Who Said No One Has Ever Come Back to Tell Us? Jan 17 2023 Catherine Kennedy writes with candor and humor about her and her husbands experiences over the years communicating with the spirit world in English and Italian through the medium of automatic writing the process by which either Catherine or her husband holds a pen poised over paper and waits for spirit persons to take over and begin writing. She describes how she and her friends have often been amazed at the way in which people in spirit let their presence be known, bringing evidence for life after death. Sometimes its relatives who come through, and on other occasions friends or the relatives of friends. Catherine offers convincing evidence that life continues on the other side and that we do not die. Anyone with a fear of death or grieving over a loved one will find inspiration, hope, and comfort within these pages.

Being No One Jan 25 2021 According to Thomas Metzinger, no such things as selves exist in the world: nobody ever had or was a self. All that exists are phenomenal selves, as they appear in conscious experience. The phenomenal self, however, is not a thing but an ongoing process; it is the content of a "transparent self-model." In *Being No One*, Metzinger, a German philosopher, draws strongly on neuroscientific research to present a representationalist and functional analysis of what a consciously experienced first-person perspective actually is. Building a bridge between the humanities and the empirical sciences of the mind, he develops new conceptual toolkits and metaphors; uses case studies of unusual states of mind such as agnosia, neglect, blindsight, and hallucinations; and offers new sets of multilevel constraints for the concept of consciousness. Metzinger's central question is: How exactly does strong, consciously experienced subjectivity emerge out of objective events in the natural world? His epistemic goal is to determine whether conscious experience, in particular the experience of being someone that results from the emergence of a phenomenal self, can be analyzed on subpersonal levels of description. He also asks if and how our Cartesian intuitions that subjective experiences as such can never be reductively explained are themselves ultimately rooted in the deeper representational structure of our conscious minds.

No-one Ever Has Sex on Christmas Day Mar 27 2021 'Laugh-out-loud funny, emotional and festive... This is THE Christmas read of the year without a doubt. Absolutely loved it from beginning to end.' Mum Reinvented A dream family Christmas or a total nightmare? Katy and Ben are about to find out... Katy's been stuck in the office away from her family so she wants it all: snow (fake or real), the Michael Bublé Christmas album, whatever it takes. There's only one thing missing as far as her husband Ben is concerned: another baby to complete their family. But Katy isn't so sure she's ready yet... Ben may be playing the role of Master Elf in the pre-school nativity but he is struggling to master his own family life. With romantically-challenged friends, an ex who refuses to go away and Katy's mum's 64-year-old toy boy thrown into the mix, Christmas looks like it could be going off the rails... Never mind family planning, can Katy and Ben even plan to make it to the end of Christmas Day? From the no. 1 bestselling author of *No-one Ever Has Sex on a Tuesday*, this book will make you cry with laughter, and then book your flights abroad for the festive season. Perfect for fans of Marian Keyes, Sophie Kinsella and Milly Johnson. A Shepherd to Fools Sep 20 2020 *A Shepherd to Fools* is the second of Drew Mendelson's trilogy of Vietnam War novels that began with *Song Ba To* and will conclude with *Poke the Dragon*. Shepherd: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, *A Shepherd to Fools* tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the "worst of the worst" of the war's clandestine weapons.

Tell No One Oct 22 2020 Every day for eight years, Dr. David Beck has relived the horror of what happened to his wife. Everyone tells him it's time to move on, but for David Beck, there has never been any closure. And now a message has appeared on his computer using a phrase only he and his dead wife know. Suddenly Beck is taunted with the idea that somewhere, somehow, Elizabeth is alive. Beck plunges headlong into a search for the shadowy figure whose messages hold out a desperate hope. And those who are hunting him send him straight into the heart of a dark and deadly secret which they hope will kill him before he knows why.

No One Has to Know Nov 15 2022 'DR PAI NOT ONLY HEALS ACNE, SHE COMPLETELY ERASES IT!' -- JOHN ABRAHAM 'DR PAI MAKES SURE WE GET THE BEST FOR OUR SKIN.' -- ARJUN KAPOOR 'DR PAI AUTOGRAPHS HER WORK WITH EXCELLENCE.' -- JUHI CHAWLA 'I TRUST DR PAI IMPLICITLY.' -- GAURI KHAN 'THANK YOU ALWAYS, DR PAI, FOR THE WONDERFUL CARE YOU HAVE TAKEN OF MY SKIN.' -- MALAIKA ARORA KHAN Make a wish. Beautiful, glowing skin. Hair that shines with health. No age spots or dark circles. The very process of ageing slowed down to a gentle crawl. You now have the power. NO ONE HAS TO KNOW, the ultimate guide to anti-ageing by celebrated medical cosmetologist and pioneer in age-defying techniques Dr Jamuna Pai, works on the principle that people willing to invest time and other resources in anti-ageing treatments don't always want to look like they have done so. This painstakingly detailed yet easy-to-read book not only explains what speeds up the ageing process but also what effectively slows it down. Dr Pai debuts her 'less is more' 5E approach to skin -- Everyday, Exfoliate, Erase, Eat and Exercise -- to help you understand that subtle changes have the biggest impact. From homemade remedies to sunscreens, from facial exercises to Botox, from alkalizing foods to state-of-the-art non-surgical techniques, this is your one-stop resource for cutting-edge advice depending on your age, the severity of the problem and your budget. There are fine lines between enhancement and transformation and between transformation and mutation, and Dr Pai believes that the most powerful way to fight ageing is to look like the most glorious version of you. Because the best form of anti-ageing is the kind that keeps everyone guessing. No one has to know. No One Is Talking About This Jun 10 2022 FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE "A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving." —New York Times Book Review, Editors' Choice "Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable." —David Sedaris From "a formidably gifted writer" (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness--begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

No One Has to Know Apr 08 2022 "Sometimes when you think you know a person, that's when you learn that you never knew them at all." Layla and her brother Lamar have always been close, but their relationship soon starts to become rocky when Layla leaves her abusive boyfriend and moves in with Lamar and his girlfriend, Promise. Lamar believes he's doing the right thing by stepping in and helping his baby sister, but he soon will see that he has made a fatal mistake. When Promise learns that her boyfriend Lamar has cheated on her, Promise feels as if her perfect world has been shattered right before her eyes. As she tries to mend her broken heart, she soon realizes that this will not be an easy task because she can't let go of the pain of her man hurting her. Promise and Layla are both having a hard time coping with their love lives. They both feel as if they don't have anyone in their corner to help them get through their difficult time. When they realize that they're all each other have, an unlikely friendship begins to bloom that is unbreakable. After a sultry night involving too many drinks, their close friendship turns into a hot steamy love affair. They both know if Lamar ever finds out about their secret, all hell will break loose, but they will soon conclude that what Lamar don't know can't hurt him. Will Promise and Layla be able to keep their love a secret or will Lamar recognize the red flags that symbolize something just isn't right?

Where No One Has Heard Apr 20 2023 "J. Christy Wilson will go down in history as one of the great and courageous missionaries for the gospel in the twentieth century." —Billy Graham Who was J. Christy Wilson Jr.? Many have never heard his name, but Christy Wilson's life had a ripple effect in modern missions. Read the first full biography of the humble, adventurous man of prayer who helped launch the Urbana missions conference, pioneered ministry in Afghanistan when others thought it impossible, mobilized hundreds of students toward world evangelization, and reintroduced the biblical idea of leveraging one's profession for the kingdom with the term "tentmaking." Riveting, uplifting, and frequently amusing, this book will challenge you to reconsider what is possible when we dare to yield to Christ and his purposes in the world.

Overwhelmed Aug 24 2023 _____ 'Too much to do? Stop and read this' - Guardian 'For a fresh take on an eternal dilemma, *Overwhelmed* is worth a few hours of any busy woman's life – if only to ensure that she doesn't drop off the bottom of her own "To Do" list' - Mail on Sunday _____ In her attempts to juggle work and family life, Brigid Schulte has baked cakes until 2 a.m., frantically (but surreptitiously) sent important emails during school trips and then worked long into the night after her children were in bed. Realising she had become someone who constantly burst in late, trailing shoes and schoolbooks and biscuit crumbs, she began to question, like so many of us, whether it is possible to be anything you want to be, have a family and still have time to breathe. So when Schulte met an eminent sociologist who studies time and he told her she enjoyed thirty hours of leisure each week, she thought her head was going to pop off. What followed was a trip down the rabbit hole of busy-ness, a journey to discover why so many of us find it near-impossible to press the 'pause' button on life and what got us here in the first place. *Overwhelmed* maps the individual, historical, biological and societal stresses that have ripped working mothers' and fathers' leisure to shreds, and asks how it might be possible for us to put the pieces back together. Seeking insights, answers and inspiration, Schulte explores everything from the wiring of the brain and why workplaces are becoming increasingly demanding, to worldwide differences in family policy, how cultural norms shape our experiences at work, our unequal division of labour at home and why it's so hard for everyone – but women especially – to feel they deserve an elusive moment of peace.

_____ 'Every parent, every caregiver, every person who feels besieged by permanent busyness, must read this book' - Anne-Marie Slaughter, author of *Why Women Still Can't Have It All*

No One Has Hired Us May 21 2023 Many excellent books have been written on the subject of how to get a job, and it is not my goal to add another to the library shelves. This study seeks to examine employment and unemployment from a Biblical perspective and will hopefully make suitable companion reading for other self-help books. If the Bible is—as many people say—God's operating manual for successful living, then surely it will be our source of needed wisdom to cope with every life situation, including joblessness. Contrary to the opinion of some people, the Bible has great relevance in today's world. I have discovered a virtual gold mine of guidance, instruction, and encouragement for those who would turn to God's Word in times of unemployment. Like gold, however, the nuggets are seldom found on the surface; they must be discovered through some effort. They are found embedded in the principles governing God's kingdom that are scattered throughout the Bible. These principles will not only teach us how we should live, but also how we can make a living.

The Promise No One Wants Nov 03 2021 There is a promise from God for virtually every area of life. It has been said that the Bible contains over 6,000 promises. These often quoted promises range from God's faithfulness and spiritual blessings to physical wellbeing and divine favor. However, there is a promise that is seldom mentioned and very rarely claimed, one that holds the key to seeing our destinies fulfilled. It is The Promise No One Wants. This little book will help you understand and receive this precious promise.

Where No One Has Gone Before Aug 20 2020 Some of the commentaries in this collection were written to be entertaining, while others are more serious. What is common to all of the essays is an emphasis upon social change. As each new day dawns in the information society, human civilization forges ahead into new territory where, as the title of this book suggests, nobody has gone before. With more than seven billion humans on our planet, precedent is literally upon us everywhere we look. For example, just imagine what might occur if Aubrey de Grey's prediction comes to pass and scientists are able to achieve the impossible: human immortality! Thanks to new frontiers in medical science, de Grey is certain that in the near future humans will age as slowly as the Greek gods. These are all speculations, but this is what humans do best. This is how humans have survived and thrived as the unique problem-solving creatures that we have become. We solve problems and redefine reality by inventing elaborate fantasies and then, through the magic of "problematic innovation" invent the facts that, step-by-step, transform far-fetched fantasies into bedrock realities. If you doubt my word, then I invite you to read on.

The Paradoxes of Robert Ryman Nov 22 2020 Cultural Writing. Art. Translated from the French by Brian Evenson. Jean Fremon's *THE PARADOXES OF ROBERT RYMAN* is a collection of essays about the American abstract painter, Robert Ryman. Robert Ryman's remarks were written down by Fremon during the course of many visits to his studio in 1989 and 1990. Fremon wrote down his thoughts and Ryman's remarks in French, even though their conversations were spoken in English. From these notes Fremon wrote a collection of essays that were then retranslated into English for this book, and thus they may differ slightly from the original. Fremon is the author of many novels, works of criticism, and volumes of poetry, including *PAINTING* (Black square editions, 2000), *DISTANT NOISE* (Avec Books, 2003), and *ISLAND OF THE DEAD* (Green Integer, 2003), all of which SPD carries.

No One Has More Love Than This... Mar 19 2023 The book is an eyewitness account of the ordinary soldier's experience fighting a determined enemy in a hostile environment far from home while being dishonored and disrespected back home. This was a war none of these brave young men wished to fight, but they learned to love and rely on each other in a way known only to the combat veteran. No one could have imagined these seemingly boyish kids could be motivated to the heights of courage and valor for no other reason than to come to the aid of a comrade in need.
