Cuando Malinalli conoce a Hernán Cortés, asume que se trata del propio Dios Quetzalcóatl que regresa a liberar a su pueblo. Los dos se enamoran apasionadamente, pero este amor pronto es destruido por la desmedida sed de conquista, poder y riqueza de Cortés. A lo largo de la historia de México Malinalli/Malinche ha sido conocida por su traición al pueblo indio. Pero recientes investigaciones históricas han demostrado que Malinalli fue la mediadora entre dos culturas, la hispánica y la indígena; y entre dos lenguas, el español y el náhuatl. Lo que Esquivel ha hecho en esta novela es desafiar la mitología tradicional mediante un retrato muy temperamental del Adán y la Eva de la cultura mestiza, Cortés y Malinalli, con la caída del imperio azteca como telón de fondo. Contada con el lirismo de la tradición cantarina y pictórica del náhuatl, Laura Esquivel nos brinda un mito fundacional de la cultura híbrida del Nuevo Mundo y una extraordinaria historia de amor. La Gringa is about a young woman's search for her identity. Maria Elena Garcia goes to visit her family in Puerto Rico during the Christmas holidays and arrives with plans to connect with her homeland. Although this is her first trip to Puerto Rico, she has had an intense love for the island, and even majored in Puerto Rican Studies in college. Once Maria is in Puerto Rico, she realizes that Puerto Rico does not welcome her with open arms. The majority of the Puerto Ricans on the island consider her an American -- a gringa -- and Maria considers this a betrayal. If she's a Puerto Rican in the United States and an American in Puerto Rico, Maria concludes that she is nobody everywhere. Her uncle, Manolo, spiritually teaches her that identity isn't based on superficial and external definitions, but rather is an essence that she has had all along in her heart. Pinkus' skin was the color of polished mahogany, and he was flying Union colors like the wounded boy, and he picked him up out of the field and brought him to where the black soldier's mother, Moe Moe Bay, lived. She had soft, gentle hands and cared for him and her Pink. But the two boys were putting her in danger, two Union soldiers in Confederate territory! They had to get back to their outfits. Scared and uncertain, the boys were faced with a hard decision, and then marauding Confederate troops rode in.
