A book of 26 songs, lyrics only, solely for the use of the South Cushing Baptist Church, which is owned and preserved by the Cushing Historical Society of Cushing, Maine Neil Young's Harvest is one of those strange albums that has achieved lasting success without ever winning the full approval of rock critics or hardcore fans. Even Young himself has been equivocal, describing it in one breath as his "finest" album, dismissing it in the next as an MOR aberration. Here, Sam Inglis explores the circumstances of the album's creation and asks who got it right: the critics, or the millions who have bought Harvest in the 30 years since its release? Excerpt The White Falcon's split pickup might have been just a gimmick from the early days of stereo, but the way Neil Young uses it on 'Alabama' is remarkable. His muted picking brings stabbing notes first from one speaker, then the other, as though we were hearing not one but two guitarists, playing with an unnatural empathy. The electric guitar has seldom sounded so menacing, and Young's growling rhythm and piercing lead notes are tracked perfectly by Kenny Buttrey's bare-bones drumming. The build to the chorus is beautifully judged, and when Young and his celebrity backing singers let rip, there's an almost physical sense of release. A great way to introduce your kids to the life cycles of pumpkins and apples, and the beauty of Fall! Two stories each told to the rhythm of familiar kids' songs make learning about how things grow fun and memorable. Each song is followed by fun facts that will educate and engage. The novel is structured as a series of vignettes revolving around the origins and experiences of African Americans in the United States. Pull out all the stops for harvest or Thanksgiving worship with this majestic hymn concertato on Come, Ye Thankful People, Come. Certain to become a perennial Thanksgiving favorite, this extraordinary arrangement by Mary McDonald is available in SATB and SAB editions and features several performance options. Larger choirs will sound especially impressive when accompanied by piano and organ with either handbell choir, brass quartet, or both! Smaller choirs will sound equally thrilling when accompanied only by piano and organ. A full choral/instrumental score and parts are available separately. Written in a variety of popular musical styles, these songs can be used in worship and on other occasions. The collection is arranged according to the seasons of the church and themes of Christian life. (Glory Sound Simply Sacred). The increasing treasury of modern hymns and sacred songs by Keith and Kristyn

Getty and collaborator Stuart Townend are explored in this new resource designed for choirs of any level. Many of this writing team's biggest successes are included, all lovingly adapted by some of our most gifted arrangers. Music for the entire church year is contained in this collection. Transcending stylistic boundaries, the music and message are home in both contemporary-styled worship venues and traditional programs. Creative instrumental adornments offer additional options for performance while sensitive arranging make this compilation accessible to choirs of any size. Available separately: SAB, Listening CD, Preview Pack (Book/CD Combo), 10-Pack Listening CDs, Instrumental CD-ROM (Score & parts for flute, penny whistle, oboe, acoustic guitar, electric bass, drum set, percussion, violin 1 & 2, viola, cello *Note, instrumentation varies on each song), StudioTrax CD (Accompaniment Only), SplitTrax CD. Life greets us in different ways each day: We experience joy, confusion, doubt and grief. We walk through seasons of loneliness and times of closeness with God, family and friends. Each event, the birth of a new baby, the death of a loved one, the sound of a familiar melody, can be an occasion for prayer. In *A Book of Simple Prayers*, beloved songwriter Gloria Gaither shares the prayers she has prayed in moments like these. At times questioning, playful, trusting or anxious, this collection of Gloria's prayer poetry is a medley of honest and open-hearted conversation with God. With her renowned mastery of language and matchless instinct for just the right turn of phrase, she invites us to pray along with her, expressing our hopes and heartaches to the God who listens. We sing hymns with passion and joy, as an outgrowth of our personal relationship with the God of the universe. We carry them in our hearts and minds and teach them to our children. We may add in other songs of praise, but we return often to the time-tested anthems as a theological anchor, rich in truth and glorious in their reverence of the Almighty. King David's proclamation to "Sing to the Lord a new song . . ." (Psalm 96:1) is a most suitable response to our Heavenly Father, whose mercies to His beloved are new every day. The hymns in this book are new songs, in a variety of musical styles, for both personal and corporate worship of our Lord. Author Dave Fillman served for 21 years as an officer in the Air Force and presently works as an attorney at the Pentagon. He has played piano for 45 years, written music for almost as long, and served in many music ministry roles. He currently leads a church worship team, sings in the choir, and is a leader and pianist in an interdenominational Bible study. The end of the age brings with it two opposing prospects for every person - mercy or judgment. We need not only to choose mercy, but to invest our lives in sharing God's gracious offer of mercy to those whose prospect is judgment. In this booklet, Derek Prince shows us from Scripture that God has given us a wonderful gift in the Holy Spirit. He comes like the rain to empower us to bring forth a bountiful harvest. Learn how to be used by God to increase the harvest of mercy and establish Christ's Kingdom on the earth. Practical guidelines for the effective use of music in local and global ministry. In this flexibly voiced selection, Patti Drennan blends a favorite harvest text with a lilting folk melody and adds acoustic instruments for a true slice of Americana. "Sing to the Lord of harvest, sing songs of love and praise; with joyful hearts and voices your alleluias raise." This epic panorama of rural Bengal, is set in the time of the Tebhaga movement of the 1940s, the peasants' uprising against unjust 'taxes' by landlords that was led by the Communist Party. Spanning generations, this story relates how the struggle changed rural Bengal. Roy depicts a range of women, educated and the less educated, who join the struggle and find some freedom in their lives. With a rare sensitivity and a tremendous sweep of vision, she narrates the triumph, the idealism and the stories of those who fought for or resisted change.
