Cursed Jan 31 2021 It isn't easy being the girl who feels the world... Isolation is all nineteen-year-old Terra Materson has known for the last six years. Hiding from the cruel whispers and judgmental stares of society, she suffers the pain of the world around her in silence. The air that moves ... the water that flows ...the fire that burns ... the earth that grounds, Terra feels it all. Despite her grandmother's insistence it's a gift, she knows it is nothing more than a curse in disguise.When her grandmother dies, leaving her alone and guideless, she is forced to step out of the shadows and into the light. Atchison College is the perfect place for Terra to learn to live again. Until she meets four guys with strange connections to the elements that torment her.Together they lead her on a journey to the answer she's always craved: Who is she? But as Terra quickly realizes, the truth is far more than her head, and heart is prepared for...Cursed is the first book in an urban fantasy reverse harem series from Grace White, recommended for readers 17+

Ghostromance Aug 21 2022 Weird. Creepy. Frumpy. Boyish. At the young age of twenty-nine, reluctant necromancer Esper Jones is an outcast, labeled "the old witch on the hill" and avoided by all sane residents of the tiny village of Hellsfork Michigan. And that's just fine with her. Dealing with people has all the appeal of poking her own eyes out. But Esper's quiet world is upset when a strange, beautiful man named Toma blows into town and destroys the walls Esper has carefully built around herself. Esper has never met another supernatural before, and she finds herself oddly drawn to the pretty medium who claims he can speak to ghosts. Drawn into the medium's crazy enthusiasm for rescuing people who are already dead, Esper finds herself traipsing through cemeteries and using the curse she has always hated to wake the dead and ask for answers. Because the ghosts of Hellsfork are restless, and only Esper and Toma can help put them to rest. Author's Note: Fed up with the usual tropes in romance and reverse harem? Me too! I aim to create characters that represent real people, which means you will

encounter characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. (There's nothing wrong with it, if you like that sort of thing, but it just got old for me!) People come in all shapes, sizes, personalities, and gender/sexual orientations—so when I pick up a book and have trouble telling the difference between the characters—that's a problem. *The Reluctant Necromancer series is a sequence of novellas between 35,000-40,000 words in length. While the main plot arc in each book will be resolved, there may be mild cliffhangers/segue into the next book with new issues arising. *This author's characters are as flawed and damaged as real life—do not read if you are easily offended by talk of past trauma of any kind. (No explicit scenes of this nature, generally, but they will talk about what's happened in the past and it may be distasteful if you are easily triggered). *Contains mature adult content, including but not limited to: graphic sex, adult language (that means swearing, folks) and fictional situations with mild gore and or action/violence. *This is a reverse harem urban fantasy, and the author firmly believes love is love, and as such includes themes of: polyamory (multiple lovers), MF, MMF, MM, FF, and MMMFF love.

Coveted Aug 28 2020 Terra Materson knew moving to Atchison College would take some getting used to. But she didn't expect to discover she had the spirit of an ancient goddess inside her. It's a lot to process. Not to mention the four overprotective guys who have made it their mission to take Terra under their wing. But as her connection to Ross, Cael, Endo, and Sol intensifies, so too does her need for the truth. Her protectors want to keep her safe. The witches need her power. And her new friends just want her to live a little. But as her hidden memories slowly return, Terra is left questioning who she can trust. Because with magic in the air, anyone could be an enemy and nothing may be as it seems...Coveted is the second book in The Gaia Chronicles, an urban fantasy reverse harem series, and must be read after book #1: Cursed. Recommended for readers 17+

Witch's Rebirth May 30 2023 I'm done running. It's time to end this. The only problem? Our enemies have weapons that can kill demons. I won't let any of my loved ones die. But my lovers won't let me fight alone. If I do, we all know I won't come back. We have to rely on our new shifter friends for support, as well as each other. Even though I'm fighting my feelings for the stormy-eyed outsider, I'm starting to believe I can trust him. When he offers himself up as a sacrifice for me, will it force us to confront the brewing storm between us? Or will this plan backfire terribly? Most importantly, will this move save us and the future of all witches? The epic conclusion to the Unholy Trinity Reverse Harem series! Read the books in order before reading the final book.

Apathy's Hero Jan 26 2023 The king is dead. Long live the queen. Lexi has been torn in three. With each piece of her scattered to a new corner of the universe, it will take all of her strength, plus the men she loves, to put things right. But fate isn't done screwing with her yet. The trials she's faced in the past are nothing, compared to what awaits on the other side of death. None of the possibilities before Lexi are desirable—surrender, die, or fall headfirst into the unknown. But the choice may no longer be hers. Witchromance Apr 24 2020 All reluctant necromancer Esper Jones wanted to return home and plot out a way to rescue her long-lost father from the clutches of a madman. Simple, right? But there are strange wolves in town, set on taking Luna back to their pack. And a whole bunch of trouble just rolled in, in the form of a group of renegade vamps trailing a bunch of angry vampire hunters. Oh, and there is the little matter of the permanent body Esper promised to help find for her skinwalker. And that's not to mention all the sickening romantic drama and figuring out what she should do with her questionable ex-best friend. Anti-social Esper might have to do something worse than learn to rely on her own dark power—she might be forced to join forces with the unlikely supernatural allies around her, including one scary old witch who happens to be in all the right places at all the wrong times. Author's Note: Fed up with the usual tropes in romance and reverse harem? I wanted characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. (There's nothing wrong with it, if you like that sort of thing, but it just got old for me!) People come in all shapes, sizes, personalities, and gender/sexual orientations—so when I pick up a book and have trouble telling the difference between the characters—that's a problem. *The Reluctant Necromancer series is a sequence of novellas between 35,000-40,000 words in length. This includes uncomfortable situations of any kind—sexual, physical, mental/emotional. (No explicit scenes of this nature, generally, but they will talk about what's happened in the past and it may be distasteful if you are easily triggered). This book specifically references past trauma in one of the characters.

*Contains mature adult content, including but not limited to: graphic sex, adult language (that means swearing, folks) and fictional situations with some gore and or action/violence. *This is a reverse harem urban fantasy, and the author firmly believes love is love, and as such includes themes of: polyamory (multiple lovers), MF, MMF, MM, FF, and MMMFF love.

With Pride Apr 16 2022 Gesa does NOT have a pride. Only male gryphons need a whole harem of lovers to stroke their egos. But when a fortune-telling fox from the county fair and a captive mute sea-dweller turn to Gesa for help, she can't turn them away. Sometimes being a creature of valor and loyalty is a pain in the ass. Meanwhile, Gesa's stubborn fae lover, Oisin, is on edge. Danger is creeping nearer, and he is determined to face it alone, as he always has—even if it destroys him. Add in a controlling politician of unknown origin, the building family drama Gesa is determined to ignore back in the clan lands, and some time spent tracking down imps. Maybe it will take an entire pride to survive this after all. Author's Note: I was tired of reading the same old thing over and over again in reverse harem. Sick of all alpha male and fainting female all the time—and desperate to be able to tell the male characters apart—I tried to infuse some variety into my story. Gesa might not be your cup of tea, and that's okay—she doesn't care. Her lovers are as varied in physicality and personality as they are in supernatural race. And the characters all have their own definition of sexuality. I know reverse harem is all about the fantasy, and my fantasy is a bit outside the norm. You've been warned. Story length definitions: Flash fiction: 200-2,000 words Short story: 1,500-7,500 words Novelette: 7,500-15,000 words Novella: 15,000-40,000 words Novel: 50,000 words and up. *Gesa's Menagerie books are novellas of between 30,000-40,000 words.*

Vampromance Sep 09 2021 Reluctant necromancer Esper Jones had a quiet life, hidden away with her freak looks, and her freak powers, in her freaky old witch's house. But her beautiful, ghost-whispering

boyfriend Toma has destroyed her carefully crafted, people-free life. Now she's hearing voices in her head, monsters are running amok in Hellsfork, and there's this vampire she can't seem to shake. Somewhere between the black witches, hungry ghouls, and cowboy vampire hunters, Esper finds herself with a growing circle of people who actually seem to care for her (for some weird reason). Now, if she can just keep them all alive, when death is really more her thing. Author's Note: Fed up with the usual tropes in romance and reverse harem? I wanted characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. (There's nothing wrong with it, if you like that sort of thing, but it just got old for me!) Fire Possessed May 06 2021 One woman on a mission. Four cursed men. A primal magic that threatens to destroy them all... Sophie has done her best to avoid the magical world for fear of the havoc her abnormal ability wreaks on other supernaturals. As a silencer who mutes the powers of those around her, she's spent her life among the mortals her defect can't harm. But when Mother Nature pushes her from her home to do her bidding, Sophie has no choice but to venture to the magical town of Twin Rivers. Instead of viewing her presence as a curse, four men see Sophie's arrival as a blessing. Carrigan, a psychic who hears everyone's thoughts at all times. Hagan, a bear shifter who transforms at the slightest provocation. Jonas, whose losses have left him isolated and jaded. And Valor, a vampire without conscience or remorse. Drawn to Sophie, these irresistible men find themselves caught up in a dangerous whirlwind of magic that runs deeper than they can imagine. But Sophie can't allow her mounting attraction to keep her from her mission-because Mother's wrath destroys everything it touches. Fire Possessed is a full length reverse harem urban fantasy adventure!

Power of Fire Dec 01 2020 The secret of her power is the source of her ruin. One night, an unforgivable accident strips me of my family, my home and my identity all at once. In the wake of the destruction, Lee comes forth, who promises me all will be explained once I take my place at the Broken Academy. Whether he's a friend or foe, I can't be sure but I know one thing: Revenge requires I control the wildfire inside of me. To do that, I'll take Lee's help and his sweet kisses too. My dorm supervisor Serge's darkness and passion could be of use as well. Never mind Jason, my demonic study buddy who I'm not convinced just wants to be friends. The line between allies and lovers becomes hazy. When the time for vengeance comes, will my rage to avenge the pains of the past blind me to the promise of a new life within my grasp? I'm Cece Ford. Firestarter. Reluctant student of magic. And tonight? A hellstorm is brewing. Power of Fire is the First Book in The Broken Academy Series, a why choose, slow burn paranormal romance. Each book covers one year at the academy, from multiple perspectives. A significant amount of time is spent developing the history and lore of the world. All of the books can be read as standalone stories however series order is recommended to fully maximize enjoyment. Author note: The romance is described as "why choose" instead of reverse harem as each central female character has her cake and gets to eat it too, with multiple concurrent love interests that ebb and fall

throughout the series, however there are no steamy scenes with multi-partner action. Here's what readers are saying about Power of Fire: "Jade Alters' latest reverse harem starts with some heat and continues to fan the flames. Her new world is stunning and worth exploring. I cannot wait for Power of Magic and Power of Blood.." "It's a fast-paced and standalone book that will keep you engaged from start to finish. There's action, adventure, drama, danger, suspense, twist/turns, enemies, survival, intrigue, humor, mystery/secrets, surprises, family, friends, conflict, resolution, confusion, confidence, strength, courage, revenge, anger, magic, conspiracy, tragedy, struggles, stubbornness, romance, passion/lust and love. There's dragons, demons, vampires, fey, magicians, shifters, astral travellers and so many more characters in this story." "All I can say is WOW! This book takes you on a rollercoaster ride from page 1." "Jade Alters has given us another paranormal reverse harem hit! Power of Fire is a well-written, smooth-flowing tale about the student body of the Broken Academy. It's funny, engaging, suspenseful, entertaining and has some very steamy scenes."

Soulromance Oct 23 2022 The final book in the Reluctant Necromancer series! With everyone home safe, Esper can finally focus on finding a permanent body for Awan. But can she trust herself enough to use her powers for good—and can she tie the skinwalker to her forever? Cue magic lessons from one crazy old aunt, and a few animal test subjects. But on the cusp of success, the town faces a threat that will put Esper's murder to the test, and bring them face to face with the supernatural council. Esper never wanted responsibility. She just wanted to be left alone with her creepy hobbies and her creepy old house. Now suddenly she's responsible for the safety of the entire town of Hellsfork. Author's Note: Fed up with the usual tropes in romance and reverse harem? I wanted characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. The Nine Feb 12 2022 Tricky, like a fox. As a kitsune--a fox shifter--I have to be to survive. Sometimes it seems like the whole world wants me dead. Ironic, considering that's my job--to kill people. Thea Hunt, professional assassin at your service. But that's not my only vice. I'm also attracted to the darkest denizens of the supernatural world, the men I should run from instead of fall for. Men like Mikhail, the leader of the assassins' guild, Bennett, the local alpha wolf, and Nix, the skinwalking coyote that's likely to bring the entire shifter community to their knees. And then there are my exes--Riot and Fin. Somebody's cursing old gods, stripping shifters of their ability to change. And a trapped shifter doesn't last long without losing their mind. Nix knows; Mikhail wants me to kill him; Bennett wants me dead. Oh, and Riot and Fin are determined to make my life a living hell. As the youngest kitsune to ever get nine tails, I should be able to trick my way out of this one, right? Right?! THE NINE is the first book in the FOXFIRE BURNING series. It is a full-length reverse harem urban fantasy/paranormal romance with a spunky kitsune (fox shifter) main character and her six love interests: a vampire, a werewolf, a coyote shifter, and a few mysteries. This book includes cursing, violence, steamy scenes, and a whole lot of magic.

Bound by Magic May 25 2020 Magic I never wanted. Power I can't control. And four alluring men who are the key to it all... Ever since the Great Death killed two thirds of the magical population, the magically Gifted have used their powers to oppress the Blighted--anyone without magic. Surviving as one of the Blighted in a city like Denver means I have to be quicker, smarter, and fiercer than the magical beings that rule the city. I get by just fine working as a mercenary and assassin until I take a job on my twenty-fifth birthday. What should be a routine take-down of an incubus and his buddies turns into a major clusterf#ck when something inside me goes haywire. Turns out, I do have magic. And it's so powerful, it's bound these four men to me. Jae, the thoughtful, intelligent mage with a sadness in him I can't help but want to heal. Fenris, the sexy, devil-may-care wolf shifter with the killer grin. Akio, the incubus who pushes all my buttons--in the best and worst ways. And Corin, the human from my past who still holds a piece of my heart. They're part of an underground rebellion working for equality among the races and fighting back against the magical elite. And according to them, I may just be the missing piece in their battle. I'm Lana Crow. Mercenary. Gifted. Rebel. And my story is just beginning. Noc City (Book One) Jan 14 2022 They call me the Angel of Noc City, but it's all a lie. The cameras see what they want to see as my father spins half truths and dangerous propaganda. Darklings are dangerous. Monstrous. Unholy. They're a threat to humans everywhere, and they need to be destroyed, despite the decades of peace. But what happens when Noc City's poster girl discovers she's one of the monsters they fear? I can tell you what happens. Chaos. Fear. War. I thought death was my only way out. Sweet, dark oblivion. But I was wrong. The way out might just be through a room of chains, blood, and cravings...of sex, pain, and betrayal. My way out of this hell might rest in the hands of the most dangerous creatures Noc City's ever known. This is a DARK reverse harem book. There's a LOT of blood, sex, MM, and swears, not to mention references to suicide, abuse, and trauma. This is your fair warning, so if you say you like dark romance...please understand that this is a DARK ROMANCE.

Succubus Lips Sep 29 2020 Her lips have the power to boost. Her love can grant power unparalleled. In an ongoing conflict against ravishingly beautiful beings from another dimension, Aurora Haddix's abilities allow her to turn the tide of the battle. Born a Natch, one of the population naturally endowed with superhuman powers at birth, Aurora tries to make the right choice. Her handsome, overprotective best friend and her tortured, grizzled mentor want her to use her powers for good. Kiss a Natch and they become more powerful for a few minutes. Allow one inside her and their powers are intensified for a full day. She wants to help, but she can't get their roguish, virile former comrade out of her mind—and he wants her to join his underground band of Renegades. Then there's the dark elf king, the leader of the otherworldly Nelians determined to infiltrate Earth—Aurora's number one target and the most devastatingly gorgeous man she's ever seen. Aurora's body makes her the most sought-after Natch in a war that might end on her say-so. Only with the way her inner passion ignites at each touch, she's not so sure of her true reasons for pursuing the four alluring men who seek to possess her. Fans of speculative fiction fantasy and science fiction Reverse Harem romances from Ava Mason, Mila Young, Meg Xuemei X, Jasmine Walt, and Emma Stark will love this superpowers-meets-elven-high-fantasy love story.

Cursed by Night Jun 26 2020 My name is Ace Bissett, and I'm a paranormal detective that doesn't believe in magic. Or at least, I didn't before I met them. The day I inherited my aunt's old house, everything changed. One moment, I was convinced that magic was a hoax. The next, I'm surrounded by four winged, fanged, ridiculously hot guys who are definitely nothuman, and who insist that I'm the only one who can break the curse that binds them to the night. I know I should run far, far away from this hot mess, but there's a connection between us I can't deny. I'm seeing things I can't explain, feeling things that don't make sense. The detective in me has never been able to resist a mystery, and this one is just begging me to dig in. But all that will have to wait, because there's a new threat stalking my city. One with a taste for blood and bone, unable to be killed or captured by normal human means. It's a good thing I've got four new roommates to help me hunt them down. But even if I didn't, I'd figure out a way. Because I never give up. I never give in. And I always protect what's mine. Don't miss this delicious new reverse harem series. Serpent's Touch Jul 28 2020 The thing about fairy tales is, there's usually a catch. This one was no exception. The day I, Lilith Palmer, stopped being the Hot Topic girl and became something else started as any other, but ended in the car of a devilishly handsome man whose net-worth was probably higher than the entire neighborhood I lived in; not my usual Tuesday night. That, however, was only the start of the weird path I was about to set off on; a path that would take me to a place where reality collides with magic, where I find out everything I knew about the world I lived in was a lie, and where I'm the only woman present. There are five of them - five of the most interesting, sexy, and probably dangerous men I have ever met. They live in a mansion in the middle of rural Germany, a mansion protected by magic. And they tell me not only do they have supernatural abilities, but that I have them too, and they're here to help pull them out of me. Sounds like a dream, until that catch comes up. Supernaturals are being hunted down for the energy they possess, myself especially, and if they don't act fast to bring me into the fold, a fate worse than death awaits all of us. But triggering my supernatural side to come out won't be easy, not before I'm ready, and when the hunters step up their game and the window starts to close, it'll

take everything I have in me just to stay alive; no matter how many men would put their lives on the line to protect me. *Serpent's Touch* is the first book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. If you love the paranormal romance and urban fantasy genres, and want to read something that not only straddles the line between both, but introduces not one, but five love interests, then this is the book for you. Disclaimer: this book is part of a continuing series of novels, all which will follow the same arc over many books, but each which will tease into the next - expect to be left with questions at the end. As a reverse harem urban fantasy, you can expect there to be action, magic, intrigue, and multiple primary love interests. Sexual content will also form a part of this series, as will swearing and violence. If you're happy with all of this, then... Scroll up, hit buy now, and dive into this sexy paranormal world!

Necromance Jun 06 2021 Esper and her ever-expanding group of freaks set out to confront one of the most powerful sorcerer families in the US. It turns out Toma's brother is missing, someone out there is powerful enough to make an entire nest of vampires disappear, and Toma's family are a bunch of assholes. With all the political bull and the thinly veiled threats against Esper's kind, it's almost a relief to leave Toma's family behind. Too bad the only help she has cleaning up the sorcerers' mess is one small medium, one overly-emotional vampire, one busty werewolf, and one guy who doesn't even have a body of his own. Oh, and then there's the weird familiar with boundary issues. Just another day in the life of the world's most awkward necromancer. Author's Note: Fed up with the usual tropes in romance and reverse harem? I wanted characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. (There's nothing wrong with it, if you like that sort of thing, but it just got old for me!) People come in all shapes, sizes, personalities, and gender/sexual orientations—so when I pick up a book and have trouble telling the difference between the characters—that's a problem. *The Reluctant Necromancer series is a sequence of novellas between 35,000-40,000 words in length. While the main plot arc in each book will be resolved, there may be mild cliffhangers/segue into the next book with new issues arising. *This author's characters are as flawed and damaged as real life—do not read if you are easily offended by talk of past trauma of any kind. This includes uncomfortable situations of any kind—sexual, physical, mental/emotional. (No explicit scenes of this nature, generally, but they will talk about what's happened in the past and it may be distasteful if you are easily triggered). This book specifically references past trauma in one of the characters. *Contains mature adult content, including but not limited to: graphic sex, adult language (that means swearing, folks) and fictional situations with some gore and or action/violence. *This is a reverse harem urban fantasy, and the author firmly believes love is love, and as such includes themes of: polyamory (multiple lovers), MF, MMF, MM, FF, and MMMFF love.

Claimed by Gods Nov 11 2021 The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined—and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

Vampire Mage 3 Mar 28 2023 A mysterious stranger. Dark secrets from a forgotten past. A journey into the Underworld. Hayden and his women are in for the time of their lives. After uncovering a betrayal that

threatens everyone close to him, Hayden is set on a path that may lead him hurtling towards war. The clock is ticking and Hayden is on a mission through hidden portals and dangerous, unknown areas of the Underworld to find pieces of himself he never knew were missing. Warning: this book contains a harem, violent action, and adult content.

Innovation's Muse Sep 02 2023 Inspiration builds empires one day and topples them the next. The battle with the gods isn't going the way Lexi anticipated, which forces her to side with the lesser of two evils—Zeus and the asinine inventor he swears will make things right. Icarus has no interest in helping the bratty hero who broke things that didn't belong to her, but his attraction to Lexi is impossible to ignore, and the things she can do with illusion inspire him in new and amazing ways. Icarus is only the beginning of Lexi's problems. Cerberus is keeping secrets. Actaeon's past love is back in the most inconvenient manner imaginable. And the dead are trying to increase their numbers by calling loved ones to the other side of the veil. To make matters worse, Lexi can hear those voices crying in pain. Suddenly working with Icarus doesn't seem like such a big deal. Can she hang onto her sanity long enough to save the world from her father? The Lost Eden Jul 20 2022 I'd spent my entire life feeling like I couldn't breathe. Like I was unfit to even exist in a world controlled by elemental magic, as the only one without a single drop coursing through my veins. I was a magical dud, a misfit thrown into an orphanage by my parents as a baby and forced to work a dead end job at a magical coffee shop just to get by. In a place where everyone was extraordinary I had come to terms with being ordinary. Until my twentieth birthday when my life went up in flames- literally. But when my best friend is captured by a fire wielding psychopath who also turns out to be my fated mate I realize that there is no limit to how much of a hot mess my life can be. Great. Secrets about my past are uncovered and I find out I'm an eden, a mage with an affinity for all four elements. Only an eden can unite all of the elemental mages and unite the country against upheaval. I was prepared to master the four elements, but I wasn't prepared to fall for the three hot elemental princes who were tasked with helping me save the world. No pressure, right?

Heart of the Pride Mar 16 2022 When Gesa escaped her oppressive clan to become a bounty hunter in a growing backwater city, she never imagined she would end up dating a fae. She might try her best to deny Oisin's jokes about her starting a pride—a harem reserved for male gryphons—but Gesa is growing dangerously fond of their roommate and secretary, the unassuming human, Con. But romantic issues are the least of Gesa's worries. Her ancient, deadly fae lover is hiding something. And a spate of animal killings leads the amateur detectives right to a murderer who hides in the open, sure of his supremacy over those he hunts. When Gesa and Oisin are wounded and nearly killed, Con has no choice to take matters into his own hands to protect the pride, putting the breakable—and idiotically reckless—human right in the way of a killer. **Author's Note:** I was tired of reading the same old thing over and over again in reverse harem. Sick of all alpha male and fainting female all the time—and desperate to be able to tell the male characters apart—I tried to infuse some variety into my story. Gesa might not be your cup of tea, and that's okay—she doesn't care. Her lovers are as varied in physicality and personality as they are in supernatural race. And the characters all have their own definition of sexuality. I know reverse harem is all about the fantasy, and my fantasy is a bit outside the norm. You've been warned. **Story length definitions:** Flash fiction: 200-2,000 words Short story: 1,500-7,500 words Novelette: 7,500-15,000 words Novella: 15,000-40,000 words Novel: 50,000 words and up. *Gesa's Menagerie books are novellas of between 30,000-40,000 words.*

Noc City (The Complete Trilogy) Oct 30 2020 The Complete Noc City Trilogy - Special Edition! Book 1 Noc City Book 2 Blood Moon Book 3 Hybrid Theory Book 1 Noc City They call me the Angel of Noc City, but it's all a lie. The cameras see what they want to see as my father spins half truths and dangerous propaganda. Darklings are dangerous. Monstrous. Unholy. They're a threat to humans everywhere, and they need to be destroyed, despite the decades of peace. But what happens when Noc City's poster girl discovers she's one of the monsters they fear? I can tell you what happens. Chaos. Fear. War. I thought death was my only way out. Sweet, dark oblivion. But I was wrong. The way out might just be through a room of chains, blood, and cravings...of sex, pain, and betrayal. My way out of this hell might rest in the hands of the most dangerous creatures Noc City's ever known. Book 1 Blood Moon I've been beaten... I've been humiliated... I've been shackled... I've peered behind the masks and uncovered a world of

secrets and evil I never knew existed, and now it's time to choose my side. These men are ruthless, powerful leaders who have seen things I could only dream of. They're cunning, sinister and too alluring for their own good. I've gone from captive to complicit in a matter of weeks, and they're each tempting the darkest parts of myself I've hidden for so long now. I know what needs to be done. Even if it means jumping right back into the snake pit. I'm a darkling, after all, and I'll fight tooth and claw to bring justice to my kind. All bets are off because I'm out for blood. Book 3 Hybrid Theory I'm changing... From the inside out I'm changing and I can't stop it. Who I was, who I thought I could be... It's all gone now. A single moment was all it took to shatter everything I thought I knew about myself. A single moment was all it took to make me the most wanted woman in the world. This is a DARK reverse harem series with a LOT of blood, MMF, and swears, not to mention references to suicide, abuse, and trauma. 18+ due to graphic violence and sexual situations.

Kraken the Case Sep 21 2022 Half kraken, half fae Environmental Police Agency enforcer Iolani Lionheart has everything a person could ever want—looks, money, family connections, power, more degrees and certifications than she can count—. Too bad that's all anyone ever wants her for. Io is a fling, a means to an end, an asset to be used and tossed aside. Too intimidating, too arrogant and eccentric, she's not someone you keep. But what her clingy kraken and indulgent fae natures want more than anything is a mate (or mates) to hoard. After her most recent power-hungry lover betrays her, Iolani is fed up and desperate to get away. An ocean-side investigation in Florida sounds like a great way to get her mind off her moping and get some much-needed saltwater rest and relaxation. She might even find a fun partner to help her forget the latest disaster of a relationship. But of course, nothing is that easy. The simple pollution case she's investigating turns out to be more complicated than she had hoped, one of her exes returns to haunt her, and the cute water nymph barista she's been wooing might be unable to accept Io's fluid gender and intimidating family—just like so many others before her. Would anyone blame her if Io just started eating everyone who pissed her off? The Kraken's Cult series takes place in the same universe as the Gesa's Menagerie and Gods and Demons series, but with a new cast of characters. This series takes place thirty years after the events in Gods and Demons, in a world where supes are (mostly) integrated with human society. While reading the previous series might give you a deeper experience or insight into side characters, Kraken's Cult is also able to be read as a standalone series. Author's Notes *Kraken's Cult books are longer novellas to shorter novels (40,000-50,000+) words. They may or may not include cliff-hangers. Typically, one plot thread will be resolved or "resolved for now," while others may continue to build throughout the series. There's none of that "book that ends abruptly in the middle and I'm gonna call it a novella" stuff. *Includes mentions of past trauma, including but not limited to: implied threat of sexual abuse as a minor, bullying, violence, emotional trauma. *So much swearing. Seriously. *Explicit sex with varying levels of heat and kink possible. *Series contains M/F, F/F, M/M, MMMMFF romance. *Characters with gender fluidity, non-binary/intersex characters, gender bending/gender swap, gray ace, and any other orientation you can think of may appear in this series. *Let's face it, you're thinking about reading a book with a kraken main character. There may be tentacles put to use in ways that make some people uncomfortable. It's just to be expected.

Runes of Royalty Jul 08 2021 Protector. Angel. Assassin...and now Queen. Evie is now queen of the protectors, and rumoured queen of the demons aswell, but dealing with the black magic she can't control is far more dangerous than either of those titles. The protectors have fallen, demons along with them, and earth is not far behind. Can Nix, Trex, Connor and Azi help Evie survive a power no one understands? Or knows how to stop... With random portals opening everywhere on earth, a war to be won and Cex tracking her every move, can the assassin-now queen- win the war? Demons will rule. 18] RH

Runes of Mortality May 18 2022 Death should have been the end, but instead, it's the start of my revenge... and they won't see me coming. Evie survived a trip to hell, literally, to find herself somewhere

even more dangerous, with the angels. Angels who do not want to let her leave, not without a paying a price for the life they saved. Angels. Demons. Protectors and more secrets than one world should hold. Who can Evie trust when everything is a lie? When it's time for the assassin to return, and to claim what is hers, who will be on her side? 18+ Reverse Harem romance.

The Reluctant Necromancer Series Apr 28 2023 Reverse harem that turns the tropes upside down
Reluctant necromancer Esper Jones has a quiet life, hidden away with her freak looks, and her freak powers, in her freaky old witch's house. Until a beautiful, ghost-whispering medium blows into town and destroys her carefully crafted, people-free life. Now, the supernatural world is revealing itself to Esper at an annoying rate, and all the assholes seem to have expectations. She's hearing voices in her head, monsters are running amok in Hellsfork, and there's this needy vampire she can't seem to shake. Somewhere between the black witches, hungry ghouls, and cowboy vampire hunters, Esper finds herself at the center of a growing circle of people who actually seem to care for her (for some weird reason). Including an ancient skinwalker who wants her to find him a body. Then there's the werewolf. And the goblins. And the cat who isn't just a cat. This weird necromancer is building a murder of powerful lovers. Now if she can just keep them all alive, when death is really more her thing.
Author's Note: Fed up with the usual tropes in romance and reverse harem? I wanted characters that are more than the fainting female and alpha male cookie cutter stereotypes that saturate the genre. Serpent's Kiss Aug 01 2023 Five men stand between me and the deranged cult that wants me dead, but that's not all that's going on. When the Keeper asks me to come to London with him, I figure all he wants is to show me off to some of his academic friends. As the last of my kind, I guess I am something of a show and tell project, even if no one would ever say that to my face. As soon as I arrive in London, however, and figure out the truth about what's going on, everything changes. Suddenly I'm no longer visiting a city I've always wanted to see as a tourist, I'm knee deep in an investigation that blows open a whole new can of worms. As if having a cult hell-bent on killing all of the female supernaturals they could get their hands on hunting me down wasn't bad enough. It seems like there's nowhere I can go to escape the people who want me dead, but as things start coming to light, I realize there are more forces at work than any of us had thought, and these forces have an agenda that goes way beyond just killing people. Time is running out, and right now they have the upper hand, because we don't know who they are, what they really want, or where they're hiding, but I have to figure this all out, and fast, because people's lives are on the line, and not just my own. Serpent's Kiss is the third book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. If you love the paranormal romance and urban fantasy genres, and want to read something that not only straddles the line between both, but introduces not one, but five love interests (possibly more), then this is the book for you. Infernal Desires Jun 18 2022 Enjoy the third installment in the bestselling why choose demon romance series from urban fantasy and paranormal romance author Kel Carpenter... They say there's no rest for the wicked, and New Orleans never knew how true that was until I came to town. Nobody told me that when I entered the transition, the very gifts of my demonic lineage would be used against me. Nobody warned me that the flames of Hell would burn from within. Or that I'd be driven to lust and madness, my chaotic magic becoming more wild and unruly than ever before. The only way to save myself and the world was to give the beast what she wanted: control. As if transitioning wasn't enough, my presence was now known, and my enemies were mounting. While the beast was intent on claiming our Four Horsemen, there were things to be done. People to find. Demons to kill. And when they make a deal with the devil let's just say that neither world will ever be the same again. Long live the Queen. If I can survive becoming immortal, that is. Author's Note: This is a COMPLETED adult paranormal romance series with multiple love interests and some dark elements. If you don't like strong but flawed women and alpha-hole heroes that need to learn a thing or two about boundaries--this book is not for you. If you love works by Lexi C. Foss, Mila Young, C.R. Jane, Meg Xuemei, and May Dawson, then jump right in. One click to start reading now!

Power Of Blood Aug 09 2021 Blood can be shared or it can be spilled. All in the name of family. I've

never been too keen on solving the mystery of my biological parents. After all, who abandons a baby with enough power to bring the realm to a scorching end? Tensions among the allied Kyrie races mount, each with their own agenda: the Vampires plot for an endless blood supply, the Fey yearn to bring their realm to earth, and the Magicians demand a return to rule and the old ways. It's the Kyrie vs the Academy and shifting allegiances is the name of the game. On top of it all, three lovers should be enough for anyone, but the Dragonlord insists a fourth vampire consort may be valuable to our cause. Sacrifices must be made after all, right? Amidst the uncertainty, an ancient enemy lurks and our magical mishap just opened the door

Power of Blood is the Third Book in The Broken Academy Series, a reverse harem, slow burn paranormal romance. All of the books can be read as standalone stories however series order is recommended to fully maximize enjoyment. Author note: The romance is described as "why choose" instead of reverse harem as each central female character has her cake and gets to eat it too, with multiple concurrent love interests that ebb and fall throughout the series, however there are no steamy scenes with multi-partner action. Here's what readers are saying about Power of Blood: "This book made me warm moist and intoxicated from one eye-popping ravenous page to the next. This story was definitely smokin hot with an intriguing storyline that kept me thirsty excited and on edge... I love this book it was so crazy I can't wait for the next it was such a page-turner took my breath away definitely 5 * read." ⭐⭐⭐⭐⭐ "This series keeps on getting better and better. It's fast-paced, action-packed and full of twists and turns. Loved it!" ⭐⭐⭐⭐⭐ "In Power of Blood Jade Alters has spun a dangerously deceptive paranormal tale. The Academy is ready for war but never expected it to come from within again" This is the best book in the series, so far. Pick up a copy, you will not be disappointed!" ⭐⭐⭐⭐⭐
