In this superb and engaging mystery from award-winning author Deborah Crombie, a powerful policeman is found brutally murdered in his kitchen just outside of London and Scotland Yard detectives Duncan Kincaid and Gemma James are called in to solve the most troubling case either of them has ever encountered. Few in suburban Surrey mourn the violent passing of Division Commander Alastair Gilbert, whose arrogance and cruelty were legendary in his village and in wider police circles—which only makes the job of Scotland Yard investigators Superintendent Duncan Kincaid and Sergeant Gemma James more difficult. And as every discovery reveals another instance of misplaced trust, festering secrets, and murderous rage, they must put aside their own personal feelings for the victim—and for each other—in the name of justice and the law. Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book *The Game*, Strauss penetrated the secret society of pickup artists. Now, in *Everyone Loves You When You're Dead*, the Rolling Stone journalist collects the greatest moments from the most insane music interviews of all time. Join Neil Strauss, "The Mike Tyson of interviewers," (Dave Pirner, *Soul Asylum*), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one stars in *Everyone Love You When You're Dead*. Poignant and humorous insights on fully embracing our lives as we age from Susan Moon, beloved Buddhist teacher and author. Aging isn't easy. But it can still be filled with joy—maybe even more joy than we expect. Described by the *New York Journal of Books* as "a Buddhist Anne Lamott," Zen teacher and writer Susan Moon persuades us that as we notice we are impermanent, we get to come alive in new ways. Joining levity with tenderness, Moon shares stories from her own life on topics including knee replacements, Zoom chats with grandchildren, ongoing companionship with a close friend who is moving deeper into dementia, and a season as a Zen monk in the wilderness. Moon illustrates the

strength that can come from within, sometimes unexpectedly, even as our bodies fail. Our radiant aliveness can be discovered and rediscovered any time up to the last moment. *Alive Until You're Dead* offers a Zen approach to facing our impermanence. Moon's stories explore being present with what is, not turning away from what's difficult, wishing for and working for the wellbeing of others, and being willing not to know what's next. These field notes from an old human being invite us to feel more alive in the final stretch, whatever it holds. What would happen if you stuck your head into a nuclear particle accelerator? What if you jumped into an interstellar black hole, or slipped out of a deep-sea submarine wearing only a pair of Speedos? In *And Then You're Dead: The world's most interesting ways to die*, we'll give serious answers to these horribly interesting questions in a way a layperson can understand. Illustrated with straight-forward technical art and leavened by small doses of dry humour, the book will be both scientifically informative and gruesomely entertaining. Relying on the deeply human observation that things which actually happen compel little interest, there will be no discussion of heart attacks or car wrecks. But there will be plenty to learn about those people unfortunate enough to get swallowed by a whale. In *People Who Don't Know They're Dead*, Gary Leon Hill tells a family story of how his Uncle Wally and Aunt Ruth, Wally's sister, came to counsel dead spirits who took up residence in bodies that didn't belong to them. And in the telling, Hill elucidates much of what we know, or think we know, about life, death, consciousness, and the meaning of the universe. When people die by accident, in violence, or maybe they're drunk, stoned, or angry, they get freeze-framed. Even if they die naturally but have no clue what to expect, they might not notice they're dead. It's frustrating to see and not be seen. It's frustrating not to know what you're supposed to do next. It's especially frustrating to be in someone else's body and think it's your own. That's if you're dead. If you're alive and that spirit has attached itself to you, well that's a whole other set of frustrations. Wally Johnston, a behavioral psychologist, first started working with a medium in the 70s to help spirits move on to the next stage. Some years after that, Ruth Johnston, an academic psychiatric nurse, who'd become interested in new consciousness and alternative healing, began working with Wally to clear spirits who weren't moving on. These hitchhikers had attached themselves to the auras of living relatives or strangers in an attempt to hold on to a physical existence they no longer need. Through her pendulum, Ruth obtains permission from the higher self of both hitchhiker and host to work with them. Then Wally speaks with them, gently but firmly, to make sure they know they are no longer welcome to inhabit the bodies and wreak havoc on the lives of the living. Hill has woven this fascinating story with the history and theory of what happens at death, with particular emphasis on the last 40 years and the work of such groundbreaking thinkers as Elmer Green, Raymond Moody, William James, Aldous Huxley, Edith Fiore, Martha Rogers, Mark Macy, Elisabeth Kubler-Ross, Bruce Lipton, and a host of others, whose work helps inform our idea of what it is to live and to die. As it turns out, our best defense against hitchhikers is to live consciously. And our best chance of doing that is by paying attention and staying open to possibilities. This cozy mystery about a mother-daughter duo whose holiday weekend turns to crime-solving offers an appealing portrait of rural Washington (Publishers Weekly). It was supposed to be a mother-daughter getaway but nothing is ever ordinary for private investigator Eddie Shoes and her unconventional mom, Chava. Especially when Eddie stumbles upon a stranger who is gravely wounded. As a wildfire sweeps through the forest, Eddie struggles to save the man, who begs her to help him find his missing daughter before succumbing to his injuries. Now on assignment for a dead man, Eddie is short on clues. Of course, that doesn't stop her mom from wanting to help out. After all, Chava's own illegal behavior makes her a criminal expert of sorts. And when Eddie's mob-connected dad joins the search, Eddie starts to wonder if she and her family are the good guys or the bad guys. Either way, Eddie's determined to get to the bottom of this mystery—even if it kills her. *Praise for One Dead, Two to Go* Smart, page-turning fun, with the most feisty and likable P.I. since Kinsey Millhone. Deb Caletti, National Book

Award finalist and author of *He's Gone* "Plunge[s] the reader into a tale of fractured relationships, mayhem, and thrills." —Deborah Turrell Atkinson, author of the Storm Kayama Mysteries "The writing is cinematic and vivid, the characters well-drawn. [For] fans of the Stephanie Plum series by Janet Evanovich." —Max Everhart, author of the Eli Sharpe series "Memorable and entertaining." —Scott Driscoll, author of *Better You Go Home* In the full-throttle, noir-soaked tradition of Dennis Lehane and Michael Connelly, the acclaimed young author of *Bad Connection* unleashes an ambitious and edgy new thriller pulsating with raw, urban energy. Decorated NYPD Officer John Coglin always thought his picture on the front page of the newspaper would be one for the scrapbook. That was before he had the bad luck to be forced into a witness-free, kill-or-be-killed confrontation with a drug-dealing thug. It's of no help to him that the incident took place during the run-up to a bitter mayoral election campaign, and that his adversary was sixteen years old and black. Now, instead of another commendation, Coglin is staring down the barrel of a media- and politics-stoked murder rap. But on the eve of his sure conviction arrives a fateful telephone call. It's not the governor, but his long-lost uncle, Aidan O'Connell. A veteran of the IRA and a recently released guest of San Quentin Penitentiary for armed-to-the-teeth robbery, Aidan offers his nephew a pardon that has nothing to do with lawyers. Coglin is about to find out that the type of amnesty Uncle Aidan is proposing is the kind that involves a beautiful but dangerous Mafia widow, a car trunk full of M-16s, and thirty million dollars in jewels smack dab in the middle of Rockefeller Center. Before the Devil Knows You're Dead is a highly entertaining, deliciously gritty, super-fast thriller that takes us on a cutthroat ride into an urban realm where criminal intent collides head-on with the vagaries of fate and the inscrutabilities of the human heart. "Fans of Karen M. McManus and Katie Alender will devour this darkly funny, fast-paced mystery." —SLJ A hilarious Agatha Christie-inspired YA thriller-comedy about three best friends who sneak into an influencers-only festival event (gone wrong), only to discover a killer is in their midst—and they have to uncover the truth and solve the mystery before it's too late. Perfect for fans of *One of Us Is Lying* and *Truly Devious*. Plum Winter has always come in second to her sister, the unbelievably cool, famous influencer Peach Winter. And when Peach is invited to an all-expenses-paid trip to a luxurious art-and-music festival for influencers on a private island in the Caribbean, Plum decides it's finally her time to shine. So she intercepts the invite—and asks her two best friends, Sofia and Marlowe, to come along to the fest with her. It'll be a spring break they'll never forget. But when Plum and her friends get to the island, it's not anything like it seemed in the invite. The island is run-down, creepy, and there doesn't even seem to be a festival—it's just seven other quasi-celebrities and influencers, and none of the glitz and glamour she expected. Then people start to die... Plum and her friends soon realize that someone has lured each of them to the "festival" to kill them. Someone has a vendetta against every person on the island—and no one is supposed to leave alive. So, together, Plum, Sofia, and Marlowe will do whatever it takes to unravel the mystery of the killer, and fight to save themselves and as many influencers as they can, before it's too late. Praise for *You're So Dead*: "You're So Dead is the hilarious, swoony, Surprisingly Stabby book of my dreams! Ash Parsons delivers a sharp send-up of influencer culture wrapped in a clever whodunnit that also has a lot of heart. While I never want to go to "Pyre Festival," I'd hang out with Plum, Marlowe, and Sofia any day." —Rachel Hawkins, New York Times Bestselling author of *The Wife Upstairs* "Parsons (*Girls Save the World in This One*) gently satirizes online culture and the ill-fated Pyre Festival in this frothy homage to Agatha Christie's *And Then There Were None*. The cheeky mystery is both clever and satisfying." —Publishers Weekly "Parsons effectively mixes social media commentary and thrilling murder mystery with a dash of ridiculous humor . . . A #trendy and #entertaining whodunit." —Kirkus Reviews "[A]riveting thriller-comedy...writing in short, energetic bursts with a witty voice, Parsons keeps the twists coming, her motley crew's energy running frantic as the body count rises and they try to discover the killer in their midst." —Booklist A deranged derelict, a

crazed Vietnam vet, has been arrested for gunning down successful young lawyer Glenn Holtzmann at a corner phone booth on Eleventh Avenue -- and the suspect's brother wants p.i. Matthew Scudder to prove the madman innocent. But Scudder's curiosity and dedication are leading him to dark, unexplored places in his own heart...and to passions and secrets that could destroy everything he loves. You can tell a lot about somebody in a minute. If you choose the right minute. Here are 228 of them. Join Neil Strauss, "The Mike Tyson of interviewers," (Dave Pirner, Soul Asylum), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & gets kidnapped by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with you find out who inside And many, many more awkward moments and accidental adventures with the world's number one stars in Everyone Love You When You're Dead. In the fall of 1974, Jackie Woods as a substitute teacher in Palm Beach County, has the misfortune to have a psychopathic student in her class her first year of teaching. This young man wants to avenge the humiliation he feels she had bestowed upon him. In 1979, at seventeen-years-old, along with an accomplice, he kidnaps her. When she is rescued, he stalks her, then confronts her at gun point but she steadfastly holds to her faith in her heavenly Father. She believes that God will protect her from this homicidal maniac. Along with her family, she stays faithful to her convictions and the young man vents his rage upon two others he feels are blocking his plan of revenge toward the teacher. Jackie's son, Tim, now seventeen, trusts in the Lord to lead the victim of an attack to salvation and then shows a family how to keep their young child from becoming a menace to others. He also leads a Jewish family to a relationship with the Messiah of Gentile believers without compromising their heritage or culture. While living in West Palm Beach, Jackie travels to Butler, Ohio where she finds peace until the danger is over and she can return home. "Lenny Norbeck and his friends The Mikes set out to investigate the suspicious death of a young pitcher at a Phillies game"-- A group of children find that while play war can be fun, real war is no fun at all. When Marty Belucci chooses to write to Napoleon for a class project, his grandfather tells him how to get the letter delivered. His classmates are stunned when Marty receives a surprising reply. "An original, compelling, and provocative exploration of ethical issues in our society, with thoughtful and balanced commentary. I have not seen anything like it." "Alan Lightman, author of Einstein's Dreams Drawing upon the author's two decades teaching medical ethics, as well as his work as a practicing psychiatrist, this profound and addictive little book offers up challenging ethical dilemmas and asks readers, What would you do? A daughter gets tested to see if she's a match to donate a kidney to her father. The test reveals that she is not the man's biological daughter. Should the doctor tell the father? Or the daughter? A deaf couple prefers a deaf baby. Should they be allowed to use medical technology to ensure they have a child who can't hear? Who should get custody of an embryo created through IVF when a couple divorces? Or, when you or a loved one is on life support, Who says you're dead? In short, engaging scenarios, Dr. Appel takes on hot-button issues that many of us will confront: genetic screening, sexuality, privacy, doctor-patient confidentiality. He unpacks each hypothetical with a brief reflection drawing from science, philosophy, and history, explaining how others have approached these controversies in real-world cases. Who Says You're Dead? is designed to defy easy answers and to stimulate thought and even debate among professionals and armchair ethicists alike. What to Do When You're Dead is a fascinating dialogue between the creator of the universe and a 46-year-old woman who, in her life, has been to hell and back. Imagine finding out that you may hold

the secret to man's survival. Imagine also learning for the first time why you were born and that your work on earth is already recorded in the book of life. It happened to Sondra Sneed, and you get a front row seat to the life of a reluctant messenger bringing forth a message that could save humankind . . . if humans are willing to listen. What you are about to read will change the way you think about your life. You will remember that you are a process of God. And when you discover what you are, God discovers you. You will find in this book the very reason you were born, and why it is so important to find your place on that path. This is not a touchy-feel-good spiritual guide as much as it is an awakening with a warning about man's self destruction. The warning comes with a unique responsibility however, and that is to learn why death is not real, and that our experience of crossing over to the other side is directly linked to our state of mind while on earth before passing. Darkness must be overcome, or the soul will remain trapped in the past and attached to things of the world, rather than following spirit to the light of God. Though numerous studies have been conducted regarding perceived racial bias in newspaper reporting of violent crimes, few studies have focused on the intersections of race and gender in determining the extent and prominence of this coverage, and more specifically how the lack of attention to violence against women of color reinforces their invisibility in the social structure. This book provides an empirical study of media and law enforcement bias in reporting and investigating homicides of African American women compared with their white counterparts. The author discusses the symbiotic relationship between media coverage and the response from law enforcement to victims of color, particularly when these victims are reported missing and presumed to be in danger by their loved ones. Just as the media are effective in helping to increase police response, law enforcement officials reach out to news outlets to solicit help from the public in locating a missing person or solving a murder. However, a deeply troubling disparity in reporting the disappearance and homicides of female victims reflects racial inequality and institutionalized racism in the social structure that need to be addressed. It is this disparity this important study seeks to solve. Gold Nautilus Book Award Winner Poignant and humorous insights on fully embracing our lives as we age from Susan Moon, beloved Buddhist teacher and author. Aging isn't easy. But it can still be filled with joy—maybe even more joy than we expect. Described by the New York Journal of Books as "a Buddhist Anne Lamott," Zen teacher and writer Susan Moon persuades us that as we notice we are impermanent, we get to come alive in new ways. Joining levity with tenderness, Moon shares stories from her own life on topics including knee replacements, Zoom chats with grandchildren, ongoing companionship with a close friend who is moving deeper into dementia, and a season as a Zen monk in the wilderness. Moon illustrates the strength that can come from within, sometimes unexpectedly, even as our bodies fail. Our radiant aliveness can be discovered and rediscovered any time up to the last moment. *Alive Until You're Dead* offers a Zen approach to facing our impermanence. Moon's stories explore being present with what is, not turning away from what's difficult, wishing for and working for the wellbeing of others, and being willing not to know what's next. These field notes from an old human being invite us to feel more alive in the final stretch, whatever it holds. It is Winter Carnival in Quebec City, bitterly cold and surpassingly beautiful. Chief Inspector Armand Gamache has come not to join the revels but to recover from an investigation gone hauntingly wrong. But violent death is inescapable, even in the apparent sanctuary of the Literary and Historical Society—where an obsessive historian's quest for the remains of the founder of Quebec, Samuel de Champlain, ends in murder. Could a secret buried with Champlain for nearly 400 years be so dreadful that someone would kill to protect it? Although he is supposed to be on leave, Gamache cannot walk away from a crime that threatens to ignite long-smoldering tensions between the English and the French. Meanwhile, he is receiving disquieting letters from the village of Three Pines, where beloved Bistro owner Olivier was recently convicted of murder. "It doesn't make sense," Olivier's partner writes every day. "He didn't do it, you know." As past and present collide in this astonishing

novel, Gamache must relive the terrible event of his own past before he can bury his dead. A Safe Place for Dying, the first in Jack Fredrickson's highly acclaimed Dek Elstrom mystery series, was nominated for the Shamus Award for Best First Novel. Now, Chicago P.I. Dek Elstrom is back in an electrifying new mystery. A lawyer calls Dek with a fast, seven-hundred dollar proposition. A dead client named Dek to execute her will. No matter that Dek didn't know the woman. No matter, too, that the woman's estate was only worth a few hundred. Happens all the time, the lawyer said. To Dek Elstrom, broke and huddling in a cold stone turret in the middle of February, the sound of seven hundred falling down his chimney is louder than his voice of reason. He agrees, heads up to a hamlet ten miles north of nowhere. But instead of finding an easy-to-close estate, he finds blood and the markers of a shattered life. And something worse: links to the darkest part of his own past. He races to chase down leads to the killer, and his own ghost...before the dead woman is killed again. Captain Malik and the crew of his spaceship are in search of the only resources that matter — and can only be found by harvesting the giant corpses of alien gods that are found on the edge of human space..and now they see an opportunity to finally break free from this system: by being the first to find a living god. THE GODS ARE ALWAYS BEAUTIFUL... ..AND THE GODS ARE ALWAYS DEAD. Captain Malik and the crew of the spaceship the Vihaan II are in search of the only resources that matter — and can only be found by harvesting the giant corpses of alien gods that are found on the edge of human space. While other autopsy ships and explorers race to salvage the meat, minerals, and metals that sustain the human race, Malik sees an opportunity to finally break free from this system: by being the first to find a living god. But Malik's obsession with the gods will push his crew into the darkest reaches of space, bringing them face to face with a threat unlike anything they ever imagined, unless the rogue agent on their trail can stop them first... Superstars Al Ewing (Immortal Hulk) and Simone Di Meo (Mighty Morphin Power Rangers) present a new sci-fi epic about the search for meaning and the hard choices we make to find it, no matter the cost to the world — or universe — around us. Collects We Only Find Them When They're Dead #1-5. Joey Luck and his daughter Cindy are small-time criminals going nowhere fast, until they join forces with Vin Pinna, a hardened criminal on the run from Miami. They soon begin to set their sights higher and turn their hands to kidnapping. But their hostage, ex-movie star Don Elliot, seems to have different ideas. When he wants in they form a 'quartet in crime', and this time the stakes are higher still - eight Russian stamps worth a million dollars. 'Realistic and suspenseful far beyond his average' Observer On the Cathedral, Oneday reveals Bristow's plan to take control of Malik's Flight, while Oneday secures the body. If they succeed, the Coalition will become the new seat of government. As they journey towards the Inner Worlds with the threat of war on the horizon, will Jason or Oneday seize control? In March of 1953, Donald Watkins, a former Marine who served in China during the Japanese invasion of 1937, murdered his wife and mother-in-law. After serving twenty-two years in Farview State Hospital for the Criminally Insane, he was released and eventually married again. A decade later, Donald may or may not have been the cause of his second wife's death, as well. Author Diane Cameron uncovers the true story of her stepfather, Donald Watkins. Was he a traumatized veteran? A victim of abuse in the mental-health system? Was he a criminal? Mentally ill? Or just eccentric? As she unravels this mystery, Cameron finds healing and understanding with her own struggles and history of family abuse. She discovers an unlikely collection of role models in the community of the China Marines, as they were known. Together, they help put the pieces of shared war experience in perspective and resolve the more complex issue of understanding trauma itself. With insights drawn from diverse experts such as Thomas Szasz and Bessel van der Kolk, Cameron unlocks the connection between the experience of veterans of past wars and those who deal with the war trauma today. Diane Cameron is an award-winning columnist. An excerpt from Never Leave Your Dead was first published in the Bellevue Literary Review and was nominated for a 2006 Pushcart Prize. A terrifying tour through a medieval

castle, a close-up look at ferocious dinosaurs, and a shivery vision of the future are just three of the twenty adventures readers can experience. An Edgar Award Finalist Lenny Norbeck is a die-hard baseball lover. Unfortunately, he's no player himself (according to him, he's "the worst there ever was.") But he'd make a heck of an announcer. He gets a lot of practice sitting with his best friends, Mike and Other Mike, watching Phillies games from their lawn couch—a sweet outdoor TV arrangement Mike's dad hooked them up with. Being a real announcer is his dream, and he gets his chance to prove himself when he enters an "Armchair Announcer" contest and wins. The prize: he gets to be the broadcaster, live, for one inning at a real Phillies game. The game goes very wrong, though. Before Lenny gets to do his inning, a young, promising pitcher fresh out of the minors literally drops dead on the mound. The official verdict is that he died of a heart attack, but Lenny has a hunch there's something more going on. So he and the Mikes set out to investigate. The suspects are many, and though the trio barks up the wrong tree a few times, they are always right on the heels of the real killer. . . . Hamish Macbeth, Scotland's most quick-witted but unambitious policeman returns in a new short story from New York Times bestselling author M.C. Beaton Knock Knock, You're Dead! A Hamish Macbeth Short Story Mrs. Morag McPhie hits upon the idea of selling some of her old furniture to raise money to visit her daughter in Australia. But when a dead body turns up, Police Sergeant Hamish Macbeth wonders if the antique business is even more cutthroat than he thought... A gleefully gruesome look at the actual science behind the most outlandish, cartoonish, and impossible deaths you can imagine What would happen if you took a swim outside a deep-sea submarine wearing only a swimsuit? How long could you last if you stood on the surface of the sun? How far could you actually get in digging a hole to China? Paul Doherty, senior staff scientist at San Francisco's famed Exploratorium Museum, and writer Cody Cassidy explore the real science behind these and other fantastical scenarios, offering insights into physics, astronomy, anatomy, and more along the way. Is slipping on a banana peel as hazardous to your health as the cartoons imply? Answer: Yes. Banana peels ooze a gel that turns out to be extremely slippery. Your foot and body weight provide the pressure. The gel provides the humor (and resulting head trauma). Can you die by shaking someone's hand? Answer: Yes. That's because, due to atomic repulsion, you've never actually touched another person's hand. If you could, the results would be as disastrous as a medium-sized hydrogen bomb. If you were Cookie Monster, just how many cookies could you actually eat in one sitting? Answer: Most stomachs can hold up to sixty cookies, or around four liters. If you eat or drink more than that, you're approaching the point at which the cookies would break through the lesser curvature of your stomach, and then you'd better call an ambulance to Sesame Street. WINNER OF THE NOBEL PRIZE IN LITERATURE "A brilliant literary murder mystery." —Chicago Tribune "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, Drive Your Plow over the Bones of the Dead is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice? Six young people play a dangerous Game of Tag in public, chasing through the crowds, streets, and buildings of Chicago. This secret, one-of-a-kind, wildly expensive Game offers a macabre twist to the childhood version...if you get Tagged, you get Dead. Three "Its" have their reasons for buying a place in the Game. Surgically enhanced Brandy is obsessed with destroying a

naturally beautiful girl. Untalented Robert covets his target's position as superstar of the basketball team. Brainiac Charles craves a battle against an intellectual equal. Given their elite social status, they reject any possible downside to the contest. Each expects the satisfaction of killing their prey, then walking away. Hand-picked innocents play as "Runners," under threat to their loved ones should they refuse to participate: lovely, small-town Laura; celebrated athlete Tyrese; and Amanda, gamer extraordinaire. Alone, hunted by their adversary, each feels a single hope...to survive. Technological wizardry controls the Game. As soon as Runners receive the "Go" signal on smartwatches locked to their wrists, the Game rockets them through the city, from the El to Michigan Avenue to the Lincoln Park Zoo. There is no time to rest. Every thirty minutes the Runner's location is transmitted to the It, which steadily diminishes the Runner's chance of ever reaching Home Base alive. The Game will not end until someone is Tagged, so the Runners must choose how to play. Will they accept death? Murder their Its? Or find a way to use individual strengths to stop the Game before anyone dies? For Hank Weldon, life has gone straight downhill. With the death of his wife and child, he turns to liquor to soothe his sorrow. Now he must pay the price as he is dismissed from the New York City Police Department. He takes on a new life as a private detective, and everything has a mundane routine. All this ends when a Russian gangster asks him to find his missing fiancée. In a flash, he finds himself in the middle of a murder mystery in which he becomes the prime suspect. A gleefully gruesome look at the actual science behind the most outlandish, cartoonish, and impossible deaths you can imagine What would happen if you took a swim outside a deep-sea submarine wearing only a swimsuit? How long could you last if you stood on the surface of the sun? How far could you actually get in digging a hole to China? Paul Doherty, senior staff scientist at San Francisco's famed Exploratorium Museum, and writer Cody Cassidy explore the real science behind these and other fantastical scenarios, offering insights into physics, astronomy, anatomy, and more along the way. Is slipping on a banana peel as hazardous to your health as the cartoons imply? Answer: Yes. Banana peels ooze a gel that turns out to be extremely slippery. Your foot and body weight provide the pressure. The gel provides the humor (and resulting head trauma). Can you die by shaking someone's hand? Answer: Yes. If you were Cookie Monster, just how many cookies could you actually eat in one sitting? Answer: Most stomachs can hold up to sixty cookies, or around four liters. If you eat or drink more than that, you're approaching the point at which the cookies would break through the lesser curvature of your stomach, and then you'd better call an ambulance to Sesame Street. Take a terrifying trip through time in this scary GOOSEBUMPS adventure that's packed with more than twenty super-spooky endings. B-O-R-I-N-G. That's how you'd describe your family vacation in New York City. Instead of visiting all the cool spots, like Rockefeller Center and the Statue of Liberty, your parents drag you to a bunch of stupid museums. Then, at the Museum of Natural History something really strange happens. You accidentally get involved in a strange experiment that sends you traveling through time! Will you duel with knights at a medieval castle? Come face-to-face with a man-eating dinosaurs? Or take a ride through outer space? Reader beware—you choose the scare! GIVE YOURSELF GOOSEBUMPS! David has always known wealth and comfort, but after his mother dies and his father absconds with company funds, David is sent to a foster home, an inner-city school, and a new life. Threatened by bullies and confronted by uncaring teachers, David must find his own way into a life that he can accept. Maverick investigator Dominic Queste is on the trail of missing butcher Sam Price. But he soon uncovers links to a killer with a taste for games. What began as a simple favour for his girlfriend quickly descends into a battle for survival against an enemy who has no qualms about turning victims into prime cuts. Amidst a twisted game of cat and mouse, suspicious coppers, vicious crooks and a seemingly random burglary, Queste has to keep his wits about him. Or he might just find himself on the butcher's block. How far are the Worshipers

willing to go for the cause? Bristow has always done whatever is needed to rise through the ranks of the security services, but now he'll make his move and reveal his true ambition. And Bristow's secret meeting with a shadowy devotee may alter Jason and Chen's fates forever... Lisa's boyfriend suddenly dies after making the debate team but she's not so sure it was an accident. In 1793 a disastrous plague of yellow fever paralyzed Philadelphia, killing thousands of residents and bringing the nation's capital city to a standstill. In this psychological portrait of a city in terror, J. H. Powell presents a penetrating study of human nature revealing itself. Bring Out Your Dead is an absorbing account, from the original sources, of an infamous tragedy that left its mark on all it touched. This is an abridged version of You'll Be Perfect When You're Dead: The Collected Online Writings of Dan Harmon, a collection of some of Dan Harmon's Myspace blogs written in the years leading up to his work creating and running his NBC show Community The original 'unabridged' edition of this book only received a small printing and is no longer found available online, resulting in the existence of this edition. The entries included have been left entirely unedited. In this depression-era noir series debut, a politician's murder leads a Chicago crime reporter to a conspiracy involving the Cubs' race for the pennant. Chicago, 1938. A new mayoral candidate runs on a promise to stomp out organized crime. When he's gunned down, it seems clear that the mob cast their ballot with bullets. But Chicago Tribune reporter Steve "Snap" Malek senses more to the story. And his hunch is confirmed by none other than former syndicate kingpin Al Capone. Incurring his editors' anger, Malek ranges far beyond his beat, plunging headlong into a maverick investigation that soon spins beyond his control. In the process, he crosses paths with actress Helen Hayes, future Mayor Richard J. Daley, and pitching great Dizzy Dean, who was recently traded to the Cubs. And while Dizzy may be essential to a Cubs pennant win, he may also be the key to Malek's very survival.
