Explorer's Guide to Genesis Mar 17 2023 This is a book that allows players to adventure in the pre-flood mythological

world of Pangea compatible with Dungeons and Dragons 5th Edition ruleset. INTRODUCTION: The World is ending... The gods are angry... The people want blood. Welcome to the Genesis Campaign Setting, a prehistoric world of violence and blood. A group of powerful beings called The Watchers were supposed to guide the world but instead fell in love with all it had to offer. Their offspring, the gods, war with these Titans and have set themselves up in various regions as separate pantheons of deities over the mortals. Dragons and Dinosaurs roam Pangea devouring the mixed blooded races all the while there is a prophecy of the world coming to an end, drowned in death. The world is young, only a few centuries past its first millennium. Magic is wild, powerful, and supernatural. The citizens of the world are violent, hardy, and bestial. The powers of good and evil are at a constant war. Paradise and Sheol are physical places in this world, as are Elysium, and Valhalla. From the six fingered frost giant Thor and his mighty hammer Mjollnir, to the half-blooded Nephilim Hercules and the fire breathing Leviathan Lotan, many legends have found their place in Pangea. A side note of historical and religious accuracy: Have you ever wondered if the myths of the ancients were based in fact? Have you ever wondered what the prehistoric pre-flood biblical world would look like in light of works such as the Book of Enoch and the Epic of Gilgamesh? As a religious studies major, I do not believe that this setting will be 100% accurate to what the biblical creation theory suggests, but all works herein are created with a sense of "What if?". What if Thor and Zeus and these deities were actually the "Men of Great Renown" mentioned in Genesis Chapter 6. What if the Titans that battled and birthed the gods are these Nephilim mentioned in scripture and referred to as Titans by the Greeks. Creative

license is obviously taken to create a fun campaign setting, but I hope this inspires all who play with a sense of wonder. What if this setting isn't as fantastical as we think?

Being Dragonborn Feb 04 2022 The Elder Scrolls V: Skyrim is

one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of Skyrim is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, Skyrim is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. Being Dragonborn, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing Skyrim, in many ways, is akin to "playing" 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics of modding, rhetorics of gameplay, and narrative features.

Dragonborn Aug 22 2023 Dragons. Magic. Rents in time. Dragonborn follows the journey of the young prison guard, Ervig Greenfields, as he seeks out dragons to remove a curse. The dragons offer him access to the Labyrinth of Times, which purges dark magic. But there's a catch. To enter, he must take the Dragon Oath—an oath to secrecy that requires allegiance to the dragons and a promise to fight alongside dragonkind for centuries, never to return to his own time. Dragonborn conjures up a winning recipe with prophecies of destiny, humans, and dragons working together to navigate through time to put the pieces in place. Dragons of the Thornose and Goldenhorn clans must learn to work together and to trust the humans. Not all humans, but the handful of people chosen to be Dragonborn. Together, they must overcome the spirits of evil living within the magically protected Book Darkmore. The Dragonborn, and their dragons, become seeds of change in this epic tale, of

sacrifice for the greater good. Ride along with them as they slip through a tear in time to the past to change the future.

Between Gods and Mortals Book I: Dragonborn May 27 2021  
Doing Text Feb 21 2021 This collection re-imagines the study of English and media in a way that decentralises the text (e.g. romantic poetry or film noir) or media formats/platforms (e.g. broadcast media/new media). Instead, the authors work across boundaries in meaningful thematic contexts that reflect the ways in which people engage with reading, watching, making, and listening in their textual lives. In so doing, this project recasts both subjects as combined in a more reflexive, critical space for the study of our everyday social and cultural interactions. Across the chapters, the authors present applicable learning and teaching strategies that weave together art works, films, social practices, creativity, 'viral' media, theater, TV, social media, videogames, and literature. The culmination of this range of strategies is a reclaimed 'blue skies' approach to progressive textual education, free from constraining shackles of outdated ideas about textual categories and value that have hitherto alienated generations of students and both English and media from themselves.
