Italian Literature: Il tristiano panciatichiano Feb 23 2023 The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation Tristiano panciatichiano, preserved in a unique manuscript in the Biblioteca Nazionale of Florence (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the Queste del San Graal, Josephd'Arimathie, the Mort Artu, and notably, the Roman de Tristan en prose. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative.

Monteverdi's historical position in music has been compared to that of Shakespeare in literature: almost exact contemporaries, each worked from traditional beginnings to transform nearly every genre he attempted. In this book, Massimo Ossi delves into the most significant aspect of Monteverdi's career: the development, during the first years of the seventeenth century, of a new compositional style he called the *seconda prattica* or "second manner." Challenged in print for the unconventional aspects of his music, Monteverdi found himself at the center of a debate between defenders of Renaissance principles and the newest musical currents of the time. The principles of the *seconda prattica*, Ossi argues in this sophisticated analysis of Monteverdi's writings, music, and approaches to text-setting, were in fact much more

significant to the course of Monteverdi's career than previously thought by modern scholars—not only did Monteverdi continue to pursue their aesthetic and theoretical implications for the rest of his life, but they also affected his dramatic compositions as well as his chamber vocal music and sacred works. Ossi "divines the oracle" of Monteverdi's ambiguous theoretical concepts in a clear way and in terms of pure music; his book will enhance our understanding of Monteverdi as one of the most significant figures in western music history.

Forza e speranza nei Balcani occidentali Nov 20 2022 Per secoli i Balcani occidentali hanno rappresentato un crocevia tra Europa centrale e Oriente. I paesi dei Balcani occidentali, devastati da tragici conflitti, nazionalismi e mancati investimenti, lottano per trovare un nuovo equilibrio. Cittadini e istituzioni balcaniche hanno più volte affermato la propria ambizione di entrare a far parte dell'Unione europea e hanno compiuto notevoli sforzi per trasformare questo sogno in realtà. Negli ultimi vent'anni gli interventi della Banca europea per gli investimenti (BEI) nella regione sono stati consistenti. La BEI ha infatti contribuito alla realizzazione di corridoi di trasporto paneuropei, sostenuto investimenti diretti esteri e promosso la rigenerazione delle aree urbane; ha offerto assistenza tecnica e

finanziamenti per migliorare e sviluppare infrastrutture sociali ed economiche e promuovere la crescita del settore privato come motore a sostegno dell'occupazione. I Balcani occidentali possono guardare avanti con la speranza di un futuro più luminoso e più verde. Matteo Rivellini è a capo della Divisione della Banca europea per gli investimenti che si occupa delle operazioni di prestito in Slovenia, Croazia e nei Balcani occidentali. Questo è il tredicesimo essay della serie Big Ideas creata dalla Banca europea per gli investimenti.

Ponti: Italiano terzo millennio Oct 07 2021 Now featuring a brand-new design and integration of short film, the newly-revised PONTI: ITALIANO TERZO MILLENNIO provides an up-to-date look at modern Italy, with a renewed focus on helping the second year student bridge the gap from the first year. With its innovative integration of cultural content and technology, the Third Edition encourages students to expand on chapter themes through web-based exploration and activities. Taking a strong communicative approach, the book's wealth of

contextualized exercises and activities make it well suited to current teaching methodologies, and its emphasis on spoken and written communication ensures that students express themselves with confidence. Students will also have the chance to explore modern Italy with a cinematic eye through the inclusion of five exciting short films by Italian filmmakers. Audio and video files can now be found within the media enabled eBook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

EBOOK: Prego! An Invitation to Italian Apr 20 2020
Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded

cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload.
