The Royal Priesthood and the Glory of God Nov 10 2021 From Genesis to Revelation, the theme of the royal priesthood is a silver thread running through the biblical story from the garden of Eden through the priesthood of Israel to Jesus Christ—the true and better priest. It culminates with the creation of God’s covenant people, called out of the nations to be his priests to the nations. In this concise treatment, David Schrock traces this theme of priesthood throughout the Bible and displays to readers how Jesus, the great high priest, informs the worship, discipleship, and evangelism of the church.

Liturgy in the Reformed Tradition Jun 29 2023 There are many forms of liturgy in the contemporary church, but they are not always critically assessed. Liturgy can be viewed as a sealed encounter in which behind closed doors

heaven and earth meet and participate in each other. But it can also be viewed as an exercise in acceptance of the world outside, where critical assessment is neglected in favor of socio-political engagement for what passes as “ethical” on the world stage. But true liturgy, writes Dr. Noordmans, is accomplished in the full consciousness of sin, and the sacrifice by which that sin is dealt with. There can then be no unquestioned acceptance of the world; by the same token, there is no turning away from the world in an otherworldly flight to transcendence. There is only the critical confrontation with ourselves and the world around us, in the liturgy which, as the apostle Paul emphasizes, takes place not behind church walls so much as in the “field of the world” (Matthew 13: 38). The liturgy is restrained by the eschatological realizations of original sin and the death and resurrection of the Savior, as contained in the sacraments. And the Word can then operate in the field of the world as it ought to. Reformed liturgy as it has come down through the ages is, Dr. Noordmans is convinced, a reflection of these realities. And only such a liturgy can do justice to the gospel.

Christian Art in the Place and in the Form of Lutheran Worship Aug 27 2020 This unique volume offers a handbook for busy pastor, student or interested layperson to better understand the use of Christian art and the history of its use in Lutheranism since the time of the Reformation. The author states in the introduction to the book: "The Lutheran Church was never an enemy of the art, neither the fine arts nor industrialized arts. . . . The Lutheran Church, to confess its faith did not hesitate to enlist the aid of pure and beautiful art forms, not only in the harmonies of poetry and music, but also in architecture, sculpture, painting, bronze work, wood-carving, and embroidery." This book concerns itself chiefly with church architecture, but necessarily also discusses the place of the fine arts in the construction and use of spaces consecrated to the worship of the One True God: Father, Son and Holy Spirit, where God's people are gathered to receive His gifts of grace and mercy through His Holy Word and the Blessed Sacrament of the Altar.

A Manual of Catholic Theology Oct 22 2022 THE word "Theology" means the Science of God. This science has

God not only for its subject, but also for its source and its object; hence the Divine character of Theology cannot better be described than by the old formula: "Theology teaches about God, is taught by God, and leads to God." Theology may be taken objectively as doctrine, or subjectively as knowledge. But it is not every knowledge of Divine doctrine, especially not the mere apprehension of it, that is called Theology. The term is restricted to scientific knowledge; and consequently Theology, in its technical sense, is the scientific exposition of the doctrine concerning God and things Divine. Aeterna Press

Ceremonies Explained for Servers Mar 03 2021 Ceremonies Explained for Servers may well be called the "mother of all servers' manuals". This is the most detailed guide available for servers and those who train and supervise them at the altar. In accessible language, Ceremonies covers the roles of servers in a wide range of Catholic liturgical celebrations. These are described in full, such as: the Mass in both the Ordinary and Extraordinary forms, the seven sacraments, the ceremonies of Holy Week, the Liturgy of the Hours, funeral rites, the liturgies that are celebrated by a bishop and major blessings. Ceremonies also provides accurate explanations for each of these rites, with Catholic teaching on the liturgy and sacraments and a history of the ministry of servers. The skills, techniques and discipline involved in serving are explained, such as: how a procession should move, how to assist with incense, team-work and responding in emergencies and unforeseen situations. A spirituality of this ministry runs through the manual, with an underlying theme of service and vocation. In an encouraging personal way, Ceremonies sets out high spiritual ideals that can inspire and guide those who enhance Catholic worship through their ministry.

Christ as Centre and Circumference Oct 10 2021 Endorsements: Dr. Montgomery's latest book is one that every serious reader interested in clear Christian thinking should have on a table near her most comfortable reading chair. It is filled with a wide variety of bite-sized essays that are absolutely delightful --knowledgeable, fun, witty, and

unexpected. If you have never read the work of J. W. Montgomery before, you are in for a treat. This is a book that brings together his best writing from the past with his latest essays. It's a Christian feast of ideas that celebrates our Lord and His unfailing Word. --Craig J. Hazen, Ph.D., Director, MA Program in Christian Apologetics, Biola University What makes J. W. Montgomery tick? What has driven him over a massively productive career to such wide-ranging interests as computers and Chemnitz, legal theory and apologetics, human rights and Christology, Dawkins and Duchamp? The answer is clear: the gospel of Jesus Christ and its defense, articulation, and application to the real world in which the Word became flesh, died, and rose again as the Savior. Many of our best confessional-era theologians, both Lutheran and Reformed, were ""Renaissance men,"" but that's rarely the case today. Dr. Montgomery is a glaring exception and this book is a wonderful display of that full scope of his remarkable insights. While being an ardent defender of the Lutheran confession, he is far from parochial. Even in places where one might disagree, the clarity, logic, and relentless rigor of his arguments will kindle fires in hearths that we didn't even know we had and make us better advocates for the gospel. --Dr. Michael Horton, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California About the Contributor(s): John Warwick Montgomery is Professor Emeritus of Law and Humanities, University of Bedfordshire, England, Distinguished Research Professor of Philosophy and Christian Thought, Patrick Henry College (Virginia, U.S.A.), and Director, International Academy of Apologetics, Evangelism and Human Rights (Strasbourg, France). He holds ten earned degrees besides a Doctorate in Philosophy from the University of Chicago, the Doctorat d'Universit from Strasbourg, France, and the LL.M. and LL.D. from the University of Cardiff, Wales/UK. A frequent contributor to Christianity Today, Dr. Montgomery has been honored by inclusion in Who's Who in America, Who's Who in France, and The Dictionary of International Biography. He is the author of some thirty books in the areas of theology, philosophy, and church history. He pleads cases before the European Court of Human Rights and has received the Patriarch's Medal of the Romanian Orthodox Church for his efforts in behalf of religious liberty. He is an ordained Lutheran pastor. Websites: , .

The Book of Exodus May 24 2020 Taking a pioneering approach to commentary writing, Brevard Childs gives an entirely original treatment to the book of Exodus. Apart from the philological notes and translation, this commentary

includes a form-critical section, looking at the growth of the tradition in its previous stages; a consideration of the meaning of the text in its present form; and a consideration of its meaning in its total Old Testament context. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Basics of Latin Sep 28 2020 Basics of Latin: A Grammar with Readings and Exercises from the Christian Tradition by Derek Cooper introduces students, independent learners, and homeschoolers to the basics of Latin grammar with all readings and exercises taken from texts in the Christian tradition. As part of the widely-used Zondervan Language Basics series of resources, Cooper's Latin grammar is a student-friendly introduction. It helps students learn by: Minimizing technical jargon Providing only the information needed to learn the basics Breaking the grammar of language down into manageable and intuitive chunks Illustrating the grammar in question by its use in rich selections from ancient Christian authors. Providing grammar, readings, exercises, and a lexicon all in one convenient volume. Basics of Latin provides an ideal first step into this important language and focuses on getting the student into texts and translation as quickly as possible.
