic, effective, and rewarding way to understand and apply acupuncture in clinical practice. Methodology for memorizing the function of acupuncture meridians and points is supplemented by nearly 600 high-quality images that illustrate point locations and needle insertion techniques. Algorithms for making diagnostic formulations, developing treatment strategies, and implementing effective therapeutic interventions are emphasized. Chapters also cover published outcomes data, the critical role of human psychology and spirituality in healing, and adjunctive therapies to acupuncture such as medicinal herbs and cupping. Authored by Dr. Jingduan Yang and Dr. Daniel A. Monti, two internationally known leaders and teachers of Chinese Medicine and Integrative Health,

Clinical Acupuncture and Ancient Chinese Medicine is an ideal resource for a diverse range of health care practitioners and trainees including physicians, chiropractors, and licensed acupuncturists. Aunt: *calling loudly from sitting room* Helen, can you help me? Me: *drops everything, rushes to front room, expecting her to have fallen* Aunt: The cat's on my lap, could you pour me a small Jameson? Cocooning with my ninety-year-old Aunt is not the life I'd imagined when I came back to live in Dublin after 30 years of being a high-flying media executive in London. From the Groucho Club to our North Dublin coastal cocoon, it was back to earth with a bump. Funny and frustrating, living with the Aunt in our Covid bubble has been quite the eye-opener. Bickering, bitching, masking-up for rare outings, *The Stairlift Ascends* is a Twitter diary of our time trying to live together, of surviving the pandemic ... and each other. Love, lashings of apple tart, laughter and a longing for trips to Arnotts have seen us through, so far ... A hugely popular, funny and compassionate view on 2020 from @HelenORahilly *Ascend to The Secret Place* is a book that opens doors to the inner community, exploring the gold mines within the mind and spirit, resources that enable us to tap into that inexplicable and inseparable image of God in which we are made. Life is about remaining in tune with that spirit that dwells with creation. The secret of creation is within the soul of the individual. Discover the significance of patterns in your life and why those patterns repeat. Discover how and why peak experiences happen Discover it, now. In Joy Kogawa's masterful third novel, a middle-aged woman discovers that her father, a respected Anglican priest, has long been a sexual abuser of boys. Originally published to critical acclaim in 1995, *The Rain Ascends* has been revisited by the author, with substantive additions to the end of the narrative that bring to fruition the heroine's struggle for forgiveness and

redemption. As a middle-aged mother, Millicent is confronted with the secrets of her father's past as she recalls certain events in her childhood--a childhood that, on the surface, was a blissful one. Disbelief turns to confusion as she faces up to the sins of her father and wrestles with a legacy of lies, silence and her own embattled conscience. In *The Rain Ascends*, Joy Kogawa beautifully sifts the truth from the past and the sinner from the perceived saint. The result is a sensitive, poetic, yet searing depiction of the wounds left by abuse and the redemption brought by truth. *Ascend: Releasing the Power of the Human Spirit* brings us to the foundations of the Judaeo-Christian tradition -- life-transforming relationships with the God who speaks to us in and through our hearts and inspires us to live above destructive struggle through compassion, love, and peace. It helps us to build transforming relationships with ourselves and significant others through trust and empathy, and with God by making and sustaining a vital connection from within. When we are hard-wired to the God within, we break the hold of insecurity, overcome life's injustices, act from our deeply embedded values, live redemptively, and exult in our transformation. Ultimately, we ascend to spiritual well-being by releasing the power within -- the power of the human spirit, God's Spirit, expressed in our everyday lives as a surge of positivity . . . like a mighty wave. Twins Arya and Xavier have never met their father, raised by a single mom in Peak's Village, Colorado, but on the eve of their 16th birthday, they learn a shocking reality: their mother is the Lilith from legend and their father is not what they expected. When they ascend to claim their birthright, they discover a world their mother hid from them and the profound and terrible history of the family they always dreamed of having. Filled with a rich, diverse tapestry of characters, this inclusive story is a new twist on Ancient Mythology. Modern

elements combine old magic with folklore to unravel an adventure never told before. Stay updated on Twitter @lapetitewolfe

Duty-bound to marry her friend Tove in order to give the Trylle people their strongest king and queen in history, Wendy, a changeling troll princess, is torn between two other suitors, Finn and Loki. Events spiral out of control in the magical, fast pace sequel to *The Dauphnir Ring Leads to Mercy*. -----

Raven I'm not the same immortal guardian that I once was. I used to wear colorful clothes and laugh on a dime. Now, I wear black and a smile never crosses my lips unless I'm luring in my prey. I no longer care about Cylander Erickson and the team. I live for one purpose and one purpose only - destroy Greyson's killer. I vow they will suffer a thousand times over, before I end their sorry existence for taking what was mine! I have searched endlessly for close to a decade, and I am no closer to the truth than the day he died, but I'm too stubborn to quit. I barely sleep. Instead I use my magic to blue light across the globe stalking my unknown enemy, and executing death sentences along the way for anyone that even blinks at me wrong. The evil residue inside of me is growing at an exponential rate. There isn't a chance in Hell though that I will ever cave to their plea to join their side and conquer the planet. I'll end my existence before I hunt the very thing I vowed to protect - humanity, but not until I fulfill my ultimate vow. -----

Raven's destiny will be forever changed as she bargains with the witch Maura to access the labyrinth gates of Hell to ascend what was taken so very long ago. The following book is a revised YA edition of the adult title, *The Dauphnir Rings: Ascension* How can creatures made from dust become members of God's household "forever"? In this *New Studies in Biblical Theology* volume, Michael Morales explores the narrative context, literary structure and theology of Leviticus, following its dramatic movement from

the tabernacle to the temple—and from the earthly to the heavenly Mount Zion in the New Testament. Of all the things Emily Stout expected to discover on her quest for vengeance, love and destiny were not among them. Yet she found both only to lose them for the most pitiful of rewards: her life. Leaving the blood-soaked fields of Juatwa behind, Emily now journeys to the treacherous Mountains of Khaz Mal to track down and rescue the other half of her soul from slavery. Such a feat will require both careful planning and experience. Emily must accomplish it with neither. Even so, her destiny looms before her. Lucifan, former city of angels, faces annihilation at the hands of a tyrant, and only Emily can save it and, by extension, the world. For she has the ultimate weapon at her disposal, and should she fall, there will be no other to take it up in her place. Ascend Ascend was written over the course of twenty days, coming in and out of trance states brought on by intermittent fasting and somatic rituals while secluded in the tower of a 100-year-old church. It is rooted in the Jewish mystical tradition of merkabah literature, chronicling an ascent up the kabbalistic sefirot to witness the "chariot of god." While traditional merkabah prose trends dry--focused on preparations for the journey while demurring to describe the experience itself--Ascend Ascend uses poetry to touch the ineffable. Equal parts Walt Whitman and Maggot Brain, this long poem documents the ecstatic destruction of the self. The proceedings or notices of the member institutes of the society form part of the section "Proceedings" in each volume; lists of members are included in v. 1-41, 43-60, 64- The lost daughter of Atta has been found. Rune Darby, haunted by the death of her brother and her recent crimes, reluctantly returns to the treacherous Principium, a place of secrets and danger. Drawn into a perilous competition for immortality, Rune must navigate a web of deception and betrayal. As she uncovers her true

identity and unlocks the power within her, Rune's fate intertwines with the fate of Atta itself. Rune must learn to trust her instincts, confront her guilt, and challenge the forces threatening to tear Atta apart. Will she rise as the protector her people need or succumb to the darkness that lurks within?
