A Treatise on Lathes and Turning Nov 12 2022 A Treatise on Lathes and Turning, Simple, Mechanical and Ornamental by W. Northcott Henry, first published in 1876, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

T'ai Chi as a Path of Wisdom Apr 05 2022 Unlike most t'ai chi books, which focus strictly on how to do the t'ai chi forms, T'ai Chi as a Path of Wisdom presents a personal, practical view of this intriguing martial art. Lehrhaupt shares illuminating stories from her own life and the lives of her students that show how t'ai chi can be a vehicle for profound self-discovery and spiritual growth. In learning to master each body posture, t'ai chi students often confront self-doubt, frustration, and the desire to compete and compare themselves to others—problems that also arise in daily life. Lehrhaupt shows how these and other obstacles provide valuable opportunities to deepen awareness and recognize the striking continuities between practice and everyday life. Each section of the book includes practical exercises designed to enhance students' understanding of t'ai chi movements, and a helpful appendix answers many frequently asked questions about t'ai chi training such as how to find a teacher and how to balance practice with family life. Full of useful insights and guidance, T'ai Chi as a Path of Wisdom will be a valuable companion for all students of this increasingly popular martial art.

Shake Down Dec 01 2021 The by-the-book detective and the badass bounty hunter: opposites attract as they 're forced to work together CHARLIE Hunting murderers is what I do, but this pair is different. A modern-day Bonnie and Clyde, they 'll kill again unless I stop them. I need help—and help in this case looks like bad-boy bondsman JoJo Marcone. Good. Bad. Right. Wrong. Gray is dangerous, and Marcone is the most annoying shade of gray—the one that pushes me from merely turned on to totally insatiable. JOJO Tracking down a skip for Jericho Bail Bonds doesn 't usually involve partnering with a hot lady detective, but this is no ordinary case. Too much blood has been spilled on my watch, and with the mob after us, it 's getting harder to keep Charlie safe. It would be easier if she 'd stop stealing my bike. I 'm the last guy Charlie ever saw herself with, that much is clear. But I need

to find her before our enemies do—and then convince her to follow her heart. This book is approximately 80,000 words. One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! Carina Press acknowledges the editorial services of Deborah Nemeth

Shaking Medicine Jun 07 2022 A revolutionary call to reawaken our bodies and minds to powerful healing through ecstatic movement • Shows how shaking medicine is one of the oldest healing modalities--practiced by Quakers, Shakers, Bushmen, Japanese, and others • Teaches readers how to shake for physical as well as spiritual therapeutic benefit Shaking Medicine reintroduces the oldest medicine on earth--the ecstatic shaking of the human body. Most people's worst fear is losing control--of their circumstances, of their emotions, and especially of their bodies. Yet in order to achieve the transcendent state necessary to experience deep healing, we must surrender control. Examining cultural traditions from around the world where shaking has been used as a form of healing--from the Shakers and Quakers of New England to the shaking medicine of Japan, India, the Caribbean, the Kalahari, and the Indian Shakers of the Pacific Northwest--Bradford Keeney shows how shaking can bring forth profound therapeutic benefits. Keeney investigates the full spectrum of the healing cycle that occurs when moving from ecstatic arousal to deep trance relaxation. He explains how the alternating movement produced while shaking brings all the body's energetic systems into balance. He includes practical exercises in how to shake for physical therapeutic benefit, and he shows how these techniques lead ultimately to the shaking medicine that both enables and enhances spiritual attunement.

Turned May 18 2023 Turned upside down by misadventure Amy Childs is late for a party when she makes an illegal turn and hits a pedestrian—the brother of one of the most corrupt men in town. Now her brush with the law has her running for her life from those who want retribution. Torn apart by tragedy Detective Sgt. Dane Philips lost his wife to a serial killer. He's juggled work and parenting his two daughters since but can no longer cope. To save his job he must find a live-in nanny immediately. While he knows he shouldn't hire someone without references, he desperately needs someone. Perhaps Amy is an answer to prayer. But as events take a sinister turn, only a miracle can save them all from destruction. Is Amy the woman of his dreams or the start of a nightmare?

Tap, Move, Shake Aug 21 2023 Got a great game idea? This complete do-it-yourself guide shows you how to make your game idea a reality for the iPhone and iPad. By developing a real game hands-on through the course of this book, you'll get a thorough introduction to Xcode and Objective-C, while learning how to implement game logic, sophisticated graphics, game physics, sounds, and computer AI. Author Todd Moore taught himself how to create an iPhone game in a week, with no previous knowledge of Apple's development tools. Now he develops smartphone games and apps full time. With this book, any coder can turn game ideas into real products, ready for the App Store. Get started by writing a simple game in only 20 lines of code Build a complete air hockey game from scratch Learn best practices for tracking multiple screen touches Use animation loops and create collision functions Get the tools you need to build your own stunning game graphics Apply game physics to give your game a sense of realism Record and edit lifelike sound effects, and create your own background music Design a computer player with different levels of difficulty Featuring an introduction by Steve Wozniak Todd Moore founded TMSOFT to create unique smart phone applications and games. His most popular game title, Card Counter, was featured by Engadget, the Los Angeles Times, and CNET TV. Todd's most popular application, White Noise, was featured by iTunes, Health Magazine, The Washington Post, PC Magazine, and Late Night with Jimmy Fallon.

To Turn A Mate (VonBrandt Wolf Pack #5) May 14 2020 He's tough as nails. She's trying to move on. But when the moon rises and shifters howl, will their passion make it to sunrise? Christian Kyle is white-knuckling his way through life. But with an orphaned sister to care for, the rodeo champion isn't about to give up easily. So when he's turned into a Moonbound wolf and told to mate against his will or his sibling will die, he fights the odds tooth and claw. Ellie Culver swore to keep her heart safe. After

losing her husband in a pack feud, the compassionate vet vowed to steer clear of bloody lycan politics. But when she stumbles on a wounded beast needing urgent help, she can't deny the irresistible call of a soulmate... As Christian struggles to control his inner animal and his longing for the brave woman, his quest to recover his kidnapped sister puts him in the middle of a vicious clan war. And though Ellie does her best to resist their powerful chemistry, she fears falling for another wolf will leave her even more broken. Can they dodge the brutal bloodshed and find their way to their fated forever? *To Turn A Mate* is the steamy fifth book in the VonBrandt Wolf Pack paranormal romance series. If you like sexy antiheroes, strong heroines, and gritty cowboy settings, then you'll adore Krystal Shannan's teeth-baring tale. Buy *To Turn A Mate* to let love's hunger run free today! Perfect for those readers who love sexy, strong, protective heroes, high action stories, small town vibes, fated mate romances. Fans of werewolf and other shifter fantasy romances, look no further. If you enjoy books by T. S. Joyce, Roxie Ray, Jen L. Grey, Leia Stone, Elizabeth Briggs, and Lana Pecherczyk.

Potomac Turning Jul 20 2023 *Potomac Turning* is the story of four young individuals who discover themselves as they mature from the shared childhood of three of them in San Antonio, Texas, and as the fourth joins during their university days in Washington DC. These two men and two women, who come from different social and racial backgrounds, find their lives to become forever linked until the present day. Two other young individuals mould into the story as it progresses to Calcutta in the last phase. There are overtures even to Latin America. There is sexual discovery and experimentation as well as unrequited love. Descriptions of a Catholic school in Texas are poignant and reminiscent of possibilities. Georgetown in Washington DC, which serves as the backdrop as the students mature to young adults, is described with intimacy and familiarity. The passages about Calcutta, where the story moves rapidly towards finality, are extremely well-written and convey the flavor of that city and its people and the times. This is a highly recommended read for lovers of romance in exotic venues (Laurent Oliver, reviewer, Washington DC).

Turning Into Dwelling Jun 14 2020 "A milestone publication of the late Christopher Gilbert's poetry, with an introduction by the National Book Award winner Terrance Hayes. Christopher Gilbert's award-winning 'Across the Mutual Landscape' has become an underground classic of contemporary American poetry. Now reissued and presented with Gilbert's never-before-published last manuscript written before his death in 2007, 'Turning into Dwelling' offers new readers the original music and vision of one of our most inventive poets."--Provided by publisher.

Moving and Shaking Sep 29 2021 Bookwise is a carefully graded reading scheme organized into five cross-curricular strands, encouraging links to other subjects. Comprising 16 fiction and ten non-fiction titles, the 25 books at each level span a two-year reading age and the three-tier levelling system within each level facilitates an accurate match of reading ability and text. The full-colour readers are accompanied by teacher's guides and resource sheets to help teachers get the most out of their guided reading and writing sessions.

New Dawn Oct 31 2021 In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

[Our Dumb Animals](#) May 26 2021

Tommy Shakes Jan 22 2021 Tommy Shakes is a career criminal, and not a very good one. He earned his name as a heroin

addict. Now he's just a drunk, drinking so much that he spends much of his time in bathrooms, exploding from one end or the other. He's in a marriage he wants to salvage. He convinces himself that his wife, Carla, will allow him to stay with her and their teenage son, Malik, if he can bring home enough money. She tells him that won't do it, he needs to quit crime altogether, but Tommy gets a crack at a big heist and decides to pull the job. The job is ripping off a popular restaurant that runs an illegal sports book in back. A lot of money gets paid out on football Sundays; the plan is to pull the robbery on Saturday night. The back room has armed guards but, according to Smallwood, Tommy's contact on the job, there's no gang protection. Tommy recons the job and finds two problems: Smallwood's plan will get them all killed or up on murder one, and one security guy works for a local gangster, Joey Lee. Tommy's desperate for money and figures he can make his own plan. As to the gangster, there's enough money that it's worth the risk. They pull the robbery but one gang member gets gun happy and it turns into a bloodbath, which includes killing Lee's man. Now they're wanted for murder, and the law is the least of their problems. Praise for TOMMY SHAKES: "With his pitch-perfect ear for dialogue, his knack for crisp pacing, and his unerring eye for what might be called the milieu of functional dissolution, Rob Pierce has revealed himself in story after story as a poet of the luckless, the bard of the misbegotten. In the hero of his latest and best, Tommy Shakes, he has found his Frankie Machine." —David Corbett, award-winning author of *The Long-Lost Love Letters of Doc Holliday* "Tight as a drum, vicious as a pitbull. I don't remember the last time I read something that scratched the scuzzy itch of noir as well as Tommy Shakes. Just, maybe don't read it with a full stomach." —Rob Hart, author of the Ash McKenna series "When you pick up Tommy Shakes, make sure you have nothing to do, because you're not going to want to put this one down. Rob Pierce at the tip-top of his game. Watch out, y'all." —Eryk Pruitt, author of *What We Reckon* "When I was in rehab, a psyche ward in Boston, I read the book *Crime Novels: American Noir of the '50s*. Willeford, Goodis, Thompson, Highsmith, and Himes. Had it all. Wretchedness, duplicity, alcoholism, and hopelessness. Tommy Shakes by Rob Pierce would've slotted in there perfectly. Nobody does grim and grave better." —Joe Clifford, author of *Junkie Love* and the *Jay Porter Thriller Series* "Rob Pierce writes the downtrodden like Rodin casts bronze, and Tommy Shakes is his masterpiece." —Benjamin Whitmer, author of *Cry Father* and *Pike* "If you like the kind of noir that makes you want to break out the hand sanitizer, Rob Pierce is the King—and the King does not disappoint with Tommy Shakes. Hard and mean and in your face like noir ought to be." —Todd Robinson, author of *The Hard Bounce* and *Rough Trade* "Pure noir prose. Dark, disturbing, devastating. A journey through Pierce's Oakland is a hellish thrill-ride. Or thrilling hell-ride." —Tom Pitts, author of *101* and *American Static* "Tommy can't get a break, but it's not like he's out to give himself one. This book is as relentless as it is bleak, yet oddly inspiring. You won't just root for an underdog, you'll root for collapse!" —Nick Mamatas, author of *I Am Sabbath* and *Providence*

Shaking Up Parkinson Disease Apr 24 2021 This book explains Parkinson's disease--how it's recognized, what causes it, who gets it, when and how to get help, and much more.
