Encyclopedia of Social Deviance
Sep 21 2020 Social

deviance—any behavior that violates a cultural norm—can involve something as major as crime or as minor as consistently and deliberately wearing lively mismatched socks. Whether a crime, a sin, or simply a unique taste, what's considered deviant at one time and place can change, as when extensive tattooing and "body art" evolved from a sideshow carnival spectacle to a nearly universal rite of passage within U.S. culture. Drawing contributions from across the social and behavioral sciences, including sociology, anthropology, criminology, politics, psychology,

and religion, the Encyclopedia of Social Deviance introduces readers to the lively field of rule-making and rebellion that strikes at the core of what it means to be an individual living in a social world. Key Features: More than 300 articles authored by key figures in the field are organized A-to-Z in two volumes. Each article concludes with cross-references to related entries and further readings. A thematic "Reader's Guide" groups related articles by broad areas (e.g., Concepts; Theories; Research Methodologies; Individual Deviance; Organizational Deviance; etc.) as

one handy search feature on the e-Reference platform, which also includes a comprehensive index of search terms. Available in both electronic and print formats, this two-volume, A-to-Z encyclopedia set is a must-have resource for students and researchers who seek to understand social deviance. Key Themes: Crime, Property Crime, Sex Crime, Violent Crime, White-Collar/Corporate Defining Deviance Deviance in Social Institutions Deviant Subcultures Discrimination Drug Use and Abuse Marriage and Family Deviance Measuring Deviance Mental and Physical

NASCAR, Sturgis,
and the New
Economy of
Spectacle Oct 23
2020 NASCAR,
Sturgis, and the
New Economy of
Spectacle vividly
illustrates how
legendary
spectacles, such as
those in NASCAR
racing and the
Sturgis Motorcycle
Rally, generate a
triple-circuit of

profit.
*The Brat and the
Bossman* Jul 24
2023 Kicked to the
curb by his wealthy
parents, Lake
Adams works four
jobs just to get by.
When handsome
Blaze Harrington
walks back into his
life, Lake doesn't
have the time to
flirt. Besides, the
first time they had
met, the sexy biker
had turned Lake
down. Now Blaze
seems interested,
but in more than
just a one-
nighter. And Lake
isn't boyfriend
material. Ever since
his older brother
died, Blaze has run
the Hedonist
Motorcycle Club.
He also owns a
porn company,
Hard Time
Productions. When
he decides to merge
with another

company, he's
surprised to find his
new business
partner's PA is Lake
Adams, the feisty,
sharp-tongued
young man Blaze
had met at a party
over a year ago.
Blaze has come to
terms with a lot of
things since then
and, after some
initial uncertainty,
wants to give
dating Lake a try.
But the guy's
burning the candle
at both ends and
determined not to
make things easy
for Blaze. However,
the more Blaze sees
of Lake, the more
he's convinced the
man is worth the
effort. And Blaze is a
determined man.
*A Hedonist's Guide
to Rome* Sep 14
2022 Rome, the
eternal city, is
everyones favorite
European city.

From the Roman Empire to the Roman Catholic Church, the city has forged the destinies of countries from around the world for many centuries. Between the splendours of the modern and ancient worlds there are the small backstreets and wide piazzas humming with the hustle and bustle of everyday Roman life small, local trattorias sit beside the chicest and smartest of international restaurants. From the majesty of the Colosseum to the magical frescoes of the Sistine Chapel, Rome oozes history, style and sophistication. However, whilst Rome's cultural splendours are

well-documented, surprisingly little is really known of the top bars, restaurants, clubs and cafes. The question of where to go once the museums shut is now answered with *Hg2 Rome*. We delve into the Rome of the Romans, covering the thriving bar and club scene alongside the best of the best restaurants, intimate cafés and world-class shopping. *A Hedonist's Guide to Madrid* Nov 16 2022 It would be hard to find a city that lends itself more to the pursuit of hedonism than Madrid. Known as the party capital of Europe, it has a level of vibrancy and energy

unparalleled in other cities. No matter what the night of the week, you'll find bars and restaurants bursting with people well into the early hours. Coupled with the cultural sophistication and elegance of the Prado, Thyssen and Reina Sofia, Madrid is the ultimate weekend destination. *A Hedonist's Guide to Prague* Jun 11 2022 Described by Harpers & Queen as "a chic insider's guide for sophisticated travellers," these sleek, black city guides are aimed at the more discerning traveller looking to sidestep the usual tourist traps and penetrate the skin of each city. The

Hedonist's Guide To series offers a definitive view of the finest restaurants, the most stylish hotels, the chicest bars, the best shopping, the most luxurious spas and the cultural highlights in each city.

Individually tried and tested, every bar, restaurant, hotel, cafe and nightclub is accompanied by a photograph.

One Night Stand

Dec 05 2021 Lucy is used to having a handle on things herself: her business, which she's fighting to turn around after a rough patch, and her love life, which consists of carefully conducted casual encounters during which only she calls the shots. A one

night stand with George, the irresistible tall, husky, rough biker whose deceptive exterior hides a gentler side, changes everything. Her usual approach doesn't work for her anymore: she doesn't want to say goodbye. Is it time she let someone else into her life for longer than just one night? Meanwhile, the crucial project she's just landed is about to fall to pieces, threatening her reputation as well as her finances. Suddenly Lucy has to learn what it's like to not be in control of anything at all. [Mountain Bike Madness](#) Dec 17 2022 Mountain biking is the extreme sport of choice for

thousands of adrenaline-crazed individuals, and Mountain Bike Madness is the perfect tribute and account of the sport's exciting lore, reverent, and death-defying tricks. Riders of all levels and riding interests--as well as non-riders--will uncover entertaining, comprehensive text as well as inspiring photography on the sport that put the word "extreme" onto the tongues of millions.

Darwinian Hedonism and the Epidemic of Unhealthy Behavior

Jul 20 2020 Provides a new approach to psychological hedonism and applies it to the growing global

epidemic of unhealthy behavior. [A Hedonist's Guide to New York](#) Mar 20 2023 Hg2 New York turns its stylish focus on the 'City That Never Sleeps', unravelling this, at times, confusing world where high fashion and high finance collide in an exciting whirl of new trends, new places and new looks. Crunching through the Big Apple to weed out the pips, Hg2 takes readers off the timeworn tourist trail and into the most stylish, hip and original locations; from Downtown boutique hotels with a buzzing bar scene to grand-dame favourites on the Park; haute-cuisine temples of

gastronomy to laid-back lunch spots or the latest see-and-be-seen fusion restaurant; chic bars serving perfect Martini's to hidden speakeasies on the Lower East Side and clubs for every mood. The scale and enormosity of the city makes it difficult to tackle for residents and visitors alike. Hg2 New York provides an effective filter in bringing the readers the best of such a diverse city and taking you to truly the most interesting places in town.

A Hedonist's Guide to Stockholm Jan 06 2022 This beautiful archipelago city comes alive for those seeking to really explore beneath the skin of Stockholm — it's

not just about chiseled cheekbones and meticulous design, there's so much more, be it world-class cooking, decadent hotels, and chic shopping. It is this attention to detail that makes this guide one that's appreciated by hedonistic travelers the world over.

The Survivor and His Safe Place Oct 03 2021 A big, tough biker, Axel Bryant has used his muscle to frighten more than a few people over the years. Which makes it ironic how he's spent the last three years patiently trying to persuade Caleb Sullivan, the man he's loved practically at first sight, to stop being afraid of him. A

past trauma for which Axel's looks are a trigger has kept Caleb fearful, but just when Axel is thinking he should give up on the younger man, things take a sudden turn. When Caleb makes it clear he's interested in Axel, the biker is over the moon. But with his violent past, is he worthy of someone like Caleb? Caleb has spent the past four years suffering flashbacks of the night his entire family was killed while he hid upstairs in a closet. He's finally found a good therapist, and, more than anything, he wants to be normal again. Axel's big, muscular build both attracts Caleb and terrifies him. He can only

hope he's doing the right thing by reaching out to the man and not setting himself back in the recovery he's only recently made strides in.

The Ballerino and the Biker

Aug 25 2023 Most of his young life, Morgan Wentworth has dreamed of becoming a principal dancer in a prestigious corps de ballet. After years studying the art in Milan, Morgan comes home to New York City to apprentice with the Manhattan Ballet Company only to be hit by the unexpected death of his older brother, Jake. The grieving dancer learns his life is threatened by a dangerous rival motorcycle gang and that pierced,

tattooed, HOT biker Zeke Ivers has been assigned by Jake's MC to guard him. Saddled with the constant presence of the infuriating man, Morgan juggles the demands of an exhausting dance schedule as well as his new responsibilities as CEO of his family's multi-million-dollar company. He never expects to develop an attraction for the straight, obnoxious biker, but that's exactly what happens. Estranged from an abusive family, Zeke Ivers has lived at the Hedonists' club house and worked on cars since he was a teen. When fellow club member Jake Wentworth and a rival club president's girl are

killed on Jake's bike, the Hedonists' president delegates the protection of Jake's little brother, Morgan, to Zeke. Zeke would do anything for the club that pulled him off the streets, but Morgan's a ballet dancer, for Christ's sake, as well as annoying as hell. Still, Zeke finds himself inexplicably drawn to the young man. The more attracted Zeke becomes to Morgan, the more the biker is forced to examine his sexuality and decide whether two people from opposite sides of the tracks could possibly have a future together, or if Zeke should do what is fast becoming too painful to consider:

let Morgan go. Edge Of Darkness Jan 26 2021 Road rash and Jack meets handcuffs and street smarts. I am a wandering disaster. A hedonist, a lover, a son, and a rebel. I am an independent seeker. An overachiever, a friend, a misfit, and a cop. We shouldn't get involved but when bodies turn up and lines between duty and purpose get blurred, our future becomes clear. Outlaw Bikers and Ancient Warbands Aug 21 2020 This book is the first to compare the shared cultural tenets of ancient warbands and outlaw biker gangs. It argues that the values of hyper-masculinity can be traced from

the former into the contemporary environment of the latter: codes of honour, loyalty and bravery have prioritised small groups of males over women and other men, creating a history of hyper-masculinity that shows little sign of stopping. Indeed, Outlaw Bikers and Ancient Warbands: Hyper-Masculinity and Cultural Continuity argues that such hyper-masculine culture can be found in many male groups such as the police, military and sports, and that if we want to understand hyper-masculinity and face it as a society then we need to recognize that outlaw bikers are a reflection of behavior that has a

very long tradition. This pioneering work explores these issues from ancient times and into the future.

A Hedonist's Guide to Paris Feb 07 2022 Described by Harpers & Queen as "a chic insider's guide for sophisticated travellers," these sleek, black city guides are aimed at the more discerning traveller looking to sidestep the usual tourist traps and penetrate the skin of each city. The Hedonist's Guide To series offers a definitive view of the finest restaurants, the most stylish hotels, the chicest bars, the best shopping, the most luxurious spas and the cultural highlights in each city.

Individually tried and tested, every bar, restaurant, hotel, cafe and nightclub is accompanied by a photograph.

Managing Emotion in Design Innovation

Dec 25 2020 This book presents an emotion centered research framework titled "emoha" for design innovation. It defines emoha and underlines the importance of the developed framework in culturalization of technology and thereby design innovation. The book explains the detailed research on product styling which leads to the creation of "Emoha" and how to use it in product design.

Devilz Dollz Aug 01 2021 I want you

to know that I love the unconventional life I have chosen to live. I have always been horny for the devil. The devil has an almost hypnotic effect on the opposite sex. That is why my man calls me his Devilz Doll. I have enjoyed exploring my attraction or should I say my obsession to the bad boy. Although I admit I was treading into dangerous territory, I love the life I lived on the "dark side" with my outlaw biker man. I went out there and lived my life to the fullest-full throttle. Many times I was afraid, but on the whole my life has been just great. One thing I want to make clear is that I have no regrets. The outlaw biker

subculture was a raw experience for me, just like my life. (MK) Almost everyone has heard about outlaw biker women and there appears to be a great deal of interest in women who associate with outlaw bikers. While the rest of us might think outlaw bikers are frightening or repulsive, to these women outlaw bikers are desirable. These women hunger for men who are bad and dangerous. They are compelled to dance with the devil and sacrifice themselves accordingly. Strangely enough, no matter how much they are physically or psychologically abused there is

absolutely no shortage of women who are willing to risk taking a ride on the wild side with an outlaw biker. The intrigue of association with an outlaw biker acts as a powerful magnet for many women. Consequently, an unlimited number of good-looking, even gorgeous, women are drawn to the bad boy image outlaw bikers embody, to the excitement of a hedonistic lifestyle, a life which seems as exciting as a roller coaster ride-fast motorcycles, macho men, drugs, alcohol, parties, guns, topless bars, the thrills of flaunting social norms, and any way you want it sex. Devilz Dollz: The Secret World of

Women in the Outlaw Biker Subculture is a unique book. This book fills in the gaps that have existed in the knowledge of outlaw biker women and provides one of the first anthologies of women in the outlaw biker subculture. Devilz Dollz provides a fascinating inside look at women who associate with outlaw bikers from a variety of different perspectives. This book brings together a diverse group of writers-academics, law enforcement officials, journalists, authors of popular literature, former and current outlaw bikers, and former and current female

associates-who have written on women of the outlaw biker subculture. In this one-of-a-kind anthology, there are twentyeight first-hand accounts of the inside world of outlaw biker women, including classic works by former and current outlaw bikers, such as "Maz" Harris and Ralph "Sonny" Barger. There are rare accounts by outsiders who were accepted into the outlaw biker subculture, such as Hunter S. Thompson and Daniel Wolf. There are even rarer accounts written by former and current female associates, such as Glennis Dennehy and Amy Irene White. As a female researcher,

Karen Katz also wrote an article on why women are attracted to outlaw bikers, which is included in this collection of readings.

Into the Ashes

Aug 13 2022 Geno Gentile has lived his life out loud. A son of Leominster, Massachusetts--that fading shop town on the banks of the grey Nashua--he enjoyed a conventional upbringing via his nuturing parents; Joe and Cecille. Yet as he matured, he began to heed the call of the open road and the shadowy fringe members of society that inhabit it. For there dwelt the "One Percenters"--the outlaw subculture of motorcycle clubs--

and the lifestyle that went with it. It was a lawless, hedonistic existence fueled by wine, pills, violence and rock and roll--supported by and in support of criminal activity. These men saw themselves as barbarians for a modern age and they lived accordingly. For many, as with Geno, this path frequently led to periods of incarceration of both long and short duration. On the inside he found a new muse crying out for introspection, prompting him to put pen to paper. Through the portals of his imagination and memory, he wrote of Sword and Sorcery epics, hallucinatory nightmares,

philosophical musings, romantic balladry, whimsical asides along with fiery rage-against-the-machine tirades. The blank grey prison walls proved to be an unexpected fount of inspiration that awakened his latent poetic talent. Until the great tome that sings of Geno's odyssey is written, on these pages you will find the story in between the lines. [A Hedonist's Guide to London](#) Oct 15 2022 A Hedonist's Guide to London brings one of the world's most exciting cities to life. Visiting the UK's capital is not just about big red buses and Piccadilly Circus, but gourmet cooking, chic bars, underground clubs and some of the

best shopping in Europe. London's prominence on the fashion, food and design scene in recent years looks set to continue and this is just the guide to help the outsider become an insider.

The Mammoth Book of Bikers Sep 02 2021 The definitive collection of first-hand accounts of the world's outlaw motorcycle gangs
Outlaw bikers consider themselves 'the last free people in society', unconstrained by the regulations that rule ordinary citizens. And they guard their privacy jealously. Drawing on 17 years of studying and participating in biker culture,

Arthur Veno has compiled the ultimate collection of original biker writing. Here are insider accounts of landmark incidents in bike folklore, plus reprints of classic writing from biker-originated magazines, handouts, websites and books. Gangs featured include the Bandidos, Hells Angels, Henchmen MC, the Outlaws, the Mongols, Annihilators, the Diablos, Gypsy Jokers, the Rebels, the Straight Satans, and the Vagos. And with contributors such as Freewheelin' Frank (one-time secretary of Hells Angels), Edward Winterhalter (among the most powerful members of the Bandidos),

and Sonny Barger (founder of the Hell's Angels). Also included are those rare accounts by outsiders that have managed successfully to 'look in' on the gangs: including Hunter S. Thompson in his 'Hell's Angels - A Strange and Terrible Modern Saga'; William Queen the undercover agent who infiltrated America's violent outlaw motorcycle gang the Mongols; and Daniel R. Wolf's account of riding with the Rebels. *A Hedonist's Guide to Prague* Jan 18 2023 A Hedonist's guide to Prague offers an insight into the way the city's fashionable set live. Designed to make it easy to break free from the

tourist trail, the emphasis is placed on exploring the vibrancy of the city your own way. Filled with the best old-fashioned Czech and modern restaurants, bars and hotels, it is the perfect antidote to mass-market tourism. Broken down into clear chapters the guide concentrates on the best restaurants and the most exclusive hotels, bars, cafes, nightclubs, spas, sports and shopping in each city. Gone are reams of information, history and culture - this is the definitive guide to the city's top establishments. **Back in the Saddle Again** Jul 12 2022 Whether you were involved in a motorcycle

accident, or you are experiencing indirect trauma due to the accident of a loved one, this book is for you. *Back in the Saddle Again* is also a useful tool for mental health professionals treating individuals who were in a motorcycle accident. Finally, this book is of interest to anyone who wants to understand the mind of motorcycle enthusiasts, and why people get involved with almost any type of risk-taking activity. **A Hedonist's Guide to New York** Feb 19 2023 The world's favorite city and arguably foremost truly global metropolis, New York is fast-paced and constantly

changing. From the high-end chic restaurants in Midtown to the alternative underground bars of the Lower East Side, from the established grandeur of the Upper West Side to the unashamed wealth of the Upper East, from glam (and gay) Chelsea to the taste-makers of the Meatpacking District, this is a city that desperately needs a tour guide. Hg2's crack team of writers come to the rescue with this discriminating guidebook. Targeting a generation of "time poor, cash rich" travelers who want only the best, A Hedonist's Guide to New York is packed with photographs,

hidden venues, and easy-to-use color-coded maps. Completely revised, updated, and redesigned, this second edition helps visitors bypass the mundane and head toward the magnificent. *Running with the Devil* Mar 28 2021 Taking a ride on the wild side is riskier than she ever imagined... The mysterious Kenna Jones was the last person to have contact with a murdered federal informant, and DEA Agent Drake March goes undercover in South Dakota during the Sturgis Motorcycle Rally to unearth the link between the two. But from the moment Drake encounters the hot-

bodied, hot-tempered quick change artist-he doesn't trust her-or his instant attraction to her. Posing as arm candy for bikers during the Rally is a humiliating-albeit quick-way to earn tuition for a cash-strapped grad student. After Kenna learns her regular biker patron is dead, she refuses to help the too tempting, too-sexy-for-his-badge Agent Drake March in his investigation...until he threatens to have her arrested. When bullets start to fly and Kenna is the target, Drake's protective instincts kick in. He quickly realizes the sweet woman is innocent-and in far over her head. Fear and

desire makes for an explosive combination in the hedonistic atmosphere among warring motorcycle clubs and shady drug dealers, leading Drake and Kenna into acting on their mutual lust. But is riding the edge of danger what makes their intimate moments feel like more? Or is their immediate connection the start of something real? With their lives at stake, they have to trust each other before it's too late...or will the devil come calling and finally get his due?

Hogs, Blogs,

Leathers and

Lattes Jun 18 2020
This book combines more than 45 years of the author's riding experiences

with data collected over five years of systematic observation and extensive ethnographic interviews with over 200 male and female riders. Much has been written about hardcore bikers, but there has been little scholarly research on the much larger segment of the population more aptly called motorcycle enthusiasts. This book focuses on them--the hard working plumbers, truck drivers, and other blue collar workers as well as the white collar executives, doctors and other professionals who are mostly married, have mortgages, pay their bills, obey the law, and on

weekends and holidays participate in a favorite pastime, riding motorcycles.

Traces of the

Spirit Feb 24 2021

Sylvan examines the religious dimensions of popular music subcultures, charting the influence and religious aspects of popular music in mainstream culture today.

The Rebels Apr 21

2023 The image of the outlaw biker is widely recognize in North American society. The reality is only known to insiders. To study the phenomenon of outlaw biker clubs, anthropologist Daniel Wolf bridged the gap between image and reality by becoming an insider. Electronic

Beyond the Mafia

Apr 28 2021

Presents a
comparative
perspective of 'non
traditional'
organized crime in
the United States
and Latin America -
beyond the Mafia.

**Crime, Harm and
Consumerism**

May
18 2020 This book
offers a collection
of cutting-edge
essays on the
relationship
between crime,
harm and consumer
culture. Although
consumer culture
has been addressed
across the social
sciences, it has yet
to be fully explored
in criminology. The
editors bring
together an
impressive list of

authors with
original ideas and a
fresh perspective to
this field. The
collection first
introduces the
reader to three sets
of ideas which will
be especially useful
to students and
researchers piecing
together theoretical
frameworks for
their studies. New
concepts such as
pseudo-pacification,
the materialist
libertine and the
commodification of
abstinence can be
used as foundation
stones for new
explanatory
criminological
analyses in the 21st
century. The
collection then
moves on to present
case studies based
on rigorous
empirical work in
the fields of
consumption and
debt, 'outlaw'

gangs, illegal drug
markets, gambling,
the mentality that
drives investment
fraudsters and the
relationship
between social
media and state
surveillance. These
case studies
showcase the
strength of the
research skills and
knowledge these
scholars offer to the
field of criminology.
Written in a clear
and direct style,
this book will
appeal to students
and scholars in
criminology,
sociology, cultural
studies, social
theory and those
interested in
learning about the
effects of consumer
culture in modern
society.

A Hedonist's Guide
to Tallinn

Apr 09

2022 Tallinn has
earned a reputation

for legendary nightlife and beautiful women. Hg2 Tallinn goes beyond the stags to explore its picturesque streets and sophisticated restaurant, bar and café scene.

The Hookup and the Hedonist May 22 2023 Can I even be called a biker when I can't ride anymore? Four years ago, Adam Gamble suffered a head injury that left him with sporadic absence seizures that have limited his autonomy. Hating how much he's come to rely on his club brothers, Adam decides to move out of the clubhouse. After failing to rekindle a past relationship, NYPD detective Tyson McCormick is wary of getting

into another one anytime soon. An unexpected lunchtime hookup is just what he needs, but afterward, he can't seem to get Adam out of his mind. When the two start seeing each other, Adam worries that once he tells Tyson about his condition, things will change between them. Both men want to take things slow, but sometimes love has other ideas.

Biker Gangs and Organized Crime Nov 04 2021 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their

behaviors as individual, group, or club-sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the "Big Five" biker clubs because of their size and sophistication, or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic/scholarly works, law

enforcement/government reports, articles from newspapers and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

Ride the White

Horses Nov 23

2020 The last thing on earth I ever thought I'd do was to write a book. The reason, obvious to me, was that I had nothing worthwhile to say. I couldn't write about the past because it was obscured by a filter of guilt, the present was irrelevant and the future, although ostensibly bright, held little of the security that it was supposed one in my

position ought to delight in. My world was rocked when, by the aid of the ministrations of women and men I was fortunate enough to meet, I met God in person, relatively recently actually, in the person of Jesus. That God is one and that people may say there are 3 Gods (including Holy Spirit) is no problem to God since He is who He is and there is no mathematical solution to His being. If anybody wants to argue I give proof texts in this book but His wonders are past finding out particularly to me personally as it was through the Bible that Jesus had first called me 45 years to the day of

writing, yet, God isn't a book, He is eminently knowable and I commend you to Him. Michael. *Contemporary Organized Crime* Mar 08 2022 This edited volume explores recent research and developments in the study of organized crime. It covers six key areas: drug-related issues; human trafficking and prostitution; sports and crime; procurement and corruption; and enforcement and prevention. The contributors provide timely research for understanding various aspects of organized crime, as well as the responses that have been developed worldwide to prevent and contain

them. These contributions were presented at seminars of the Centre for Information and Research on Organized Crime (CIROC). It will be of interest to researchers in Criminology and Criminal Justice, particularly with an interest in organized crime and criminal networks, as well as related fields such as Comparative Law, and Political Science. This collection represents the most current thinking on entrenched problems of organized crime....This book is an important contribution in developing new approaches to organized crime

and its control. — Jay S. Albanese, Ph.D., Professor and Chair, Criminal Justice Programs, Virginia Commonwealth University The book is very well organised and written and deals with a diversity of topics and approaches. — Ernesto U.Savona, Director of Transcrime, Professor of Criminology, Università Cattolica del Sacro Cuore, Milan Phases of the Moon Jun 30 2021 Provides the first academic monograph dedicated to developing a cultural understanding of the werewolf film. Extreme Methods Apr 16 2020 This

book promotes the "criminological ethnographic enterprise" which is the use of alternative qualitative research methods to study crime and deviance. Undoing Place? May 30 2021 Does geography affect our sense of 'self'? How are social characteristics mapped out on the ground? And is there any 'authentic' sense of place now, or are we increasingly 'placeless'? Concentrating on the period between the end of the Second World War and the end of the century, this Reader argues that there is a reciprocal relationship between the constitution of places and people.

What it means to be a man or a woman, to have a nationality and a sense of place, has been transformed and reinvented as our view of the world has changed. The present is perceived as a time of fear, a period in which all that is solid seems to melt into air, while the 1950s are a site of nostalgia, a period of clarity and certainty, a time when people know their place. Bringing together an interdisciplinary collection of articles for social and cultural geographers, this Reader critically examines the argument that the close associations of the 1950s between place (the home, the

community and the nation state) and the social divisions (gender, class and nationality) are breaking down in the 1990s. Drawing out the oppositional movements in each decade, it seeks to show how the supposed stability of one and the mobility of the other are exaggerated. *The Outlaw Biker Legacy of Violence* May 10 2022 Outlaw bikers represent a very small percentage of motorcycle riders who join motorcycle clubs, but they receive disproportionate attention due to their mystique, unconventional behavior, and violence. Although the outlaw biker phenomenon

started in the United States, it has since spread throughout the world. The involvement of Outlaw Motorcycle Gangs (OMGs) in organized crime at the local, regional, national, and transnational levels fosters violence that puts innocent persons at risk for death or injury and leads to the demonization of "bikers" and the overcriminalization of motorcycle enthusiasts and club members. The *Outlaw Biker Legacy of Violence*, written by internationally known expert Thomas Barker, addresses the legacy of violence in the outlaw biker culture and tackles the implications of

the violence that progressed as outlaw biker clubs evolved into adult criminal gangs engaged in crimes for profit over long periods of time and across borders. Beginning with a history of outlaw bikers and the construction of the "folk devil" of the biker, the book outlines the distinctions between conventional motorcycle clubs, Outlaw Motorcycle Clubs, and Outlaw Motorcycle Gangs, and then traces the expansion of these groups across the globe. This book will be relevant to those interested in the examination or investigation of biker gangs in particular or organized criminal

groups in general. It is essential reading for criminal justice students and others studying social groups, gangs, and organizations, or the sociology of deviance, and is also relevant for law enforcement professionals dealing with these organizations

The Pet Stylist and the Playboy
Jun 23 2023 Swish has been in love with Dante since the day the tough biker found him homeless and miserable in a gas station restroom, but Dante's never shown the younger man anything more than brotherly affection. Deciding it's time to move out of the MC's clubhouse and away from Dante, Swish

takes a live-in job working in a privately-owned animal shelter where he can continue his pet stylist business. What he doesn't realize is he's not going to be as far away from the object of his affection as he thinks. Dante's time of being a playboy biker is fast coming to a close. At summer's end he turns 30, and that means fulfilling his promise to his parents and returning to high society in the Hamptons. That dim prospect should be all Dante can think about, only Swish is moving out, and suddenly Dante can't do anything but obsess over the kid he's always

thought of as a younger brother. Telling himself he's only making sure Swish is doing okay on his own, Dante takes a summer job landscaping at the animal shelter where Swish has taken a job. There he learns a few things about the young man he's never bothered to find out before, including that Swish's real name is Isaac, and he enjoys wearing a certain something under his jeans--something that Dante's surprised to find he would really like to remove--preferably with his teeth. When Dante gives in to his need for Isaac, the playboy biker quickly finds that disentangling himself from the

man he once thought of as a kid brother proves harder than expected, and that perhaps after years of one-night-stands and partying, his priorities need to change. Only not in the way his wealthy and controlling parents want them to.
