To record reminiscences of local families with historic backgrounds in Stirling. The West Branch of the Feather River in northern Butte County was once a rich mining region. In 1859, an incredible 54-pound gold nugget washed from the flanks of Sawmill Peak, named for the ridge's other main industry, logging. An intricate web of stage roads, and later railroads, linked the little mining and lumber towns that dotted these peaks covered in giant white and ponderosa pine. Steam engines hauled huge logs to mills like the Diamond Match Company, crossing steep canyons on wooden trestles stretched to heart-stopping heights. Some early mining towns like Magalia (once known as Dogtown--site of the gargantuan nugget) and Stirling City, are still there. Others like Nimshe, Lovelock, Toadtown, Powellton, Chaparral, Coutelenc, and Inskip, are ghost towns, inhabiting only the photographs that memorialize their short heyday. A programme for the civic reception and a brief history of the Club from 1956. Secret Stirling explores the lesser-known history of the central Scottish city of Stirling through a fascinating selection of stories, unusual facts and attractive photographs. Minimal record. This book tells the amazing story of Stirling's history from earliest times to the modern day. Some of the most pivotal moments in Scottish history occurred in the city's surroundings, including the greatest military victory in Scottish memory. Exactly 700 years ago, an English army marched into Scotland intent on crushing Scottish resistance once and for all. The site they chose for their attack was Bannockburn – where the Scottish troops were waiting for them. One of King Edward's own knights captured the resolution of the Bruce's men: 'these men,' he said, 'will conquer or die.' And conquer they did, shattering the English army and harrying them all the way back to the border. But there is more to central Scotland's premier city than one battle: illustrated with 120 pictures and filled with curious, interesting and quirky facts throughout, this book will interest anyone who knows and loves this part of Scotland.
