Just as with his stirring narrative of the life of St. Francis, Saint Francis of Assisi: Passion, Poverty & the Man Who Transformed the Church, author Bret Thoman draws upon his profound knowledge of original sources, his familiarity with the places where these two great founders lived and breathed and changed the world, and his own Franciscan spirituality, to bring to life, like never before, the story of St. Clare of Assisi. Join Thoman as he skillfully weaves the known facts of Clare's life with imaginative passages that bring the reader into the profoundly spiritual world of the "Light from the Cloister." Hailing from an aristocratic or "Major" family, Clare continually-- in imitation of Our Lord and Francis--sought to make herself lesser or minor. In the process, in another of God's "divine paradoxes," she became a giant, not only of her Age, but of all time. Tenaciously attached to poverty, she became rich as only the saints are; docile and obedient, she stood up to her aristocratic family and, later, princes of the Church in following the path upon which God had set her; frail and vulnerable, she caused Saracen invaders to turn tail and run . . . merely by prostrating herself before the Blessed Sacrament; and though not

learned in either theology or canon law, she became the first woman to write a Rule for a new religious community. St. Clare truly was a "light from the cloister" not only for her era but for all time. Meet her as never before in these pages and, in what is sure to be a profoundly spiritual reading experience, let her light shine upon you. This book helps the reader appreciate St Clare in the context of her culture and time. This third edition of Clare of Assisi: Early Documents offers evidence of a greater sophistication in interpreting and presenting the texts emerging from a new wave of scholarship. Unlike the earlier editions, the writings of Clare appear in two separate sections: the first, entitled "May You Live Blessed Poverty," presents Clare's letters to Agnes of Prague, her Testament, and her Blessing; the second, "Together with My Sisters," brings together the earlier documents of Pope Honorius III, Cardinal Hugolino, later Pope Gregory IX, and Pope Innocent IV that affected and eventually culminated in Clare's Form of Life. The editor and his collaborators hope that, in this way, the depth of Clare's Gospel

spirituality will underscore her struggle to articulate her vision of the daily life of her sisters. The third section of this edition of Clare of Assisi: Early Documents presents another dimension of the scholarly work done on these texts. Entitled "The Brilliance of Her Life," the critical apparatus accompanying the hagiographical texts affords the reader and the student of Clare's life more user-friendly cross-references. Clare of Assisi: Early Documents provides new translations of Clare's writings and related primary sources, revised and new introductions from earlier editions, as well as previously unpublished documents to chronicle the life of Saint Clare.
