The Crowd You're In With Sep 01 2023 The Crowd You're in With is the fifth play by award-winning American playwright Rebecca Gilman. In it, a Fourth of July backyard barbecue is the setting for a comic, thought-provoking, ultimately disquieting exploration of the question of whether to have children. Melinda and Jasper, the hosts, are deeply divided by the issue; Tom and Karen, their landlords, decided long ago to remain childless; Windsong and her husband, Dan, are expecting a baby. As the play progresses, the motivations of these characters reveal themselves as ever more complex. Even as the

*characters often speak in very practical terms about their decisions, Gilman never loses sight of the mystery underlying a life-shaping decision guided by both rational thought and biological imperative, which ultimately speaks to the even larger question of free will and determinism faced by every person. The Chicago-based Gilman has won numerous awards including the Evening Standard Award for Most Promising Playwright and the Scott McPherson Award. Her play *The Glory of Living* was a finalist for the Pulitzer Prize.*

To Walk Alone in the Crowd Oct 10 2021 Winner of the 2020 Medici Prize for Foreign Novel From the award-winning author of the Man Booker Prize finalist *Like a Fading Shadow*, Antonio Muñoz Molina presents a flâneur-novel tracing the path of a nameless wanderer as he walks the length of Manhattan, and his mind. De Quincey, Baudelaire, Poe, Joyce, Benjamin, Melville, Lorca, Whitman . . . walkers and city dwellers all, collagists and chroniclers, picking the detritus of their eras off the filthy streets and assembling it into something new, shocking, and beautiful. In *To Walk Alone in the Crowd*, Antonio Muñoz Molina emulates these classic inspirations, following their peregrinations and telling their stories in a book that

*is part memoir, part novel, part chronicle of urban wandering. A skilled collagist himself, Muñoz Molina here assembles overheard conversations, subway ads, commercials blazing away on public screens, snatches from books hurriedly packed into bags or shoved under one's arm, mundane anxieties, and the occasional true flash of insight—struggling to announce itself amid this barrage of data—into a poem of contemporary life: an invitation to let oneself be carried along by the sheer energy of the digital metropolis. A denunciation of the harsh noise of capitalism, of the conversion of everything into either merchandise or garbage (or both), *To Walk Alone in the Crowd* is also a celebration of the beauty and variety of our world, of the ecological and aesthetic gaze that can, even now, recycle waste into art, and provide an opportunity for rebirth.*

*Dollhouse Jun 29 2023 Nora seems to have it all: a successful husband, three adorable children, and a beautiful home in the tony Lincoln Park neighborhood of Chicago. But what looks like the perfect life is woefully incomplete, propped up by dark secrets and bitter betrayals. While her husband, Terry, singlemindedly climbs the career ladder, Nora's compulsive shopping and scheming pushes her ever further from freedom and self-fulfillment. As the lies on which their life is built gradually emerge, Nora comes to realize the true cost of what she thinks she has always wanted. From Ibsen's masterpiece *A Doll's House*, award-winning playwright Rebecca Gilman crafts a bold and insightful update. This contemporary adaptation brings Ibsen's classic into our century with a sharp eye for social satire and moments of dark comedy coupled with powerful human drama.*

Defying the Crowd Jul 07 2021 World renowned psychologist Robert Sternberg presents a fresh and compelling picture of the creative

process from the inception of an idea to its ultimate success. With illuminating examples, Sternberg reveals the paths we all can take to become more creative and shows how institutions can learn to foster creativity. "What is creative is new and often brings about positive change. But what is new is also strange, and what is strange can be scary, even threatening—which is why 'they' don't want to hear it. But they are unwise not to listen, for the creative person with original ideas is the one who, with support, will advance and improve the milieu to the benefit of all." —from *Defying the Crowd*

The book examines histories of political thought and their justifications for forms of rule, highlighting the persistent and profoundly anti-democratic bias in political and social thought, analysing in particular the writings of Machiavelli, Montesquieu, Hitler, Gibbon, Carlyle, Michelet, Taine and Freud.*

*How to Behave in a Crowd Apr 27 2023 A witty, heartfelt novel that brilliantly evokes the confusions of adolescence and marks the arrival of an extraordinary young talent. Isidore Mazal is eleven years old, the youngest of six siblings living in a small French town. He doesn't quite fit in. Berenice, Aurore, and Leonard are on track to have doctorates by age twenty-four. Jeremie performs with a symphony, and Simone, older than Isidore by eighteen months, expects a great career as a novelist—she's already put Isidore to work on her biography. The only time they leave their rooms is to gather on the old, stained couch and dissect prime-time television dramas in light of Aristotle's Poetics. Isidore has never skipped a grade or written a dissertation. But he notices things the others don't, and asks questions they fear to ask. So when tragedy strikes the Mazal family, Isidore is the only one to recognize how everyone is struggling with their grief, and perhaps the only one who can help them—if he doesn't run away from home first. Isidore's unstinting empathy, combined with his simmering anger, makes for a complex character study, in which the elegiac and comedic build toward a heartbreaking conclusion. With *How to Behave in a Crowd*, Camille Bordas immerses readers in the interior life of a boy puzzled by adulthood and beginning to realize that the adults around him are just as lost. Cooking for a Crowd Mar 27 2023 Susan Wyler's indispensable classic is back in print-now better than ever, with more than a dozen

new menus, over 70 new recipes, and a wealth of updated strategies
The original edition of Cooking for a Crowd won great praise all around: Florence Fabricant named it one of the New York Times best books of the season. Perla Meyers, author of How to Peel a Peach, advised, "Keep this book as a reference whenever you are entertaining." And Rose Levy Berenbaum, author of The Cake Bible, declared, "She puts together the components of a dinner with the passion, perfection, and ease of a master painter. The game plans . . . enable any cook to impress without risk." This new edition builds on the premise of the original-that many a home cook can manage the occasional dinner party for 4 to 6, but when it comes to entertaining a crowd of 10 or more, the logistics become exponentially more complicated. Wyler's ingeniously user-friendly combination of creative menus, do-ahead game plans, and crowd-pleasing recipes makes it possible for any home cook to entertain on a large scale. Wyler has expanded the volume to include over 225 recipes and 35 menus for a variety of sizes and occasions-such as Tuscan Lunch for 12 to 16, Black and Orange Halloween Party for 24, even a Wedding Supper for 50. A perfect balance of inspiring and instructive, Cooking for a Crowd is a must-have for all home cooks who want to bring large groups of family and friends together at the table.
