Saving money for something? Then this is the book for you! Danny Dollar, the “King of Cha-Ching,” will teach you to make money, save money, and spend money wisely—and to dream big! Maybe you get an allowance (clean the bathroom anyone?) or have been gifted money (birthday present?) but did you know that you can actually start a business and make your own money? Even as a kid! It’s called being an entrepreneur. Danny shares tips for starting your own business, like how to write a business plan

and raise start-up money (the money you need to get your business going). Plus, you'll learn how to open a bank account, create a budget, invest, and donate money. Danny will even introduce you to real life kids who are making their own money—and lots of it. Free yourself from having to ask your parents for money, and start making your own today! Carson Kressley, the Emmy-winning TV star and New York Times bestselling author of *Queer Eye for the Straight Guy*, has spent the last decade transforming thousands of women and connecting with millions more on Oprah Winfrey, Good Morning America, and countless other national broadcasts. He knows what makes women tick. Whether we live in Tacoma or Tallahassee, there is a common thread among all of us: we want to feel beautiful but don't always know where to start. We're frequently frustrated by fashion and can't figure out which trends to follow and which to flee. *Does This Book Make My Butt Look Big?* is a roadmap for all of us to build unshakable body and fashion confidence. Nowhere else is there a fun and accessible book created for the underserved masses like us, who just want to get out the door looking and feeling fabulous. Who don't have gobs of money to drop on our wardrobe and feel left out of the game. And when it comes to how we feel about our bodies, all we see are roadblocks...and signs for Burger King! We need to be reminded that fashion is FUN. We need to know that with the right tools, we have the power to transform our self-perception by shifting our mindset from woe-is-me to wow-is-me. We need the secrets of playing to our strengths and minimizing our flaws. We need to take more chances, and leave what doesn't work in the dust. Most of all, we need Carson, our peppy, blond fairy godstylist, to show us the way! For more than two decades, homebrewers around the world have turned to *Brew Your Own* magazine for the best information on making incredible beer at home. Now, for the first time, 300 of *BYO's* best clone recipes for recreating favorite commercial beers are coming together in one book. Inside you'll find dozens of IPAs, stouts, and

lagers, easily searchable by style. The collection includes both classics and newer recipes from top award-winning American craft breweries including Brooklyn Brewery, Deschutes, Firestone Walker, Hill Farmstead, Jolly Pumpkin, Modern Times, Maine Beer Company, Stone Brewing Co., Surly, Three Floyds, Tröegs, and many more. Classic clone recipes from across Europe are also included. Whether you're looking to brew an exact replica of one of your favorites or get some inspiration from the greats, this book is your new brewday planner. What are you doing today to make your dream future come true? 'A rare self-help book that's actually informed by evidence. A host of perceptive, practical tips for getting out of your own way and making progress toward your career goals.' Adam Grant, bestselling author of *Think Again* and *Originals* 'A practical and accessible guide to using behavioural science in your career.' Caroline Criado Perez, author of *Invisible Women*

_____ We all have big ambitions for the future but those dreams only become reality if we do something towards them regularly. To achieve audacious goals, we need to take action and make small changes every day. We need to think big and act small. Drawing on cutting-edge research from behavioural science, Dr Grace Lordan offers immediate actionable solutions and tips that will help you get closer to your dream future, every day. Focusing on six key areas - your time, goal planning, self-narratives, other people, your environment, and resilience - Dr Lordan reveals practical, science-backed hacks that will help you get ahead. Each chapter introduces us to behavioural science concepts like the 'halo effect', 'confirmation bias', 'affect heuristic' and the 'ostrich effect', to help you better understand yourself and others, so that you can get the most out of your career. Whether you fantasise about changing industry, landing that big promotion, writing a screenplay or setting up your own company, *Think Big* creates a clear pathway to the future you want now. Some of the things you'll learn include how to: · Overcome a fear of failure and throw yourself at opportunity ·

Craft the optimum environment for work and give yourself ample time for tasks · Rewrite self-narratives and tackle imposter syndrome · Watch out for other people's biases and stop them from holding you back Think Big provides a practical framework to keep you moving in the right direction towards any goal. It will help you get out of your own way and propel you on the path to success, transforming you from dreamer to doer! From concept to reality in just 90 Days—The Big Stretch is a proven program for making your personal and professional dreams come true The Big Stretch delivers a four-tiered self-evaluation and empowerment program for jumpstarting a new business, new career, or new idea—and maintaining high levels of success long-term. One of today's most effective coaches for entrepreneurs, Teneshia Jackson Warner walks you through a "career workout" routine designed to move you from idea to goal. First, you'll learn what type of dreamer you are: Hobby, Career, Make-It-Happen, Activist, or CEO. Based on that, you will discover your Dreamer's Risk Tolerance and understand your Dreamer's Ancestry to help gauge how much time, support, and resources you can apply toward your Stretch goal. You'll then create a One-Year Dream Projection to develop clear, realistic goals. Finally, you'll begin your 90-Day STRETCH program involving weekly exercises to build and strengthen your "business physique." Whether you want to escape the grind of a 9-to-5 job, improve an existing business, or simply get your dreams off the ground, The Big Stretch provides the knowledge and insight you need to turn your ideas into reality. A 32-page pad of tear-off sheets, full of drawing tips and story ideas to help young artists create their own comic strips. Simple tips about the basics of creating comics, from designing characters to using sound effects. A wide variety of themes and types of story. Lots of space to draw comics, with pre-drawn panels to make that easier. The All-Star pitcher tells his incredible life story from picking coffee in the Dominican Republic to reaching MLB icon status in America. Legendary baseball pitcher Bartolo Colón—also known as Big Sexy—is one of the most beloved athletes to ever play the game. Honored with the Cy Young Award in 2005, Colón has won more games than any other Latin American-born pitcher. But more importantly, Big Sexy has captured the hearts of fans as well as the elite competitors he has played against. In *Big Sexy: In His Own Words*, he opens up as never before, telling the story of his life and his decades-long career. The result is a touching and deeply personal story of a truly unique baseball life. Provides step-by-step instructions for building a city from Lego bricks. Learn how to code while you write programs that effortlessly perform useful feats of automation! The second edition of this international fan favorite includes a brand-new chapter on input validation, Gmail and Google Sheets automations, tips for updating CSV files, and more. If you've ever spent hours renaming files or updating spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? Automate the Boring Stuff with Python, 2nd Edition teaches even the technically uninclined how to write programs that do in minutes what would take hours to do by hand—no prior coding experience required! This new, fully revised edition of Al Sweigart's bestselling Pythonic classic, *Automate the Boring Stuff with Python*, covers all the basics of Python 3 while exploring its rich library of modules for performing specific tasks, like scraping data off the Web, filling out forms, renaming files, organizing folders,

sending email responses, and merging, splitting, or encrypting PDFs. There's also a brand-new chapter on input validation, tutorials on automating Gmail and Google Sheets, tips on automatically updating CSV files, and other recent feats of automations that improve your efficiency. Detailed, step-by-step instructions walk you through each program, allowing you to create useful tools as you build out your programming skills, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Boring tasks no longer have to take to get through—and neither does learning Python! Think big, buy small. Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards--as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute Best-selling author Al Sweigart shows you how to easily build over 80 fun programs with minimal code and maximum creativity. If you've mastered basic Python syntax and you're ready to start writing programs, you'll find The Big Book of Small Python Projects both enlightening and fun. This collection of 81 Python projects will have you making digital art, games, animations, counting pro- grams, and more right away. Once you see how the code works, you'll

practice re-creating the programs and experiment by adding your own custom touches. These simple, text-based programs are 256 lines of code or less. And whether it's a vintage screensaver, a snail-racing game, a clickbait headline generator, or animated strands of DNA, each project is designed to be self-contained so you can easily share it online. You'll create:

- Hangman, Blackjack, and other games to play against your friends or the computer
- Simulations of a forest fire, a million dice rolls, and a Japanese abacus
- Animations like a virtual fish tank, a rotating cube, and a bouncing DVD logo screensaver
- A first-person 3D maze game
- Encryption programs that use ciphers like ROT13 and Vigenère to conceal text

If you're tired of standard step-by-step tutorials, you'll love the learn-by-doing approach of *The Big Book of Small Python Projects*. It's proof that good things come in small programs! *Invent Your Own Computer Games with Python* will teach you how to make computer games using the popular Python programming language—even if you've never programmed before! Begin by building classic games like Hangman, Guess the Number, and Tic-Tac-Toe, and then work your way up to more advanced games, like a text-based treasure hunting game and an animated collision-dodging game with sound effects. Along the way, you'll learn key programming and math concepts that will help you take your game programming to the next level.

Learn how to:

- Combine loops, variables, and flow control statements into real working programs
- Choose the right data structures for the job, such as lists, dictionaries, and tuples
- Add graphics and animation to your games with the pygame module
- Handle keyboard and mouse input
- Program simple artificial intelligence so you can play against the computer
- Use cryptography to convert text messages into secret code
- Debug your programs and find common errors

As you work through each game, you'll build a solid foundation in Python and an understanding of computer science fundamentals. What new game will you create with the power of Python? The projects in this book

are compatible with Python 3. The Ultimate Gift - The Gift of Your Own Power! When author Linker first learned about manifesting, she manifested an extra \$10,000 in the first week of class; how fantastic would YOUR life be if you had the ability to create what you wish? How exciting would it be to feel at home with your own manifesting ability? Reach for your dreams the way a seasoned traveler dashes for the window seat on a train. Settle in to your seat, unpack your picnic basket and prepare for a delicious adventure! Unlike other books that are all candy-coated promises, this book not only gives you the tools and techniques you need, it also takes you by the hand and gently guides you past the bumps that arise along the way that make some people think that they simply 'don't have the power.' Well, you do have the power, each of us does! Manifesting is an inborn gift, and, like any natural gift or talent, it takes nurturing and practice to develop to its full potential. And, like any powerful tool, it takes skill to use it well and wisely, for the sake of our own happiness and success. What makes *The Little Book of Manifesting Big* stand out is the simplicity of the explanations and clarity of images used. This wisdom is combined with Linker's warm, encouraging tone, and her joyful approach to manifesting. The book is beautifully illustrated in full color. The book is based on the teachings of Linker's spiritual teacher, Shanta, who she studied with for over 30 years. It presents the techniques shared by her teacher with clarity, simplicity and inspiration. Manifesting is easy when you know how, and the rewards are greater than you can even imagine. Manifesting is simple, but it takes a certain knack. In *'The Little Book of Manifesting Big'* Linker gives the reader everything they need for success. Here's what readers are saying about *'The Little Book of Manifesting Big'*: "If you thought you knew everything there is to know about manifesting, think again. In this, short, sweet, powerful book Reba unleashes some gems you don't want to miss. I can't wait to start putting all her sage advice into practice and watch the manifesting unfold." Rachel

Cohen "The Little Book of Manifesting Big takes on a huge topic and makes it simple, manageable, and doable. In it, Reba Linker shows how we truly do create our own reality!" Jodi Chapman "I can feel in my whole being the magic that applying these techniques will bring. Yes. Connection to the Universe is truly a most delicious gift - and so is "The Little Book of Manifesting Big!" Thank you, Reba!" Astra Spider "My wish is for all the people who read your book will not just read it but apply it in their life...then they would have the world in the palm of their hands." Ruth Meier "I just love 'The Little Book of Manifesting Big, ' it is so clear, so simple, so readable, so encouraging..and it makes it all so easy! Thank you!" Karen Packwood Read it for yourself, develop your inborn gift of manifesting, and open your own personal Aladdin's cave, full of all the treasure you desire. You deserve the best! Presents ways for young children with anxiety to recognize when they are losing control and constructive ways to deal with it. Stars of Bravo TV's The Real Housewives of New York City, Alex McCord and Simon van Kempen, have a hit show and a great book, Little Kids, Big City, a lighthearted and critically acclaimed he-said, she-said rant, about their experiences raising their two young children in the Big Apple. More of a Momoir (and Dadoir) covering the last 10 years of their lives, Alex & Simon write with a unique and humorous insight into the challenges facing parents today. They use their own hard-won experience as a springboard to discuss life before children and their determination not to have any, followed by their journey and eventual change of heart and the rollercoaster ride of having two children in two years in a seemingly non-child-friendly environment. Rather than a preachy, how-to guide, Simon & Alex take the reader on a romp through the indignities and surprises that befell them. Their informative and often hair-raising stories of life in the concrete jungle make Little Kids, Big City a must-read for anyone who has ever had children, hated children or thought they might want to have them someday, as well as for any fan of their hit

show. The independent little girl in this snug story loves her brand new big bed but . . . What if I fall out? What if I get lonely? What if I get lost? What if I get scared? Just right for young children making the transition from crib to bed, and featuring Mary Watson's comforting and realistic paintings, *My Own Big Bed* celebrates self-reliance, eases fears, and -- with a tuck and a kiss from Mommy and Daddy -- promises a safe and cozy night's sleep. The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans." If you could have an adventure in New York City, where would you go? Curious readers will find plenty to see, learn, and explore in this fun and illustrated pick-your-own-path travel guide! Would you walk the Brooklyn Bridge for a huge slice of pizza, see the dazzling lights in Times Square, or visit the whale at the Museum of Natural History? Create your own itinerary, choose which places to visit at the end of every page, and follow along with an adventurous family as they explore New York. • Visit iconic sites like the Statue of Liberty, the Empire State Building, and the legendary Broadway theater district. • Grab a slice from New York's iconic pizzerias, sample world-famous bagels, and try a taste of Harlem Soul food. • Discover off-the-

beaten-path destinations such as the Little Red Lighthouse, the Underground Transit Museum, and the Boardwalk of Coney Island. • Travel through the city that never sleeps by waterway ferry, subway and the iconic yellow taxi. • Get to know the diversity of the city through visits to Chinatown, Little Italy, Queens, and Harlem. Featuring playful illustrations, a diverse and lovable cast of characters, an invaluable resources section, and a fun foldout map, this book is an ingenious way for kids to take the lead while planning a vacation or learning about one of the largest cities in the world. Whether you're an armchair traveler or a real-life tourist, Little Kid, Big City! has everything you need to invent your own adventure! Next stop, Little Kid, Big City!:

You not only learn the ins and outs of making a Miniature Horse a part of your life, you gain invaluable professional insight when it comes to buying and breeding, registering and showing, training and handling, and so much more. From Bunmi Laditan, the creator of the Honest Toddler blog, The Big Bed is a humorous picture book about a girl who doesn't want to sleep in her little bed, so she presents her dad with his own bed—a camping cot!—in order to move herself into her parents' big bed in his place. A twist on

the classic parental struggle of not letting kids sleep in their bed. The award-winning journalist reveals the untold story of why America is so culturally and politically divided in this groundbreaking book. Armed with startling demographic data, Bill Bishop demonstrates how Americans have spent decades sorting themselves into alarmingly homogeneous communities—not by region or by state, but by city and neighborhood. With ever-increasing specificity, we choose the communities and media that are compatible with our lifestyles and beliefs. The result is a country that has become so ideologically inbred that people don't know and can't understand those who live just a few miles away. In *The Big Sort*, Bishop explores how this phenomenon came to be, and its dire implications for our country. He begins with stories about how we live today and then draws on history, economics, and our changing political landscape to create one of the most compelling big-picture accounts of America in recent memory. National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing

and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui’s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Ever dream of starting your own business? According to USA Today, more than 47 million people want to own their own businesses and over 20 million actually do. In *How to Make Big Money in Your Own Small Business*, bestselling business author Jeffrey Fox offers sound rules to succeeding in small business, whether you're running a bookstore, consulting business, or restaurant. In short chapters that range from administration and cash flow to marketing and hiring, Fox reminds entrepreneurs what's important and what's not, what makes a business succeed, and what causes it to fail. From the worldwide bestselling author of *Eat Pray Love* and *City of Girls*: the path to the vibrant, fulfilling life you’ve dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert’s books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the “strange jewels” that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to

address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy. Build a epic science fiction LEGO galaxy. Now for the first time ever in one volume, all twenty-eight stories and two serialized novels starring the Continental Op—one of the greatest characters in storied history of detective

fiction. Dashiell Hammett is the father of modern hard-boiled detective stories. His legendary works have been lauded for almost one hundred years by fans, and his novel *The Maltese Falcon* was adapted into a classic film starring Humphrey Bogart. One of Dashiell Hammett's most memorable characters, the Continental Op made his debut in *Black Mask* magazine on October 1, 1923, narrating the first of twenty-eight stories and two novels that would change forever the face of detective fiction. The Op is a tough, wry, unglamorous gumshoe who has inspired a following that is both global and enduring. He has been published in periodicals, paperback digests, and short story collections, but until now, he has never, in all his ninety-two years, had the whole of his exploits contained in one book. The book features all twenty-eight of the original standalone Continental Op stories, the original serialized versions of *Red Harvest* and *The Dain Curse*, and previously unpublished material. This anthology of Continental Op stories is the only complete, one-volume work of its kind. The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, *The New York Times Book Review* When Donald Trump won the 2016 presidential election, a bewildered nation turned to *Strangers in Their Own Land* to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the *New Republic*, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important"

by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book. Presents an updated, beginner-friendly guide with the best homebrew techniques, tips, and new recipes. 2016 Silver Nautilus Book Award Winner Brew your own kombucha at home!
