Trainees in subspecialty of geriatric psychiatry and general psychiatry need to master core competencies in geriatric psychiatry in order to practice. This book is designed to provide short-answer question-based learning centering around the core curriculum topics in geriatric psychiatry and is primarily ideal not only for medical students, residents, and fellows, but also for psychiatrists preparing for re-certification. This book features approximately 300 short-answer questions on geriatric psychiatry topics, each comprising the stem of a brief clinical scenario or concise question with expected number of answers. The book also features detailed teaching notes, graphics, and the respective source references. The format is consistently structured from chapter to chapter, practical and concise, and designed to enhance the reader's diagnostic and management ability and clinical understanding. Each answer includes a concise discussion, pertinent illustrations, and source references. This text is a valuable reference and teaching tool that provides an opportunity for learning across a rapidly growing field. The material covered matches the existing postgraduate curricula in geriatric psychiatry and helps prepare candidates for their specialty and subspecialty certification examinations. The cases map well to both the American Geriatric Psychiatry Association and Canadian Academy of Geriatric Psychiatry as well as other international postgraduate curricula. The book covers main topics within geriatric psychiatry, some such as substance use disorders and sexuality and sexual dysfunction in later life. As the Baby Boomers age, this reference will continue to be a valuable staple in geriatric workforce training. Geriatric Psychiatry Study Guide is the ultimate resource for students, residents, fellows, psychiatrists, psychologists, family practitioners, nurses, social workers, and all clinicians rising to the challenges of the mental health segment of the geriatric workforce. ***Includes Practice Test Questions*** Secrets of the CPIM Exam helps you ace the Certified in Production and Inventory Management Exam, without weeks and months of endless studying. What if you were a demon? What if your job was to thwart humans and to keep those humans from finding God? How would you do it? CS Lewis' devious little book "The Screwtape Letters" records the fictitious letters between two demons discussing this very issue. What the story is REALLY about is what makes humans succeed or fail in their search for God. It is about where, how, and why humans are weak. It is about the sneaky, unexpected parts of our lives that can either destroy us or lead us to fulfillment in God. This Best-Selling study guide and workbook unpacks the major lessons Lewis emphasizes and applies these lessons to our daily lives. The Best Selling Kindle study guide is now available in this physical workbook format. ***Includes Practice Test Questions*** NES Art Secrets helps you ace the National Evaluation Series Tests, without weeks and months of endless studying.
