I Just Ate My Friend Apr 11 2022 John Klassen ' s I Want My Hat Back meets Lucy Ruth Cummins ' s A Hungry Lion in this hilarious, deadpan story about a creature looking for a new friend after eating his last one. A little creature is looking for a new friend, but he ' s not having any luck. Why is he looking for a new friend? Because he ate his old one. Heidi McKinnon delivers a hilariously macabre story with colorful illustrations and a satisfying, dry wit.

The Ketchup Boy Aug 03 2021 Tells the story of Kep who eats so much ketchup that terrible things befall him when he disobeys the warnings of his mother and doctor to stop eating so much.

Then He Ate My Boy Entrancers Jul 14 2022 Let the overseas snogfest begin! Georgia and Jas are off to Hamburger-a-gogo land! Georgia plans to track down Masimo, the Italian-American dreamboat, but after a long week in America, she only succeeds in learning importantish things -- like how to ride a bucking bronco. Will Georgia reel in the Italian dreamboat? Or is she destined to live forever all aloney on her owny?

The Man Who Ate Too Much: The Life of James Beard Nov 06 2021 A Finalist for the 2022 James Beard Foundation Cookbook Award (Writing) The definitive biography of America ' s best-known and least-understood food personality, and the modern culinary landscape he shaped. In the first portrait of James Beard in twenty-five years, John Birdsall accomplishes what no prior telling of Beard ' s life and work has done: He looks beyond the public image of the "Dean of American Cookery" to give voice to the gourmet ' s complex, queer life and, in the process, illuminates the history of American food in the twentieth century. At a time when stuffy

French restaurants and soulless Continental cuisine prevailed, Beard invented something strange and new: the notion of an American cuisine. Informed by previously overlooked correspondence, years of archival research, and a close reading of everything Beard wrote, this majestic biography traces the emergence of personality in American food while reckoning with the outwardly gregarious Beard's own need for love and connection, arguing that Beard turned an unapologetic pursuit of pleasure into a new model for food authors and experts. Born in Portland, Oregon, in 1903, Beard would journey from the pristine Pacific Coast to New York's Greenwich Village by way of gay undergrounds in London and Paris of the 1920s. The failed actor-turned-Manhattan canapé hawker-turned-author and cooking teacher was the jovial bachelor uncle presiding over America's kitchens for nearly four decades. In the 1940s he hosted one of the first television cooking shows, and by flouting the rules of publishing would end up crafting some of the most expressive cookbooks of the twentieth century, with recipes and stories that laid the groundwork for how we cook and eat today. In stirring, novelistic detail, *The Man Who Ate Too Much* brings to life a towering figure, a man who still represents the best in eating and yet has never been fully understood—until now. This is biography of the highest order, a book about the rise of America's food written by the celebrated writer who fills in Beard's life with the color and meaning earlier generations were afraid to examine.

How to Eat Fried Worms Jan 08 2022 Because of a bet, Billy's in the uncomfortable position of having to eat fifteen worms in fifteen days.

Boy Who Ate Words May 24 2023 Gabby appears to be a perfectly normal child--except that he has a hard time with words: they bump along, crash into each other, and are unintelligible to others. This touching, winsome story reveals how Gabby sorts out

his problem with help from a little girl who wants to communicate with him. Full color.

**Eat This Book** Apr 30 2021 Journalist Ryan Nerz spent a year penetrating the highest echelons of international competitive eating and **Eat This Book** is the fascinating and gut-bustingly hilarious account of his journey. Nerz gives us all the facts about the history of the IFOCE (Independent Federation of Competitive Eating)--from the story of a clever Nathan's promotion that began in 1916 on the corner of Surf and Stillwell in Coney Island to the intricacies of individual international competitions, the controversial Belt of Fat Theory and the corporate wars to control this exploding sport. He keeps the reader turning the pages as we are swept up in the lives of Sonya "The Black Widow" Thomas, "Cookie" Jarvis, "Hungry" Charles Hardy, and many other top gurgitators whose egos and secret agendas, hopes and dreams are revealed in dramatic detail. As Nerz goes on his own quest to become a top gurgitator, we become obsessed with him as he lies awake at night in physical pain from downing dozens of burgers and learning to chug gallons of water to expand his increasingly abused stomach. Sparing no one's appetite, Nerz reveals the training, game-day strategies and after-effects of competition in this delectably shocking banquet of gluttony and glory on the competitive eating circuit.

**The Boy who Ate a Hyena** May 12 2022 This volume is part of a collection of stories, rhymes and fact books for school libraries and for reading at home. The series moves on from stories told in simple sentences with basic grammatical structures (HOP), through freer use of language (STEP) to the level of reading reached at the end of primary school (JUMP). From these varied and individual books a child can choose one that challenges his or her reading skill.

**How to Get Your Kid to Eat** Aug 15 2022 Answering a multitude of

questions—such as What should a parent do with a child who wants to snack continuously? How should parents deal with a young teen who has declared herself a vegetarian and refuses to eat any type of meat? Or What can parents do with a child who claims he doesn't like what's been prepared, only to turn around and eat it at his friend's house?—this guide explores the relationship between parents, children, and food in a warm, friendly, and supportive way.

But a book-eating diet isn't the healthiest of habits, as Henry soon finds out...

The Boy Who Ate Himself Dec 19 2022 A laugh-out-loud rhyming picture book with a tasty twist! When Harold Bartholomew Jones is told he is no longer allowed to eat junk food, he makes a surprising choice. If he can't eat any more ice-cream, he'll eat himself! A funny, rhyming picture book that will convince younger readers that healthy food is much easier to eat than knobbly knees!

The Incredible Book Eating Boy Jun 13 2022 Henry loves to eat books, until he begins to feel quite ill and decides that maybe he could do something else with the books he has been devouring.

The Boy Who Ate Stars Jun 25 2023 Having recently moved to a Paris apartment with her family, twelve-year-old Lucy meets her four-year-old, autistic neighbor, Matthew, and befriends him in her own understanding and special way.

The Monster who Ate My Peas Jun 01 2021 A young boy agrees to give a disgusting monster first his soccer ball, then his bike in return for eating the boy's peas, but when the monster asks for his puppy, the boy makes a surprising discovery.

The Boy Who Ate Around Jan 20 2023 Electrochemistry plays an important role in preserving our cultural heritage. For the first time this has been documented in the present volume. Coverage includes both electrochemical processes such as corrosion and electroanalytical techniques allowing to analyse micro- and nanosamples from works of art or archaeological finds. While this volume is primarily aimed at electrochemists and analytical chemists, it also contains relevant information for conservators, restorers, and archaeologists.

The Boy who Ate the Sun Nov 18 2022 Picture story book for primary school aged children. Tells the story of a little boy who loves the sun so much he decides to eat it. Not liking the consequences, he tries to find a way to return it.

How to Get Your Kid to Eat Dec 27 2020 Answering a multitude of questions—such as What should a parent do with a child who wants to snack continuously? How should parents deal with a young teen who has declared herself a vegetarian and refuses to eat any type of meat? Or What can parents do with a child who claims he doesn't like what's been prepared, only to turn around and eat it at his friend's house?—this guide explores the relationship between parents, children, and food in a warm, friendly, and supportive way.

The Boy who Ate America Sep 04 2021 A boy who is so hungry that he moves from eating sandwiches to buildings and finally to an entire nation learns from his mother that it is his soul, not his body, that needs to be filled.

The Man Who Ate Everything Oct 25 2020 Funny, outrageous, passionate, and unrelenting, Vogue's food writer, Jeffrey

Steingarten, will stop at nothing, as he makes clear in these forty delectable pieces. Whether he is in search of a foolproof formula for sourdough bread (made from wild yeast, of course) or the most sublime French fries (the secret: cooking them in horse fat) or the perfect piecrust (Fannie Farmer--that is, Marion Cunningham--comes to the rescue), he will go to any length to find the answer. At the drop of an apron he hops a plane to Japan to taste Wagyu, the hand-massaged beef, or to Palermo to scale Mount Etna to uncover the origins of ice cream. The love of choucroute takes him to Alsace, the scent of truffles to the Piedmont, the sizzle of ribs on the grill to Memphis to judge a barbecue contest, and both the unassuming and the haute cuisines of Paris demand his frequent assessment. Inevitably these pleasurable pursuits take their toll. So we endure with him a week at a fat farm and commiserate over low-fat products and dreary diet cookbooks to bring down the scales. But salvation is at hand when the French Paradox (how can they eat so richly and live so long?) is unearthed, and a "miraculous" new fat substitute, Olestra, is unveiled, allowing a plump gourmand to have his fill of fat without getting fatter. Here is the man who ate everything and lived to tell about it. And we, his readers, are hereby invited to the feast in this delightful book.

The Fox Who Ate Books Apr 18 2020 No one enjoys books more than Mr. Fox. He can never get enough! He even sells his furniture to buy more books, which he devours. Literally! Still, his stomach constantly growls and just can't be filled, so he goes out on the prowl. But soon his appetite for reading lands him in big trouble.

The Bear Ate Your Sandwich Nov 25 2020 Bear meets sandwich, adventure ensues. . . . A sly classic-in-the-making for fans of Jon Klassen, Peter Brown, and Mo Willems. By now I think you know what happened to your sandwich. But you may not know how it happened. So let me tell you. It all started with the bear . . . So

begins Julia Sarcone-Roach's delicious tale of a bear, lost in the city, who happens upon an unattended sandwich in the park. The bear's journey from forest to city and back home again is full of happy accidents, funny encounters, and sensory delights. The story is so engrossing, it's not until the very end that we begin to suspect this is a TALL tale. The wonderfully told story, spectacular illustrations, and surprise ending make this Julia Sarcone-Roach's best book to date. You'll want to share it with your friends (and keep a close eye on your lunch). Praise for *The Bear Ate Your Sandwich*: \*\*\*Winner of an Ezra Jack Keats New Writer Honor Award!\*\*\* "This story is mischief-making at its finest. And just like a good sandwich, it's hard to resist." - Book Page "Charming" – The Wall Street Journal "While the bear storyline is entertaining in itself, the ending twist will equally delight kids who love to spot untruths, and a second reading for hints as to the narrator's credibility may well be in order." – The Bulletin of the Center for Children's Books, Starred review

*Burger Boy* Jul 02 2021 Benny hates vegetables and eats nothing but hamburgers, until the day his mother's prediction proves true and he turns into a walking, talking--and running--burger.

*I Would Really Like to Eat a Child* Mar 30 2021 One morning Achilles, a young crocodile, insists that he will eat a child that day and refuses all other food, but when he actually finds a little girl, she puts him in his place.

*Boris Ate a Thesaurus* Sep 23 2020 A hungry boy learns that books are for reading and not for swallowing after he eats a thesaurus and starts speaking in synonyms.

*The Boy Who Ate America* Dec 07 2021

*The Very Hungry Caterpillar* Jan 28 2021 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very*

Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

We Don't Eat Our Classmates Aug 23 2020 It's the first day of school for Penelope Rex, and she can't wait to meet her classmates. But it's hard to make human friends when they're so darn delicious! That is, until Penelope gets a taste of her own medicine and finds she may not be at the top of the food chain after all. . . . Readers will gobble up this hilarious new story from award-winning author-illustrator Ryan T. Higgins.

The Boy Who Ate Fear Street Feb 21 2023 Sam Kinney used to be a very picky eater. But after a friend's eccentric Aunt Sylvie put a weird spice in his mac and cheese, suddenly, Sam can't stop eating. Paste and pepper. Dishwashing soap. Even dog food. Sam has to find out what is making him eat...and eat...and eat. Before he eats his house. And all his friends on Fear Street...

Boy Bites Bug Feb 26 2021 Will didn't plan to eat a stinkbug. But when his friend Darryl called new kid Eloy Herrera a racial slur, Will did it as a diversion. Now Will is Bug Boy, and everyone is cracking up inventing insect meals for him, like French flies and maggot-aroni and fleas. Turns out eating bugs for food is a real thing, called entomophagy. Deciding that means he can use a class project to feed everyone grasshoppers, Will bargains for Eloy's help in exchange for helping him with wrestling, but their growing friendship only ticks off Darryl more. Will may have bitten off more than he can chew as crickets, earthworm jerky—even a scorpion—end up on his plate, but insects are the least of his problems. When things with Darryl and Eloy heat up, Will wrestles with questions of loyalty, honor—and that maybe not all friendships are worth fighting for.

The Way Back Home Oct 05 2021 From the illustrator of the #1 smash hit *The Day the Crayons Quit* comes an imaginative tale of friendship in a world where what makes us different isn't nearly as important as what makes us the same. When a boy discovers a single-propeller airplane in his closet, he does what any young adventurer would do: He flies it into outer space! Millions of miles from Earth, the plane begins to sputter and quake, its fuel tank on empty. The boy executes a daring landing on the moon . . . but there ' s no telling what kind of slimy, slithering, tentacled, fangtoothed monsters lurk in the darkness! (Plus, it ' s dark and lonely out there.) Coincidentally, engine trouble has stranded a young Martian on the other side of the moon, and he ' s just as frightened and alone. Martian, Earthling—it ' s all the same when you ' re in need of a friend.

The Boy Who Ate Fear Street Feb 09 2022 Disliking every kind of food until his Aunt Sylvie adds a weird spice to his macaroni and cheese, Sam Kinny develops a voracious, uncontrollable appetite for everything from soap to dog food and dirt.

Let Them Eat Dirt May 20 2020 “A must-read . . . Takes you inside a child ' s gut and shows you how to give kids the best immune start early in life.” –William Sears, MD, coauthor of *The Baby Book* Like the culture-changing *Last Child in the Woods*, here is the first parenting book to apply the latest cutting-edge scientific research about the human microbiome to the way we raise our children. In the two hundred years since we discovered that microbes cause infectious diseases, we ' ve battled to keep them at bay. But a recent explosion of scientific knowledge has led to undeniable evidence that early exposure to these organisms is beneficial to a child ' s well-being. Our modern lifestyle, with its emphasis on hyper-cleanliness, is taking a toll on children ' s lifelong health. In this engaging and important book, microbiologists Brett Finlay and Marie-Claire Arrieta explain how the trillions of microbes that live in

and on our bodies influence childhood development; why an imbalance of those microbes can lead to obesity, diabetes, and asthma, among other chronic conditions; and what parents can do--from conception on--to positively affect their own behaviors and those of their children. They describe how natural childbirth, breastfeeding, and solid foods influence children's microbiota. They also offer practical advice on matters such as whether to sterilize food implements for babies, the use of antibiotics, the safety of vaccines, and why having pets is a good idea. Forward-thinking and revelatory, *Let Them Eat Dirt* is an essential book in helping us to nurture stronger, more resilient, happy, and healthy kids.

*The Boy Who Ate the World* Mar 22 2023 Herman Oof is a giant. Sarah is a girl. Herman needs 140 hamburgers and 200 glasses of milk for a snack. Sarah does not. Herman takes to swallowing up entire cities and continents and drinking up lakes and oceans. Sarah is not amused. Herman has eaten her dog. When the island of Japan is all that's left of the world, Herman confesses that he might burst if he eats another bite. "You'd burst?" Sarah asks "Absolutely." Herman replies. An idea is born. Sarah realizes that it just might be possible to restore the world with a loud WHOOSH and only a few teeth marks as proof of what might have been. Pierre Pratt's inventive illustrations are the perfect accompaniment to this entertaining warning about the dangers of global over-consumption.

*Eric, the Boy Who Ate Too Much* Oct 17 2022 "Charlie Wicket is the epitome of cool and Eric wants desperately to be his friend. But Charlie is the class bully, and if you don't fit in, tough luck. So Eric embarks on an enormous adventure to do just that and ends up in big trouble. Will he find a way out? Will he ever find a friend?" -- back cover.

*The Boy who Ate the Moon* Sep 16 2022 After eating the moon, a

boy takes a strange journey.

Daily Bread Jun 20 2020 As globalization alters our relationship to food, photographer Gregg Segal has embarked on a global project asking kids from around the world to take his "Daily Bread" challenge. Each child keeps a detailed journal of everything they eat in a week, and then Segal stages an elaborate portrait of them surrounded by the foods they consumed. The colorful and hyper-detailed results tell a unique story of multiculturalism and how we nourish ourselves at the dawn of the 21st century. From Los Angeles to Sao Paulo, Dakar to Hamburg, Dubai to Mumbai we come to understand that regardless of how small and interconnected the world seems to become each year, diverse pockets of traditional cultures still exist on each continent, eating largely the same way they have been for hundreds of years. It is this rich tapestry that Segal captures with care and appreciation, showcasing the page-after-page charm of Daily Bread. Contrasted with the packaged and processed foods consumed primarily in developed nations, questions about health and sustainability are raised and the book serves as a catalyst for consideration of our status quo. There's an old adage, "The hand that stirs the pot rules the world." Big Food is stirring the pot for children all over the world. Nonetheless, there are regions and communities where slow food will never be displaced by junk food, where home-cooked meals are the bedrock of family and culture, and where love and pride are expressed in the aromas of stews and curries.
