As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*! As a youth worker you have certainly spent much of your time addressing the current issues facing teens, but have you stopped to think about what may be behind students' behavior? Many of the not-so-wise choices students make are the result of a confused worldview that comes from uncertainty about who God is. It's easy for students to dismiss the truth when they learn from the world that all truth is relative. Creative Bible Lessons: Essential Theology uses a conversational approach to give students a theological foundation to better understand God and his purpose for how to live their lives. Throughout the twelve sessions of this study students will—

- learn how creation provides evidence of God's existence.
- look at how God has chosen to reveal himself through his Word.
- learn to live lives that reflect God's love for them.
- understand their need for God's direction.
- commit to following God's will as they make life decisions.
- discover how God's invitation to enter his kingdom affects the direction of their lives.
- examine where they are with God on a personal level.

Following in the tradition of the bestselling Creative Bible Lessons series, you'll find audio, visual, and hands-on activities to engage your students in the pursuit of theology. And because every student learns differently, each lesson includes options to help you reach your particular group of students, whether they learn best from imaginative, analytic, common sense, or dynamic teaching styles.
