Personhood Mar 03 2022 In his warm, inviting, and inclusive, style, bestselling author Leo Buscaglia manages to bring a vision of the world together within his warm embrace. Sharing the stories of his travels and his encounters with people all over the world, Buscaglia reminds us that we are all people who have the potential to share ourselves with ourselves as well as others. A lover of life and people, Buscaglia's insight into our hearts and souls, his reassurance as to our essential good natures, is a much-needed reminder of our connectedness to one and all.

The Conditions of Being Art Jun 13 2020 The Conditions of Being Art is the first book to examine the activities of groundbreaking contemporary art galleries Pat Hearn Gallery and American Fine Arts, Co. (1983-2004), and the transnational milieu of artists, dealers and critics that surrounded them. Drawing on the archives of dealers Pat Hearn and Colin de Land--both, independently, legendary players on the New York art scene of the 1980s and '90s, and one of the great love stories of the art world--this publication illustrates their distinctive artistic practices, significant exhibitions and events, and daily business. Hearn and de Land championed art that challenged the business of running an art gallery; artists like Renée Green and Susan Hiller, Andrea Fraser and Cady Noland, who employed conceptualism and installation, social and institutional critique. Contributing to the history of exhibitions, institutions and curating, The Conditions of Being Art addresses a significant gap in this literature around experimental commercial spaces in recent art history. This publication is the first book-length critical account of the alternative commercial gallery practices of the 1990s, a moment and a scene that is extremely influential to many of today's art dealers, curators and artists. Hearn and de Land's gallery practices explored new experimental and ethical possibilities within the selling of art, testing the relationship of contemporary art to its markets. In this volume, full-color images, in-depth scholarly investigations and detailed gallery histories vibrantly document how Hearn and de Land tested new notions of what an art gallery could be.

The Art of Being a Woman Jul 15 2020 Explains how to eliminate everyday negativity in order to bring more joy into life, with inspirational tips on the art of loving life, while emphasizing that the true definition of success lies in how good we feel about ourselves.

The Art of Being Human May 17 2023 Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

The Art of Being Apr 23 2021 Helps readers become inspired and stay inspired, with motivational and uplifting writings that can be read daily, supported by "Mindfulness Practices," or action steps to make it simple. Ultimately, the understanding at which the reader will arrive is that spirituality, the "art of being," is actually a lifestyle, a way of walking our sacred earth every day. The Art of Being is a user-friendly manual to help you become acutely aware of how to live more mindfully on a day-by-day, hour-by-hour, moment-by-moment basis and thus create more peace and happiness in your life and in the lives of those around you.

The Art of Being a Parasite Sep 16 2020 Parasites are a masterful work of evolutionary art. The tiny mite *Histioglyphus* laboratory, a parasite of *Drosophila*, launches itself, in an incredible display of evolutionary engineering, like a surface-to-air missile at a fruit fly far above its head. Gravid mussels such as *Lampsilis ventricosa* undulate excitedly as they release their parasitic larval offspring, conning greedy predators in search of a tasty meal into hosting the parasite. The Art of Being a Parasite is an extensive collection of these and other wonderful and weird stories that illuminate the ecology and evolution of interactions between species. Claude Combes illustrates what it means to be a parasite by considering every stage of its interactions, from invading to reproducing and leaving the host. An accessible and engaging follow-up to Combes's *Parasitism*, this book will be of interest to both scholars and nonspecialists in the fields of biodiversity, natural history, ecology, public health, and evolution.

Art of Being May 05 2022 Fromm examines the true paths--as opposed to false directions--that will lead us to self-knowledge and enlightenment and offers another way to self-awareness and well-being, one based on psychoanalysis and self-awareness through meditation.

The Art of Being You Jan 21 2021 With contributions from leading art and fashion world figures such as German Celant, and Ingrid Sischy, and stunning photographs by Richard Avedon, Irving Penn, and Steven Meisel, *The Art of Being You* is a fitting tribute to this revered genius of design. While Versace's legacy to the world of fashion and popular culture remains incalculable, particularly so now after his tragic death, Versace himself was inspired by contemporary artists and the great modern masters of the early 20th century. *The Art of Being You* chronicles the development of the Versace look and demonstrates the myriad ways in which art has influenced the designer's style. Drawing on the work of illustrious artists such as Picasso, Kandinsky, and Léger, and of more recent figures such as Jim Dine, David Hockney and Roy Lichtenstein, Versace melded history, pop culture, and his own unique sensibilities to create the inimitable style that bears his signature. Gianni Versace's lifelong passion for art together with his own visionary imagination have left us an extraordinarily vibrant body of work--and certainly one of the most original creative legacies of our time. This richly illustrated volume presents a candid look at the many sources of Versace's inspiration. Germano Celant is a critic and curator of the 1997 Biennale di Venezia and organizer of the 1996 Biennale di Firenze. Ingrid Sischy is the editor of *Interview* and was a contributor to *Rock and Royalty*. Frank Moore and Julian Schnabel are both New York-based artists. Richard Martin is curator of the Costume Institute at the Metropolitan Museum of Art.

The Art of Being Normal Apr 16 2023 David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

The Art of Being Unreasonable Jun 18 2023 Unorthodox success principles from a billionaire entrepreneur and philanthropist Eli Broad's embrace of "unreasonable thinking" has helped him build two Fortune 500 companies, amass personal billions, and use his wealth to create a new approach to philanthropy. He has helped to fund scientific research institutes, K-12 education reform, and some of the world's greatest contemporary art museums. By contrast, "reasonable" people come up with all the reasons something new and different can't be done, because, after all, no one else has done it that way. This book shares the "unreasonable" principles—from negotiating to risk-taking, from investing to hiring—that have made Eli Broad such a success. Broad helped to create the Frank Gehry-designed Walt Disney Concert Hall, the Museum of Contemporary Art, the Broad Contemporary Art Museum at the Los Angeles County Museum of Art, and The Broad, a new museum being built in downtown Los Angeles His investing approach to philanthropy has led to the creation of scientific and medical research centers in the fields of genomic medicine and stem cell research At his alma mater, Michigan State University, he endowed a full-time M.B.A. program, and he and his wife have funded a new contemporary art museum on campus to serve the broader region Eli Broad is the founder of two Fortune 500 companies: KB Home and SunAmerica If you're stuck doing what reasonable people do—and not getting anywhere—let Eli Broad show you how to be unreasonable, and see how far your next endeavor can go.

The Lonely City Oct 18 2020 There is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.

The Art of Being Indispensable at Work Nov 11 2022 What's the secret to being indispensable—a true go-to person—in today's workplace? With new technology, constant change and uncertainty, and far-flung virtual teams, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution, working with everyone, all the time, across silos and platforms. But sometimes it feels like we're stuck in a no-win cycle—dealing with an overwhelming influx of asks, with unclear lines of communication and authority. Overcommitment syndrome looms larger than ever before. But even amid the seeming chaos, there's always that indispensable go-to person who thrives on their many working relationships with people all over the organization chart. How do they do it? Go-to people consistently make themselves valuable to others, maintain a positive attitude of service, are creative and tenacious, and take personal responsibility for getting the right things done. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people think and behave differently, building up their influence with others—not by trying to do everything for everybody but by doing the right things at the right times for the right reasons, regardless of whether they have the formal authority. This book will teach you to: Understand the peculiar mathematics of real influence Lead from wherever you are #8212up, down, sideways, and diagonal Know when to say "no" or "not yet," and how to say "yes" Keep getting better and better at working together And much more. *The Art of Being Indispensable at Work* is the new *How to Win Friends and Influence People* for an era in which the guardrails of traditional management have been pulled away.

The Art of Being Brilliant Sep 09 2022 A pep talk in your pocket This short, small, highly illustrated book will fill you to the brim with happiness, positivity, wellbeing and, most importantly, success! Andy Cope and Andy Whittaker are experts in the art of happiness and positive psychology and *The Art of Being Brilliant* is crammed full of good advice, instructive case studies, inspiring quotes, some funny stuff and important questions to make you think about your work, relationships and life. You see being brilliant, successful and happy isn't about dramatic change, it's about finding out what really works for you and doing more of it! The authors lay down their six common-sense principles that will ensure you focus on what you're good at and become super brilliant both at work and at home. A richly illustrated, 2 colour, small book full of humour, inspiring quotes and solid advice A great read with a serious underlying message – how to foster positivity and bring about success in every aspect of your life Outlines six common-sense principles that will help you ensure you are the best you can be

Tao and the Art of Being a Badass Mar 23 2021 The ancient secret to becoming a complete badass with women You've probably come across them. The badasses. Men you've seen that always seem to have effortless success with women. They have what appears to be an endless stream of women chasing them. Yes, they're confident and outgoing, but there's more to it than that. A secret sauce. The badass is more than just a player. He has no need of psychological tricks or pickup lines. He just has to be himself and people want to be with him. An effortless, easy-going, attractive vibe. This book will teach you how to harness the secrets of an ancient Chinese philosophy to become that badass yourself. I'm not going to tell you how meditation can get you chicks. I'm not going to have you chanting, or tree hugging or any of that stuff. That's not what this book is about. It's about getting women to want you, effortlessly. You'll learn how to: Not to put women off instantly Never worry about conversation again Start feeling comfortable around extremely hot women Stop worrying about things you do that you think will put women off Stop worrying about just wanting sex with women Get out of the friend zone Develop an immunity to the fear of approaching women Beat the fear of rejection for good But it's about more than just that. Yes, it will bring you success with women - and that's the focus of this book. But you'll also develop as a person: People will start to seek approval from you You'll become quietly confident, never again just "hoping to get laid" You'll always react well to what others would deem as setbacks, with woman and in life You'll become socially magnetic, developing an extensive circle around you You'll become dominant without being pushy, someone who leads and others follow Included with the book is a link for customers to download the companion workbook 7 days to badass, in which I'll take you through a detailed 7 day blueprint to a successful night with a woman. Building on all the knowledge I teach you in this book, it'll have you confidently leading a girl of your choice into bed within 7 days.

The Art of Being May 25 2021 The Art of Being is a collection of inspirational words and motivational messages designed to empower, inspire, and encourage. Whether you're looking for a pick-me-up, a life coach, or a personal cheerleader, this nonfiction journey of life lessons, quotable messages, and poetry will hit the spot. Personal and relatable, the collection is centered on the idea of being your best self in order to live your best life. Inspirational, motivational, and spiritual, *The Art of Being* is the perfect gift to yourself. Fall in love with *The Art of Being* as you fall in love with the art of being YOU.

The Art of Being a Brilliant Teenager Dec 20 2020 Calling all teenagers—quit the moaning and start loving life! Don't be a cliché. Don't stay in your bedroom grunting and grumbling. How about getting motivated, energized and start making a difference?! *The Art of Being A Brilliant Teenager* teaches you how to become your very best self—and how to figure out who that is, exactly. The bestselling authors of *The Art of Being Brilliant* and *Be Brilliant* Everyday are experts in the art of happiness and positive psychology and, with this new book, you'll find your way to becoming brilliant at school, work, and life in general. Stay cool under all the pressures you're facing, and plot a map for the future that takes you wherever it is you want to go. Become proactive, determined, successful and most importantly: happy! Fact: your life span is about four thousand weeks. It seems like a lot, but it's not. Complaining about life, homework, parents, and relationships may be normal now, but don't let it become your defining trait. When you're forty years old and still moaning, a big chunk of your four thousand weeks have slipped by, and you're no closer to happiness than you were as a teen. This book is a guide to starting the journey to your ideal life now, instead of wasting time being a drip. Discover the real you, and what you want out of life Stop moaning and get moving now, while there's plenty of time Lose your bad habits before they become your personality Figure out how you want to contribute, and find a way to do it The bottom line is this: it's easy to be the average version of yourself, but is that really all you want? Don't you want to achieve something? Get started now. *The Art of Being A Brilliant Teenager* helps you figure out where you want to go, and how to get there. So, whether you're an ambitious teenager, a parent or teacher desperate to turn a down-beat teenager into a ray of positivity and delight, *How to Be a Brilliant Teenager* is here to help.

The Art of Making Magazines Apr 11 2020 In this entertaining anthology, editors, writers, art directors, and publishers from such magazines as *Vanity Fair*, *The New Yorker*, *The New Republic*, *Elle*, and *Harper's* draw on their varied, colorful experiences to explore a range of issues concerning their profession. Combining anecdotes with expert analysis, these leading industry insiders speak on writing and editing articles, developing great talent, effectively incorporating art and design, and the critical relationship between advertising dollars and content. They emphasize the importance of fact checking and copyediting; share insight into managing the interests (and potential conflicts) of various departments; explain how to parlay an entry-level position into a masthead title; and weigh the increasing influence of business interests on editorial decisions. In addition to providing a rare, behind-the-scenes look at the making of successful and influential magazines, these contributors address the future of magazines in a digital environment and the ongoing importance of magazine journalism. Full of intimate reflections and surprising revelations, *The Art of Making Magazines* is both a how-to and a how-to-be guide for editors, journalists, students, and anyone hoping for a rare peek behind the lines of their favorite magazines. The chapters are based on talks delivered as part of the George Delacorte Lecture Series at the Columbia School of Journalism. Essays include: "Talking About Writing for Magazines (Which One Shouldn't Do)" by John Gregory Dunne; "Magazine Editing Then and Now" by Ruth Reichl; "How to Become the Editor in Chief of Your Favorite Women's Magazine" by Roberta Myers; "Editing a Thought-Leader Magazine" by Michael Kelly; "Fact-Checking at The New Yorker" by Peter Canby; "A Magazine Needs Copyeditors Because..." by Barbara Walraff; "How to Talk to the Art Director" by Chris Dixon; "Three Weddings and a Funeral" by Tina Brown; "The Simpler the Idea, the Better" by Peter W. Kaplan; "The Publisher's Role: Crusading Defender of the First Amendment or Advertising Salesman?" by John R. MacArthur; "Editing Books Versus Editing Magazines" by Robert Gottlieb; and "The Reader Is King" by Felix Dennis

The Art of Being Free Jul 07 2022 "Most folks probably don't learn about Alexis de Tocqueville in school anymore, but his seminal work, *Democracy in America*, is still surprisingly resonant. When he came to America in 1831 to study our great political experiment, he reported that the main issues were: religion, money, sex, death, love, gender inequality, work and politics. Clearly, we haven't come as far as one might hope. But it wasn't all doom and gloom.

De Tocqueville not only cataloged our problems; he also provided a manual on how to solve them. In *The Art of Being Free*, journalist and scholar James Poulos parses de Tocqueville's advice for a modern audience, showing us how to live a sane, healthy, and happy life, regardless of the hectic world around us. Poulos dives into the original, beloved text to see what Tocqueville would say about our relationship to technology; our methods for coping with stress; our obsession with appearances; our workaholicism; and our physical indolence. He explores how our uniquely American malaise might be alleviated, not by the next wellness or self-help craze, but by the kind of inner inventory-taking that has fallen out of fashion. Like Sarah Bakewell's *How to Live* or Alain de Botton's *How Proust Can Change Your Life*, *The Art of Being Free* offers a vital new twist on a collection of timeless wisdom—for Americans of all ages."--

The Art of Being a Healing Presence Nov 30 2021 Jim Miller teamed with hospice chaplain Susan Cutshall to create a book about how to be with others in a way that's compassionate, nurturing, healing, and potentially even transforming. The foundational ideas are laid out in 15 short chapters: "There's only one place to begin—with yourself." "Healing presence is most effective when it's least active." Whole pages of engaging quotations and artistic drawings are interwoven with insightful observations and practical suggestions. Ideal for both professional and lay caregivers

The Art of Being Indispensable at Work Jun 25 2021 What's the secret to being indispensable--being a true go-to person--in today's workplace? With new technology, flatter organizations, far-flung virtual teams, and constant change, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution--but sometimes it feels more like a meltdown. Managers and executives are trying harder than ever to keep up and stay effective, relying on cross-functional coordination, better planning and resource sharing, simplified processes, and speeded-up work. It's a herculean challenge, and people are struggling. Overcommitment grows and burnout looms. But even amid the seeming chaos of the matrix organization--where you are constantly being asked to do things by people who aren't your boss, and where you must ask things of others who don't report to you--there is always that special person who seems indispensable, who seems to thrive on complexity, and who is able to stay focused and positive and get the right things done: This is the go-to person. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people not only behave differently, but also think differently, basing their decisions and actions on their own personal influence rather than on any formal designation of authority. At the heart of the go-to person's unique credo are the basics of "the ask" and the response--a powerful reimagining of how to say yes and when to say no. Nearly a century ago, Dale Carnegie's classic *How to Win Friends and Influence People* propelled millions of readers up the ladder of success. Now, in a world of work where you truly need to interact with everybody, Tulgan provides the new must-read guidebook for achieving real influence and learning to thrive when the guardrails of traditional management are pulled away.

The Art of Being and Becoming Jan 01 2022 The Art of Being and Becoming gathers Inayat Khan's teachings on what the Sufis consider the fruit of the whole creation -- the divine art of creating the human personality. This volume gives methods for training the ego, tuning the heart, and developing will power, all to help one develop and perfect a natural way of being in the world. Excerpt: " For every soul there are four stages to pass through in order to come to the culmination of the ego, which means to reach the stage of the rose. In the first stage a person is rough, thoughtless, and inconsiderate. He is interested in what he wants and in what he likes; as such he is naturally blind to the needs and wants of others. In the second stage a person is decent and good as long as his interests are concerned. As long as he can get his wish fulfilled he is pleasant and kind and good and harmonious, but if he cannot have his way, then he becomes rough and crude and changes completely. There is a third stage, when someone is more concerned with another person's wish and desire and less with himself, when his whole heart is seeking for what he can do for another. In his thought the other person comes first and he comes afterwards. That is the beginning of turning into a rose. It is only a rosebud, but then in the fourth stage this rosebud blooms in the person who entirely forgets himself in doing kind deeds for others."

The Art of Being Jul 19 2023 A guide to well-being from the renowned social psychologist and New York Times—bestselling author of *The Art of Loving* and *Escape from Freedom*. Though laptops, smartphones, and TVs have in many ways made life more convenient, they have also disconnected us from the real world. Days are spent going from screen to machine, machine to screen. In *The Art of Being*, renowned humanist philosopher and psychoanalyst Erich Fromm draws from sources as varied as Sigmund Freud, Buddha, and Karl Marx to find a new, centered path to self-knowledge and well-being. In order to truly live, Fromm argues, we must first understand our purpose, and the places where we lost it. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

The Art of Being Dangerous Apr 04 2022 The idea that women are dangerous – individually or collectively – runs throughout history and across cultures. Behind this label lies a significant set of questions about the dynamics, conflicts, identities and power relations with which women live today. The Art of Being Dangerous offers many different images of women, some humorous, some challenging, some well-known, some forgotten, but all unique. In a dazzling variety of creative forms, artists and writers of diverse identities explore what it means to be a dangerous woman. With almost 100 evocative images, this collection showcases an array of contemporary art that highlights the staggering breadth of talent among today's female artists. It offers an unparalleled gallery of feminist creativity, ranging from emerging visual artists from the UK to multi-award-winning writers and translators from the Global South. Contributors: Margie Orford, Meredith Bergmann, K.E. Carver, Sasha de Buyl-Pisco, Mary Paulson-Ellis, Melissa Álvaro Mutolo, Kerri Turner, Heshani Sothiraj Eddleston, Joanie Conwell, Dilys Rose, Alison Jones, Sim Bajwa, Hilaire, Tara Pixley, Leonie Mhari, Kate Feld, Millie Earle-Wright, Helen Boden, Elif Sezen, Rebecca Vedavathy, Irene Hossack, SE Craythorne, Roisin Kelly, Nkateko Masinga, Elaine Gallagher, Ildiko Nova, Rachel Roberts, susan c. dessel, Savanna Scott Leslie, Heather Pearson, Eva Moreda Rodriguez, Tanya Krzywinska, Siris Gallinat, Clare Archibald, Maya Mackrandilal, Zuhail Feraidon, Anna Brazier, Shirley Day, Treasa Nealon, Satdeep Grewal, Lucy Walters, Priyanthini Guns, Kate Schneider, Alana Tyson, Jayde Kirchert, Boris Eldagsen, Brenda Rosete, Victoria Duckett, Patricia Allmer, JL Williams, Carly Brown, Sotiria Grek, Sepideh Jodeyri, Brooke Bolander, Maria Stoian, Maria Fusco, Claire Askew and Marianne Boruch.

Contemporary Citizenship, Art, and Visual Culture Nov 18 2020 Taking citizenship as a political position, cultural process, and intertwining of both, this edited volume examines the role of visual art and visual culture as sites for the construction and contestation of both state-sanctioned and cultural citizenships from the late 1970s to today. Contributors to this book examine an assortment of visual media—painting, sculpture, photography, performance, the built environment, new media, and social practice—within diverse and international communities, such as the United States, South Africa, Turkey, and New Zealand. Topics addressed include, but are not limited to, citizenship in terms of: nation building, civic practices, border zones, transnationalism, statelessness, and affects of belonging as well as alternate forms of, or resistance to, citizenship.

The Art of Being There: Creating Change, One Child at a Time Oct 10 2022 The powerful and inspiring story of a man who, instead of despairing over his own impoverished plight or the systems that make it hard for others to climb out of poverty, created a solution that's breaking cycles of poverty and bringing hope to a new generation. With the fortitude to survive a poor home life growing up and eventually thrive, Duncan Campbell set out to make his mark in the world--but it wasn't the one he originally intended. After utilizing his entrepreneurial skills to amass a small fortune, Campbell set his sights on a venture he saw as far more worthwhile: helping the most vulnerable and at-risk children escape a fate of poverty. Over the last two decades, Campbell's organization, Friends of the Children, has not only attempted but succeeded in eye-opening ways. The Art of Being There shares Campbell's inspirational journey along with the heart-warming stories of those he's helped.

The Little Book of Being Brilliant Aug 16 2020 The latest and greatest insights on happiness from around the world The Little Book of Being Brilliant is a 'greatest hits' compilation of the best and the latest information from the science of positive psychology. Xtra: The Art of Being Jan 13 2023 Xtra, The Art of Being is meant for those who want permission and inspiration to be themselves. Making anything else but one's true self is exhausting. It's time to awaken your Xtra.

The Art of Being Governed Aug 08 2022 An innovative look at how families in Ming dynasty China negotiated military and political obligations to the state How did ordinary people in the Ming dynasty (1368–1644) deal with the demands of the state? In *The Art of Being Governed*, Michael Szonyi explores the myriad ways that families fulfilled their obligations to provide a soldier to the army. The complex strategies they developed to manage their responsibilities suggest a new interpretation of an important period in China's history as well as a broader theory of politics. Using previously untapped sources, including lineage genealogies and internal family documents, Szonyi examines how soldiers and their families living on China's southeast coast minimized the costs and maximized the benefits of meeting government demands for manpower. Families that had to provide a soldier for the army set up elaborate rules to ensure their obligation was fulfilled, and to provide incentives for the soldier not to desert his post. People in the system found ways to gain advantages for themselves and their families. For example, naval officers used the military's protection to engage in the very piracy and smuggling they were supposed to suppress. Szonyi demonstrates through firsthand accounts how subjects of the Ming state operated in a space between defiance and compliance, and how paying attention to this middle ground can help us better understand not only Ming China but also other periods and places. Combining traditional scholarship with innovative fieldwork in the villages where descendants of Ming subjects still live, *The Art of Being Governed* illustrates the ways that arrangements between communities and the state hundreds of years ago have consequences and relevance for how we look at diverse cultures and societies, even today.

Happiness and the Art of Being Dec 12 2022 An in-depth study of the philosophy, science and art of true self-knowledge taught by Bhagavan Sri Ramana Maharshi, giving detailed guidance on the practice of self-investigation (atma-vichara), 'Who am I?'

Frida Kahlo Aug 20 2023 Frida Kahlo was not only an iconic artist, she was also a bold beauty and an avant-garde fashionista whose timeless sense of style continues to inspire and influence the worlds of fashion, media, and art today.

The Art of Being Yay! Jun 06 2022

The Art of Being Mar 15 2023 In this account of how the novel reorients philosophy toward the meaning of existence, Yi-Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self-knowledge, freedom, and the world. At stake are the conditions under which knowledge of existence is possible.

Unmistakable May 13 2020 Stop trying to beat everyone else. True success is playing by your own rules, creating work that no one can replicate. Don't be the best, be the only. You're on the conventional path, checking off accomplishments. You might be doing okay by normal standards, but you still feel restless, bored, and limited. Srinivas Rao gets it. As a new business school graduate, Srinivas's dreams were crushed by a soulless job that demanded only conformity. Sick of struggling to keep his head above water, Srinivas quit his job and took to the waves, pursuing his dream of learning to surf. He also found the freedom to chart his own course. Interviewing more than five hundred creative people on his *Unmistakable Creative* podcast was the ultimate education. He heard how guests including Seth Godin, Elle Luna, Tim Ferriss, Simon Sinek, and Danielle LaPorte blazed their own trails. Srinivas blends his own story with theirs to tell you: You can find that courage too. Don't be just one among many--be the only. Be unmistakable. Trying to be the best will chain you to others' definition of success. *Unmistakable* work, on the other hand, could only have been created by one person, so competition is irrelevant. Like Banksy's art or Tim Burton's films, unmistakable work needs no signature and has no precedent. Whether you're a business owner, an artist, or just someone who wants to leave your mark on the world, *Unmistakable* will inspire you to create your own path and define your own success.

The Secret Art of Being a Parent Feb 02 2022 Parenting Tip #1: There's no one right way to be a parent. This entertaining parenting guide is the helpful, bite-size advice you need when you've just had a kid. From a list of what you need in a diaper bag to a loving reminder that sometimes you just need to take time for yourself, these tips and tricks reassure parents that parenting is doable and that they're already doing a great job. Chock-full of all the timesavers and support that new parents need, and with fun illustrations to lighten the mood, this shower go-to gives first-time parents the gift of knowing that, yes, they can do this!

The Art of Being Oct 30 2021 Attitude. Personality. Mindset. Spirit. Essence. Regardless of how you define your state of being, it is the basis for your existence and how you experience life. The Art of Being lays the foundation for your first impressions because if you get this part wrong not much else matters. All other efforts may be diminished or wasted. Your way of being sets the tone for how people relate to you, behave toward you, and engage with you. The more positively centered and grounded you are in your authentic being, the more people may be drawn to you. Becoming the person you want to be includes being your best, doing your best, and allowing your personality, passions, and purpose to shine through. This book is Book 1 of 8 from the Susan Young's mastery manual *The Art of First Impressions for Positive Impact*; 8 Ways to Shine Bright to Transform Relationship Results.

The Art of Being Sep 28 2021 What is the good life? What is our ultimate aim as humans? What is the end to which we are created? These are the questions that each of us have to answer to be able to draw lifelong meaning and purpose. Yet they are also questions that constantly bombard us in our everyday scrolling as edenic-like images beckon us to do more, be better and work harder so that we can project an identity in the midst of a chaotic world. What if there was another invitation in the midst of our cultural moment? An invitation that is not merely something unique to our modern world but in uniformity with the ages of the past from a story about our shared origins in opening pages of the biblical scriptures. A misunderstood story from our ancestors that invites us to just...be. A countercultural invitation to form our lives to a different end. To a life patterned and postured around the presence of God, injected into the everyday rhythms and routines of life. The everpresent invitation of our true Father to find purpose in His Presence.

The Art of Being Cool Jul 27 2021 Addressing the challenges facing adolescent black males, this book analyses and stresses the importance of identity development. It helps educators and parents understand the importance of cultivating a positive black male identity and how this overlooked aspect of childhood development impacts young adults. Solutions for finding a balance between academics and social activities are also provided.

The Art of Being Together Feb 14 2023 Priest, author, and spiritual director Frank Wade outlines seventeen principles of successful marriages. The key, suggests Wade, is communication, and knowing when and how to talk and listen with and to one's partner. A must-read both for married persons looking to strengthen their relationship and for those considering marriage, this book is clearly intended to be both read and discussed.

The Well of Being Feb 19 2021 An enchanting, visually arresting, "extraordinary children's book for adults...that peers into the depths of the human experience and the meaning of our existence." (Brainpickings.org).

The Big Bad Book of Bill Murray Aug 28 2021 The New York Times Best Seller. Part biography, part critical appreciation, part love letter, and all fun, this enormous full-color volume, packed with color film stills and behind-the-scenes photography, chronicles every Murray performance in loving detail, recounting all the milestones, legendary "Murray stories," and controversies in the life of this enigmatic performer. He's played a deranged groundskeeper, a bellowing lounge singer, a paranormal exterminator, and a grouchy weatherman. He is William James "Bill" Murray, America's greatest national treasure. From his childhood lugging golf bags at a country club to his first taste of success on Saturday Night Live, from his starring roles in Hollywood blockbusters to his reinvention as a hipster icon for the twenty-first century, *The Big Bad Book of Bill Murray* chronicles every aspect of his extraordinary life and career. He's the sort of actor who can do Hamlet and Charlie's Angels in the same year. He shuns managers and agents, and he once agreed to voice the lead in *Garfield* because he mistakenly believed it was a Coen Brothers film. He's famous for crashing house parties all over New York City—and if he keeps photobombing random strangers, he might just break the Internet.
