He'd be right, too." —Booklist "Boasting surefire characters including the taciturn, thick-chested chief detective Noda and notorious crime figure called TNT who owes Brodie favors...[Lancet's] series remains highly distinctive." —Kirkus Reviews When an elderly World War II veteran shows up unannounced at Brodie Security begging for protection, the staff thinks he's just a paranoid old man. He offers up a story connected to the war and to Chinese Triads operating in present-day Tokyo, insisting that he and his few surviving army buddies are in danger. Fresh off his involvement in solving San Francisco's Japantown murders, antiques dealer Jim Brodie had returned to Tokyo for some R&R, and to hunt down a rare ink painting by the legendary Japanese Zen master Sengai for one of his clients—not to take on another case with his late father's P.I. firm. But out of respect for the old soldier, Brodie agrees to provide a security detail, thinking it'll be

an easy job and end when the man comes to his senses. Instead, an unexpected, brutal murder rocks Brodie and his crew, sending them deep into the realm of the Triads, Chinese spies, kendo warriors, and an elusive group of killers whose treachery spans centuries—and who will stop at nothing to complete their mission.

**The Drop Jul 13 2022** In his fierce search for a new case, Detective Harry Bosch discovers a killer hiding behind suspicious DNA evidence -- and a political conspiracy that could destroy the Los Angeles Police Department. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

**Nine Dragons May 11 2022** After what seems like a routine murder investigation, LAPD Detective Harry Bosch finds himself in Hong Kong facing the highest-stakes case of his life: bringing his kidnapped daughter home. Fortune Liquors is a small shop in a tough South L.A. neighborhood, a store Bosch has known for years. The murder of John Li, the store's owner, hits Bosch hard, and he promises Li's family that he'll find the killer. The world Bosch steps into next is unknown territory. He brings in a detective from the Asian Gang Unit for help with translation -- not just of languages but also of the cultural norms and expectations that guided Li's life. He uncovers a link to a Hong Kong triad, a lethal and far-reaching crime ring that follows many immigrants to their new lives in the U.S. And instantly his world explodes. The one good thing in Bosch's life, the person he holds most dear, is taken from him and Bosch travels to Hong Kong in an all-or-nothing bid to regain what he's lost. In a place known as Nine Dragons, as the city's Hungry Ghosts festival burns around him, Bosch puts aside everything he knows and risks everything he has in a desperate bid to outmatch the triad's ferocity. The Crossing Aug 26 2023 Six months ago, Harry Bosch left the LAPD before they could fire him, and then hired maverick Defense Attorney Mickey Haller to sue the department for forcing him out. Although it wasn't the way he wanted to go, Harry has to admit that being out of the game has its benefits. Until Mickey asks him to help on one of his cases, and suddenly Harry is back where he belongs, right in the centre of a particularly puzzling murder mystery. The difference is, this time Harry is working for the defense, aiming to prevent the accused, Da'Quan Foster, from being convicted. And not only does the prosecution seem to have a cast-iron case, but having crossed over to 'the dark side' as his former colleagues would put it, Harry is in danger of betraying the very principles he's lived by his whole career.

The Crossing Jun 24 2023 In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, The Crossing shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

Pacific Burn Aug 02 2021 Japanese antiques dealer and PI Jim Brodie goes up against a killer operating on both sides of the Pacific in Barry Lancet's Pacific Burn—"a page-turning, globe-spanning tale of murder, suspense,

and intrigue that grabs and holds your attention from beginning to end" (Nelson DeMille). In recognition for his role in solving the Japantown murders in San Francisco, antiques dealer and sometime-PI Jim Brodie has just been brought on as the liaison for the mayor's new Pacific Rim Friendship Program. Brodie in turn recruits his friend, the renowned Japanese artist Ken Nobuki, and after a promising meeting with city officials and a picture-perfect photo op, Brodie and Nobuki leave City Hall for a waiting limo. But as soon as they exit the building, a sniper attacks them from the roof of the Asian Art Museum. Brodie soon realizes that, with the suspicious and untimely death of Nobuki's oldest son a week earlier in Napa Valley, someone may be targeting his friend's family—and killing them off one by one. Suspects are nearly too numerous to name—and could be in the United States or anywhere along the Pacific Rim. The quest for answers takes Brodie from his beloved San Francisco to Washington, DC, in a confrontation with the DHS, the CIA, and the FBI; then on to Tokyo, Kyoto, and beyond, in search of what his Japanese sources tell him is a legendary killer in both senses of the word—said to be more rumor than real, but deadlier than anything else they've ever encountered if the whispers are true. In the third book in "what will likely be a long and successful series" (San Francisco Magazine), Barry Lancet delivers his most exciting Jim Brodie novel yet.

Japantown Jul 21 2020 An American antiques dealer-turned-reluctant private investigator draws on his knowledge of Japanese culture to assist the San Francisco police department with the senseless murder of an entire family.
