New to the Random House list is author Bill Doyle with a tale of monsters, magic, and mayhem. After Keats and Henry lose their bikes, they need money—fast. So the help-wanted ad at the supermarket seems ideal for them. All they have to do is weed Hallway House's garden, find some lightbulbs in the attic, sweep the garage . . . and battle a shark-headed zombie. But no one told them about the giant bookworms in the library, the toe-biting carpet in the halls, and the kitchen sinkhole! Over 1 million sold in series! Patrick and Beth learn that Mr. Whittaker's fancy ring can be seen inside the Imagination Station but not outside of the machine. A mysterious letter leads the cousins to fifth-century Rome in search of a special cup that belongs to a monk. If found, the cup could keep the mysterious Albert out of prison. At the Roman Colosseum, Emperor Honorius is hosting a gladiator battle in celebration of a war victory. Beth attends the event as the emperor's slave; Patrick attends as a monk's apprentice but is taken prisoner and sent to fight in the arena. During their adventure, the cousins meet Telemachus (a true historical figure), a monk who believes that fighting is wrong. Telemachus is willing to risk everything—even his life—to stop the killing. When the cousins return with the cup, they find that a third letter has been sent with more information about Albert's fate. A guide to the locations from "Star Wars, Episode II, Attack of the Clones" includes the planets Coruscant and Kamino, as well as details and cross-sections of sites from the Jedi Temple to the execution arena on Geonosis. When Pleskit, the world's first alien third-grader, and his friend Tim get fed up with bully Jordan Lynch, they decide to use a molecule depressor to teach him a lesson. The plan backfires when their teacher gets accidentally shrunk. In the rainforests of Brazil, there's trouble in the local villages--and Batman is on the case! Everything in life is, in a sense, unexpected. From the people you meet to the events you experience. But sometimes the unexpected attacks. It eats at you and fundamentally changes where you are and where you are going. September 11, the credit crunch, and the rise of the World Wide Web are recent examples of agenda changing megaevents that we were forced to react to in some way or another. This book, by one of the world's leading trendspotters, is designed to help you understand the nature of unexpected events and how we are affected by it on an individual, corporate and societal basis. Building on studies of and interviews with people who have in some way been "attacked" and significantly affected by the unexpected, its aim is to help you stop fearing uncertainty and start embracing and leveraging it to your advantage. The Attack of the Wicked Zombies is about two best friends named Aven and Steven. In this book, these friends mess with a mosquito during their sports practice in school, which leads to a page-turning twist. On the other side, there is a mysterious person who is converting normal people in zombies, one by one. These friends are committed to find and destroy this mysterious person and hopefully, stop the

zombie apocalypse by using a secret weapon. What happens after they mess with the mosquito? What is their secret weapon, and how to use it? Will they be able to save the world? Well, this is up to the reader to ahead and find out...of course, the answers are in the book. 2015 San Francisco Book Festival Honorable Mention! Flying saucers! Rampaging monsters! Genetically modified super geniuses! Forbidden love between a pop singer and her alien romeo! It's Attack of the Vyperians in thrilling 2-D! When a race of alien octopuses arrives to "befriend with benefits" Earth's women, a motley collection of humans find themselves thrown into a war zone of giant monsters, ancient enemies, and horny interplanetary beings that just can't keep their tentacles to themselves. James "Crash" Jefferson - Cable TV adventure show host. Egomaniac. Emmy award winner. Irresponsible lover. The only person banned from South Africa for choking a giraffe to death during a Make-A-Wish trip, Crash is his own biggest advocate and worst enemy at the same time. Pulled across the planet by forces he doesn't understand, Crash does what Crash does best - swing hard and let others clean up the mess. Jennica! - As a global pop music superstar, Jennica! secretly wishes for nothing more than to wrest control of her own life from those that want only to use her as a pawn to profit from. Unfortunately, the exact opposite happens yet again as she becomes the vessel of choice for the Vyperians' devious plan. Dr. Frank Faraday - Pushed from childhood to be the next super-genius scientist extraordinaire, Frank Faraday recieved his first PhD at age 20 and then subsequently suprised everyone around him by disappearing off the grid. For the first time in his life, Dr. Faraday had a taste of freedom as he left the stresses and pressures of his past life behind him. Until, that is, a secret organization made him an offer he should have refused. A science fiction comedy born from a love of the golden age of ridiculously awesome monster movies, "Attack of the Vyperians" will capture your attention from the first page and keep it all the way to the second. Uh, end. I meant end. How do I go back? How do I edit? Hello? When a cheetah exhibit opens at the National Zoo in Washington, D.C., PRINCESS DIANA arrives to witness the event. At the grand opening, the rare cats suddenly escape, fleeing through a crowd of frightened zoogoers! DIANA quickly transforms into her secret identity, WONDER WOMAN, captures the cats and saves the day. But when the cheetahs continue their odd behavior, only one thing can explain it. The cat-like super-villain, CHEETAH, is on the loose! Emmy and her best friend Maddie discover a monster. Luckily it's the cutest one ever. Unluckily it's still a monster. For use in schools and libraries only. This series offers lots of chills and thrills with no graphic violence. Anna and Johnny Greger are looking forward to a quiet day at home. When Jonny's science project - a robot - attacks Anna, she thinks it's just Johnny playing a joke. But she knows something is terribly wrong when her hair dryer flies, their video game shoots back at them, and the lawn mower takes off on its own. But a house can't attack people. Or can it? NATIONAL BESTSELLER To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an "outrage industrial complex" that prospers by setting American against American, creating a "culture of contempt"—the habit of seeing people who disagree with us not as merely incorrect, but as worthless and defective. Maybe, like more than nine out of ten Americans, you dislike it. But hey, either you play along, or you'll be left behind, right? Wrong. In Love Your Enemies, social scientist and author of the #1 New York Times bestseller From Strength to Strength Arthur C. Brooks shows that abuse and outrage are not the right formula for lasting success. Brooks blends cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America's top policy think tanks in a work that offers a better way to lead based on bridging divides and mending relationships. Brooks' prescriptions are unconventional. To bring America together, we shouldn't try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn't be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. Love Your Enemies offers a clear

strategy for victory for a new generation of leaders. It is a rallying cry for people hoping for a new era of American progress. Most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another, despite our differences. This laugh-out-loud children's book prepares students for the New York State Assessments and is aligned with the New York State Learning Standards for Language arts, mathematics, science, and social studies. Attack of the Chicken Nugget Man is a hilarious story that teaches and references second through fifth grade educational concepts, and even though it's 100% correlated to the third grade New York curriculum, it teaches concepts that students in all states need to learn! This breakthrough educational book tells the story of a struggling third-grader (Chris Robb) who desperately wants to pass the third grade New York State Assessment. Chris's school is a crazy place and his teacher has the strangest name he has ever heard: Ms. Bubblebrain. Every character in the book has a unique personality trait. Smelly Sam stuffs random objects up his nose (sushi, socks, etc), the bus driver waves around his stinky shoe to get the kids to settle down, and the principal harbors an incomprehensible infatuation with strawberry milk. Meanwhile, rumor has it that a mysterious Chicken Nugget Man has been sneaking into schools and causing all kinds of chaos. A task force is created to capture the Chicken Nugget Man. The country's smartest children will be chosen to join the effort because for some reason, no adult has ever seen the Chicken Nugget Man. Chris, who can barely remember his teacher's name, has the odds stacked against him when it comes to passing the New York State Assessment, but as the reader discovers, he might have a little help, and a little hope, after all. The book has built-in Bloom's Taxonomy critical thinking comprehension questions that are written in kid-friendly language. A strong emphasis is placed on character education in the book and every time a character makes a poor choice, the narrator reminds readers of the consequences, encouraging them to suggest more responsible choices. This delightful work of humorous fiction makes learning fun and helps students in all states prepare for standardized tests. It's great for fourth and fifth grade remediation, gifted second graders, after school tutoring, read-aloud, literature circles, guided reading, and family reading nights. Key educational features in the book: Built-in comprehension questions Math, science, social studies, language arts and reading concepts taught through a fun, fictional plot Educational illustrations Tricky words are labeled with images for ELLs and struggling readers Officially leveled text Full list of referenced educational standards/concepts in the back of the book Math word problems "Knowledge Nugget" educational fact boxes Math skills, including: problem solving, properties, fractions, equations, and geometry Social Studies skills, including: leadership, New York history, geography, citizenship, economics, and world history Science skills, including: physical science, life science, magnetism, and matter From the author and illustrator of A Tiger Tail comes a fun and silly picture book about one larger-than-life—and quite plush—tantrum. Claire and Fluffy are best friends. When Claire is happy, Fluffy is happy. When Claire is sad, Fluffy is too. When Claire is mad? Well, we don't want to go there with Fluffy... But as the day progresses, everything that can go wrong, DOES. Claire has tried to keep it all together. But now, her anger has got the best of her! And Fluffy is unleashed. Join Mike Boldt on a humorous, larger-than-life story of one of the tenets of being a kid: the TANTRUM. When Scott and Glen decide to use water from Fear Street Lake to grow their Aqua Ape, they had no idea that the tiny little creature would keep growing...and growing...and growing. And its teeth keep getting sharper...and sharper...and sharper. Will Scott and Glen be able to contain their destructive new pet before it's too late? Something smells fishy in the underwater kingdom of Atlantis. The merfolk claim the mighty kraken is attacking their city and threatening their safety. They have called yeti Blizz Richards and his team of cryptozoologists to track and capture the beast. But something about their story isn't holding water... To find the kraken and get some answers, Blizz and the gang will have to face man-eating sharks, powerful magic crystals, giant crabs, and find a long lost hero in the furthest reaches of the deep. Visual tour of the sequel to Star Wars episode 1 : the phantom menace. In what is described as "an 8 year old's fever dream," New York Times bestselling author introduces us to Bill Waddler. Bill is a duck who dreams of being smothered by farting snakes. He also has a special gift. He is able to hear appliances complain. Imagine what toilets would complain about. Bill doesn't need to imagine. While working as a cash-only hay seller (that doesn't accept credit cards), Bill doesn't know that he, and a very confused orange juice sales clerk, are about to save the world. If you could hear this book complain, it would be saying "where have you been all my life?" After starting at a new school, a nerdy seventh-grader becomes a reluctant superhero. In the

1970s, Asian carp were brought to Arkansas fish farms. Many escaped, and they've been invading US waterways ever since. Through the story of the Asian carp, readers learn about invasive species and the harm they cause to native plants and animals. Examples of recent attempts at controlling the Asian carp population, accompanying fact boxes, full-color photographs, and maps help readers understand the extent of the invasion. An overarching theme of conservation and respect for existing ecosystems add to the main content's inclusion of science curriculum topics such as animal life cycles and food chains. A long time ago in a galaxy far, far away... A galaxy is undermined. An army emerges. A love is forbidden. A dark turn approaches. The saga continues. "At the science fair, the exhibits are goofy: vegetarian piranha fish, Hamburger Helper face cream and wrinkle-free bacon. Unfortunately, Pamela's green potato project was rejected and she vows revenge. Meanwhile, on the remote island of Malibula, something awful has happened at the 'Unusual Bug Research Center.' The once friendly grasshoppers have turned nasty. What has this to do with the science fair? The face cream has the grasshoppers as a prime ingredient. Anyone who slaps on the goop becomes ... no, it's too horrible to report! The trapped students pin their hopes for rescue on Captain Cracknuckle and his SWAT team"--Playdatabase.com, viewed on December 11, 2018. In the rainforests of Brazil, there's trouble in the local villages--and Batman is on the case! Supernatural spuds... mutant tubers... potatoes with a plan! What does Arnold Mayhew get when he and his friend accidentally combine a stolen test tube full of humongosaurus dinosaur growth hormone with a sack of ordinary Idaho potatoes? They get some pretty mean potatoes -- the size of ten-story buildings! Of course, Arnold's sister Courtney thinks the whole thing is a great science fair project. And his best friend Max Beekly thinks it's a hilarious practical joke. But there's nothing funny about these potatoes. They've taken over the subway system, they've invaded the baseball stadium, and they're out to destroy the city. These potatoes won't be fried, they won't be mashed, and they must be stopped...before they scallop the whole town! Funny graphic novels for young readers. Mama, Papa, and little sister Cassy are all too busy, leaving Maxwell disappointed and alone. When Maxwell gets called to dinner, he finds an empty dining room. Could his ninja clan be up to something? This sequel to Ninja! is both action-packed and heartwarming. Brave knights, fire-breathing dragons, and underwear -- every kid's favorite things in one paperback picture book illustrated by #1 New York Times bestselling artist Pete Oswald! Cole's wish comes true when he becomes an Assistant Knight to Sir Percival, his favorite Knight of King Arthur's Round Table. Cole learns how to ride a horse, swing a sword, cheer for Sir Percival when he goes to battle, and bandage his boo-boos when the battle is over. Cole loves practicing every skill a Knight-in-Training must master and he is determined to be granted knighthood. Sir Percival is a great knight in every way, except for one thing: He is terrified that an Underwear Dragon will come and destroy the kingdom. But when the unthinkable happens, Cole is the only knight left standing (and just an assistant knight at that!) Cole must use all of his newly acquired skills to battle the fearsome dragon and avoid a catastrophe. Luckily, an unfortunate underwear mishap changes everything and Cole triumphs in this hilarious and triumphant tale! Kids will recognize themselves in our pint-sized hero. This second book in the wildly wacky Snoop Troop series is just right for newly independent readers, with art on every page, interactive seek-and-find elements, and a chance to solve the mystery! Fourth-grade detectives Logan Lang and Gustavo Muchomacho have landed their next case: a sneaky ninja is stealing the town's potato supply! The gumshoes are pretty sure a weirdo kindergartener named Chapster (who has a serious fondness for gouda cheese and cats) is the thief, but they soon discover that this case goes far beyond one crazy kid. There's a whole army of Chapster clones waiting for them! Who is creating them, and why would the mastermind behind this nefarious plot want to take away tater tots and

Introducing the second novel of the brand-new series about the aquatic world of Minecraft! Brothers Mason and Asher have only ever known the comfort of dry land in the Overworld. But when a terrifying shipwreck leaves them stranded, their new friend Luna urges them to safe haven—underwater. In each story of the all-new series for Minecrafters, Aquatic Adventures in the Overworld, this unlikely trio must make the choice of staying in the world they know best and risk death, or voyaging into an unknown world where anything could happen. Follow their journey as Mason, Asher, and Luna face incredible obstacles and discover strength they never knew they had in Aquatic Adventures in the Overworld. In the second novel of their aquatic adventures, Mason and Asher’s underwater base seems safe and peaceful, except for the fish-beast guardians that swim past. But when glowing eyes appear—watching the brothers through their glass walls—they realize they’re trapped. The Drowned are everywhere! Food is running low and a leaking roof threatens to cave in. Will Luna arrive in time to help, or will Mason need to leave his home and face the Drowned head-on? In the sixth book of this hilarious series, Wally's brush with death has made both him and Cheyenne even more determined to stop the Ont Queen and her millions of minions from enslaving the human race and ending life on Earth. Only in this 10th Anniversary edition, readers are treated to a prologue and an epilogue along with the reading tools featured throughout the Library of Doom series. “A lighthearted, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson’s Whales on Stilts.” —Booklist When Joules and Kevin Rockman’s parents drop them off at Camp Whatsitooya on their way to an International Spamathon, the twins expect a summer of marshmallows, campfires, and canoe trips. What they do not expect is to defend the earth from an invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy. Happily, the Rockman twins, veteran

watchers of the Late, Late, Late Creepy Show for Insomniacs, are unusually well-prepared for dealing with monstrous beings from outer space. If only their fellow campers were so lucky. Andrea Beaty, New York Times–bestselling author of several very funny picture books and a mystery novel, here reaches new heights of hilarity and verbal dexterity in a novel sure to become a camp—ba-dum-dum—classic. “Beaty’s tale of high silliness is sure to please, and it’s dotted with Santat’s mini-comics and spot illustrations, which move the story along.” —Kirkus Reviews “Beaty’s storytelling is lighthearted and fast-paced . . . her unconventional and entertaining narrative make it a wholly fun read.” —Publishers Weekly This book “ . . . explains how social media can be used to destroy as well as to build. It offers actionable strategies to prevent and prepare for disasters before they strike your company. And it shows you how creative engagement can turn critics into raving fans.”--Back cover. New York Times bestselling author Lauren Tarshis tackles the historic grizzly bear attacks in Glacier National Park in this latest installment of the groundbreaking I Survived series. No grizzly has ever killed a human in Glacier before . . . until tonight. Eleven-year-old Melody Vega and her family come to Glacier National Park every year, and it's always been a place where she can forget her troubles. But this year is different. With Mom gone, every moment in the park is a heartbreaking reminder of the past. Then Mel comes face-to-face with the mighty grizzly. Now her only thought is one of survival. Mel will soon be a part of one of the most tragic seasons in the history of America's national parks - a summer of terror that will forever change ideas about how grizzlies and humans can exist together in the wild. Zak Nine and Erro have escaped! But now they find themselves lost in a vast forest of alien birds and deadly plants. Things grow even worse when they hear strange buzzing sounds just above the treetops attack drones! The prison guards are searching for the boys using a flock of remote bots, armed with flame-throwers and sleeping gas! Will the boys outwit the bots and find a way off Planet Alcatraz? The exotic flora and fauna just might provide a solution to the high-tech hazards hunting our heroes. The original series from the Master of Fright -- now a major motion film with a sequel premiering October 12, 2018! PUMPKIN POWER! Nothing beats Halloween. It's Drew Brockman's favorite holiday. And this year will be awesome. Much better than last year. Or the year Lee and Tabby played that joke. A nasty practical joke on Drew and her best friend, Walker. Yes, this year Drew and Walker have a plan. A plan for revenge. It involves two scary pumpkin heads. But something's gone wrong. Way wrong. Because the pumpkin heads are a little too scary. A little too real. With strange hissing voices. And flames shooting out of their faces...
