*Stand Still Stay Silent* Jul 21 2023 90 years have passed since the great illness, and most of the old world has been forgotten and left to the mercy of trolls, beasts and giants. A small Nordic team of explorers heads out on the first official research mission.

**Mooncop** Oct 20 2020 The Guardian cartoonist relates the daily deadpan adventures of the last policeman living on the moon "Living on the moon...Whatever were we thinking? ...It seems so silly now." The lunar colony is slowly winding down, like a small town circumvented by a new super highway. As our hero, the Mooncop, makes his daily rounds, his beat grows ever smaller, the population dwindles. A young girl runs away, a dog breaks off his leash, an automaton wanders off from the Museum of the Moon. Each day that the Mooncop goes to work, life gets a little quieter and a little lonelier. As in Goliath, Tom Gauld's retelling of the Bible story, the focus in Gauld's science fiction is personal—no big explosions or grand reveals, just the incremental dissolution of an abandoned project and a person's slow awakening to his own uselessness. Depicted in the distinctive, matter-of-fact style of his beloved Guardian strips, Mooncop is equal parts funny and melancholy. Gauld captures essential truths about humanity, making this a story of the past, present, and future, all in one.

**Submitting to Be More Vile** Sep 30 2021 On April 2, 1739, John Wesley realized that the pulpits and sanctuaries were closed to him. If he wanted to follow God's call, he had to give up the stuffy trappings of a Church of England priest and an Oxford don and go to the people. He famously wrote, "At four in the afternoon, I submitted to be more vile and proclaimed in the highways the glad tidings of salvation." Today we are proclaiming the glad tidings of salvation—and the other things that come with church—with comics. Wesley Bros Comics is an online world where historical church figures all exist at the same time, in today's world, not unlike the communion of saints where past, present, and future collapse into a moment. For the first time ever, these "webcomics" are collected in printed form with new group-discussion guides to help lovers of John and Charles Wesley find a little humor in the present state of the church, and learn a lot about church history, theology, and Methodist identity. Perfect for youth groups, small groups, and even college and seminary classes, *Submitting to Be More Vile* uses the comic book format to communicate Wesleyan/Methodist theology, history, and practice.

How Tobacco Smoke Causes Disease Aug 10 2022 This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.
