Named one of NPR's Best Books of 2017 "Both original and moving—and a whole lot of fun."—CAROLINE LEAVITT, New York Times Book Review "A must-read."—People "Fans of Salinger's stories about Manhattan's elite will enjoy this novel about privileged siblings who grapple with the state of their inheritance and long-held secrets that emerge in the wake of their father's death."—InStyle Six months after Rupert Falkes dies, leaving a grieving widow and five adult sons, an unknown woman sues his estate, claiming she had two sons by him. The Falkes brothers are

pitched into turmoil, at once missing their father and feeling betrayed by him. In disconcerting contrast, their mother, Eleanor, is cool and calm, showing preternatural composure. Eleanor and Rupert had made an admirable life together—Eleanor with her sly wit and generosity, Rupert with his ambition and English charm—and they were proud of their handsome, talented sons: Harry, a brash law professor; Will, a savvy Hollywood agent; Sam, an astute doctor and scientific researcher; Jack, a jazz trumpet prodigy; Tom, a public-spirited federal prosecutor. The brothers see their identity and success as inextricably tied to family loyalty—a loyalty they always believed their father shared. Struggling to reclaim their identity, the brothers find Eleanor’s sympathy toward the woman and her sons confounding. Widowhood has let her cast off the rigid propriety of her stifling upbringing, and the brothers begin to question whether they knew either of their parents at all. A riveting portrait of a family, told with compassion, insight, and wit, *The Heirs* wrestles with the tangled nature of inheritance and legacy for one unforgettable, patrician New York family. Moving seamlessly through a constellation of rich, arresting voices, *The Heirs* is a tale out Edith Wharton for the 21st century. What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, *I Have Lived a Thousand Years* is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn’t long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a

scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn't know is that this is only the beginning. The worst is yet to come... Film version of Jim Cartwright's acclaimed play starring Jane Horrocks (who played Little Voice in the stage play) and Michael Caine Jane Horrocks (Little Voice) takes centre stage as the 14-year-old Lancashire girl who can only relate to the world by mimicking the musical hits of pre-50s divas in her bedroom; a refuge from her widowed mother's sniping, boozing and whoring. When Ray Say (Michael Caine), a tacky night-club impresario recognises LV's talent her mother soon hears the sound of pounds, shilling and pence. But as LV finds herself coerced into the glitterball world of Ray and Mr Boo the fragile shell of her sanity begins to crack. From Natalie D. a trainload of Jewish prisoners heading to certain death at Nazi hands. Rich with eyewitness testimony, this gripping narrative follows both the survivors and their liberators in vivid detail. A companion to *Making Bombs for Hitler* and *The War Below*, this novel follows a Ukrainian girl who was kidnapped as a child to be raised by a Nazi family. Nadia is haunted by World War II. Her memories of the war are messy, coming back to her in pieces and flashes she can't control. Though her adoptive mother says they are safe now, Nadia's flashbacks keep coming. Sometimes she remembers running, hunger, and isolation. But other times she remembers living with a German family, and attending big rallies where she was praised for her light hair and blue eyes. The puzzle pieces don't quite fit together, and Nadia is scared by what might be true. Could she have been raised by Nazis? Were they her real family? What part did she play in the war? What Nadia finally discovers about her own history will shock her. But only when she understands the past can she truly face her future. Inspired by startling true events, Marsha Forchuk Skrypuch delivers a gripping and poignant story of one girl's determination to uncover her truth. Dan visits Meg at the farm to meet her new pups. He must help Meg find her pups when they go missing. Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers. *A Convenient Hatred* chronicles a very particular hatred through powerful stories that allow readers to see themselves in the tarnished mirror of history. It raises important questions about the consequences of our assumptions and beliefs and the ways we, as individuals and as members of a society, make distinctions between us and them, right and wrong, good and evil. These questions are

both universal and particular. "My brother stood up so quickly he almost knocked Mama over. 'Why aren't you doing something? Do you know what the British are calling us? Hitler's canary! I've heard it on the radio, on the BBC. They say he has us in a cage and we just sit and sing any tune he wants.'" Bamse's family are theater people. They don't get involved in politics. "it had nothing to do with us," Bamse tells us. Yet now he must decide: should he take his father's advice and not stir up trouble? Or should he follow his brother into the Resistance and take part in the most demanding role of his life? "Pemberton's beautifully told story is a rags to riches journey—beginning in a place and with a jarring set of experiences that could have destroyed his life. But Steve's refusal to give in to those forces, and his resolve to create a better life, shows a courage and resilience that is an example for many of us to follow." —Stedman Graham, author, educator

Home is the place where our life stories begin. *A Chance in the World* is the astonishing true story of a boy destined to become a man of resilience determination and vision. Down in the dank basement, amidst my moldy, hoarded food and beloved worm-eaten books, I dreamed that my real home, the place where my story had begun, was out there somewhere, and one day I was going to find it. Taken from his mother at age three, Steve Klakowicz lives a terrifying existence. Caught in the clutches of a cruel foster family and subjected to constant abuse, Steve finds his only refuge in a box of books given to him by a kind stranger. In these books, he discovers new worlds he can only imagine and begins to hope that one day he might have a different life, that one day he will find his true home. A fair-complexioned boy with blue eyes, a curly Afro, and a Polish last name, he is determined to unravel the mystery of his origins and find his birth family. Armed with just a single clue, Steve embarks on an extraordinary quest for his identity, only to find that nothing is as it appears. Through it all, Steve's story teaches us that no matter how broken our past, no matter how great our misfortunes,

we have it in us to create a new beginning and to build a place where love awaits. Berlin 1942 When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move from their home to a new house far far away, where there is no one to play with and nothing to do. A tall fence running alongside stretches as far as the eye can see and cuts him off from the strange people he can see in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different to his own, and their meeting results in a friendship that has devastating consequences. A princess in need of a husband. A rake not in want of a wife. She believes that Hitler is helping Germany by dealing with what he calls the "Jewish problem," a campaign that she witnesses as her Jewish neighbors are attacked and taken from their homes. When Korinna discovers that her parents—who are secretly members of an underground

resistance group—are sheltering a family of Jewish refugees behind her bedroom wall, she is shocked. As she comes to know the family her sympathies begin to turn, and when someone tips off the Gestapo, Korinna’s loyalties are put to the test. She must decide what she really believes and whom she really trusts. An exciting novel for middle-grade readers, *Behind the Bedroom Wall* teaches tolerance and understanding while exploring why Nazism held so many in its deadly thrall. From the New York Times bestselling author of *The Aviator’s Wife* comes a story of courage on the prairie, inspired by the devastating storm that struck the Great Plains in 1888, threatening the lives of hundreds of immigrant homesteaders, especially schoolchildren. “A nail-biter . . . poignant, powerful, perfect.” —Kate Quinn, author of *The Alice Network*

The morning of January 12, 1888, was unusually mild, following a punishing cold spell. It was warm enough for the homesteaders of the Dakota Territory to venture out again, and for their children to return to school without their heavy coats—leaving them unprepared when disaster struck. At the hour when most prairie schools were letting out for the day, a terrifying, fast-moving blizzard blew in without warning. Schoolteachers as young as sixteen were suddenly faced with life and death decisions: Keep the children inside, to risk freezing to death when fuel ran out, or send them home, praying they wouldn’t get lost in the storm? Based on actual oral histories of survivors, this gripping novel follows the stories of Raina and Gerda Olsen, two sisters, both schoolteachers—one becomes a hero of the storm and the other finds herself ostracized in the aftermath. It’s also the story of Anette Pedersen, a servant girl whose miraculous survival serves as a turning point in her life and touches the heart of Gavin Woodson, a newspaperman seeking redemption. It was Woodson and others like him who wrote the embellished news stories that lured northern European immigrants across the sea to settle a pitiless land. Boosters needed them to settle territories into states, and they didn’t care what lies they told these

families to get them there—or whose land it originally was. At its heart, this is a story of courage, of children forced to grow up too soon, tied to the land because of their parents' choices. It is a story of love taking root in the hard prairie ground, and of families being torn asunder by a ferocious storm that is little remembered today—because so many of its victims were immigrants to this country. A companion to the award-winning books *Stolen Child* and *Making Bombs for Hitler*. Fourteen-year-old Luka works as an Ostarbeiter in Nazi-occupied Eastern Europe, alongside Lida from *Making Bombs for Hitler*. Desperate to escape the brutal conditions of the labour camp, he manages to get away by hiding in a truck under a pile of dead bodies. Once free, Luka joins a group of Ukrainian resistance fighters. Caught between advancing Nazis in the west and Soviet troops in the east, they mount guerilla raids, help POW escapees, and do all they can to make life hard for the Nazis and Soviets. After the war, Luka must decide whether to follow Lida to Canada -- or stay in Europe and search for his long-lost mother. *Underground Soldier* is a companion book to *Stolen Child* and *Making Bombs for Hitler*, and a perfect entry point into the series for new readers, as the books can be read in any order. Nominated for the Man Booker Prize "A charming comedy of eros... A ride that, despite the bumps and curves in the road, never feels anything less than jaunty." — Los Angeles Times With this wise, tender, and deeply funny novel, Marina Lewycka takes her place alongside Zadie Smith and Monica Ali as a writer who can capture the unchanging verities of family. When an elderly and newly widowed Ukrainian immigrant announces his intention to remarry, his daughters must set aside their longtime feud to thwart him. For their father's intended is a voluptuous old-country gold digger with a proclivity for green satin underwear and an appetite for the good life of the West. As the hostilities mount and family secrets spill out, *A Short History of Tractors in Ukrainian* combines sex, bitchiness, wit, and genuine warmth in its celebration of the pleasure of growing old disgracefully.

“So the old man was home again. He could be heard roaring and then grumbling and then roaring again, cursing profusely in his drunken stupor, growling as he stumbled around the lower level. The children and the mother made room for him, much as one wittingly gets out of the way of a big, unfriendly animal. But none of these people were the animal’s prey. Upstairs, the telltale slapping of the screen door sent a silent scream of alarm through the child. He jumped up in a single reflexive motion from his cozy place by the light on the floor and slipped through the bedroom door and far back into the corner to the window. He had learned to move quickly, before the old man could hear him leaving the vent. He had learned not to hide under the covers. He had learned not to hide at all. It was useless.” Child of Woe is a story that must be told. The devastating trauma of child abuse is brought to light in this amazing true-life story of Maury Blair. Born into a world of hate and rejection, it seemed here was no hope for this lonely, frightened boy. Read His Story...and God’s Miracle! ~ David Mainse, Host of 100 Huntley Street (This is the Large Print edition.) Molly: A child who went missing twelve years ago. Missing Molly: A new true crime podcast looking for her. Rachel: A young woman who knows exactly what happened to Molly Forster, and she's never telling anyone. Ever. For readers who were enthralled by Alan Gratz's PRISONER B-3087 comes a gripping novel about a lesser-known part of WWII. Lida thought she was safe. Her neighbors wearing the yellow star were all taken away, but Lida is not Jewish. She will be fine, won't she? But she cannot escape the horrors of World War II. Lida's parents are ripped away from her and she is separated from her beloved sister, Larissa. The Nazis take Lida to a brutal work camp, where she and other Ukrainian children are forced into backbreaking labor. Starving and terrified, Lida bonds with her fellow prisoners, but none of them know if they'll live to see tomorrow. When Lida and her friends are assigned to make bombs for the German army, Lida cannot stand the thought of helping the enemy.

Then she has an idea. What if she sabotaged the bombs... and the Nazis? Can she do so without getting caught? And if she's freed, will she ever find her sister again? This pulse-pounding novel of survival, courage, and hope shows us a lesser-known piece of history -- and is sure to keep readers captivated until the last page. She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.
